GENERAL MANDATE TO ISSUE SHARES

The Issue Mandate will, if granted, remain effective until the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held by Cayman law or the Articles; and (iii) its revocation or variation by an ordinary resolution of the Shareholders in general meeting.

In addition, if the Repurchase Mandate, as described below, is granted, a separate ordinary resolution will be proposed at the AGM to increase the number of Shares which may be allotted and issued under the Issue Mandate by the number of Shares repurchased under the Repurchase Mandate (up to a maximum of 10% of the aggregate nominal amount of the share capital of the Company in issue as at the date of the grant of the Issue Mandate).

At the AGM, an ordinary resolution will also be proposed to grant to the Directors authority to repurchase Shares up to 10% of the share capital of the Company in issue as at the date of passing the proposed resolution of Repurchase Mandate.

The Repurchase Mandate will, if granted, remain in effect until the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held by Cayman law or by the Articles; and (iii) its revocation or variation by an ordinary resolution of the Shareholders in general meeting.

Value Partners Group Limited
TSE Wai Ming
Executive Director and Company Secretary

The following is an explanatory statement required by the Stock Exchange to be presented to Shareholders concerning the Repurchase Mandate.

1. STOCK EXCHANGE RULES FOR REPURCHASES OF SHARES

The Listing Rules permit companies with a primary listing on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions.

The Listing Rules provide that all proposed repurchases of share by a company with a primary listing on the Stock Exchange must be approved by Shareholders in advance by an ordinary resolution, either by way of a general mandate or, by a specific approval of a particular transaction and that the shares to be repurchased must be fully paid up.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase Shares on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

3. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprises 1,754,936,981 Shares.

Subject to the passing of the relevant ordinary resolution to approve the New General Mandates to issue and repurchase Shares and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 175,493,698 Shares.

4. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Memorandum of Association and the Articles, the laws of Cayman Islands and/or any other applicable laws.

The Company is empowered by its Memorandum of Association and the current Articles to repurchase Shares. The laws of Cayman Islands provide that the amount of capital paid in connection with a share repurchase by a company may only be paid out of either the capital paid up on the relevant shares, or the funds of the company which would otherwise be available for dividend or distribution or the proceeds of a fresh issue of shares made for such purpose. The amount of premium payable on repurchase may only be paid out of funds of the company which would otherwise be available for dividend or distribution or out of the share premium account of the company before the shares are repurchased.

5. IMPACT OF REPURCHASES

As compared to the financial position of the Company as at 31 December 2010 (being the date of the Company's latest audited accounts), the Directors consider that the repurchase of Shares will have no material adverse impact on the working capital and the gearing position of the Company in the event that the Repurchase Mandate were to be exercised in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

6. TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, CCML and Mr. YEH V-Nee, the co-founder of the Company, being a party acting in concert with CCML for the purpose of Takeovers Code, were interested in 798,419,808 Shares (representing approximately 45.50% of the total issued share capital of the Company).

On the basis that the issued share capital of the Company remains unchanged up to the date of the AGM, in the event that the Directors exercise in full the power to repurchase Shares in accordance with the terms of the relevant ordinary resolution to be proposed at the AGM, the interest of 798,419,808 in the issued Shares would be increased to approximately 50.55% of the total issued share capital of the Company. Such an increase of shareholding would give rise to an obligation for CCML, Mr. YEH and their concert parties to make a mandatory offer under the Takeovers Code. However, the Directors do not have any present intention to exercise the Repurchase Mandate to such an extent as would give rise to such an obligation.

Save as aforesaid and as at the Latest Practicable Date, the Directors were not aware of any consequence which the exercise in full of the Repurchase Mandate would have under the Takeovers Code.

7. DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSONS

None of the Directors or, to the best of the knowledge and belief of the Directors, having made all reasonable enquiries, any of their respective associates has any present intention to sell any Shares to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any Connected Persons of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any of the Shares held by them to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchase of Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules, the applicable laws of the Cayman Islands and in accordance with the Memorandum of Association and the Articles of the Company.

8. SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares has been made by the Company in the six months (whether on the Stock Exchange or otherwise) ended on the Latest Practicable Date.

9. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which the Shares have traded on the Stock Exchange during each of the previous 12 months were as follows:
