Dear Shareholder

2015 ANNUAL GENERAL MEETING

This document should be read in conjunction with the Annual Report and Consolidated Financial Statements of HICL Infrastructure Company Limited (the "**Company**") for the year ended 31 March 2015 (the "**Annual Report**") which can be found on the Company's website (www.hicl.com), under the Investor Relations, HICL Publications, 'Results – Interim and Annual' section. The purpose of this document is to provide you with information relating to the following business to be considered and resolutions to be put to shareholders at the Annual General Meeting to be held at the registered office of the Company (as above) at 4.00 p.m. on Tuesday 21 July 2015 (the "**2015 AGM**").

The Notice convening the AGM of the Company and setting out the resolutions to be proposed is set out on pages 8 to 11 of this document.

Ordinary Business

The ordinary business proposed for the 2015 AGM comprises the consideration of and, if thought fit, the passing of ordinary resolutions to:

- receive and consider the audited accounts, the Directors' report and the Auditors' report for the year ended 31 March 2015 (resolution 1);
- re-elect Sarah Evans as a Director (resolution 2; see section entitled "*Directors*" below);
- re-elect Sally-Ann Farnon as a Director (resolution 3; see section entitled "*Directors*" below);
- re-elect John Hallam as a Director (resolution 4; see section entitled "*Directors*" below);
- re-elect Frank Nelson as a Director (resolution 5; see section entitled "*Directors*" below);
- re-elect Graham Picken as a Director (resolution 6; see section entitled "*Directors*" below);
- re-elect Christopher Russell as a Director (resolution 7; see section entitled "*Directors*" below);
- re-elect Ian Russell as a Director (resolution 8; see section entitled "*Directors*" below);
- approve the Directors' remuneration report (as set out in the Annual Report), which incorporates the Directors' remuneration policy and both the remuneration paid for the year ended 31 March 2015, and proposed remuneration payable for the year ending 31 March

2016, to the Chairman, the Senior Independent Director and each other Director, for routine business and additional corporate work (resolution 9; see section entitled “*Directors’ Remuneration Report*” below); and

- approve the re-appointment of KPMG Channel Islands Limited as auditors of the Company and to authorise the Board to set the remuneration of the auditors (resolutions 10 and 11, respectively).

Directors

In accordance with the Company’s Articles, each of the Directors is seeking re-election. Their biographical details are contained within the Company’s Annual Report.

Directors’ Remuneration Report

The Directors’ remuneration report is set out in the Company’s Annual Report. It includes the Directors’ remuneration policy as well as details regarding the current and proposed remuneration of the Directors (based on the findings of the Trust Associates’ Independent Report), extracts of which are set out below in the ‘*Directors’ Remuneration*’ section.

Directors’ Remuneration

All Directors of the Company are non-executive and are paid a fixed annual remuneration for routine business of the Company. In addition, fixed fees are paid for additional corporate work.

In February 2015, the formal triennial review of the Directors’ remuneration was undertaken by an independent consultant, Trust Associates, whose report concluded that:

- ▲ there has been a strong rise in investment company board remuneration generally since their previous review three years ago;
- ▲ the effect of size continues to have a significant impact on the level of remuneration and the Company is now one of the largest London-listed investment companies (having grown from £1.06 billion market capitalisation at the time of 2012 review, to £1.6 billion at the time of the 2014 interim assessment, to £1.9 billion at the time of the 2015 review); and
- ▲ the work load and time involved had increased since the last review (driven not just by the increasing in size and complexity of the Company and its operations, but also regulatory changes such as the Company becoming a self-managed AIF).

Taking account of these factors and the remuneration paid to directors of investment companies of a similar size and with similar characteristics, Trust Associates recommended the following changes to remuneration for routine business:

- ▲ Directors’ fees to be increased to £38,500 for the 2015-16 year.
- ▲ The Chairman of the Audit Committee’s fee to rise to £46,500 for the 2015-16 year, reflecting a £6,000 premium to the Directors’ fees for the role, inclusive of a £2,000 additional fee for the role of Senior Independent Director.
- ▲ The Chairman of the Risk Committee to receive £42,500 for the 2015-16 year, a £4,000 premium to the Directors’ fees, to recognise the additional responsibility.
- ▲ The Chairman of the Board’s fee to rise to £64,000 for the 2015-16 year, reflecting a 66% premium to the Directors’ fees, in recognition not only of the considerably greater weight of responsibility but also his involvement in a number of meetings with shareholders and potential investors each year, as well as hosting events on behalf of the Company.

In addition, Trust Associates re-affirmed that the current practice, pursuant to which each Director who also acts as a director of the two Luxembourg subsidiary company boards receives an additional £5,000 annually for such role, was appropriate and should therefore continue.

It should be noted that the above fee recommendations relate to the role, and not to the individual who is currently performing the function. This comment is made specifically in view of the expected change in roles, following the planned retirements of Mr G Picken and Mr J Hallam by no later than 30 June 2016, as communicated to shareholders in Section 6 – Corporate Governance Statement of the Company's Annual Report.

For comparative purposes the table below sets out the Directors' remuneration approved and actually paid for the year to 31 March 2015 as well as proposed for the year ending 31 March 2016.

Director*	Role	Total Fees Proposed for year ending 31 March 2016	Total Remuneration Paid in year ended 31 March 2015	Total Fees Approved for year ended 31 March 2015
Mr G Picken	Chairman	£64,000	£58,000	£58,000
Mr J Hallam	SID	£46,500 ¹	£42,000	£42,000
Mrs S Evans ²	Director	£43,500	£40,000	£40,000
Mr I Russell	Director	£42,500 ³	£35,000	£35,000
Mrs S Farnon	Director	£38,500	£35,000	£35,000
Mr F Nelson	Director	£38,500	£29,167 ⁴	£35,000
Mr C Russell	Director	£38,500	£35,000	£35,000
TOTAL		£312,000	£274,167	£280,000

1. The figures (proposed and paid) for Mr J Hallam are based on his Chair of the Audit Committee and as SID.
2. The figures (proposed and paid) for Mrs S Evans include an additional £5,000 for work in connection with the two Luxembourg subsidiaries.
3. The figure for Mr I Russell is based on his Chair of the Risk Committee (established in 2014).
4. The figure for Mr F Nelson for the year ended 31 March 2015 is based on £35,000 p.a., pro-rated for the 10 month period from 1 June 2014 to 31 March 2015.

* See comment above regarding fee recommendations being based on the role performed, not on the individual per se. In the instance where a Director resigns from his/her position during the year, the successor would be entitled to the same fee level (albeit on a pro rata basis to reflect the proportion of the year in service)

As in previous years, should the Company require Directors to work on specific corporate actions such as further equity raising (other than scrip dividend alternative or tap issues), or should a Director undertake incremental work such as that currently undertaken by Mrs S Evans in relation to the Luxembourg subsidiaries, then this is remunerated appropriately as determined by the Remuneration Committee. In the year to 31 March 2015, apart from the £5,000 to Mrs S Evans as noted above, no additional fees were paid. Finally, the committee considered and then approved that, if and when the Senior Independent Director is not also the Chairman of the Audit Committee, then the Senior Independent Director should receive an additional £2,000 p.a. for performing this role.

The effect of the above recommendation for the year ending 31 March 2016 is to increase aggregate Directors' fees (including the subsidiary company fee) to a level which is approximately 0.0159% of the Company's market capitalisation as at 31 March 2015. Trust Associates confirmed that, in percentage terms, this is towards the low end of the range of investment companies.

The total fees paid to Directors in the year were within the annual fee cap of £350,000 which was approved by shareholders at the AGM on 23 July 2013.

The Remuneration Committee has considered the recommendations of the independent consultant and recommended them to the Board. The Board has approved the proposed increase and is seeking shareholder approval for the Directors' Remuneration Policy, including the proposed increase to the Directors' remuneration back-dated to the beginning of the Company's financial year on 1 April 2015.

Special Business

The special business proposed for the 2015 AGM comprises the consideration of and, if thought fit, the passing of the following resolutions:

- a special resolution to approve the proposed increase in the Directors' aggregate remuneration cap, as set out in the Annual Report (resolution 12; see section entitled "*Directors' Remuneration Cap*" below);
- a special resolution to approve the disapplication of pre-emption rights in respect of up to 10% of the Ordinary Shares in issue (resolution 13; see section entitled "*Waiver of pre-emption for limited issue of Ordinary Shares*" below);
- an ordinary resolution to approve the offer of a Scrip Dividend alternative to shareholders (resolution 14; see section entitled "*Scrip Dividend*" below); and
- an ordinary resolution to grant approval for the Company to make market acquisitions of its own shares, make tender offers, and to hold treasury shares (resolution 15; see section entitled "*Share Buy Back Authority*" below).

Directors' Remuneration Cap (resolution 12)

If resolution 9 (Directors' Remuneration) is passed, the aggregate annual remuneration of the Directors for routine work will remain within the current cap of £350,000 (which was approved at the 2013 Annual General Meeting).

The Board, following a recommendation from the Remuneration Committee, is however seeking shareholder approval, by way of special resolution, for an increase in the Directors' aggregate remuneration cap to £450,000 p.a., effective from 1 April 2015, to allow for the implementation of Trust Associate's recommendations (set out in resolution 9), to provide for moderate adjustments that may be necessary in subsequent years, including the recruitment of future Directors, and to provide contingency for any additional fees associated with non-routine business.

Waiver of pre-emption for limited issue of Ordinary Shares (resolution 13)

At the AGM of the Company held on 22 July 2014, shareholders renewed the Board's authority to allot Ordinary Shares for cash without first offering them to existing shareholders on a *pro rata* basis. Such authority expires at the earlier of the 2015 AGM or 15 months after the AGM of 22 July 2014. Shareholders are requested to approve, by way of special resolution, the renewal of the current authority until the earlier of the next AGM or 15 months from the passing of this resolution.

The number of Ordinary Shares which may be so allotted under such authority is limited to the number of Ordinary Shares representing 10 per cent. of the Ordinary Shares in issue as at the date of the notice of the 2015 AGM (this equates to 126,774,462 Ordinary Shares). This will allow the Company to continue to issue Ordinary Shares at a premium to the prevailing net asset value per Ordinary Share when there is sufficient demand for the Company's Ordinary Shares, and thereby to help to manage any share premium.

Scrip Dividend (resolution 14)

Based on the historical take-up of scrip dividends, shareholders are requested to approve, by way of ordinary resolution, the renewal of the authority to provide shareholders with the opportunity to elect to receive future dividends wholly or partly in the form of new Ordinary Shares in the Company rather than cash. Providing such an alternative enables shareholders to increase their holdings of Ordinary Shares in the Company without incurring dealing costs and in a tax efficient manner. The advantage to the Company is that it is able to retain cash which would otherwise be paid out as dividends.

Whilst shareholders will need to take their own advice, election by certain shareholders to receive a distribution by way of scrip dividend may be advantageous to them.

Share Buy Back Authority (resolution 15)

Shareholders are requested to approve, by way of ordinary resolution, the authority for the Company to make market acquisitions of its own Ordinary Shares up to a maximum of 14.99 per cent of the Ordinary Shares in issue as at the date of passing of the resolution (this equates to 190,034,918 Ordinary Shares as at the date of the notice of the 2015 AGM).

The authority will expire at the conclusion of next year's annual general meeting or 18 months after the passing of the resolution (whichever is earlier) and, as previously stated by the Company, it is presently intended that a resolution for the renewal of such authority will be proposed at each subsequent annual general meeting of the Company.

The Board would consider holding as treasury shares any Ordinary Shares which the Company acquires pursuant to the authority provided by this resolution (subject to the 10 per cent. limit on the Company holding Ordinary Shares in treasury in accordance with The Companies (Guernsey) Law, 2008, as amended).

It is currently envisaged that Ordinary Shares acquired and held in treasury following any buyback will be used to support liquidity in the Company's Ordinary Shares. Any sales out of treasury will only be made at a price per Ordinary Share equal to or greater than the price per Ordinary Share paid by the Company and in accordance with the UK Listing Rules and subject to dis-application authority too.

ACTION TO BE TAKEN

You will find attached at the end of this document a Form of Proxy. You are invited to complete and return the Form of Proxy as soon as possible in accordance with the written instructions, whether or not you propose to attend the 2015 AGM in person. The Form of Proxy should be lodged with the Company's Receiving Agent and UK Transfer Agent, **Capita Asset Services, PXS 1, 34 Beckenham Road, Beckenham, Kent, BR3 4TU**, so as to be received not later than **4.00 p.m. on Friday 17 July 2015**. Shareholders may appoint more than one proxy provided that each proxy is appointed to exercise rights attaching to different Ordinary Shares. Completing and returning the Form of Proxy will not prevent you from attending the 2015 AGM and voting in person, should you wish to do so. Any proxy need not be a member of the Company.

The Directors are unanimously of the opinion that the resolutions to be proposed at the 2015 AGM are in the best interests of shareholders as a whole and the Board recommends that you vote in favour of each of the resolutions.

Yours faithfully,

Graham Picken
Chairman

TO approve the Directors’ Remuneration Report (as set out in the Annual Report) including both the remuneration paid for the year ended 31 March 2015, and proposed remuneration payable for the year ending 31 March 2016, to the Chairman, the Senior Independent Director, the Committee Chairman and each other Director, for routine business and additional corporate work.
10. THAT KPMG Channel Islands Limited be re-appointed as auditors of the Company.

The Directors propose an increase to the aggregate annual remuneration cap in order to allow for the implementation of Trust Associate’s recommendations, to provide for moderate adjustments that may be necessary in subsequent years, including the recruitment of future Directors, and to provide a contingency.

12. TO approve the proposed increase in the Directors’ aggregate annual remuneration cap from £350,000 to £450,000, with effect from 1 April 2015.

The Directors propose a partial disapplication of the pre-emption rights in order to allow the Company to issue new Ordinary Shares. This is seeking re-approval for the disapplication which was approved at the AGM held on 22 July 2014 and allows the Company to issue Ordinary Shares at a

premium to current net asset value per share by way of tap issues.

13. THAT the Directors be, and hereby are, empowered to allot (or sell Ordinary Shares held as treasury shares) up to 10.0 per cent of the Ordinary Shares of the Company in issue for cash as if Article 9 of the Company's Articles of Incorporation did not apply to the allotment or sale for the period expiring on the date falling 15 months after the date of passing of this resolution or the conclusion of the next annual general meeting of the Company, whichever is the earlier PROVIDED THAT the Company may before such expiry, make an offer or agreement which would or might require Ordinary Shares to be allotted or sold after such expiry and Ordinary Shares may be allotted or sold in pursuance of such an offer or agreement as if the power conferred by this resolution had not expired.

The Directors propose in the following resolution to permit the Company to make market acquisitions and to arrange tender offers of Ordinary Shares within certain conditions. This resolution succeeds the authority which was granted at last year's annual general meeting and which expires on the date of the 2015 AGM.

15. THAT the Directors be, and hereby are, authorised to exercise their discretion under and in accordance with the Company's Articles of Incorporation and The Companies (Guernsey) Law, 2008, as amended to:

 - (iv) the authority hereby conferred shall (unless previously renewed or revoked) expire on the date falling 18 months after the passing of this resolution or the next annual general meeting of the Company, whichever is the earlier; and

Additional Notes

CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the Annual General Meeting to be held on Tuesday 21 July 2015 and any adjournment(s) thereof by utilising the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with CRESTCo's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuer's agent (RA10) by the latest time(s) for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that CRESTCo does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

ADDITIONAL NOTES

CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the 2015 AGM and any adjournment(s) thereof by utilising the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with CRESTCo's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuer's agent (RA10) by the latest time(s) for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that CRESTCo does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
