To the Shareholders

Dear Sir or Madam,

CONTINUING CONNECTED TRANSACTIONS AND PROPOSED AMENDMENTS TO ARTICLES OF ASSOCIATION

INTRODUCTION

Reference is made to the announcement dated 16 June 2006 made by the Company regarding the Agreement, the Transactions, the Proposed Annual Caps and certain proposed amendments to the Articles of Association.

The purpose of this circular is to (i) provide you with further details of the Agreement, the Transactions and the Proposed Annual Caps, and to set out the recommendation of the Independent Board Committee and the opinion of Somerley as the independent financial

LETTER FROM THE BOARD

adviser regarding the same; (ii) provide you with further details of the proposed amendments to the Articles of Association; and (iii) give notice convening the EGM to consider, and if thought fit, to approve the Agreement, the Transactions, the Proposed Annual Caps and the proposed amendments to the Articles of Association.

Continuing connected transactions

On 1 December 2000, Fuzhou Chaoda, a wholly-owned subsidiary of the Company, entered into the 2000 Agreement with Fujian Chaoda Trading, a company ultimately controlled by Mr Kwok who is the Chairman and controlling shareholder of the Company, in relation to the supply of organic fertilizers by Fujian Chaoda Trading to Fuzhou Chaoda. The transactions pursuant to the 2000 Agreement constitute continuing connected transactions of the Company under the Previous Listing Rules. The Company applied for and was granted the 2004 Waiver from the Stock Exchange on 27 January 2004 in respect of, among others, the continuing connected transactions under the 2000 Agreement. The 2004 Waiver will expire on 30 June 2006.

The 2000 Agreement has an initial term of twenty years commencing from 1 December 2000. The Group expects to continue to purchase organic fertilizers from Fujian Chaoda Trading in the ordinary and usual course of its business. In compliance with Rule 14A.35 of the Listing Rules which provides that the term of written agreement(s) in relation to continuing connected transactions of listed issuers must be fixed and, except in special circumstances, must not exceed three years, Fuzhou Chaoda and Fujian Chaoda Trading entered into the Agreement which will, subject to the fulfilment of the condition precedent specified therein, replace the 2000 Agreement and which sets out the terms and conditions governing the purchase of organic fertilizers by Fuzhou Chaoda from Fujian Chaoda Trading following the termination of the 2000 Agreement.

The Agreement is conditional upon the approval of the Agreement, the Transactions and the Proposed Annual Caps from the Independent Shareholders having been obtained. If the above condition precedent is not fulfilled on or before 30 September 2006 (or such later date as the parties may agree in writing), the Agreement shall forthwith terminate and neither party shall have any claim against the other.

Fujian Chaoda Trading is a 95%-owned subsidiary of Fujian Chaoda Group which itself is owned as to 95% by Mr Kwok who is the Chairman and controlling shareholder of the Company. Fujian Chaoda Trading is therefore an associate of Mr Kwok and hence, a connected person of the Company within the meaning of the Listing Rules. The Transactions will constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules.

LETTER FROM THE BOARD

Since the annual aggregate value of the Transactions is expected to be more than HK\$10,000,000 and the Percentage Ratio in respect of the annual aggregate value of the Transactions is expected to exceed 2.5%, the Transactions will be subject to the reporting, announcement and Independent Shareholders' approval requirements under Rule 14A.35 of the Listing Rules.

The Independent Board Committee has been formed to review and consider the Agreement, the Transactions and the Proposed Annual Caps. Somerley has been appointed to advise the Independent Board Committee and the Independent Shareholders regarding the Agreement, the Transactions and the Proposed Annual Caps.

Proposed amendments to the Articles of Association

The Directors propose to amend the Articles of Association: (i) to provide for the removal of the Directors by way of ordinary resolution(s) of the Shareholders at the general meetings of the Company, in order to bring the Articles of Association in line with the amendments to Appendices 3 and 13 of the Listing Rules which came into effect on 1 March 2006 to enable the removal of directors of a listed issuer by an ordinary resolution passed in a general meeting of the shareholders of the listed issuer; (ii) to allow a proxy appointed by any individual Shareholder to vote in general meetings of the Company on a show of hands as well as on a poll; and (iii) to provide for the retirement by rotation of directors at least once every three years in compliance with A.4.2 of Appendix 14 of the Listing Rules.

THE AGREEMENT

Date	: 16 June 2006
Purchaser	: Fuzhou Chaoda, a wholly-owned subsidiary of the Company, which is principally engaged in the cultivation and sale of crops, and the breeding and sale of livestock in the PRC
Supplier	: Fujian Chaoda Trading, a 95%-owned subsidiary of Fujian Chaoda Group which is owned as to 95% by Mr Kwok, the Chairman and controlling shareholder of the Company, which is principally engaged in the supply of agricultural raw materials in the PRC
Products	: biological organic fertilizers and high efficiency organic fertilizers (or such other types of organic fertilizers as may be agreed between the parties in writing from time to time)

LETTER FROM THE BOARD

- Pricing : to be agreed between the parties at the time when a purchase order is placed by Fuzhou Chaoda with Fujian Chaoda Trading, such price to be acceptable to Fujian Chaoda Trading provided that it shall not exceed the average ex-factory price (net of delivery costs) at which the same type of organic fertilizers were sold by Fujian Chaoda Trading to independent third parties during the calendar month preceding the date on which the purchase order is placed by Fuzhou Chaoda
- Term : a fixed term of 3 years commencing on the later of 1 July 2006 and the date of the Independent Shareholders' Approval (the "**Commencement Date**") and ending on the day immediately after the third anniversary of the Commencement Date, during which the Agreement may be terminated by Fuzhou Chaoda by giving not less than three months' notice in writing to Fujian Chaoda Trading (but may not be terminated by notice by Fujian Chaoda Trading). In addition, either party may terminate the Agreement without notice upon the occurrence of certain events such as material breach of obligations by the other party
- Condition precedent : the Agreement is conditional upon the approval of the Agreement, the Transactions and the Proposed Annual Caps from the Independent Shareholders having been obtained in compliance with Rule 14A.35 of the Listing Rules

The Agreement provides that, subject to the fulfilment of the condition precedent of the Agreement as set out above, the 2000 Agreement shall be terminated with effect from the later of 1 July 2006 and the date on which the Independent Shareholders' Approval is obtained.

If the above condition precedent is not fulfilled on or before 30 September 2006 (or such later date as the parties may agree in writing), the Agreement shall forthwith terminate and neither party shall have any claim against the other.

CONTINUING CONNECTED TRANSACTIONS

Since Fujian Chaoda Trading is a connected person of the Company, the Transactions constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules. Since the annual aggregate value of the Transactions is expected to be more than HK\$10,000,000 and the Percentage Ratio in respect of the annual aggregate value of the Transactions is expected to exceed 2.5%, the Transactions will be subject to the reporting, announcement and Independent Shareholders' approval requirements under Rule 14A.35 of the Listing Rules. Details of the Transactions and the Proposed Annual Caps will be included in the annual report and accounts of the Company for the three financial years ending 30 June 2007, 2008 and 2009 in accordance with Rules 14A.45 and 14A.46 of the Listing Rules.

LETTER FROM THE BOARD

The following table sets out the approximate total value of purchases of organic fertilizers made by the Group under the Agreement for the two financial years ended 30 June 2004 and 2005 and the six months ended 31 December 2005:

	For the year ended 30 June		For the six months ended 31 December

Purchase of organic fertilizers from			
Fujian Chaoda Trading	175,109	214,741	117,473

In respect of the Transactions, the Board has, with reference to the previous purchases of organic fertilizers made by the Group as disclosed above and the expected increase in demand for organic fertilizers to be used by the Group for its business having taken into account the future expansion of the Group's existing or establishment of new production bases in line with the Group's development strategy, considered and proposed to set a maximum annual aggregate value for the purchases of organic fertilizers to be made by the Group pursuant to the Agreement in each of the three financial years ending 30 June 2007, 2008 and 2009 as set out below:

	For the year ending 30 June

The Proposed Annual Caps have been determined by the Board (based on the Directors' experience and knowledge of the Group's business) with reference to the expected annual total purchase of the organic fertilizers to be made by the Group for each of the three financial years ending 30 June 2007, 2008 and 2009, which is in turn calculated with reference to (i) the increase in the total gross area of the agricultural land areas of the Group in the PRC and the expected corresponding increase in the production and sales volume of the Group's crops products for the three financial years ending 30 June 2007, 2008 and 2009 and (ii) the volume of organic fertilizers (in tonnes) required to be used by the Group for the production of each unit tonnes of its crops products under its normal production operation.

LETTER FROM THE BOARD

REASONS FOR AND BENEFITS OF THE TRANSACTIONS

Fuzhou Chaoda, a wholly-owned subsidiary of the Company, is principally engaged in the cultivation and sale of crops, and the breeding and sale of livestock in the PRC. The Agreement was entered into between the Group (through Fuzhou Chaoda) and Fujian Chaoda Trading, subject to the fulfillment of the conditions precedent contained therein, terminate the 2000 Agreement and setting out the terms and conditions governing the Group's future purchases of organic fertilizers from Fujian Chaoda Trading following the termination of the 2000 Agreement in compliance with the Listing Rules as described above. While the Group can purchase organic fertilizers from other independent suppliers in the PRC, the Directors are of the view that the Group will continue to benefit from the well-established business relationship between the Group and Fujian Chaoda Trading through the Agreement following the termination of the 2000 Agreement as it ensures that the Group can, on terms favourable to the Group, obtain a stable and reliable supply of good quality organic fertilizers, which are important raw materials of the agricultural produce business of the Group.

The Directors are of the view that the Transactions to be carried out pursuant to the Agreement are in the ordinary and usual course of the Group's business and are on normal commercial terms.

The Directors (including the independent non-executive Directors) are also of the view that the terms of the Agreement and the Transactions are fair and reasonable and in the interest of the Company and the Shareholders as a whole.

PROPOSED AMENDMENTS TO THE ARTICLES OF ASSOCIATION

*To: the Independent Board Committee and
the Independent Shareholders*

Dear Sirs,

CONTINUING CONNECTED TRANSACTIONS

INTRODUCTION

We refer to our appointment to advise the Independent Board Committee and Independent Shareholders as regards the on-going purchases by Fuzhou Chaoda, a wholly owned subsidiary of the Company, of organic fertilisers from Fujian Chaoda Trading pursuant to the Agreement. The Transactions constitute continuing connected transactions of the Company under the Listing Rules as Fujian Chaoda Trading is a 95% owned subsidiary of Fujian Chaoda Group which in turn is owned as to 95% by Mr. Kwok, a Director and the Chairman and controlling shareholder of the Company. Details of the Transactions and the Proposed Annual Caps are set out in the circular of the Company dated 10 July 2006 (the “Circular”) of which this letter forms part. Unless otherwise defined, capitalised terms used in this letter shall have the same meaning as defined in the Circular.

The Company has obtained the 2004 Waiver from the Stock Exchange in respect of the continuing connected transactions conducted with Fujian Chaoda Trading for the three financial years ended 30 June 2006. As the Group intends to continue to purchase organic fertilisers from Fujian Chaoda Trading, the Company has on 16 June 2006 entered into the Agreement which governs the Transactions to be conducted in the three financial years ending 30 June 2009. Since the annual aggregate value of the Transactions for each of the three financial years ending 30 June 2009 is expected to be more than HK\$10,000,000 and 2.5% in terms of the Percentage Ratio, the Transactions to be conducted in the three financial years ending 30 June 2009 will be subject to the reporting, announcement and Independent Shareholders’ approval requirements under the Listing Rules. The Independent Board Committee has been

LETTER FROM SOMERLEY

established to make a recommendation to the Independent Shareholders on whether the terms of the Transactions under the Agreement and the Proposed Annual Caps are fair and reasonable in so far as the Independent Shareholders are concerned. We have been appointed to advise the Independent Board Committee and the Independent Shareholders in this regard.

In formulating our opinion, we have relied on the information and facts supplied, and the opinions expressed, by the executive Directors and management of the Company and have assumed that the information, facts and opinion made to us are true, accurate and complete in all material aspects at the time they were made and remain true, accurate and complete up to the time of the EGM. We have also sought and received confirmation from the executive Directors that no material facts have been omitted from the information supplied and opinions expressed to us. We have relied on such information and consider that the information we have received is sufficient for us to reach an informed view and have no reason to believe that any material information has been withheld, nor doubt the truth or accuracy of the information provided. We have, however, not conducted any independent investigation into the business and affairs of the Group or Fujian Chaoda Trading.

PRINCIPAL FACTORS AND REASONS CONSIDERED

In arriving at our opinion and recommendation on the terms of the Transactions, we have taken into account the principal factors and reasons set out below:

1. Background to and reason for the Transactions

The Group is principally engaged in agricultural produce and livestock businesses in the PRC. Accordingly, it is in the Group's ordinary and usual course of business to purchase organic fertilisers for crop cultivation, either from independent third party suppliers or Fujian Chaoda Trading.

The Company entered into the 2000 Agreement on 1 December 2000 to govern the purchase of organic fertilisers by Fuzhou Chaoda from Fujian Chaoda Trading for a term of twenty years. Upon applications by the Company, the Stock Exchange has in 2000 and 2004 granted, subject to certain conditions, waiver from strict compliance with the disclosure and approval requirements as stipulated under the Listing Rules for the financial years up to 30 June 2006.

In view of the expiry of the 2004 Waiver and taking into consideration the stable and reliable supply of quality organic fertilisers from Fujian Chaoda Trading in the past years, the Group intends to continue to purchase organic fertilisers from Fujian Chaoda Trading. In order to comply with the new requirements of the Listing Rules, the Agreement was entered into on 16 June 2006 to govern the Transactions to be conducted during the three financial years ending 30 June 2009. Since the value of the Transactions

LETTER FROM SOMERLEY

for each of the three years ending 30 June 2009 is expected to exceed HK\$10,000,000 and 2.5% in terms of the Percentage Ratio, the Transactions to be conducted in the three financial years ending 30 June 2009 will be subject to the reporting, announcement and Independent Shareholders' approval requirements under the Listing Rules.

Fujian Chaoda Trading is the sole supplier of organic fertilisers to the Group. As testing and selection of suitable organic fertilisers involve a prolonged and intricate process and the use of new organic fertilisers always involve risk, the Directors are of the view that it is not commercially sensible to change into other new organic fertilisers. Having considered that organic fertilisers are vital for crop cultivation and in view of the proven records of the Group's cultivation business in using the organic fertilisers provided by Fujian Chaoda Trading, we agree with the Directors that it would be in the interest of the Company and the Shareholders to continue the Transactions. The Agreement gives Fuzhou Chaoda a right but not an obligation to purchase organic fertilisers from Fujian Chaoda Trading on normal commercial terms and no less favourable to Fuzhou Chaoda than terms available from other independent suppliers. Fuzhou Chaoda has the right to source from other independent suppliers in the market.

2. Principal terms of the Transactions

Under the Agreement, the price for the organic fertilisers will be agreed between Fuzhou Chaoda and Fujian Chaoda Trading at the time the purchase order is made, but will not exceed the average ex-factory price (net of delivery costs) at which the same type of organic fertilisers was sold by Fujian Chaoda Trading to independent third parties during the calendar month preceding the date on which the relevant purchase order is placed by Fuzhou Chaoda.

We have reviewed six sets of sample sales receipts selected on a random basis for similar organic fertilisers transactions conducted between Fujian Chaoda Trading and the Group on the one hand and Fujian Chaoda Trading and other independent third parties on the other hand for each of the three financial years ended 30 June 2006. We note that the terms offered by Fujian Chaoda Trading to the Group are no less favourable to that offered to the independent third parties.

We consider that the pricing mechanism whereby the organic fertilisers will be sold to the Group at a price not more than the average ex-factory price (net of delivery costs) charged to independent third parties as detailed above will set a ceiling price to the Group and will ensure that the price paid by the Group for the organic fertilisers will be comparable to that offered by Fujian Chaoda Trading to independent third parties. In this respect, we are of the view that the terms of the Transactions under the Agreement are on normal commercial terms, fair and reasonable, and in the interest of the Company.

LETTER FROM SOMERLEY

3. Proposed Annual Caps

The Transactions will be subject to the Proposed Annual Caps in the amount of RMB443,000,000, RMB585,000,000 and RMB772,000,000 for the three years ending 30 June 2007, 2008 and 2009 respectively.

In assessing the reasonableness of the Proposed Annual Caps, we have discussed with the management of the Company the basis and underlying assumptions for projection of the growth in demand for organic fertilisers for the three years ending 30 June 2009 and reviewed the consumption patterns of organic fertilisers in the past. The following table sets out the Group's sales of crops and purchases of organic fertilisers from Fujian Chaoda Trading in the two years ended 30 June 2005 and six months ended 31 December 2005:

	Year ended 30 June		Six months ended 31 December
	2004	2005	2005
Sales of crops (tonnes) (a)	712,000	892,000	511,000
% increase in sales of crops*	19%	25%	25%
Total agricultural production areas (mu)	156,439	188,509	219,656
% increase in agricultural production areas*	20%	21%	28%
Purchase of organic fertilisers (tonnes) (b)	116,740	143,161	78,316
Organic fertilisers to crops ratio (b/a)	16%	16%	15%

* The comparison was made with the last corresponding period

According to the Directors, the Group's output of crops largely hinges on the size of agricultural areas available for cultivation. Sales of crops increased by approximately 19%, 25% and 25% in the years ended 30 June 2004, 2005 and six months ended 31 December 2005 respectively, which increases are largely in line with the respective 20%, 21% and 28% increase in agricultural production areas. The usage of organic fertilisers bears a direct positive relationship to the amount of agricultural produces cultivate, which is about 16% based on past patterns.

The Directors expect that consumption of organic fertilisers by the Group will continue to grow in the three years ending 30 June 2009 as the Group has planned to increase crop cultivation by expanding its agricultural production areas. The Company has raised a total of approximately HK\$3.1 billion through the issue of US\$225 million guaranteed

LETTER FROM SOMERLEY

note in February 2005 and HK\$1,344 million convertible bonds in May 2006, which proceeds are said to be for the purposes of, inter alia, expansion of the Group's existing production bases or establishment of new production bases. As of 31 March 2006, the Group has used approximately HK\$1.5 billion for prepayments of long-term rentals of agricultural land areas and related farming facilities. The agricultural land reserves of the Group as at 31 March 2006 were approximately 180,000 mu, which land are currently in preparation stage and will be ready to put into production in the coming financial years.

With the Group's existing land reserves and its continual efforts to increase agricultural land areas, the Directors expect that the Group's agricultural production areas will increase by approximately 32% in each of the three years ending 30 June 2009. Based on its experiences, the Group's output of crops is also expected to increase correspondingly by approximately 32% in each of the three years ending 30 June 2009. As such, in estimating the annual cap for 2007, the Directors apply the past organic fertilisers to crops ratio of approximately 16% and build in a 32% growth on purchase of organic fertilisers. After accounting for a 32% growth on the Group's forecasted purchase of fertilisers for the year ended 30 June 2006 of approximately 200,000 tonnes, the estimated purchase for 2007 would be approximately 265,000 tonnes. In addition, the Directors provide a general buffer of about 10% for possible fluctuations in demand for organic fertilisers and price adjustments. We are advised by the Directors that for the eleven-month period ended 31 May 2006, the Group's actual purchase of fertilisers from Fujian Chaoda Trading was approximately 180,000 tonnes, representing about 90% of the forecasted total purchase of fertilisers for the year ended 30 June 2006. We are also confirmed by the Directors that the agricultural business is subject to a seasonal factor and consumption of fertilisers in the second half of each financial year is much higher than that in the first half. On the above basis, the Directors come up with the following Annual Caps:

	For the year ending 30 June		
	2007	2008	2009
	<i>RMB'000</i>	<i>RMB'000</i>	<i>RMB'000</i>
Proposed Annual Caps	443,000	585,000	772,000

In view of the fact that the Group is able to achieve a 28% increase in agricultural production areas for the six months ended 31 December 2005 and taking into consideration the 180,000 mu of available agricultural land reserves (which represent approximately 82% of the total agricultural production areas of 219,656 mu as at 31 December 2005) and the Group's continual efforts to increase agricultural land areas, we are of the view that the projected 32% increase in agricultural production areas is reasonable. Having considered the basis on which the Proposed Annual Caps are determined as described above, we are of the view that the Proposed Annual Caps being sought are fair and reasonable.

LETTER FROM SOMERLEY

4. Conditions of the Transactions

In compliance with the Listing Rules, the conduct of the Transactions will be subject to a number of conditions which include, among other things:

- (i) the Proposed Annual Caps for each of the three financial years ending 30 June 2007, 2008 and 2009 will not be exceeded;

- (v) the Company will comply with the applicable provisions of the Listing Rules governing connected transactions in the event that the total amount of the Transactions exceeds the Proposed Annual Caps, or that there is any material amendment to the terms of the relevant agreements governing the Transactions.

LETTER FROM SOMERLEY

In light of the conditions attached to the Transactions, in particular, (i) the restriction of the value of the Transactions by way of the Proposed Annual Caps; (ii) the ongoing review by the independent non-executive Directors and auditors of the Company of the terms of the Transactions; and (iii) the continuing review by the auditors of the Company confirming the Proposed Annual Caps not being exceeded, we are of the view that appropriate measures will be in place to govern the conduct of the Transactions and safeguard the interests of the Independent Shareholders.

OPINION

Taking into account the above principal factors, we consider that the Transactions are on normal commercial terms and in the ordinary and usual course of business of the Group, and that the Transactions (including the Proposed Annual Caps) are fair and reasonable so far as the Independent Shareholders are concerned and in the interests of the Company and the Shareholders as a whole. Accordingly, we advise the Independent Board Committee to recommend the Independent Shareholders to vote in favour of the ordinary resolution to be proposed at the EGM to approve the Transactions (including the Proposed Annual Caps).

Yours faithfully,
For and on behalf of
Somerley Limited
Mei H. Leung
Deputy Chairman
