## POSITIVE PROFIT ALERT

This announcement is made by Trigiant Group Limited ("**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited ("**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules).

The board ("**Board**") of directors of the Company wishes to inform the shareholders and potential investors of the Company that based on the Board's preliminary assessment of the unaudited consolidated management accounts of the Company for the six months ended 30 June 2017 ("**2017H1**"), the Company is expected to record a substantial increase in profit attributable to owners of the Company for 2017H1 of more than 40% as compared to the unaudited profit attributable to owners of the Company of approximately RMB76.4 million recorded for the six months ended 30 June 2016 ("**2016H1**").

It is expected that the increase in profit attributable to owners of the Company for 2017H1 was primarily attributable to:

(1) a substantial decrease of more than 50% in the allowance for bad and doubtful debts of trade receivables for 2017H1 (2016H1: RMB88.1 million); and

(2) an exchange gain is recognised in 2017H1 as compared with an exchange loss of approximately RMB7.0 million in 2016H1.

The above increase in profit would be partly offset by (i) an increase in taxation expenses expected for 2017H1 as compared with RMB6.2 million for 2016H1 due to increased taxable profit of the Group's principal subsidiaries in the People's Republic of China and reduction of deferred tax credit arising from the allowance for bad and doubtful debts recognised; and

* *For identification purpose only*

(ii) the lack of fair value change of warrants issued by the Company for 2017H1 given that all related warrants have been redeemed by the Company in November 2016. A gain on fair value change of approximately RMB7.4 million was recognised for 2016H1.

The Company is still in the process of finalising its financial results of the Group for 2017H1. The information contained in this announcement is only based on the preliminary assessment made by the Board with reference to the unaudited consolidated management accounts and information currently available to the Board, which has not yet been reviewed by the auditors of the Company or the audit committee of the Board and may be subject to adjustment. Shareholders and potential investors of the Company are advised to read the interim results of the Group which will be disclosed in the interim results announcement which is expected to be published by the Company in August 2017.

**Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.**
