Authority to make political donations

16. That, in accordance with Part 14 of the Companies Act 2006 (the “2006 Act”), the Company and all the companies that are subsidiaries of the Company at any time during the period for which this Resolution has effect be authorised in aggregate to:
 - (a) make political donations not exceeding £50,000 in total to: (i) political parties; (ii) political organisations other than political parties; and/or (iii) independent election candidates; and

- (b) incur political expenditure not exceeding £50,000 in total, (as such terms are defined in sections 363 to 365 of the 2006 Act) provided that the aggregate amount of any such donations and expenditure shall not exceed £100,000 during the period beginning with the date of passing this Resolution and ending at the earlier of the conclusion of the next Annual General Meeting or close of business on 30 June 2023.

Directors’ authority to allot shares

17. To generally and unconditionally authorise the Directors pursuant to and in accordance with Section 551 of the 2006 Act to exercise all the powers of the Company to allot shares or grant rights to subscribe for or to convert any security into shares in the Company:
 - (i) up to an aggregate nominal amount of £3,493,333.33; and
 - (ii) comprising equity securities (as defined in Section 560(1) of the 2006 Act) up to a further aggregate nominal amount of £3,493,333.33 in connection with an offer by way of a rights issue;

such authorities to apply in substitution for all previous authorities pursuant to Section 551 of the 2006 Act and to expire (unless previously renewed, varied or revoked by the Company) at the end of the next Annual General Meeting of the Company or at the close of business on 30 June 2023, whichever is earlier, but in each case so that the Company may make offers and enter into agreements during the relevant period which would, or might, require shares to be allotted or rights to subscribe for or to convert any security into shares to be granted after the authority given by this Resolution has expired.

For the purposes of this Resolution, “rights issue” means an offer to:

- (I) ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings; and
- (II) people who are holders of other equity securities if this is required by the rights of those securities or, if the Directors consider it necessary, as permitted by the rights of those securities,

to subscribe for further securities by means of the issue of a renounceable letter (or other negotiable instrument) which may be traded for a period before payment for the securities is due, but subject in both cases to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates or legal, regulatory or practical problems in, or under the laws of, any territory.

SPECIAL RESOLUTIONS

Disapplication of pre-emption rights

18. Subject to the passing of Resolution 17 above, to authorise the Directors to allot equity securities (as defined in Section 560(1) of the 2006 Act) wholly for cash:
 - (i) pursuant to the authority given by paragraph (i) of Resolution 17 above or where the allotment constitutes an allotment of equity securities by virtue of Section 560(3) of the 2006 Act, in each case:
 - (a) in connection with a pre-emptive offer; and

- (b) otherwise than in connection with a pre-emptive offer, up to an aggregate nominal amount of £524,000 as if Section 561(1) of the 2006 Act did not apply to any such allotment; and
- (ii) pursuant to the authority given by paragraph (ii) of Resolution 17 above in connection with a rights issue,

as if Section 561(1) of the 2006 Act did not apply to any such allotment,

such authority to expire at the end of the Company's next Annual General Meeting or at the close of business on 30 June 2023, whichever is earlier, but so that the Company may make offers and enter into agreements during this period which would, or might, require equity securities to be allotted and treasury shares to be sold after the authority given by this Resolution has expired.

For the purposes of this Resolution:

- (I) "rights issue" has the same meaning as in Resolution 17 above;
- (II) "pre-emptive offer" means an offer of equity securities open for acceptance for a period fixed by the Directors to holders (other than the Company) on the register on a record date fixed by the Directors of ordinary shares in proportion to their respective holdings but subject to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates or legal, regulatory or practical problems in, or under the laws of, any territory;
- (III) references to an allotment of equity securities shall include a sale of treasury shares; and
- (IV) the nominal amount of any securities shall be taken to be, in the case of rights to subscribe for or convert any securities into shares of the Company, the nominal amount of such shares which may be allotted pursuant to such rights.
19. Subject to the passing of Resolution 17 above and in addition to any authority granted under Resolution 18 above, to authorise the Directors to allot equity securities (as defined in Section 560(1) of the 2006 Act) wholly for cash pursuant to the authority given by Resolution 17 above or where the allotment constitutes an allotment of equity securities by virtue of Section 560(3) of the 2006 Act as if Section 561(1) of the 2006 Act did not apply to any such allotment, such authority to be:
- (i) limited to the allotment of equity securities or sale of treasury shares up to an aggregate nominal amount of £524,000; and
- (ii) used only for the purposes of financing (or refinancing, if the authority is to be used within six months after the original transaction) a transaction which the Board of Directors of the Company determines to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice,

such authority to expire at the end of the Company's next Annual General Meeting or at the close of business

on 30 June 2023, whichever is earlier, but so that the Company may, before such expiry, make offers and enter into agreements which would, or might, require equity securities to be allotted and treasury shares to be sold after the authority given by this Resolution has expired and the Directors may allot equity securities and sell treasury shares under any such offer or agreement as if the authority had not expired.

Authority to purchase own shares

20. To unconditionally and generally authorise the Company for the purpose of Section 701 of the 2006 Act to make market purchases (as defined in Section 693(4) of the 2006 Act) of ordinary shares of £0.01 each in the capital of the Company provided that:

- (a) the maximum number of ordinary shares which may be purchased is 104,800,000;
- (b) the minimum price (exclusive of expenses) which may be paid for each ordinary share shall be equal to the fixed nominal value in respect of such share, currently being £0.01;
- (c) the maximum price (exclusive of expenses) which may be paid for each ordinary share is an amount equal to the higher of: (i) 105 per. cent. of the average of the closing price of the Company's ordinary shares as derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which such ordinary share is contracted to be purchased; and (ii) the higher of the price of the last independent trade and the highest current independent purchase bid on the trading venue where the purchase is carried out, as stipulated by the Technical Standards made by the Financial Conduct Authority pursuant to article 5(6) of the UK Market Abuse Regulation as regards exemptions for buy-back programmes and stabilisation of financial instruments; and
- (d) this authority shall expire at the conclusion of the Company's next Annual General Meeting or, if earlier at the close of business on 30 June 2023 (except in relation to the purchase of ordinary shares the contract for which was concluded before the expiry of such authority and which might be executed wholly or partly after such expiry) unless such authority is renewed prior to such time.

NOTICE OF GENERAL MEETINGS

21. To authorise the Directors to call a general meeting other than an annual general meeting on not less than 14 clear days' notice.

EXPLANATORY NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING

The notes on the following pages give an explanation of the proposed Resolutions

Resolutions 1 to 17 are proposed as Ordinary Resolutions. For each of these Resolutions to be passed, more than half of the votes cast must be in favour of the Resolution. Resolutions 18 to 21 are proposed as Special Resolutions. For each of these Resolutions to be passed, at least three-quarters of the votes cast must be in favour of the Resolution. For the purposes of this Notice of AGM, “the Group” means the Company and its subsidiaries.

ORDINARY RESOLUTIONS

Resolution 1: Report and Accounts

The first item of business is the receipt by the shareholders of the Annual Report and Accounts of the Company for the year ended 31 December 2021 (the “2021 Annual Report”). The Directors’ Report, the accounts and the report of the Company’s auditors on the accounts and on those parts of the Directors’ Remuneration Report that are capable of being audited are contained within the 2021 Annual Report.

Resolution 2: Annual Remuneration Report

Shareholders are being asked in Resolution 2 to approve the annual statement by the Chairman of the Remuneration Committee and the Directors’ Remuneration Report (excluding the Directors’ Remuneration Policy) for the year ended 31 December 2021, which is set out on pages 106 to 123 of the 2021 Annual Report. The vote on this Resolution is advisory in nature.

Resolutions 3 to 13: Election and re-election of Directors

In accordance with the Company’s Articles of Association, all Directors duly elected at the AGM in 2021 are standing for re-election, with the exception of Helis Zulijani-Boye, who having not previously been elected by shareholders, is standing for election at the AGM. Separate Resolutions are proposed for each election and re-election. In accordance with Provision 18 of the 2018 UK Corporate Governance Code (the “Code”), it is the Board’s intention that all Directors will be required to submit themselves for annual re-election by shareholders at each AGM in future years.

Biographical details of each of the Directors who are seeking re-election, and details of the Committees of which they are members, appear on pages 78 to 80 of the Company’s 2021 Annual Report (and are unchanged as at the date of this Notice). Biographical details of Helis Zulijani-Boye and further details as to why each Director’s contribution is, and continues to be, important to the Company’s long-term sustainable success are set out on pages 9 to 11 of this Notice of AGM.

A formal internal Board evaluation process took place in 2021. The Board believes that each Director standing for election or re-election brings considerable and wide-ranging skills and experience to the Board as a whole and will, or continues to (as applicable), make an effective and valuable contribution to the deliberations of the Board, that they perform effectively and demonstrate commitment to their role, and that by virtue of such skills and experience they have been and continue to be important to the Company’s long-term sustainable success.

The Board carries out a review of the independence of its Directors on an annual basis, and this year considered and determined Magnus Mandersson, Alison Baker, Richard Byrne,

Sally Ashford and Carole Wamuyu Wainaina to be “independent Non-Executive Directors” within the meaning of the Code. In considering the independence of the independent Non-Executive Directors proposed for re-election, the Board has again taken into consideration the guidance provided by the Code. Accordingly, the Board considers that Magnus Mandersson, Alison Baker, Richard Byrne, Sally Ashford and Carole Wamuyu Wainaina continue to be independent in character and in judgement and believes that there are no relationships or circumstances that are likely to affect, or appear to affect, their judgement, in each case in accordance with Provision 10 of the Code.

Resolution 14: Reappointment of auditors

The auditors of a company must be appointed or reappointed at each general meeting at which the accounts are laid. Resolution 14 proposes, on the recommendation of the Audit Committee, the reappointment of Deloitte LLP as the Company’s auditors, until the conclusion of the next general meeting of the Company at which accounts are laid.

Our auditors Deloitte LLP have been the auditors of the Group since 2010. In accordance with the Competition and Markets Authority Order which introduced mandatory audit tendering every ten years, we carried out an audit tender process during 2021 and the Audit Committee recommended to the Board for its approval, the reappointment of Deloitte LLP as the Company’s auditors. Detailed information on the audit tender process can be found in the Audit Committee Report on pages 98 to 105 of the 2021 Annual Report.

Resolution 15: Remuneration of auditors

This Resolution seeks shareholder consent for the Audit Committee of the Company, on behalf of the Board, to set the remuneration of the Auditors.

Resolution 16: Political donations and expenditure

Part 14 of the 2006 Act prohibits companies from making political donations exceeding £5,000 in aggregate in any 12-month period to (i) political parties; (ii) other political organisations and (iii) independent election candidates, and from incurring political expenditure without shareholders’ consent subject to limited exceptions. The Company’s policy is that neither it nor its subsidiaries will make political donations or incur political expenditure falling within Part 14 of the 2006 Act and the Directors have no intention of using the authority for that purpose. However, the legislation is very broadly drafted and may catch the Company’s normal business activities such as supporting certain bodies involved in law reform and policy review. Accordingly, the Directors have decided to seek shareholder authority for political donations and political expenditure in case any of the Group’s normal business activities are unintentionally caught by the legislation.

Resolution 17: Directors’ authority to allot shares

The purpose of Resolution 17 is to grant the Directors power to allot shares. The authority in paragraph (i) will allow the Directors to allot new shares and grant rights to subscribe for, or convert other securities into, shares up to approximately one third of the total issued ordinary share capital of the Company (exclusive of treasury shares) which as at 24 March 2022 (being the latest practicable date before publication of this Notice of AGM) is equivalent to a nominal value of £3,493,333.33. The authority in paragraph (ii) will allow the Directors to allot new shares and grant rights to subscribe for, or convert other securities into, shares only in connection with a rights issue up to a further nominal value of £3,493,333.33, which is equivalent to approximately one third of the total

issued ordinary share capital of the Company (exclusive of treasury shares) as at 24 March 2022 (being the latest practicable date before publication of this Notice of AGM). This is in line with the Investment Association's Share Capital Management Guidelines issued in July 2016.

As at 24 March 2022 (being the latest practicable date before publication of this Notice of AGM), the Company did not hold any shares in treasury.

The Directors consider it desirable to have the maximum flexibility permitted by corporate governance guidelines to respond to market developments and to enable allotments to take place to finance business opportunities as they arise.

If this Resolution is passed the authority will expire on the earlier of the close of business on 30 June 2023 and the end of the Annual General Meeting in 2023.

SPECIAL RESOLUTIONS

Resolutions 18 and 19: Disapplication of pre-emption rights

If the Directors wish to allot new shares and other equity securities, or sell treasury shares, for cash (other than in connection with an employee share scheme), the 2006 Act requires that these shares are offered first to shareholders in proportion to their existing holdings (known as pre-emption rights).

Pre-emptive offers

Limbs (i)(a) and (ii) of Resolution 18 seek shareholder approval to allot a limited number of ordinary shares or other equity securities, or sell treasury shares, for cash on a pre-emptive basis but subject to such exclusions or arrangements as the Directors may deem appropriate to deal with certain legal, regulatory or practical difficulties. For example, in a pre-emptive rights issue, there may be difficulties in relation to fractional entitlements or the issue of new shares to certain shareholders, particularly those resident in certain overseas jurisdictions.

The Board considers the authority to be appropriate in order to allow the Company flexibility to finance business opportunities or to conduct a pre-emptive offer or pre-emptive rights issue having made appropriate exclusions or arrangements to address such difficulties.

Non pre-emptive offers – general disapplication

In addition, there may be circumstances when the Directors consider it to be in the best interests of the Company to allow a limited number of ordinary shares or other equity securities, or sell treasury shares, for cash on a non pre-emptive basis. The Pre-Emption Group's Statement of Principles were last updated in March 2015. They support the annual disapplication of pre-emption rights in respect of allotments or shares and other equity securities and sales of treasury shares for cash where these represent no more than five per cent of the issued ordinary share capital (exclusive of treasury shares), without restriction as to the use of proceeds of those allotments.

Accordingly, the purpose of limb (i)(b) of Resolution 18 is to authorise the Directors to allot new shares and other equity securities pursuant to the allotment authority given in Resolution 17, or sell treasury shares, for cash up to a nominal value of £524,000.00 without the shares first being offered to existing shareholders in proportion to their existing holdings. This amount is equivalent to approximately 5 per cent of the total issued ordinary share capital of the Company (excluding treasury shares).

The Board intends to adhere to the provisions in the Pre-emption Group's Statement of Principles and not to allot shares or other equity securities or sell treasury shares for cash on a non pre-emptive basis pursuant to the authority in limb (i)(b) of Resolution 18 in excess of an amount equal to 7.5 per cent of the total issued ordinary share capital of the Company, excluding treasury shares, within a rolling three-year period, other than:

- (i) with prior consultation with shareholders; or
- (ii) in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

As at 24 March 2022 (being the latest practicable date before publication of this Notice of AGM), the Company did not hold any shares in treasury.

Non-pre-emptive offers – acquisitions and specified capital investments

The Pre-Emption Group's Statement of Principles also supports the annual disapplication of pre-emption rights in respect of allotments of shares and other equity securities and sales of treasury shares for cash where these represent no more than an additional 5 per cent of issued ordinary share capital (exclusive of treasury shares), and are used only in connection with an acquisition or specified capital investment. The Pre-Emption Group's Statement of Principles defines "specified capital investment" as meaning one or more specific capital investment related uses for the proceeds of an issue of equity securities, in respect of which sufficient information regarding the effect of the transaction on the Company, the assets the subject of the transaction and (where appropriate) the profits attributable to them is made available to shareholders to enable them to reach an assessment of the potential return.

Accordingly, the purpose of Resolution 19 is to authorise the Directors to allot new shares and other equity securities pursuant to the allotment authority given by Resolution 17, or sell treasury shares, for cash up to a further nominal amount of £524,000 only in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue.

This amount is equivalent to 5 per cent of the total issued ordinary share capital of the Company as at 24 March 2022 (being the latest practicable date before publication of this Notice of AGM), exclusive of treasury shares. If the authority given in Resolution 19 is used, the Company will publish details of its use in its next Annual Report. Resolution 19 has been drafted in line with the template resolutions published by the Pre-Emption Group in May 2016.

The Board considers Resolutions 18 and 19 to be appropriate in order to allow the Company flexibility to finance business opportunities or to conduct a pre-emptive offer or rights issue without the need to comply with the strict requirements of the statutory pre-emption provisions/other appropriate explanation.

If Resolutions 18 and 19 are passed, the authority will expire on the earlier of the close of business on 30 June 2023 and the end of the Company's next AGM.

Resolution 20: Purchase of own shares

The effect of Resolution 20 is to renew the authority granted to the Company to purchase its own ordinary shares, up to a maximum of 104,800,000 ordinary shares, until the AGM in 2023 or the close of business on 30 June 2023, whichever is earlier. This represents 10 per cent of the ordinary shares in issue as at 24 March 2022 (being the latest practicable date before publication of this Notice of AGM) (excluding shares held in treasury) and the Company's exercise of this authority is subject to the stated upper and lower limits on the price payable.

Pursuant to the 2006 Act, the Company can hold the ordinary shares which have been repurchased by itself as treasury shares and either resell them for cash, cancel them, either immediately or at a point in the future, or use them for the purposes of its employee share schemes. The Directors believe that it is desirable for the Company to have this choice and therefore intend to hold any ordinary shares purchased under this authority as treasury shares. Holding the repurchased ordinary shares as treasury shares will give the Company the ability to resell or transfer them in the future, and so provide the Company with additional flexibility in the management of its capital base. No dividends will be paid on, and no voting rights will be exercised in respect of, treasury shares.

Ordinary shares will only be repurchased for use for the purposes of employee share schemes, or if the Directors consider such purchases to be in the best interests of shareholders generally and that they can be expected to result in an increase in earnings per share. The authority will only be used after careful consideration, taking into account market conditions prevailing at the time, other investment opportunities, appropriate gearing levels and the overall financial position of the Company. Ordinary shares held as treasury shares will not automatically be cancelled and will not be taken into account in future calculations of earnings per share (unless they are subsequently resold or transferred out of treasury).

Resolution 21: Notice of general meetings

Under the 2006 Act, the notice period required for all general meetings of the Company is 21 days, though shareholders can approve a shorter notice period for general meetings that are not AGMs, which cannot however be less than 14 clear days. AGMs will continue to be held on at least 21 clear days' notice. The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole. Shareholder approval will be effective until the Company's next AGM, when it is intended that a similar Resolution will be proposed.

ADDITIONAL NOTES

1 Right to attend and vote

- 1.1 Entitlement to vote at the meeting, and the number of votes which may be cast at the meeting, will be determined by reference to the Company's register of members at 8.00 p.m. (London time) on Tuesday 26 April 2022 or, if the meeting is adjourned, at close of business on the day that is two business days before the adjourned meeting (as the case may be). In each case, changes to the register of members after such time will be disregarded in determining the rights of any person to attend and vote at the meeting.

2 Proxy appointment

- 2.1 A shareholder is entitled to appoint another person as his/her proxy to exercise all or any of his/her rights to attend and to speak and vote at the AGM. A proxy need not be a shareholder of the Company. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. Shareholders will not be prevented from attending the AGM if a Form of Proxy has been lodged with the Registrars. To appoint more than one proxy, additional proxy form(s) may be obtained by contacting the Registrar's helpline on 0370 703 6049 or by photocopying the Form of Proxy.

A Form of Proxy is enclosed and should be completed in accordance with the instructions set out on that form.

- 2.2 To appoint a proxy, the Form of Proxy, and any power of attorney or other authority under which it is executed (or a duly certified copy of any such power or authority), must be either:
- (a) sent to the Company's Registrars, Computershare Investor Services PLC, at The Pavilions, Bridgwater Road, Bristol BS99 6ZY,
 - (b) the proxy appointment must be lodged using the CREST Proxy Voting Service in accordance with Note 7 below, or
 - (c) the proxy appointment must be registered electronically on the website at www.investorcentre.co.uk/eproxy or by using the QR Code printed on the Form of Proxy.

IMPORTANT: In each case, your electronic proxy appointment instructions or Form of Proxy must be received no later than 10.00 a.m. (London time) on Tuesday 26 April 2022.

3 Joint shareholders

- 3.1 In the case of joint holders of a share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders and for this purpose seniority shall be determined by the order in which the names appear in the register of members in respect of the share.

4 Nominated persons

- 4.1 The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with Section 146 of the 2006 Act ("nominated persons"). Nominated persons may have a right under an agreement

with the shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.

5 Information about shares and voting

- 5.1 Holders of ordinary shares are entitled to attend and vote at general meetings of the Company. The total number of issued ordinary shares (exclusive of treasury shares) in the Company on 24 March 2022, which is the latest practicable date before the publication of this document, is 1,048,000,000 carrying one vote each on a poll. Therefore, the total number of votes exercisable as at 24 March 2022 is 1,048,000,000.

6 CREST members

- 6.1 CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting (and any adjournment of the meeting) by following the procedures described in the CREST Manual (available via www.euroclear.com/about/en/business/Keylegaldocuments.html). CREST Personal Members or other CREST sponsored members (and those CREST members who have appointed a voting service provider) should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.
- 6.2 In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message (regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy) must, in order to be valid, be transmitted so as to be received by Computershare Investor Services PLC (ID 3RA50) by the latest time(s) for receipt of proxy appointments specified in Note 2.2 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to a proxy appointed through CREST should be communicated to him by other means.
- 6.3 CREST members (and, where applicable, their CREST sponsors or voting service providers) should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members (and, where applicable, their CREST sponsors or voting service providers) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

- 6.4 The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) (a) of the Uncertificated Securities Regulations 2001.

7 Corporate representatives

- 7.1 Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided that they do not do so in relation to the same shares.

8 Audit concerns

- 8.1 Shareholders should note that, under Section 527 of the 2006 Act, shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM for the financial year ended 31 December 2021; or (ii) any circumstance connected with an auditor of the Company appointed for the financial year ended 31 December 2021 ceasing to hold office since the previous meeting at which annual accounts and reports were laid. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 (requirements as to website availability) of the 2006 Act. Where the Company is required to place a statement on a website under Section 527 of the 2006 Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM for the relevant financial year includes any statement that the Company has been required under Section 527 of the 2006 Act to publish on a website.

9 Questions

- 9.1 Any shareholder attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
- 9.2 Shareholders also have the opportunity to ask questions relating to the business of the AGM by submitting questions in advance of the meeting by email to investors@heliostowers.com by 10.00 a.m. (London time) on Tuesday 26 April 2022.

10 Website information

- 10.1 A copy of this Notice of AGM and other information required by Section 311A of the 2006 Act can be found at www.heliostowers.com.

11 Voting by poll

- 11.1 Each of the Resolutions to be put to the meeting will be voted on by poll and not by show of hands. A poll reflects the number of voting rights exercisable by each member and so the Board considers it a more democratic method of voting. It is also in line with recommendations made by the Shareholder Voting Working Group and Paul Myners in 2004. Shareholders and proxies will be asked to complete a poll card to indicate how they wish to cast their votes. These cards will be collected at the end of the meeting. The results of the poll will be published on the Company's website and notified to the UK Listing Authority once the votes have been counted and verified.

12 Use of electronic address

- 12.1 Members may not use any electronic address provided in either this Notice of AGM or any related documents (including the enclosed Form of Proxy) to communicate with the Company for any purposes other than those expressly stated.

13 Documents available for inspection

- 13.1 Copies of the Executive Directors' service contracts and letters of appointment of the Non-Executive Directors may be inspected during normal business hours on any weekday (Saturdays, Sundays and public holidays excepted) at the registered office of the Company at 10th Floor, 5 Merchant Square West, London W2 1AS up to and including the date of the AGM.

14 Communication

- 14.1 Except as provided above, shareholders who have general queries about the AGM should either call the Registrar's helpline on +44 (0)370 703 6049 or write to the Registrar, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS13 8AE or go to www.investorcentre.co.uk/contactus. No other methods of communication will be accepted.
