Dear Shareholder,

### NOTICE OF ANNUAL GENERAL MEETING

#### INTRODUCTION

I am pleased to enclose the notice of the eighth AGM of the Company which will be held at the offices of Herbert Smith Freehills LLP, Exchange House, Primrose Street, EC2A 2EG at 1.00 p.m. on 9 June 2025. The formal notice of AGM is set out on pages 8 and 9 of this document, followed by explanatory notes.

The purpose of this notice is to provide Shareholders with details of, and to seek Shareholder approval for, each of the Resolutions to be proposed at the AGM.

At the AGM of the Company, Shareholders will be asked to consider and vote on, the following items of business:

- the Continuation Resolution;
- the Strategic Report, the Reports of the Directors and the Auditor and the financial statements for the year ended 31 December 2024;
- the Directors' Remuneration Report;
- the re-election of each of the Directors;
- the re-appointment of Ernst & Young LLP as Auditor and the authorisation of the Directors to determine the remuneration of the Auditor;
- the approval of the Company's dividend policy;
- the allotment of share capital;
- the disapplication of statutory pre-emption rights;
- the purchase by the Company of its own shares; and
- the holding of general meetings on not less than 14 clear days' notice, (together, the "**Proposals**").

The Board believes that the Proposals are in the best interests of the Company and its Shareholders as a whole and recommends that you vote in favour of each of the Resolutions at the AGM. You are therefore urged to complete and return your Proxy Appointment without delay in accordance with the process described below in the section titled 'Action to be Taken'.

## THE PROPOSALS

Resolutions 1 to 13 will be proposed as ordinary resolutions and Resolutions 14 to 16 will be proposed as special resolutions.

### Resolution 1 – Continuation Resolution

The Company held its first continuation resolution on 30 September 2021 (the “**Initial Continuation Meeting**”). Under the Company’s Articles of Association, the Company is required to propose a continuation resolution this year. Accordingly, Resolution 1 is proposed as an ordinary resolution to approve the continuation of the Company (the “**Continuation Resolution**”). If the Continuation Resolution is passed, then the Company will propose a further continuation resolution at three year intervals hereafter in accordance with the Company’s Articles of Association.

The Board believe the Company is a unique London-listed investment company, providing investors with an attractive dividend from a diversified portfolio of loans to life science companies. Since IPO the Company has financed 25 life science companies and paid dividends totalling US\$0.77<sup>1</sup> per share, delivering a NAV Total Return since IPO of 72.42%.<sup>2</sup>

The Board and Manager believe there remains a strong pipeline of investment opportunities to continue delivering strong returns to shareholders and accordingly recommends that Shareholders vote in favour of the Continuation Resolution.

### Resolution 2 – To receive the Annual Report and financial statements

The Directors are required to present the Strategic Report, Directors’ Report and Auditor’s Report and the financial statements for the year ended 31 December 2024 to the meeting. These are contained in the Annual Report which has been circulated separately to the Shareholders.

### Resolutions 3 – To receive and approve the Directors’ Remuneration Report

Shareholders have an annual advisory vote on the report on Directors’ remuneration. Shareholders are being requested to vote on the receipt and approval of the Directors’ Remuneration Report as set out on pages 51 to 54 of the Annual Report.

### Resolutions 4 to 9 – To re-elect the Directors

Under the Company’s Articles of Association, Directors are subject to election by Shareholders at the first AGM after their appointment. Thereafter, at each AGM all of the Directors shall retire from office (except any Director appointed by the Board after the notice of the AGM and before the AGM has been held).

In accordance with the above policy, Mr Hyman, Mr Bond, Mr Budge, Ms Léouzon, Ms Shah and Mr Soderstrom will be seeking re-election at the AGM. The Board confirms that the performance of each of the Directors seeking re-election is effective and demonstrates commitment to the role and the Board believes that it is therefore in the best interests of Shareholders that these Directors be re-elected/elected. The Directors also believe that the Board has an appropriate balance of skills, experience and knowledge.

The Board is mindful of the need to consider its succession planning and is seeking to proactively manage its composition. It is anticipated that Mr Hyman, Mr Bond and Mr Budge will leave the Board in due course following the completion of their nine years of tenure as recommended by the AIC Code. The Board, led by Mr Hyman, Mr Bond and Mr Budge, has initiated a search process to refresh the Board and to plan for the succession of Mr Hyman as Chairman and Mr Bond as Chair of the Audit and Risk Committee. The Board intends to carefully manage the retirement of Mr Hyman, Mr Bond and Mr Budge to ensure a good handover and will make a further announcement in due course.

Full biographies of the Directors to be re-elected are set out on page 40 of the Annual Report and are also available for viewing on the Company’s website.

<sup>1</sup> Based on shares outstanding as of 10 April 2025 of 1,129,377,778 (1,373,932,067 shares outstanding minus 244,554,289 shares in treasury).

<sup>2</sup> Total return percent is calculated by dividing the sum of (i) the Company’s change in NAV during the referenced period and (ii) the dividends payable during the referenced period, by the opening NAV as of such referenced period.

**Resolutions 10 and 11 – To re-appoint Ernst & Young LLP as Auditor to the Company, to hold office from the conclusion of this meeting until the conclusion of the next general meeting at which financial statements are laid before the Company and to authorise the Directors to determine the remuneration of Ernst & Young LLP**

Resolution 10 relates to the re-appointment of the Auditor. At each general meeting at which the Company's financial statements are presented to its members, the Company is required to appoint an auditor to serve from the conclusion of that meeting until the conclusion of the next such meeting.

Resolution 11 gives authority to the Directors to determine the Auditor's remuneration.

**Resolution 12 – To approve the Company's dividend policy**

Resolution 12 concerns the approval of the Company's current dividend policy. The Company pays dividends in U.S. Dollars or GBP Sterling (at the Shareholder's election) as interim dividends on a quarterly basis. The Company may, where the Directors consider it appropriate, use the reserve created by the cancellation of its share premium account to pay dividends.

The Company continues to target a 7 cent annual dividend per Ordinary Share, together with a net total return on Net Asset Value of 8 to 9 per cent. per annum on the Ordinary Shares in the medium term. The Company has consistently exceeded that target in recent years. In 2024, 2023 and 2022 the Company has paid a dividend of 10.18 cents, 10.21 cents and 13.08 cents respectively.

Given that the Company does not pay a final dividend, but rather pays interim dividends quarterly, the Board has determined that it is appropriate to ask Shareholders to confirm their ongoing approval of the Company's current dividend policy.

**Resolution 13 – Allotment of share capital**

Resolution 13 deals with the Directors' authority to allot shares. Resolution 13 will, if passed, give the Directors a general authority to issue shares up to an aggregate nominal amount of US\$1,129,327.77 (i.e. up to 112,932,777 Ordinary Shares and/or C Shares, representing approximately 10 per cent. of the Company's total Ordinary Share capital in issue, excluding treasury shares, as at the Latest Practicable Date). The power will expire at the end of the next AGM of the Company or, if earlier, on 30 August 2026. As at the Latest Practicable Date, the Company holds 244,604,289 Ordinary Shares in treasury representing 17.8 per cent. of the Company's issued share capital (excluding treasury shares).

The Directors have no present intention of allotting new shares and would, in any event, reissue Ordinary Shares out of those held in treasury before allotting new shares. However, the Directors consider it appropriate to maintain the flexibility that this authority provides.

This authority will not be used to issue Ordinary Shares, whether new or from treasury, at a price below the prevailing Net Asset Value per Ordinary Share at the relevant time.

**Resolution 14 – Disapplication of statutory pre-emption rights**

Resolution 14 will permit the Directors to allot equity securities for cash and sell treasury shares up to a maximum nominal value of US\$1,129,327.77 (i.e. up to 112,932,777 Ordinary Shares and/or C Shares, representing approximately 10 per cent. of the issued Ordinary Share capital of the Company, excluding treasury shares as at the Latest Practicable Date pursuant to the authority granted under Resolution 13 above, without complying with the pre-emption rights in the Companies Act 2006). This will expire upon the expiry of the authority to allot shares conferred in Resolution 13 (being at the end of the next AGM of the Company or, if earlier, on 30 August 2026). The authority sought in Resolution 14 is similar to that sought by other listed closed-ended funds to refresh the authority to disapply statutory pre-emption rights obtained at their previous AGMs.

As noted above, the Directors have no immediate intention of issuing shares. However, it is advantageous for the Company to have the flexibility conferred by Resolution 14 to conduct an offering without complying with the strict requirements of the statutory pre-emption provisions when the Directors consider that it is in the best interests of the Company and its Shareholders generally to do so.

Pursuant to the UK Listing Rules, the Company is prohibited from issuing Ordinary Shares, whether new or from treasury, for cash at a price below the Net Asset Value per Ordinary Share of the

Ordinary Shares which are then in issue, unless the Ordinary Shares to be issued are first offered to existing Shareholders *pro rata* to their existing holdings. Resolution 14 therefore, is not intended to, and will not, give the Company the power to issue Ordinary Shares whether new or from treasury, at a price below the prevailing Net Asset Value per Ordinary Share at the relevant time on a non pre-emptive basis.

#### **Resolution 15 – To approve the purchase of the Company's own shares**

At the AGM of the Company held on 12 June 2024, the Company was granted authority to purchase up to 14.99 per cent. of the Company's Ordinary Share capital in issue at that date, amounting to 185,505,277 Ordinary Shares. Since the AGM held on 12 June 2024, the Company has purchased 89,772,017 Ordinary Shares. As at the Latest Practicable Date there were 1,373,932,067 Ordinary Shares in issue (with 244,604,289 Ordinary Shares held in treasury) and no other class of shares in issue.

Resolution 15, a special resolution as required under the Companies Act 2006, will renew the Company's authority to make market purchases of up to 169,286,233 Ordinary Shares (being 14.99 per cent. of the Company's Ordinary Shares in issue at the date of this notice, excluding treasury shares), either for cancellation or placing into treasury at the determination of the Directors. Purchases of Ordinary Shares will be made within guidelines established from time to time by the Board. Any purchase of such Ordinary Shares would be made only out of the available cash resources of the Company. The maximum price which may be paid for any Ordinary Share is the higher of: (i) 5 per cent. above the average of the mid-market values of such Ordinary Share for the 5 business days before the purchase is made, or (ii) the higher of the price of the last independent trade and the highest current independent bid for such Ordinary Share. The minimum price which may be paid per any Ordinary Share is US\$0.01.

As at the Latest Practicable Date, there were no warrants or options to subscribe for shares in the capital of the Company.

The Directors would continue to use this authority to address any significant imbalance between the supply and demand for the Company's Ordinary Shares and to manage the discount to Net Asset Value per Ordinary Share at which the Ordinary Shares trade. Ordinary Shares will be repurchased only at prices below the Net Asset Value per Ordinary Share, which should have the effect of increasing the Net Asset Value per Share for remaining Shareholders. This authority will expire at the AGM to be held in 2026, when it is intended that a resolution to renew this authority will be proposed.

#### **Resolution 16 – Notice period for general meetings**

Under the Companies Act 2006, the notice period of general meetings (other than an AGM) is 21 clear days' notice unless the Company: (i) has gained Shareholder approval for the holding of general meetings on a shorter notice period (subject to a minimum of 14 clear days' notice) by passing a special resolution at the most recent AGM; and (ii) offers the facility for all Shareholders to vote by electronic means. The Company would like to preserve its ability to call general meetings (other than an AGM) on less than 21 clear days' notice. The shorter notice period proposed by Resolution 16, a special resolution, would not be used as a matter of routine, but only where the flexibility is merited taking into account the business of the meeting and is thought to be in the interests of Shareholders as a whole. The approval will be effective until the end of the AGM to be held in 2026, when it is intended that a similar resolution will be proposed.

#### **ATTENDANCE AND VOTING AT THE AGM**

All persons holding Ordinary Shares at close of business on 5 June 2025 or, if the AGM is adjourned, on the register of Shareholders of the Company 48 hours before the time of the adjourned AGM, shall be entitled to attend, speak and vote at the AGM and shall be entitled on a poll to one vote per Ordinary Share held. Further details on voting are set out in the notes to the notice of AGM on pages 10 to 11 of this document. As at the Latest Practicable Date, there were 1,373,932,067 Ordinary Shares in issue (with 244,604,289 Ordinary Shares held in treasury and no other class of shares in issue).

## **ACTION TO BE TAKEN**

You should ensure that your Proxy Appointment is returned to the Company's registrar, MUFG Corporate Markets, by one of the following means:

In calculating such 48-hour period, no account shall be taken of any part of a day that is not a Business Day. To be valid, the relevant Proxy Appointment should be completed in accordance with the instructions accompanying it and lodged with the Company's registrars by the relevant time.

Completion and return of the Proxy Appointment will not affect a Shareholder's right to attend, speak and vote at the AGM.

A quorum consisting of two Shareholders present or by proxy is required for the AGM.

## **RECOMMENDATION**

**The Board believes that the Proposals are in the best interests of the Company and its Shareholders as a whole. Accordingly, the Board unanimously recommends that Shareholders vote in favour of each of the Resolutions at the AGM.**

The Directors intend to vote in favour of each of the Resolutions in respect of their own beneficial holdings of Ordinary Shares (amounting to an aggregate 600,836 Ordinary Shares<sup>3</sup>, representing approximately 0.05 per cent. of the issued share capital of the Company as at the date of this notice).

Yours faithfully

## Notes

- i. Subject to the restrictions set out in the letter from the Chairman, holders of Ordinary Shares are entitled to attend, speak and vote at the AGM. To be entitled to attend and vote at the Meeting (and for the purpose of the determination by the Company of the number of votes they may cast), shareholders must be registered in the Register of Members of the Company at close of trading on 5 June 2025. Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the Meeting.
- ii. Shareholders are entitled to appoint another person as a proxy to exercise all or part of their rights to attend and to speak and vote on their behalf at the Meeting. A shareholder may appoint more than one proxy in relation to the Meeting provided that each proxy is appointed to exercise the rights attached to a different ordinary share or ordinary shares held by that shareholder. A proxy need not be a shareholder of the Company.
- iii. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's Register of Members in respect of the joint holding (the first named being the most senior).
- iv. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the Meeting.
- v. You can vote either:
  - by logging on to [www.signalshares.com](http://www.signalshares.com) and following the instructions;

  - if you are an institutional investor, you may also be able to appoint a proxy electronically via the Proxymity platform in accordance with the procedures set out below.

In each case the proxy appointment must be received by MUFG Corporate Markets, PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL by no later than 1.00 p.m. on 5 June 2025.

- vi. If you return more than one proxy appointment, either by paper or electronic communication, the appointment received last by the Registrar before the latest time for the receipt of proxies will take precedence. You are advised to read the terms and conditions of use carefully. Electronic communication facilities are open to all Shareholders and those who use them will not be disadvantaged.
- vii. Shareholders who hold their Ordinary Shares electronically may submit their votes through CREST. Instructions on how to vote through CREST can be found by accessing the following website: [www.euroclear.com](http://www.euroclear.com). Shareholders are advised that CREST, Proxymity and using a MUFG Corporate Markets are the only methods by which completed proxies can be submitted electronically. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for this meeting and any adjournment thereof by following the procedures described in the CREST manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a “**CREST Proxy Instruction**”) must be properly authenticated in accordance with Euroclear UK & International Limited's specifications and must contain the information required for such instructions, as described in the CREST manual (available via [www.euroclear.com](http://www.euroclear.com)). The message, in order to be valid, must be transmitted so as to be received by the Company's agent (ID RA 10) by the latest time for receipt of proxy appointments specified in Note (i) above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time.

In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

If you are an institutional investor you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to [www.proxymity.io](http://www.proxymity.io). Your proxy must be lodged by 1.00 p.m. on 5 June 2025 in order to be considered valid or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy

appointment via the Proxymity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.
