OVER-ALLOTMENT AND STABILISATION

In connection with the Offer, Barclays Capital Securities Limited, an affiliate of Barclays Bank PLC (as Stabilising Manager), or any of its agents, may (but will be under no obligation to), to the extent permitted by applicable law and for stabilisation purposes, over-allot Offer Shares up to a total of 15% of the total number of Offer Shares comprised in the Offer or effect other transactions with a view to supporting the market price of the Offer Shares at a higher level than that which might otherwise prevail in the open market. The Stabilising Manager is not required to enter into such transactions and such transactions may be effected on any securities market, over-the-counter market, stock exchange or otherwise and may be undertaken at any time during the period commencing on the date of the conditional dealings in the Shares on the London Stock Exchange and ending no later than 30 calendar days thereafter. Such stabilisation, if commenced, may be discontinued at any time without prior notice. However, there will be no obligation on the Stabilising Manager or any of its agents to effect stabilising transactions and there is no assurance that stabilising transactions will be undertaken. In no event will measures be taken to stabilise the market price of the Offer Shares above the Offer Price. Except as required by law or regulation, neither the Stabilising Manager nor any of its agents intends to disclose the extent of any over-allotments made and/or stabilisation transactions conducted in relation to the Offer. Any stabilisation action must be undertaken in accordance with applicable laws and regulations.

For the purposes of allowing the Stabilising Manager to cover short positions resulting from any such over-allotment and/or from sales of Offer Shares effected by it during the stabilising period, it has entered into the Over-allotment Option with the Over-allotment Shareholder pursuant to which it may purchase, or procure purchasers for Over-allotment Shares (representing up to 15% of the total number of Offer Shares comprised in the Offer) at the Offer Price. The Over-allotment Option may be exercised in whole or in part upon notice by the Stabilising Manager at any time on or before the 30th calendar day after the commencement of conditional dealings in the Shares on the London Stock Exchange. Any Over-allotment Shares made available pursuant to the Over-allotment Option will be subscribed for on the same terms and conditions as Offer Shares being offered pursuant to the Offer and will rank *pari passu* in all respects with, and form a single class for all purposes with the other Offer Shares.
