7. RECOMMENDATION

As information required by the Listing Rules, the Company, to the extent it is aware having made all reasonable enquires, is not aware that any shareholder is required to abstain from voting in the proposals to be put forward at the 2006 Annual General Meeting.

The Directors believe that the granting of the Issue Mandate and the Repurchase Mandate are in the best interests of the Company and its shareholders as a whole. Moreover, the necessary information for seeking shareholders' approval on the aforesaid matters are already set out herein for consideration. The Directors recommend that all shareholders should vote in favour of the related ordinary and special resolutions to be proposed at the 2006 Annual General Meeting.

Yours faithfully,
By Order of the Board
Grandtop International Holdings Limited
Bessie Siu
Executive Director

This appendix serves an explanatory statement, as required by the Listing Rules, to provide requisite information to shareholders of the Company for their consideration as to whether to vote for or against the ordinary resolution to be proposed at the 2006 Annual General Meeting for granting the Repurchase Mandate.

This explanatory statement contains all the information required pursuant to rule 10.06 of the Listing Rules which is set out as follows:–

SHARE CAPITAL

As at the Latest Practicable Date, the Company had in issue an aggregate of 320,000,000 shares of HK\$0.01 each which are fully paid.

Subject to the passing of the ordinary resolution no. 5 as set out in the notice of 2006 Annual General Meeting and in accordance with the terms therein, the Company would be allowed under the Repurchase Mandate to repurchase fully paid shares up to the aggregate nominal amount of a maximum of 32,000,000 shares on the basis that no further shares will be issued or repurchased prior to the 2006 Annual General Meeting.

REASONS FOR SHARE REPURCHASE

Although the Directors have no present intention of repurchasing any securities of the Company, they believe that the flexibility afforded by the Repurchase Mandate would be beneficial to the Company and its shareholders. Trading conditions on the Stock Exchange have sometimes been volatile. At any time in the future when securities trading at a discount to their underlying value, the ability of the Company to repurchase securities will be beneficial to those shareholders who retain their investment in the Company since their interests in the assets of the Company would increase in proportion to the number of securities repurchased by the Company and thereby resulting in an increase in net asset value and/or earnings per share of the Company. Such repurchases will only be made when the Directors believe that the repurchases will benefit the Company and its shareholders as a whole.

FUNDING OF REPURCHASES

In repurchasing securities, the Company may only apply funds legally available for such purpose in accordance with the memorandum and articles of association of the Company and the applicable laws and regulations of the Cayman Islands. Securities may only be repurchased out of the profits of the Company or out of the proceeds of a fresh issue of shares made for the purpose of repurchase. The premium, if any, payable on repurchase must have been provided for out of the profits of the Company or out of the Company's share premium account before or at the time the securities are repurchased. The Company may not purchase securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

SHARE PRICES

During each of the twelve months preceding the Latest Practicable Date, the highest and lowest prices at which shares have been traded were as follows:—

	Price per share of the Company	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2005		
August	0.210	0.189
September	0.245	0.210
October	0.240	0.220
November	0.225	0.220
December	0.220	0.160
2006		
January	0.160	0.148
February	0.148	0.137
March	0.140	0.130
April	0.128	0.110
May	0.120	0.050
June	0.123	0.065
July	0.113	0.080
August (up to the Latest Practicable Date)	0.108	0.108

REPURCHASES MADE BY THE COMPANY

Neither the Company nor any of its subsidiaries has purchased any of the Company's shares during the six months immediately preceding the Latest Practicable Date.

POSSIBLE MATERIAL ADVERSE IMPACT

There might be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements for the year ended 31 March 2006) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the Company's working capital requirements or the gearing levels. The number of shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

DIRECTORS’ UNDERTAKING

The Directors have undertaken to the Stock Exchange to exercise the powers of the Company to make repurchase under the Repurchase Mandate in accordance with the Listing Rules and laws of the Cayman Islands and in accordance with the regulations set out in the memorandum and articles of association of the Company.

EFFECT OF HONG KONG CODES ON TAKEOVERS AND MERGERS

If as a result of share repurchase by the Company, a substantial shareholder’s proportionate interest in voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Hong Kong Code on Takeovers and Mergers (the “Code”). Accordingly, a shareholder, or group of shareholders acting in concert, could, depending on the level of increase of the shareholding, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 and 32 of the Code.

As at the Latest Practicable Date and to the best of knowledge and belief of the Company, the following persons were directly or indirectly interested in 5% of more of the nominal value of the issued ordinary shares that carry a right to vote in all circumstances at general meetings of the Company:–

Name	Number of issued shares held	Approximate Percentage of Shareholding
Nerine Trust Company Limited (“Nerine Trust”)	90,000,000 <i>(Note)</i>	30%
Huge Gain Development Limited (“Huge Gain”)	90,000,000 <i>(Note)</i>	30%
Speeddragon Limited	50,000,000	15.63%
Star Victory Holdings Limited	24,000,000	7.5%

Note:

This shares are registered in the name of Huge Gain. The entire issued share capital of Huge Gain is owned by Nerine Trust which is the trustee of SB Unit Trust and holds properties for the benefit of holders of units issued by SB Unit Trust. All the units issued by SB Unit Trust were held by the family members of Mr. Siu Ban, co-founder of the Company and its subsidiaries and the discretionary objects of which include Mrs. Tsai Lai Wa, Jenny, being an executive director of the Company.

In the event that the Directors exercised in full the power to repurchase shares of the Company in accordance with the terms of the ordinary resolution no. 5 to be proposed at the 2006 Annual General Meeting, the aforesaid interests of Nerine Trust Company Limited, Huge Gain Development Limited, Speeddragon Limited and Star Victory Holdings Limited in the issued share capital of the Company as at the Latest Practicable Date would be proportionally increased to approximately 31.25%, 31.25%, 17.36% and 8.33% respectively. In this regard, as at the Latest Practicable Date, the Directors are not aware of the consequences of such increases or as a result of repurchases of shares that would result in any of the

aforesaid persons or any shareholder, or group of shareholders acting in concert, becoming obliged to make a mandatory offer under the Code. Mover, the Directors have no present intention to exercise the Repurchase Mandate to such extent as would give rise to an obligation to make a mandatory offer under the Code or if the repurchase would result in less than 25% of the issued share capital of the Company being held in public hands.

DIRECTORS’ DETAILS

None of the Directors nor, to the best of their knowledge having made all reasonable enquires, any of their associates presently intends to sell shares to the Company under the Repurchase Mandate in the event that such mandate as proposed in the ordinary resolution no. 5 is approved by the shareholders of the Company.

CONNECTED PERSONS

The Company has not been notified by any connected persons of the Company that they have a present intention to sell any shares to the Company, or that they have undertaken not to sell any shares held by them to the Company in the event that such mandate as proposed in the ordinary resolution no. 5 is approved by the shareholders of the Company.
