Any further Directors so to retire shall be those of the other Directors subject to retirement by rotation who have been longest in office since their last re-election or appointment and so that as between persons who became or were last re-elected Directors on the same day those to retire shall (unless they otherwise agree among themselves) be determined by lot.

Mr. Cheng Peng (“**Mr. Cheng**”), Mr. Kam Wai Man (“**Mr. Kam**”) and Dr. Gao Fuping (“**Dr. Gao**”) will retire by rotation at the AGM. Mr. Cheng, Mr. Kam and Dr. Gao are eligible and have offered themselves for re-election (the “**Retiring Directors**”).

The Nomination Committee reviews the information and documents provided by the nominated candidate as required by the Company’s nomination policy for directorship and conducts the following process (in accordance with the following criteria) with a view to assessing and evaluating whether such candidate is suitably qualified to be appointed as a Director before making recommendations to the Board:

1. The Nomination Committee shall consider the following factors, which are not exhaustive and the Board has discretion if it considers appropriate, in assessing the suitability of the proposed candidate regarding the appointment of Directors or re-appointment of any existing Board member(s):

- 5. For the appointment of any proposed candidate to the Board, the Nomination Committee shall undertake adequate due diligence in respect of such individual and make recommendations for the Board's consideration and approval.

In addition, the diversified experience and knowledge of the Retiring Directors have enabled them to provide valuable and diverse views, as well as relevant insights to the Board and to contribute to the diversity of the Board.

LETTER FROM THE BOARD

In addition, each of Mr. Kam and Dr. Gao, being an independent non-executive Director, has made a confirmation of independence pursuant to Rule 3.13 of the Listing Rules. This appendix serves as an explanatory statement, as required by the Listing Rules, to provide the requisite information to enable you to make an informed decision on whether to vote in favour of or against the resolution to approve the grant of the Repurchase Mandate to the Directors.

SHARE CAPITAL

As at the Latest Practicable Date, the number of issued Shares (excluding Treasury Shares, if any) was 1,076,823,200 Shares with a nominal value of US\$0.00001 each, which had been fully paid. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued, allotted or repurchased between the period from the Latest Practicable Date and the date of the AGM, the Company will be allowed to repurchase a maximum of 107,682,320 Shares, which represent 10% of the aggregate number of issued Shares (excluding Treasury Shares, if any) during the period ending on the earliest of (i) the conclusion of the next annual general meeting of the Company following the AGM; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association, the Companies Act or any other applicable laws of the Cayman Islands to be held; or (iii) the revocation or variation by ordinary resolution(s) by the Shareholders in a general meeting prior to the next annual general meeting of the Company following the AGM.

REASONS FOR AND FUNDING OF REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase its Shares. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share.

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Articles of Association, the Listing Rules and the applicable laws and regulations of the Cayman Islands. The Directors may not repurchase the Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Subject to the foregoing, the Directors may make repurchases with the profits of the Company or out of a new issuance of Shares made for the purpose of the repurchase or, if authorised by the Articles of Association and subject to the Companies Act, out of capital and, in the case of any premium payable on the repurchase, out of profits of the Company or from sums standing to the credit of the share premium account of the Company or, if authorised by the Articles of Association and subject to the Companies Act, out of capital.

The Directors have no present intention to repurchase any Shares, and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and the Shareholders as a whole. The Directors consider that if the Repurchase Mandate was to be exercised in full, it would not have a material adverse impact on the working capital or on the gearing position of the Company, as compared with the positions disclosed in the most recent published audited consolidated financial statements.

TREATMENT OF REPURCHASED SHARES

Under the Listing Rules, the Company will either (i) cancel the repurchased Shares and/or (ii) hold such Shares in treasury, subject to market conditions and the capital management needs of the Company at the relevant time such repurchases of Shares are made. If the Company holds any Shares in treasury, any sale or transfer of Shares held in treasury will be subject to the terms of the Issue Mandate in ordinary resolution no. 4(A) and made in accordance with the Listing Rules and applicable laws and regulations of the Cayman Islands. Should the Company decide to hold Shares repurchased as Treasury Shares, the Company should, upon completion of the Share repurchase, withdraw the repurchased Shares from CCASS and register the Treasury Shares in the Company's name in the register of members of the Company.

The Company may re-deposit its Treasury Shares into CCASS only if it has an imminent plan to resell them on the Stock Exchange, and it should complete the resale as soon as possible. To the extent that any Treasury Shares are deposited with the CCASS pending resale on the Stock Exchange, the Company will adopt appropriate measures to ensure that it does not exercise any Shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in the Company's own name as Treasury Shares. Upon approval by the Board, these measures will include (without limitation) (i) the Company will not (or will procure its broker not to) give any instructions to the HKSCC to vote at general meetings for the Treasury Shares deposited with CCASS; and (ii) in the case of dividends or distributions, the Company will withdraw the Treasury Shares from CCASS, and either re-register them in its own name as Treasury Shares or cancel them, in each case before the record date for the dividends or distributions.

DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

As at the Latest Practicable Date, none of the Directors or, to the best of their knowledge having made all reasonable enquiries, their respective close associates (as defined in the Listing Rules) had a present intention to sell any of the Shares to the Company or its subsidiaries, if the Repurchase Mandate is approved by the Shareholders.

No core connected person of the Company has notified the Company that he/she has a present intention to sell any Shares to the Company nor has any such core connected person undertaken not to sell any Shares held by him/her to the Company in the event that the Repurchase Mandate is granted.

DIRECTORS' OBLIGATIONS

The Directors will, so far as the same may be applicable, exercise the Repurchase Mandate in accordance with the Listing Rules, the Articles of Association and the applicable laws and regulations of the Cayman Islands. The Directors confirm that the explanatory statement set out in this Appendix II contains the information required under Rule 10.06(1)(b) of the Listing Rules and that neither the explanatory statement nor the Repurchase Mandate has any unusual features.

TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, XL Holding and parties acting in concert with it held an aggregate of 461,438,329 Shares, representing approximately 42.85% of the total issued share capital of the Company (excluding Treasury Shares, if any). On the assumption that the Company will not issue and allot further Shares from the Latest Practicable Date and up to the date of the AGM and that the Repurchase Mandate was exercised in full, the total shareholding of XL Holding and parties acting in concert with it would increase to approximately 47.61% of the total issued share capital of the Company (excluding treasury shares, if any). Accordingly, an exercise of the Repurchase Mandate in full may result in XL Holding and parties acting in concert with it becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors have no present intention to exercise the Repurchase Mandate to such an extent that would give rise to such obligation under the Takeovers Code.

Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

The Directors will not exercise the Repurchase Mandate if the repurchase would result in the number of Shares which are in the hands of the public falls below 25% of the total number of the issued Shares.

SHARE REPURCHASE MADE BY THE COMPANY

The Company had not repurchased any Shares (whether on the Stock Exchange or otherwise) during the six months immediately preceding the Latest Practicable Date.
