The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on the Board's preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2025 (the "**Period**") and other information currently available to the Board, the Group is expected to record net profit of not more than RMB5.0 million for the Period, representing a significant improvement from net loss of approximately RMB40.6 million for the corresponding period in 2024. To the best knowledge of the Board, this notable turnaround from loss to profit was primarily driven by (i) an increase in revenue of not less than RMB150.0 million for the Period as compared to approximately RMB942.6 million in the corresponding period in 2024, mainly attributable to the Group's continued expansion of its service offerings; and (ii) the implementation of refined expenses management measures and process optimisation across all business segments, as well as improvements in operational efficiency through digitalisation, resulting in an aggregated reduction in operating expenses of not less than RMB20.0 million recorded for the Period as compared to approximately RMB138.9 million in the corresponding period in 2024.

The Board and the management of the Company remain confident in the Group's business development and long-term prospects, and are committed to building on this positive momentum to achieve sustainable growth and deliver lasting value to the Shareholders and other stakeholders of the Company.
