The board of directors of the Company (the “**Board**”) wishes to update the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the information currently available to Company and the preliminary review of the Group’s unaudited management accounts for the year ended 31 December 2024, which have not been audited or reviewed by the auditors and/or the audit and risk management committee of the Company, it is expected that the Group will record a net profit for the year ended 31 December 2024 (“**Reporting Period**”) ranging between approximately AU\$12.2 and AU\$13.3 million, as compared to the net profit after tax of AU\$5.2 million for the year ended 31 December 2023 (“**Corresponding Period**”).
