- Please insert the name and address of your proxy. If they are left blank, the Chairman of the EGM will act as your proxy. One or more proxies, who may not be a shareholder of the Company, may be appointed to attend and vote in the EGM in person. Any changes made to this proxy form shall be initiated by the person who signs this form.
- Pursuant to the Article of Association of the Company and its schedules, the cumulative voting system shall be adopted for voting on the election of the directors and supervisors at the general meeting; and the voting on the election of non-Independent Directors, Independent Directors, and supervisors shall be conducted separately.

Thus, the cumulative voting system shall be adopted for Resolution set 1. You are entitled to cast a total number of votes equal to the number of the shares held by you multiplied by 3, i.e. the number of directors to be elected (“**Total Election Votes**”). For example, assuming you hold 10,000 shares, your Total Election Votes in respect of Resolution set 1 will then be 30,000 (10,000 x 3) votes.

You shall be entitled to cast all your Total Election Votes for any one or several nominated candidates. If you wish to vote for the appointment of a particular candidate as director, please insert the number of votes to be cast in the corresponding space of the candidate. The lowest votes will be nil and the highest will be Total Election Votes and unnecessarily the integral multiples of the number of shares held by you.

In any event, the total votes cast by you in Resolution set 1 shall not exceed the Total Election Votes held by you. **Please note with particular attention that** if the total number of votes cast by you on one or several candidates exceeds the Total Election Votes held by you for Resolution set 1, your votes for Resolution set 1 shall be (a) valid if cast to only one candidate and will be counted as Total Election Votes held by you; (b) invalid if cast amongst several candidates. If the total number of votes cast by you on one or several candidates is less than the Total Election Votes held by you, your votes shall be valid and the shortfall shall be deemed to be abstained from voting.

Based on the number of votes received, candidates who have received more votes are deemed successfully elected, and the number of votes received by each elected candidate must be more than half of the number of shares with voting rights held by the shareholders attending the EGM (assuming the cumulative voting system is not adopted).
