# Letter from your Chair

*We very much look forward to welcoming you to our 2022 AGM to review our business performance over the last year.*

Dear shareholder,

## **2022 Annual General Meeting (“AGM”)**

I am pleased to invite you to Quilter plc’s 2022 AGM to be held on Thursday 12 May 2022 at 11:00am (UK time) at Senator House, 85 Queen Victoria Street, London EC4V 4AB.

We value the opportunity to engage with all our shareholders to review our performance and to answer questions on the business of the meeting. I hope to welcome you in person at the AGM on Thursday 12 May 2022 and there is a secure telephone line for shareholders to be able to listen to the meeting if they are not able to attend in person. Your vote is important and, should you be unable to join us in person, I sincerely hope you will vote in advance of the meeting (by appointing me, the Chair of the meeting, as your proxy, with voting instructions) and get in touch with me via the Company Secretary with any questions you may have on the business of the meeting. Shareholders who are unable to attend the meeting in person are encouraged to participate by:

- 1) Sending any questions you may have on the business of the meeting to the Company Secretary **by 5:00pm (UK time) on Friday 6 May 2022**. The questions and answers will be published on our GM Hub at [plc.quilter.com/gm](http://plc.quilter.com/gm) in advance of the voting deadline. This will enable you to have your questions answered before you vote your shares. If you submit a question after this time, we will respond to you as soon as possible;
- 2) Exercising your vote in advance of the meeting by appointing me, the Chair of the meeting, as your proxy, with voting instructions; and
- 3) Listening to the meeting by telephone, with the opportunity to ask a question at the meeting.

**Glyn Jones**  
Chair

Our Company Secretary, Patrick Gonsalves, sets out information on the AGM arrangements, including how we will let you know of any necessary changes to our AGM arrangements, and how you can have your say in more detail on the following pages. Please ensure you check the GM Hub at [plc.quilter.com/gm](http://plc.quilter.com/gm) regularly for up to date information about our AGM arrangements.

We will publish the voting results as soon as possible after the meeting. We will also make my speech, as your Chair, and responses to shareholder questions available on our GM Hub at [plc.quilter.com/gm](http://plc.quilter.com/gm).

The formal Notice of AGM (the "Notice"), including an explanation of the resolutions to be considered and voted on at the AGM, is set out on pages 6 to 11 of this document. The procedures for participation and voting are set out on pages 12 to 14.

### Resolutions

We will be asking shareholders to approve a number of standard resolutions that UK listed companies typically propose annually, including resolutions for the re-election of our Directors, whose biographies setting out their skills, experience and contributions to our Board can be found with the respective resolutions for their re-election on pages 7 and 8.

Since our last AGM, we welcomed Chris Samuel to the Board on 1 July 2021. Chris, who will stand for re-election at the 2022 AGM, is a highly experienced Non-executive Director with an in-depth knowledge of the asset management industry, which equips him well to support the Quilter Board in overseeing the delivery of long-term sustainable success for Quilter. As announced on 28 January 2022, Rosie Harris will not be standing for re-election at the AGM and will step down from the Board on 30 April 2022. As announced on 23 March 2022, I will also not be standing for re-election to the Quilter Board at the AGM on 12 May 2022 and I will cease to be Chair of Quilter plc at the conclusion of the AGM.

In accordance with UK company law, we have included our Directors' Remuneration Policy for approval by shareholders. The Directors' Remuneration Policy was last approved at our 2019 AGM. The changes proposed to the policy are evolutionary in nature and do not represent a fundamental change to how we will pay our Directors. You can read more about this on page 6 of this Notice and on pages 119 to 131 of our 2021 Annual Report and Accounts.

The Board has taken the decision not to ask shareholders for authority to allot shares this year, as UK listed companies typically do. This decision will be revisited ahead of our 2023 AGM as it will be important for our Board to have appropriate flexibility in the future to manage its capital efficiently.

I would like to draw your attention again to resolution 16 which seeks authority with respect to political donations and expenditure up to an aggregate amount of £50,000. I would like to remind shareholders that this authority is simply a precautionary measure to ensure that the Company does not inadvertently breach the Companies Act 2006. No such donations were made or expenditure incurred by the Company in the UK, South Africa or anywhere else in the world during 2021, and neither the Company, nor any of its subsidiaries have any intention of making such donations or incurring such expenditure in the future. Further information regarding the donations resolution can be found on page 9.

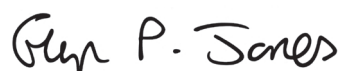

All resolutions at the AGM will be put to a vote on a poll, reflecting all proxy voting instructions received. This accurately reflects the views of all shareholders and ensures their votes are recognised. On a poll, each shareholder has one vote for every share held. The results of the voting on the resolutions will be announced on the London and Johannesburg Stock Exchanges and will be published on our GM Hub at [plc.quilter.com/gm](http://plc.quilter.com/gm) as soon as practical after the meeting.

### Recommendation

The Board believes that all the proposals set out in the Notice are in the best interests of the Company and its shareholders as a whole, and unanimously recommends that you vote in favour of the resolutions, as the Directors intend to do in respect of their own beneficial holdings.

### Return of capital related to the sale of Quilter International

As announced on Wednesday 9 March 2022, Quilter intends to return £328 million of the net proceeds of the sale of Quilter International as a return of capital through a B share scheme accompanied by a share consolidation, whilst retaining £90m to fund planned Business Simplification. Full details of the B share scheme and share consolidation will be provided in the Circular and Notice of General Meeting that will be posted to shareholders on or around Wednesday 6 April 2022. The General Meeting to seek shareholder approval for the B share scheme and share consolidation will be held at the conclusion of the AGM on Thursday 12 May 2022 and will be chaired by Ruth Markland, Quilter's Interim Chair.

# Notice of Annual General Meeting

**Notice is hereby given that the 2022 Annual General Meeting (“AGM”) of Quilter plc (the “Company”) will be held on Thursday 12 May 2022 at 11:00am (UK time) at Senator House, 85 Queen Victoria Street, London EC4V 4AB to consider and, if thought fit, pass resolutions 1 to 18.**

Resolutions 1 to 16 will be proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution.

Resolutions 17 and 18 will be proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

## Ordinary resolutions

### Annual Report and Accounts

#### **1. To receive the Annual Report and Accounts for the financial year ended 31 December 2021.**

The Directors must present the Company's 2021 Annual Report and Accounts to the AGM in accordance with the Companies Act 2006.

### Remuneration Report

#### **2. To approve the Remuneration Report (excluding the Directors' Remuneration Policy) for the financial year ended 31 December 2021.**

The Directors are required by the Companies Act 2006 to present the Remuneration Report to the AGM for approval by shareholders. The Remuneration Report appears on pages 112 to 145 of the 2021 Annual Report and Accounts (excluding the Directors' Remuneration Policy on pages 119 to 131). This vote is advisory, and the Directors' entitlement to remuneration is not conditional on the passing of the resolution.

### Directors' Remuneration Policy

#### **3. To approve the Directors' Remuneration Policy contained in the Remuneration Report for the financial year ended 31 December 2021.**

Shareholders are asked to approve the Directors' Remuneration Policy which is set out in full in the Remuneration Report on pages 119 to 131 of the 2021 Annual Report and Accounts. The Company will not be able to make a remuneration payment to a current or future director or a payment for loss of office to a current or past director, unless that payment is consistent with the policy (once approved) or has been approved by a resolution of the shareholders. The Board Remuneration Committee undertook a full review of the existing Directors' Remuneration Policy, which was approved by shareholders at the AGM in 2019, and concluded that it remains broadly fit for purpose and in line with latest market practice, regulatory requirements and corporate governance best practice including the requirements of the UK Corporate Governance Code 2018 (the "Code"). As a consequence, there are no fundamental changes proposed to the Directors' Remuneration Policy. To ensure the application of the Directors' Remuneration Policy aligns with the next phase of Quilter's strategy and the

continued creation of long-term, sustainable shareholder value, the Directors propose to introduce two additional metrics to its Long-term Incentive Plan in 2022 focused on enhancing efficiency and becoming the leading responsible wealth manager in the UK. The Remuneration Committee undertook a detailed consultation with major shareholders – representing over 56% of the share register as at 31 December 2021 – on these proposals.

### Final Dividend

#### **4. To declare a Final Dividend of 3.9 pence per Ordinary Share of 7 pence nominal value for the financial year ended 31 December 2021, payable on Monday 16 May 2022 to ordinary shareholders named on each of the UK and South African registers of members at the close of business on Friday 8 April 2022.**

The Final Dividend, which has been recommended by the Directors, can only be paid after the shareholders in general meeting have approved it. Further information regarding the Final Dividend, including the timetable, is set out in the Dividend page on our website at [plc.quilter.com/dividends](http://plc.quilter.com/dividends).

In compliance with the rules issued by the Prudential Regulation Authority ("PRA") in relation to the implementation of the Solvency II regime and other regulatory requirements to which the Group is subject, the Final Dividend is required to remain cancellable at any point prior to it becoming due and payable on Monday 16 May 2022 and to be cancelled if, prior to payment, the Group ceases to hold capital resources equal to or in excess of its Solvency Capital Requirement, or if that would be the case if the Final Dividend was paid. The Directors have no intention of exercising this cancellation right, other than in the unlikely event that it is required to do so by the PRA or for regulatory capital purposes.

### Re-election of Directors

In accordance with the Code and the Company's Articles of Association, each Director who wishes to remain in office will submit themselves for re-election by shareholders at the AGM. Biographical details of the Directors standing for re-election, including the reasons why their contributions are important to the Company's long-term sustainable success, are set out below. Chris Samuel, who was appointed to the Board on 1 July 2021 is standing for re-election for the first time at this AGM. Rosie Harris is not seeking re-election and will step down from the Board on 30 April 2022. As announced on 23 March 2022, Glyn Jones will not be standing for re-election to the Quilter Board and will be standing down at the conclusion of the AGM.

All Directors standing for re-election at the AGM have confirmed their willingness to continue to serve as a Director of the Company. The Board, on the recommendation of the Board Corporate Governance and Nominations Committee, has concluded that all Non-executive Directors are independent as defined in the Code and have demonstrated that they have sufficient time to discharge their responsibilities.

### Authorisation for political donations or expenditure

**16. That, in accordance with sections 366 and 367 of the Companies Act 2006, the Company and all companies that are subsidiaries of the Company at any time during the period for which this resolution has effect are authorised to:**

- (a) make political donations to political parties or independent election candidates not exceeding £50,000 in total;**
- (b) make political donations to political organisations other than political parties not exceeding £50,000 in total; and**
- (c) incur political expenditure not exceeding £50,000 in total,**

**provided that the aggregate amount of any such donations and expenditure shall not exceed £50,000, during the period beginning with the date of the passing of this resolution and ending at the conclusion of the next Annual General Meeting of the Company after the passing of this resolution or, if earlier, at the close of business on 30 June 2023. For the purpose of this resolution the terms “political donations”, “political parties”, “independent election candidates”, “political organisations” and “political expenditure” have the meanings set out in sections 363 to 365 of the Companies Act 2006.**

There were no political donations made by Quilter in 2021 and no political expenditure was incurred. Neither the Company, nor any of its subsidiaries, has any intention of making any political donations or incurring any political expenditure. However, the Company wishes to ensure that neither it nor its subsidiaries inadvertently commits any breaches of the Companies Act 2006 through the undertaking of routine activities, which would not normally be interpreted as political donations and political expenditure. Should the Company become aware that it has inadvertently made any political donations or incurred any political expenditure, this will be disclosed in the Company's next Annual Report and Accounts.

The Companies Act 2006 prohibits the Company and its subsidiaries from making political donations or from incurring political expenditure in respect of a political party or other political organisation or an independent election candidate unless authorised by the Company's shareholders.

At its AGM on Thursday 13 May 2021, the Company and its subsidiaries were granted an authority in accordance with the Companies Act 2006 to make donations to political organisations and incur political expenditure not exceeding £50,000. This authority was granted for one year and will expire at the conclusion of the 2022 AGM. As previously stated, neither the Company nor any of its subsidiaries has any intention of making any political donations or incurring any political expenditure in respect of any political party or independent electoral candidate. However, the Companies Act 2006 defines “political party”, “political organisation”, “political donation” and “political expenditure” widely.

The following are examples of activities that could potentially be caught by the Companies Act 2006:

- (i) an employee on paid leave participating in canvassing on behalf of a political party;
- (ii) advising or making political parties, bodies or individuals aware of key wealth management industry issues; and
- (iii) Quilter employees attending business dinners, seminars and functions that may be attended by politicians.

As permitted under the Companies Act 2006, the resolution covers the Company and all subsidiaries of the Company at any time during which the authority is in place. The proposed authority will expire at the conclusion of next year's AGM of the Company or, if earlier, at the close of business on 30 June 2023.

## Special resolutions

### Purchase of own shares

Resolutions 17 and 18 relate to the purchase by the Company of its own shares. The power given by these resolutions, if passed, will only be exercised if the Directors are satisfied that any purchase will increase the earnings per share of the Ordinary Share capital in issue after the purchase and, accordingly, that the purchase is in the interests of shareholders. The Directors will also give careful consideration to gearing levels and regulatory capital requirements of the Company and its general financial position. The purchase price would be paid out of distributable profits.

The maximum number of shares which may be purchased under the authorities proposed by resolutions 17 and 18 will be, in aggregate, 163,812,308 shares representing approximately 10% of the issued Ordinary Share capital of the Company as at Monday 21 March 2022. Should the Company's issued share capital as at the date of the AGM be lower than the issued share capital as at Monday 21 March 2022 (being the latest practicable date prior to the publication of this Notice) the Directors will limit the Company's use of this authority to 10% of the issued Ordinary Share capital of the Company as at the date of the AGM.

The Companies Act 2006 permits certain listed companies to hold shares in treasury, as an alternative to cancelling them, following a purchase of own shares by the Company. Shares held in treasury may subsequently be cancelled, sold for cash or used to satisfy share options and share awards under the Company's employee share schemes.

Once held in treasury, the Company is not entitled to exercise any rights, including the right to attend and vote at meetings in respect of the shares. Further, no dividend or other distribution of the Company's assets may be made to the Company in respect of the treasury shares.

The total number of options to subscribe for Ordinary Shares that were outstanding at Monday 21 March 2022 (being the latest practicable date prior to publication of this Notice) was 18,465,434. The proportion of issued share capital that they represented at that time was 1.13% and the proportion of issued share capital that they will represent if the full authority to purchase shares (existing and being sought under resolutions 17 and 18) is used is 1.25%.

Information on the Company's share buyback programme which completed on Thursday 27 January 2022 can be found on pages 147 and 148 of the 2021 Annual Report and Accounts.

### Market purchase of own shares

**17. That, in accordance with section 701 of the Companies Act 2006 the Company is generally and unconditionally authorised to make market purchases (within the meaning of section 693 of the Companies Act 2006) of ordinary shares of £0.07 each in the capital of the Company (“Ordinary Shares”) on such terms and in such manner as the Directors of the Company may determine provided that:**

- (a) the maximum number of Ordinary Shares that may be purchased under this authority (when**

aggregated with any purchases made pursuant to resolution 18 below) is 163,812,308;

- (b) the maximum price which may be paid for any Ordinary Share purchased under this authority (exclusive of expenses payable by the Company in connection with the purchase) shall not be more than the higher of:
  - (i) an amount equal to 105% of the average of the middle market prices shown in the quotations for the Ordinary Shares in the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which that Ordinary Share is purchased; and
  - (ii) an amount equal to the higher of the price of the last independent trade of an Ordinary Share and the highest current independent bid for an Ordinary Share on the trading venue where the purchase is carried out;
- (c) the minimum price which may be paid shall be the nominal value of that Ordinary Share (exclusive of expenses payable by the Company in connection with the purchase);
- (d) this authority shall expire at the conclusion of the next Annual General Meeting of the Company after the passing of this resolution or, if earlier, at the close of business on 30 June 2023 unless renewed before that time; and
- (e) the Company may make a contract or contracts to purchase Ordinary Shares under this authority before its expiry which will or may be executed wholly or partly after the expiry of this authority and may make a purchase of Ordinary Shares in pursuance of any such contract.

A special resolution was passed at the Company's AGM held on Thursday 13 May 2021, empowering the Directors to purchase Ordinary Shares in the market, and it is proposed that this authority be renewed, in line with UK market practice.

The price paid for these Ordinary Shares will not be less than the nominal value of £0.07 per share nor more than the higher of:

- (a) 5% above the average of the middle-market quotations of the Company's Ordinary Shares as derived from the London Stock Exchange Daily Official List for the five business days preceding the day on which the shares are purchased; and
- (b) an amount equal to the higher of the price of the last independent trade of an Ordinary Share and the highest current independent bid for an Ordinary Share on the trading venue where the purchase is carried out.

This resolution will be proposed as a special resolution to provide the Company with the necessary authority. The authority will expire at the conclusion of next year's AGM or, if earlier, at the close of business on 30 June 2023.

#### **Purchase of own shares (Johannesburg Stock Exchange) – contingent purchase contracts**

**18. That contingent purchase contracts each in the form produced to the meeting, between the Company and each of:**

- (a) J.P. Morgan Equities South Africa Proprietary Limited; and

(b) Goldman Sachs International,

relating to ordinary shares of £0.07 pence each in the capital of the Company ("Ordinary Shares") traded on the Johannesburg Stock Exchange, pursuant to which the Company may make off-market purchases from J.P. Morgan Equities South Africa Proprietary Limited or Goldman Sachs International of up to a maximum of 163,812,308 Ordinary Shares in aggregate (such maximum number to be reduced by any purchases made pursuant to the authority in resolution 17 above), be and are hereby approved in accordance with sections 693 and 694 of the Companies Act 2006, and that the Company be and is hereby authorised to make off-market purchases of Ordinary Shares pursuant to each such contract until the conclusion of the next Annual General Meeting of the Company after the passing of this resolution or, if earlier, the close of business on 30 June 2023.

Approval is sought in resolution 18 to enter into contingent purchase contracts with each of: (a) J.P. Morgan Equities South Africa Proprietary Limited; and (b) Goldman Sachs International, relating to potential purchases of the Company's shares on the Johannesburg Stock Exchange where the Company has a secondary listing. For the purposes of the Companies Act 2006, the share purchases under these contracts are treated as an "off-market purchase", however, the contracts are intended to enable the Company to buy back its shares on the Johannesburg Stock Exchange in similar fashion and subject to the same overall limits as on-market purchases on the London Stock Exchange. Under sections 693 and 694 of the Companies Act 2006, the Company is not permitted to make off market purchases or contingent purchases of its shares unless it obtains advance shareholder approval to the terms of the contracts.

The principal features of the contingent purchase contracts are as follows:

- (i) J.P. Morgan Equities South Africa Proprietary Limited or Goldman Sachs International (as the case may be) may, following instruction from the Company, acquire Ordinary Shares on the Johannesburg Stock Exchange, which the Company may become obliged to purchase;
- (ii) the purchase price for the Ordinary Shares shall not exceed 5% above the average of the closing quotations on the Johannesburg Stock Exchange in local currency terms for the five Johannesburg Stock Exchange Business Days before the date the Ordinary Shares are purchased by the Company;
- (iii) the aggregate number of Ordinary Shares that could be acquired under the contracts and pursuant to resolution 17 shall not exceed 163,812,308; and
- (iv) the Company shall only instruct or irrevocably appoint J.P. Morgan Equities South Africa Proprietary Limited or Goldman Sachs International (as applicable) to purchase the Ordinary Shares provided the Company is then able to comply in relation to the purchase of the Ordinary Shares with the provisions of English and South African law then applicable (including the relevant listing rules) and has sufficient distributable reserves available for such purchase.

A copy of each of the proposed contingent purchase contracts will be made available for inspection at the Company's registered office during normal business hours for 15 days ending on the date of the AGM and at the place of the meeting for a period of 15 minutes immediately before the meeting until its conclusion.

This resolution will be proposed as a special resolution. The authority will expire at the conclusion of next year's AGM or, if earlier, at the close of business on 30 June 2023.

**When reading these notes, please take into account the arrangements for this year's meeting which are set out in Your Questions Answered (on pages 4 and 5). We will continue to provide up to date information about our AGM arrangements on our GM Hub at [plc.quilter.com/gm](http://plc.quilter.com/gm). Please ensure you check regularly for the latest updates.**

## 1. Eligibility to attend and vote

Only persons entered on the UK Register and South African Register of the Company at 6:30pm (UK time) on Tuesday 10 May 2022 (or, in the event of any adjournment, at the close of business on the date which is two business days before the time of the adjourned meeting) are entitled to attend and vote at the meeting either in person or by proxy and the number of Ordinary Shares then registered in their respective names shall determine the number of votes such persons are entitled to cast on a poll at the meeting. Shareholders on the South African Register who have dematerialised their Ordinary Shares through Strate, other than those whose shareholding is recorded in their "own name" in the sub-register maintained by their Central Securities Depository Participant ("CSDP"), and who wish to attend the meeting in person, will need to request their CSDP or broker to provide them with the authority to do so in terms of the custody agreement entered into between the dematerialised shareholder and their CSDP or broker.

If you are unable to attend the meeting in person at our offices, we recommend you appoint the Chair of the meeting as your proxy and register a voting instruction using your Proxy Form/Voting Instruction Form ahead of the meeting. Please note that shareholders joining us by telephone will not be able to vote on the day.

You can submit questions on the business of the meeting in advance by emailing the Company Secretary at [companysecretary@quilter.com](mailto:companysecretary@quilter.com) **by 5:00pm (UK time) on Friday 6 May 2022**. The questions and answers will be published on our GM Hub, [plc.quilter.com/gm](http://plc.quilter.com/gm), in advance of the voting deadline. This will enable you, if you do not plan to attend the AGM in person, to have your questions answered before you vote your shares. If you submit a question after this time, we will respond to you as soon as possible. If you attend the AGM in person or join the meeting by telephone, you will also have the opportunity to ask questions on the day.

We will make the Chair's statement available on our GM Hub at [plc.quilter.com/gm](http://plc.quilter.com/gm) as soon as practical after the meeting.

## 2. Appointment of proxy

A member is entitled to appoint a proxy to exercise all or any of his/her rights to attend and to speak and vote instead of him/her at the meeting. A member may appoint more than one proxy in relation to a meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him/her. A proxy need not be a member of the Company. A Proxy Form which may be used to make such appointment and give proxy instructions accompanies this Notice. If you have not given specific instructions on how your proxy

should vote in respect of any resolution, your proxy will have discretion to vote or abstain on that resolution, as they see fit. Your proxy can vote, or abstain from voting, as they decide on any other business (including any motion to amend a resolution or to adjourn the meeting) which may validly come before the meeting.

If you are unable to attend the meeting in person at our offices, we recommend you appoint the Chair of the meeting as your proxy and register a voting instruction using your Proxy Form/Voting Instruction Form ahead of the meeting. Completion and return of a Proxy Form will not prevent you from attending, speaking and voting in person at the meeting if you wish, UK Government guidance at the time of the AGM permitting.

## 3. Submission of proxy appointment online

You may submit the appointment of your proxy online by visiting [plc.quilter.com/vote](http://plc.quilter.com/vote) and following the on-screen instructions. For security purposes, UK shareholders will need to provide their Voting ID, Task ID and Shareholder Reference Number ("SRN") and South African shareholders will need to provide their Postcode/Country code and SRN to validate the submission of their proxy online. Members' individual IDs and SRN numbers are shown on the printed Proxy Form/Voting Instruction Form. All appointments must be submitted by the deadline shown on the Proxy Form/Voting Instruction Form.

## 4. Submission of proxy appointment by post

The Proxy Form and power of attorney or other authority, if any, under which it is signed or a notarially certified or office copy of such power or authority must be received by the Company's Registrars (Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA in the case of shareholders on the UK Register, or JSE Investor Services (Pty) Limited, PO Box 10462, Johannesburg, 2000 in the case of shareholders on the South African Register) not later than 48 hours before the time appointed for the meeting. You must inform the Company's Registrars in writing of any termination of the authority of a proxy.

## 5. Submission of proxy appointment by CREST

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available by logging in at [www.euroclear.com](http://www.euroclear.com)). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the

instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by 11:00am (UK time) on Tuesday 10 May 2022. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if they are a CREST personal member, or sponsored member, or have appointed a voting service provider, to procure that their CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. Accordingly, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

#### **6. Submission of proxy appointments by Proximity**

If you are an institutional investor you may be able to appoint a proxy for the AGM, and any adjournment thereof, electronically via the Proximity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proximity, please go to [www.proximity.io](http://www.proximity.io). Your proxy must be lodged by 11:00am (UK time) on Tuesday 10 May 2022 in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proximity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.

#### **7. South African dematerialised holders**

Shareholders on the South African Register who have dematerialised their shares and are not registered as "own name" dematerialised shareholders who wish to vote but cannot attend the AGM must provide their CSDP or broker with their voting instructions in terms of the relevant custody agreement entered into between them and the CSDP or broker. Such shareholders must not complete a Proxy Form.

#### **8. Corporate representatives**

Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.

#### **9. Representatives of shareholders joining by telephone**

Duly appointed representatives of shareholders will need to contact our Registrar, Equiniti, before 11:00am (UK time) on Tuesday 10 May 2022 to receive their Unique Reference Number which will allow access to the meeting by telephone. Contact details can be found on page 15.

#### **10. Information rights**

A person to whom this Notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a Nominated Person) may, under an agreement between them and the shareholder by whom they were nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, they may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

The statement of the rights of members in relation to the appointment of proxies in notes 2, 3 and 4 above does not apply to a Nominated Person. The rights described in these paragraphs can only be exercised by registered members of the Company.

Nominated Persons are reminded that they should contact the registered holder of their shares (and not the Company) on matters relating to their investments in the Company.

#### **11. Total voting rights**

As at Monday 21 March 2022 (being the latest practicable date prior to publication of this Notice), the Company's issued share capital consists of 1,638,123,085 Ordinary Shares of 7 pence each carrying one vote each. No shares are held in treasury. Therefore, the total number of voting rights in the Company as at Monday 21 March 2022 was 1,638,123,085.

#### **12. Polls**

All resolutions will be put to vote on a poll and voting will reflect all proxy voting instructions duly received. This will result in an accurate reflection of the views of shareholders by ensuring that every vote is recognised. On a poll, each shareholder has one vote for every share held.

#### **13. Audit concerns**

Under section 527 of the Companies Act 2006 members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's Accounts (including the Auditor's Report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with an Auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006. The Company may not require the members requesting such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006, and it must forward the statement to the Company's Auditor not later than the time when it makes the statement available on the website. The

business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on its website.

#### **14. Right to ask questions**

A member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

#### **15. Website information**

A copy of this Notice, and other information required by section 311A of the Companies Act 2006, can be found at [plc.quilter.com/gm](http://plc.quilter.com/gm).

#### **16. Electronic communication**

You may not use any electronic address provided either in this Notice or any related documents (including the Proxy Form/Voting Instruction Form) to communicate with the Company for any purposes other than those expressly stated.

#### **17. Shareholder rights to include a resolution at the AGM**

Under section 338 and section 338A of the Companies Act 2006, members meeting the threshold requirements in those sections have the right to require the Company (i) to give, to members of the Company entitled to receive notice of the meeting, notice of a resolution which may properly be moved and is intended to be moved at the meeting; and/or (ii) to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may be properly included in the business. A resolution may properly be moved or a matter may properly be included in the business unless (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise), (b) it is defamatory of any person, or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authenticated by the person or persons making it, must be received by the Company not later than Wednesday 30 March 2022, being the date six clear weeks before the meeting, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.

#### **18. Documents available for inspection**

Copies of: (i) the Executive Directors' service contracts and the Non-executive Directors' terms of appointment are available for inspection from the date of this Notice; and (ii) the contingent purchase contracts referred to in resolution 18 will be available for inspection for 15 days ending on the date of the AGM. Each are available for inspection at the registered office of the Company during normal business hours and at the place of the meeting for a period from 15 minutes immediately before the meeting until its conclusion.

If you require further information on the business of the meeting or the meeting itself, please email the Company Secretary at [companysecretary@quilter.com](mailto:companysecretary@quilter.com).
