In accordance with the nomination policy of the Company and the objective criteria (including without limitation, gender, age, ethnicity, cultural and educational background, professional experiences and knowledge) with due regard for the benefits of diversity, as set out under the board diversity policy of the Company, the nomination committee of the Company (the “**Nomination Committee**”) has reviewed the re-election of the Directors through:

- (a) evaluating the performance and contribution of the retiring Directors during the last financial year of the Company and the period thereafter up to the date of evaluation; and
- (b) assessing the independence of the independent non-executive Directors, being Mr. Li Ka Chun Gordon, Mr. Fu Wing Kwok Ewing and Mr. Ghanshyam Adhikari and considered whether they remained independent and suitable to continue to act in such roles.

After due evaluation and assessment, the Nomination Committee is of the opinion that:

- (a) the performance of the retiring Directors was satisfactory and contributed effectively to the operation of the Board; and

This appendix serves as an explanatory statement, as required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Listing Rules, to provide you with the requisite information reasonably necessary to enable you to make an informed decision on whether to vote for or against the resolution to approve the grant of the Repurchase Mandate.

1. LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their securities on the Stock Exchange and any other stock exchange on which securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the Listing Rules provide that the shares of such company must be fully paid up and all repurchases of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general mandate or by specific approval of a particular transaction.

2. EXERCISE OF THE REPURCHASE MANDATE

On the basis that 34,560,000 Shares are in issue as at the Latest Practicable Date and no further Shares are issued or repurchased prior to the AGM, exercise in full of the Repurchase Mandate could result in up to 3,456,000 Shares being repurchased by the Company during the period from the passing of resolution no. 5 of the AGM Notice up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles or any applicable laws of the Cayman Islands to be held; or (iii) the passing of an ordinary resolution by Shareholders in general meeting revoking, varying and renewing the Repurchase Mandate, whichever occurs first.

3. REASONS FOR REPURCHASE

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole. Repurchases of shares will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share.

4. FUNDING OF REPURCHASES

Repurchases made pursuant to the Repurchase Mandate would be funded out of funds legally available for the purpose in accordance with the Company's memorandum of association, the Articles, the Companies Act, other applicable laws of the Cayman Islands and the Listing Rules. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the Companies Act, repurchases by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of Shares made

for the purpose, or, if so authorised by the Articles and subject to the provisions of the Companies Act, out of capital.

Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of profits of the Company or out of the Company's share premium account, or, if so authorised by the Articles and subject to the provisions of the Companies Act, out of capital.

Taking into account the current working capital position of the Company, the Directors consider that, if the Repurchase Mandate was to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company as compared with the position as at 30 April 2025, being the date of its latest published audited consolidated financial statements. However, the Directors do not intend to make any repurchases to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

5. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the Articles and the applicable laws of the Cayman Islands.

6. INTENTION TO SELL SHARES

None of the Directors and, to the best of their knowledge having made all reasonable enquiries, none of their respective associates (as defined in the Listing Rules), has any present intention, in the event that the proposal on the Repurchase Mandate is approved by Shareholders, to sell Shares to the Company or its subsidiaries.

7. TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

To the best of the knowledge, information and belief of the Directors and on the basis of the shareholding of the Company as at the Latest Practicable Date, the Directors are currently not aware of any consequences which will arise under the Takeovers Code as result of any purchase of Shares made under the Repurchase Mandate, since none of the substantial Shareholders would hold 30% or more of the shareholding of the Company after the repurchase.

Assuming that there is no issue of Shares between the date of this circular and the date of a repurchase and no disposal by any of the substantial Shareholders of their interests in the Shares, an exercise of the Repurchase Mandate whether in whole or in part will not result in less than 25% of the Shares being held by the public.

8. SHARE PURCHASED BY THE COMPANY

The Company has not purchased any of its Shares (whether on the Stock Exchange or otherwise) in the previous six months immediately preceding the Latest Practicable Date.

9. CORE CONNECTED PERSON

No core connected person (as defined in the Listing Rules) has notified the Company that he/it has a present intention to sell shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

10. SHARE PRICES

During each of the previous 12 months, the highest and lowest prices at which the Shares were traded on the Main Board prior to the Latest Practicable Date were as follows:

	Trade Prices (<i>per share</i>)	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2024		
August	0.76	0.66
September	0.67	0.57
