Application has been made to the Listing Committee of the Stock Exchange for listing of, and permission to deal in, the Shares in issue and to be issued pursuant to, among others, the Global Offering, comprising (a) 1,000,000,000 Shares in issue after Share Subdivision, (b) 111,111,200 Shares to be issued under the Global Offering, (c) 16,666,400 Shares which may be issued upon the exercise of the Over-allotment Option and (d) 111,111,120 Shares which may be issued pursuant to the exercise of options granted under the Share Option Scheme.

Assuming the Hong Kong Public Offering becomes unconditional at or before 8:00 a.m. on Tuesday, 7 May, 2019, it is expected that dealings in the Shares on the Main Board of the Stock Exchange are expected to commence at 9:00 a.m. on Tuesday, 7 May, 2019. In the event the Over-allotment Option is exercised, an announcement will be made by the Company on the Company's website at <http://www.duiba.cn> and the website of the Stock Exchange at www.hkexnews.hk.

The Global Offering comprises the Hong Kong Public Offering of 11,111,200 Shares (subject to adjustment), representing approximately 10% of the total number of Offer Shares under the Global Offering, and the International Offering of 100,000,000 Shares (subject to the Over-allotment Option and adjustment), representing approximately 90% of the total number of Offer Shares under the Global Offering. The allocation of the Offer Shares between the Hong Kong Public Offering and the International Offering will be subject to adjustment as described in the section headed "Structure of the Global Offering" in the Prospectus. In particular, the Joint Global Coordinators may at their discretion reallocate Offer Shares from the International Offering to the Hong Kong Public Offering to satisfy valid applications under the Hong Kong Public Offering. In addition, if the Hong Kong Public Offering is not fully subscribed, the Joint Global Coordinators may also in their discretion reallocate to the International Offering all or any Hong Kong Offer Shares which are not subscribed. In addition, in the event of reallocation of Offer Shares between the International Offering and the Hong Kong Public Offering in the circumstances where (a) the International Offering shares are fully subscribed or oversubscribed and the Hong Kong Offer Shares are fully subscribed or oversubscribed by less than 15 times, or (b) the International Offer Shares are undersubscribed and the Hong Kong Public Offer Shares are fully subscribed or oversubscribed, in accordance with Guidance Letter HKEX-GL91-18 issued by the Stock Exchange, if such reallocation is done other than pursuant to Practice Note 18 of the Listing Rules, the Joint Global Coordinators may reallocate up to 11,111,200 Shares, representing approximately 10% of the Offer Shares initially available under the Global Offering, from the International Offer Shares to the Hong Kong Public Offering, so that the total number of Offer Shares available for subscription under the Hong Kong Public Offering will increase up to 22,222,400 Shares, representing approximately 20% of the number of the Offer shares initially available under the Global Offering (before any exercise of the Over-allotment Option), to satisfy valid applications under the Hong Kong Public Offering, and the final Offer Price shall be fixed at HK\$6.00 per Offer Shares, being the low-end of the Offer Price range stated in this Prospectus.

Subject to the granting of the approval for the listing of, and permission to deal in, the Shares on the Stock Exchange and compliance with the stock admission requirements of HKSCC, the Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the date of commencement of dealings in the Shares on the Stock Exchange or on any other date HKSCC chooses. Settlement of transactions between participants of the Stock Exchange is required to take place in CCASS on the second Business Day after any trading day. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements have been made to enable the Shares to be admitted into CCASS.

Pursuant to the Over-allotment Option, the International Purchasers have the right, exercisable by the Joint Global Coordinators (on behalf of the International Purchasers) within 30 days from the last day for lodging applications under the Hong Kong Public Offering (the last day for the exercise of the Over-allotment Option being May 29, 2019), to require the Company to allot and issue up to 16,666,400 additional Offer Shares representing approximately 15% of the initial number of Offer Shares, at the same price per Offer Share under the International Offering, to cover over-allocations in the International Offering (if any).

The Offer Price will not be more than HK\$8.10 per Offer Share and is currently expected to be not less than HK\$6.00 per Offer Share, unless otherwise announced. Applicants for the Hong Kong Offer Shares are required to pay, on application, the maximum Offer Price of HK\$8.10 per Offer Share together with brokerage of 1%, SFC transaction levy of 0.0027% and Stock Exchange trading fee of 0.005%, subject to refund if the Offer Price as finally determined is less than HK\$8.10 per Offer Share.

If an application is rejected, not accepted or accepted in part only, or if the Offer Price as finally determined is less than the maximum Offer Price of HK\$8.10 per Offer Share (excluding brokerage, SFC transaction levy and the Stock Exchange trading fee thereon), or if the conditions of the Hong Kong Public Offering are not fulfilled in accordance with “Structure of the Global Offering — Conditions of the Global Offering” in the prospectus or if any application is revoked, the application monies, or the appropriate portion thereof, together with the related brokerage, SFC transaction levy and the Stock Exchange trading fee, will be refunded, without interest or the cheque or banker’s cashier order will not be cleared.
