LETTER FROM THE BOARD

2. GENERAL MANDATES

Issue Mandate and Extension of the Issue Mandate

At the annual general meeting of the Company held on 26 June 2025, resolutions were passed by the Shareholders giving general unconditional mandates to the Directors to allot, issue or otherwise deal with the Shares not exceeding 20% of the aggregate nominal amount of the share capital of the Company in issue as at the date of passing of the relevant ordinary resolution and to repurchase the Shares not exceeding 10% of the aggregate nominal amount of the share capital of the Company in issue as at the date of passing of the relevant ordinary resolution in accordance with the Listing Rules. These general mandates will lapse at the conclusion of the AGM. It is therefore proposed to renew the General Mandates at the AGM and ordinary resolutions will be proposed to seek the Shareholders' approval for the granting of the General Mandates to the Directors and to extend the Issue Mandate by an amount representing the aggregate nominal amount of the Shares repurchased by the Company pursuant to and in accordance with the Repurchase Mandate. Accordingly, assuming that the share capital of the Company in issue (excluding the Treasury Shares, if any) remains unchanged on the date of the AGM, the Company would be allowed under the Issue Mandate to allot, issue or otherwise deal with a maximum of 497,232,000 Shares and under the Repurchase Mandate to repurchase a maximum of 248,616,000 Shares.

The Ordinary Resolution number 6 as set out in the AGM Notice would grant a general mandate to the Directors to allot, issue or otherwise deal with the Shares not exceeding 20% of the aggregate nominal amount of the share capital of the Company in issue (excluding the Treasury Shares, if any) as at the date of passing of such resolution (i.e. not exceeding 497,232,000 Shares based on the issued share capital of the Company of 2,486,160,000 Shares as at the Latest Practicable Date). Furthermore, the Ordinary Resolution number 8 as set out in the AGM Notice would enable the Directors to issue, under the general mandate contained in Ordinary Resolution number 6, an additional number of Shares representing the number of Shares repurchased under the Repurchase Mandate. In accordance with the Listing Rules, the authority conferred on the Directors by Ordinary Resolution number 6 would continue in force until the conclusion of the next annual general meeting of the Company or any earlier date as referred to in paragraph (D) of such resolution.

Repurchase Mandate

The Ordinary Resolution number 7 as set out in the AGM Notice would grant a general mandate to the Directors to exercise the powers of the Company to repurchase, on the Stock Exchange, the Shares not exceeding 10% of the aggregate nominal amount of the share capital of the Company in issue (excluding the Treasury Shares, if any) as at the date of passing of such resolution (i.e. not exceeding 248,616,000 Shares based on the issued share capital of the Company of 2,486,160,000 Shares as at the Latest Practicable Date). In accordance with the Listing Rules, the authority conferred on the Directors by Ordinary Resolution number 7 would continue in force until the conclusion of the next annual general meeting of the Company or any earlier date as referred to in paragraph (C) of such resolution.

LETTER FROM THE BOARD

In the event that the Company repurchases Shares pursuant to the Repurchase Mandate, the Company may either (i) cancel the Shares repurchased and/or (ii) hold them as the Treasury Shares, subject to compliance with the Bye-Laws, market conditions and the capital management needs of the Company at the relevant time when any repurchase(s) of Shares are made. If the Company holds Shares in treasury, any disposal or transfer of Shares in treasury will be subject to and made pursuant to the terms of the Issue Mandate as referred to in Ordinary Resolution number 6 of the notice of the AGM and in accordance with the Listing Rules and the applicable laws and regulations of Bermuda.

In accordance with the requirements of the Listing Rules, the Company is required to send to the Shareholders an explanatory statement containing all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the granting of the Repurchase Mandate. An explanatory statement as required by the Listing Rules in connection with the Repurchase Mandate is set out in the Appendix I to this Circular.

3. RE-ELECTION OF RETIRING DIRECTORS

According to Bye-Law 83 of the Bye-Laws, any Director appointed by the Board shall hold office only until the next following general meeting of the Company and shall then be eligible for re-election. Accordingly, Mr. Tu Yikai (“**Mr. Tu**”) and Mr. Ye, James Zheng (“**Mr. Ye**”) shall hold office until the AGM and shall be eligible for re-election.

Pursuant to the Listing Rules and according to Bye-Law 84 of the Bye-Laws, every Director should be subject to retirement by rotation at least once every three years. Accordingly, Mr. Ren Jiajun (“**Mr. Ren**”), Mr. Sang Jinghua (“**Mr. Sang**”), and Dr. Wong Yau Kar, David (“**Dr. Wong**”) shall retire from office by rotation at the AGM and shall be eligible for re-election.

Pursuant to the code provision set out in paragraph B.2.3 of the Corporate Governance Code as set out in Appendix C1 of the Listing Rules, any further appointment of an independent non-executive director who has served for more than nine years should be subject to a separate resolution to be approved by shareholders. Dr. Wong has served as an independent non-executive Director for more than nine years, and accordingly, the re-appointment of Dr. Wong at the AGM shall be subject to a separate resolution to be approved by the Shareholders in accordance with the Listing Rules.

Dr. Wong has confirmed his independence with reference to the factors set out in Rule 3.13 of the Listing Rules, and the Company continues to receive an annual written confirmation from Dr. Wong on his independence in accordance with the Listing Rules. In determining the proposal to re-elect Dr. Wong as an independent non-executive Director notwithstanding that he has served as independent non-executive Director for more than nine years, (i) the Board and the Nomination Committee have assessed and reviewed the annual confirmation of the independence of Dr. Wong based on the criteria set out in Rule 3.13 of the Listing Rules, in particular given that Dr. Wong does not have any interest in the securities or business of the Company and is not connected with any Directors, chief executive or substantial shareholder of the Company. The Board and the Nomination

LETTER FROM THE BOARD

Committee consider that Dr. Wong remains independent of the management and free of any relationship which could materially interfere with the exercise of his independent judgment; (ii) by taking into account the Board Diversity Policy of the Company, the Nomination Committee considers that Dr. Wong is a suitable candidate as an independent non-executive Director based on his background, experience and his commitment to devote sufficient time to the Company; (iii) the Board considers that Dr. Wong's cultural background, educational background and extensive work experience in the economics and trade industries are unique in the Board. Thus, the Board believes that Dr. Wong can bring further contributions to the Board's diversity, and that he will be able to devote sufficient time to the Board; and (iv) the Board is satisfied that through exercising the scrutinising and monitoring function of an independent non-executive Director, Dr. Wong has continued to provide independent and objective judgment and advice to the Board to safeguard the interests of the Company and the Shareholders as a whole.

In view of the foregoing factors, and taking into account that Dr. Wong has, during his tenure, brought stability to the Board and made significant contributions and that the Board has benefited greatly from the presence and experience of Dr. Wong who has over time gained valuable insight into the Group and its markets, the Board believes that Dr. Wong has the character, integrity, independence and expertise to continue to fulfill his role as an independent non-executive Director effectively and will continue to bring valuable experience, knowledge and professionalism to the Board and would recommend Dr. Wong for re-election as an independent non-executive Director at the AGM. Accordingly, Mr. Ren, Mr. Sang, Dr. Wong, Mr. Tu and Mr. Ye will retire and, being eligible, offer themselves for re-election. The Board considers that the re-election of Mr. Ren, Mr. Sang, Dr. Wong, Mr. Tu and Mr. Ye is in the best interests of the Company and the Shareholders as a whole. Particulars of each of them are set out in Appendix II to this Circular.

4. FINAL DIVIDEND

10. ADDITIONAL INFORMATION

Your attention is drawn to the additional information as set out in the appendices to this Circular.

Yours faithfully,
For and on behalf of the Board of
Sinopec Kantons Holdings Limited
Zhong Fuliang
Chairman

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their own securities on the Stock Exchange subject to certain restrictions.

The following is the explanatory statement required to be sent to the Shareholders under the Listing Rules to enable them to make an informed decision on whether to vote for or against the ordinary resolution in relation to the granting of the Repurchase Mandate to be proposed at the AGM.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,486,160,000 Shares and the Company did not have any Treasury Shares.

Subject to the passing of the relevant ordinary resolution to approve the granting of the Repurchase Mandate and on the basis that there is no change in the issued share capital of the Company between the Latest Practicable Date and the date of the AGM, the Company would be allowed to repurchase a maximum of 248,616,000 Shares under the Repurchase Mandate.

If the Company repurchases Shares pursuant to the Repurchase Mandate, the Company may either (i) cancel the Shares repurchased and/or (ii) hold them as the Treasury Shares, subject to compliance with the Bye-Laws, market conditions and the capital management needs of the Company at the relevant time when any repurchase(s) of Shares are made. If the Company holds Shares in treasury, any disposal or transfer of Shares in treasury will be subject to and made pursuant to the terms of the Issue Mandate as referred to in Ordinary Resolution number 6 of the notice of the AGM and in accordance with the Listing Rules and the applicable laws and regulations of Bermuda.

2. REASONS FOR REPURCHASES

The Directors believe that the granting of the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole as it will give the Company additional flexibility. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

3. FUNDING OF REPURCHASES

In repurchasing the Shares, the Company may only apply funds legally available for such purpose in accordance with the Listing Rules, the Bye-Laws and the laws of Bermuda. The Company is empowered by the Bye-Laws to repurchase its Shares. There might be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the financial year ended 31 December 2025) in the event that the Repurchase Mandate was to be exercised in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase

Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. SHARE PRICES

The highest and lowest prices per Share at which the Shares were traded on the Stock Exchange in each of the previous twelve months were as follows:

	Price per Share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2025		
April	4.43	3.88
May	4.51	4.25
June	4.69	4.29
July	4.68	4.29
August	4.60	4.22
September	4.62	4.15
October	4.41	3.92
November	4.34	4.02
December	4.34	4.00
2026		
January	4.41	4.03
February	4.49	4.10
March	4.52	4.02
April, up to the Latest Practicable Date	4.19	4.06

5. SHARE REPURCHASES MADE BY THE COMPANY

No repurchase of Shares had been made by the Company in the six (6) months prior to the Latest Practicable Date.

6. GENERAL

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates has any present intention, in the event that the Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company.

No core connected person of the Company has notified the Company of a present intention to sell Shares to the Company and no such person has undertaken not to sell any Shares to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

The Directors will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Listing Rules, the Bye-Laws and the applicable laws of Bermuda.

Neither this explanatory statement nor the proposed share repurchase has any unusual features.

7. EFFECT OF THE TAKEOVERS CODE

If, as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code for all Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date and to the best knowledge and belief of the Directors, Sinopec Kantons International Limited, which is ultimately held by Sinopec Group Company, had an interest in 1,500,000,000 Shares, representing approximately 60.33% of the issued share capital of the Company. In the event that the Directors exercise in full the power to purchase or acquire Shares under the Repurchase Mandate and assuming that there is no other change in the issued share capital of the Company, the shareholding of Sinopec Kantons International Limited in the Company will be increased to approximately 67.04% of the issued share capital of the Company.

Save as aforesaid, the Directors are not aware of any consequence which may arise under the Takeovers Code as a result of any purchases or acquisitions of Shares made under the Repurchase Mandate.

The Directors do not have a present intention to exercise the power to purchase or acquire the Shares to the extent which will trigger off the mandatory offer requirement pursuant to the rules of the Takeovers Code.

The Directors do not propose to repurchase Shares if such repurchase would breach the applicable public float requirements of the Company under the Listing Rules.

8. STATUS OF SHARES BOUGHT BACK

The Listing Rules provide that the shares repurchased by a company shall be held as the Treasury Shares or cancelled. The listing of all shares which are held as the Treasury Shares shall be retained. The Company shall ensure that the Treasury Shares are appropriately identified and segregated. The listing of all shares bought back but not held as the Treasury Shares shall be automatically cancelled.

To the extent that any Treasury Shares are deposited with CCASS pending resale on the Stock Exchange, the Company will adopt appropriate measures to ensure that it does not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in the Company's own name as the Treasury Shares. These measures may include (but not limited to) approval by the Board that (i) the Company would not (or would procure its broker not to) give any instructions to Hong Kong Securities Clearing Company Limited to vote at general meetings for the Treasury Shares deposited with CCASS; and (ii) in the case of dividends or distributions, the Company will withdraw the Treasury Shares from CCASS, and either re-register them in its own name as the Treasury Shares or cancel them, in each case before the record date for the dividends or distributions.
