VOLUNTARY ANNOUNCEMENT UPDATE ON BUSINESS DEVELOPMENT OF THE SUBSIDIARY OF THE COMPANY

This announcement is made by China Ludao Technology Company Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis. This announcement is intended to provide the Company’s shareholders and potential investors with information regarding the latest business developments of the Group.

The board of directors (the “**Board**”) of the Company is pleased to announce that on 31 October 2025, Zhejiang Sinopharm Junyue Aerosol Co., Ltd* (浙江國藥景岳氣霧劑有限公司) (“**Zhejiang Sinopharm Junyue**”), a subsidiary of the Company, was granted a Work Safety Licence for Hazardous Chemicals by the Zhejiang Provincial Department of Emergency Management* (浙江省應急管理廳). This enables Zhejiang Sinopharm Junyue to legally manufacture aerosol products across nine categories of hazardous chemicals, encompassing high-value-added products such as antiperspirants, sunscreen sprays, and insecticide aerosols. The Board considers that obtaining this qualification not only represents full recognition of the Group’s recent efforts in introducing internationally advanced automated production lines and establishing an advanced production management system featuring full-process intelligent control, as well as an authoritative endorsement of the production safety management standards the Group upholds, but also signifies a major breakthrough in the Group’s strategic positioning within the aerosol industry chain. It will fully unlock the Group’s production capacity for hazardous chemical aerosols, injecting robust momentum for the rapid expansion into global high-end markets and enhancing the brand’s core competitiveness. Moving forward, the Group will persistently enhance its research, development, and technological advantages, thereby contributing to the advancement of quality development of the industry.
