LETTER FROM THE BOARD

INTRODUCTION

Reference is made to the announcement of the Company dated 31 July 2026 in relation to the proposed change of Auditor and the abolition of the Supervisory Committee and amendments to the Articles of Association.

The purpose of this circular is to provide you with information in relation to, among others, (i) the proposed Change of Auditor; (ii) the Abolition of the Supervisory Committee and the repeal of the Rules of Procedure of the Supervisory Committee; (iii) the proposed Amendments to the Articles of Association; (iv) the proposed Amendments to the Governance Policies; and (v) the notice of the EGM.

Proposed Change of Auditor

Reference is made to the announcement of the Company dated 31 July 2026, in relation to, among others, the proposed change of auditor.

The Company and KPMG have discussed regarding the audit fee of the Company for the year ending 31 December 2026 (the “**2026 Audit**”). However, both parties could not reach a consensus in respect thereof. The Board is of the view that a more competitive audit fee will enable the Company to carry out more effective cost control and reduce the overall operating expenses, which are in the interest of the Company and the Shareholders as a whole.

As part of the Company’s ongoing corporate governance practices and periodic review of its external audit arrangements, the Audit Committee conducted a selection process for the appointment of the Company’s external auditor for the financial year ending 31 December 2026.

The Board and the Audit Committee therefore consider it appropriate to appoint a new auditor to conduct the audit, so as to align with the Group’s business needs and bring fresh perspectives to the Group’s audit arrangements.

As at 30th July 2026, the Company received three audit proposals and fee quotations from different potential auditors.

Having considered the recommendation of the Audit Committee, and taking into account the business development of the Company, the Board resolved to propose the appointment of CROWE as the auditor of the Company for the financial year ending 31 December 2026, with a term commencing from the date of approval by the Shareholders at the EGM (the “**Proposed Appointment**”) until the conclusion of the next general meeting.

LETTER FROM THE BOARD

In assessing the Proposed Appointment, the Audit Committee considered a number of factors, including but not limited to (i) fee quote and audit proposal (the Company received audit proposal and fee quotation from CROWE for the 2026 Audit, which represent a 30%–40% reduction from the KPMG’s fee quotation); (ii) CROWE’s previous experiences in handling audit works for companies listed on the Stock Exchange, industry knowledge, technical competence, expertise and performance capability; (iii) resources allocation, quality of audit, competence and capabilities including sufficient manpower and time allocation; (iv) CROWE’s independence from the Company (and its subsidiaries) and objectivity; (v) Guidelines for Effective Audit Committees — Selection, Appointment and Reappointment of Auditors issued by the AFRC; and (vi) Guidance Notes on Change of Auditors issued by the AFRC.

The Audit Committee has made reference to Part 2 of the Guidelines (in particular paragraph 2.2.4 thereof) and, based on the considerations set out in the Guidelines, is satisfied that CROWE possesses independence, professional competence and the capability to conduct high-quality audits, and that CROWE possesses sufficient and appropriate human resources, expertise, time and resources to perform high-quality audit work for the Company. A summary of the detailed assessment conducted by the Audit Committee is set out below:

- (i) Governance and leadership — CROWE is registered with the AFRC as a public interest entity auditor. The Audit Committee has reviewed profiles of CROWE’s leadership team, organisational structure and quality management policies on governance and leadership, and is satisfied that CROWE has established a sound audit quality management system and rigorous audit methodologies and is committed to conducting audit work in the interests of the Company’s Shareholders and the wider public.
- (ii) Independence and compliance with relevant ethical requirements — The Audit Committee has held discussions with the proposed engagement partner and noted that CROWE complies with the Code of Ethics for Professional Accountants (including the independence provisions) issued by the Hong Kong Institute of Certified Public Accountants and applicable quality management standards. There are no non-audit services, financial or commercial relationships between the Company and CROWE that may impair CROWE’s independence, nor any other relationships (whether financial, employment, familial or otherwise) between members of the proposed audit engagement team (and their respective immediate family members) and the Company that could compromise CROWE’s independence when conducting audits for the Company.

LETTER FROM THE BOARD

- (iii) Industry knowledge and technical competence — CROWE has a team of staff with professional qualifications and extensive audit experience, and possesses experience in providing audit services to companies listed on the Stock Exchange and clients across various industries. In addition, CROWE is able to leverage its international service network and professional resources to provide cross-border audit support for enterprises with domestic and overseas operations. The Audit Committee has reviewed and discussed the audit plan and audit timetable with CROWE, and confirmed that it has sufficient qualified staff and professional resources to deliver high-quality audit services.
- (iv) Engagement performance — The Audit Committee has discussed with CROWE in respect of its overall audit strategy, which covers clear audit scope, audit focus and key work arrangements. After reviewing CROWE's audit methodology proposed to be adopted and the background of the engagement partner and team members, the Audit Committee is satisfied that the audit team possesses sufficient professional expertise, human resources and time commitment to effectively carry out the audit work of the Company.
- (v) Communication and interaction with the Audit Committee — The Audit Committee considers that CROWE has established communication arrangements with the Audit Committee and the management of the Company to ensure that audit progress, significant audit matters and other key issues can be timely reported to the Audit Committee and properly addressed.
- (vi) Monitoring procedures — To the best of its knowledge, the Audit Committee is not aware of any matters that may affect CROWE's integrity, objectivity and independence, or that may adversely affect the quality of its audit.

Based on the foregoing, the Audit Committee has assessed and considered that CROWE is independent, qualified and suitable to act as the auditor of the Company, and has recommended to the Board the appointment of CROWE as the auditor of the Company. The Board and the Audit Committee are of the view that the change of auditor will enhance the cost-effectiveness of the Company's annual audit, maintain sound corporate governance practices and is in the interests of the Company and the Shareholders as a whole.

After careful consideration and fair negotiation with CROWE, it is proposed that the auditor's remuneration for the financial year ending 31 December 2026 (the “**Estimated Audit Fees**”) represent a 30%–40% reduction from the KPMG's fee quotation). The Estimated Audit Fees are determined after taking into account various factors, including the scale, nature and complexity of the Company's business operations, the anticipated audit scope, additional audit matters that may arise in 2026, changes in audit procedures. and workload that may result from fluctuations in the Company's asset scale, revenue levels and customer base, the audit timetable, as well as the seniority and mix of proposed assigned professional staff.

LETTER FROM THE BOARD

In assessing the reasonableness of the proposed audit fees, the Audit Committee has taken into consideration the audit proposals and fee quotations offered by other competent and qualified accounting firms in the market.

The Board and the Audit Committee confirmed that there are no other disagreements or unresolved matters between the Company and KPMG, and there are no other matters in respect of the change of the auditor which should be brought to the attention of the Shareholders.

As at the Latest Practicable Date, KPMG has not yet commenced any audit work of the Company for the year ending 31 December 2026. Having considered a proposed audit plan, staffing arrangements and timetable will be provided by the incoming auditor, the Board and the Audit Committee believe that the change of auditor will not have any significant impact on the annual audit of the Company for the year ending 31 December 2026.

The Board would like to express its sincere appreciation to KPMG for the professional services rendered to the Company during its tenure as the auditor of the Company.

An ordinary resolution will be proposed at the EGM to approve the appointment of CROWE as the auditor of the Company, to hold office until the conclusion of the next annual general meeting of the Company.

Abolition of the Supervisory Committee and the repeal of the Rules of Procedure of the Supervisory Committee

Prior to the passing of the relevant resolution by the EGM, the Supervisory Committee and supervisors of the Company will continue to perform their duties in accordance with the laws, regulations and the Articles of Association.

LETTER FROM THE BOARD

The supervisors of the Company have confirmed that they have no disagreement with the Supervisory Committee or the Board of the Company and there are no other matters that need to be brought to the attention of the Shareholders, creditors of the Company or the Stock Exchange in relation to their retirement.

Proposed Amendments to the Articles of Association

Reference is made to the announcement of the Company dated 31 July 2026 in relation to, among other things, the proposed amendments to the Articles of Association.

Pursuant to the Company Law of PRC, the Model Guidelines for the Articles of Association of Listed Companies (2025 Revision) and other relevant regulations, in order to improve the governance structure of the Company, the Company proposes to amend certain articles of the Articles of Association (the “**Proposed Amendments to the Articles of Association**”). An interested shareholder who should abstain from voting may participate in the discussion about such transaction, and provide explanations about the reason for entry into such transaction, particulars of such transaction, and fairness and legality of such transaction at the general meeting, but shall abstain from voting when the poll is taken.

When the general meeting proceeds to deliberate such related-party transaction, the interested shareholder shall take the initiative to declare the nature of his/her interest and abstain from voting; if the interested shareholder fails to do so, other shareholders attending the meeting are entitled to request him/her to declare the same and abstain from voting. After the interested shareholder abstain from voting, other shareholders shall vote according to their voting rights and pass the corresponding resolutions in accordance with the provisions of the Articles of Association.

If the interested shareholder is unable to abstain from voting due to any special circumstances, the vote may be held according to the normal procedures, provided that a detailed explanation shall be included in the resolutions of the shareholders' general meeting.

- In the event of any vote that is uncompleted, erroneously completed or illegible, or fails to be cast, the shareholder casting or failing to cast the same shall be deemed to have waived his/her voting right, and the voting results of the shares held by him/her shall be counted as "abstaining from voting".
- Article 42** When voting, a shareholder entitled to two or more votes, whether present in person or by proxy, needs not cast all affirmative or negative votes with his/her voting rights.
- Article 43** If the chairperson of a shareholders' general meeting has any doubt about the result of voting on any resolution, the chairperson may request the votes cast to be counted. If the chairperson does not request the votes to be counted, any shareholder attending the meeting in person or by proxy shall have the right to request the votes to be counted immediately after the result of voting is declared if such shareholder objects to the result of voting, in which case, the chairperson shall immediately have the votes counted.

Chapter III Convening of Board Meetings

Article 11 Board Meetings shall, in principle, be held on-site. When necessary, provided that Directors have sufficient opportunity to express their opinions, meetings may be held via conference calls or other communication equipment, as long as the attending Directors can hear the speeches of other Directors and engage in exchanges. All attending Directors shall be deemed to have personally attended the meeting.

For meetings not held on-site, the number of Directors attending the meeting shall be counted based on those displayed via video, those who express opinions during the conference call, those whose valid voting ballots (e.g., by facsimile or email) are actually received within the prescribed period, or those who subsequently submit written confirmations of participation.

For Extraordinary Board Meetings, the Board may accept a written proposal in lieu of holding a Board Meeting, provided that the draft of such proposal shall be delivered to each Director by personal delivery, mail, facsimile, or email. Article 16 Based on the meeting topics, the Board of Directors may invite relevant personnel to attend the meeting to introduce relevant information or listen to their opinions. Non-Board members attending the meeting shall not participate in the Directors' deliberation and voting.

Article 17 When a Board Meeting convenes, the Chairman or the meeting chairperson shall first announce the topics of the meeting, and then preside over the deliberation according to the agenda. Article 21 The meeting chairperson shall preside over the meeting process according to the deliberation status of the attending Directors and shall not change the meeting process or topics due to the influence of non-voting attendees.

Article 22 If the meeting reaches a deadlock where voting cannot proceed or the votes for and against are equal, the meeting chairperson shall not forcibly declare the adoption of a resolution, but shall continue deliberation or temporarily adjourn the meeting depending on the circumstances.

Chapter IV Deliberation Procedures and Voting at Board Meetings

Article 23 The Board of Directors shall carefully review and arrange matters for the general meeting to consider. If the resolutions made by the Board of Directors need to be submitted for consideration by the general meeting, the general meeting should be convened promptly after the conclusion of the Board Meeting.

Article 25 If a Director of the Company, or any other enterprise in which he/she holds a position, is directly or indirectly interested in any existing or proposed contract, transaction, or arrangement with the Company (except for employment contracts), regardless of whether such matter generally requires Board approval, he/she shall promptly disclose to the Board the nature and extent of such interest.

Article 26 If a Director of the Company notifies the Board of Directors in writing before the Company first considers entering into a relevant contract, transaction, or arrangement, declaring that due to the contents listed in the notification, any future contract, transaction, or arrangement entered into by the Company would involve his/her interest, then, to the extent specified in the notification, the relevant Director shall be deemed to have made the disclosure required under Article 25 of the Rules.

Article 27 Directors affiliated with companies involved in matters resolved at the Board Meeting shall not exercise voting rights on such resolutions, nor represent other Directors in exercising voting rights. Such Board Meeting may be held with the presence of over half of all the unaffiliated Directors. A resolution adopted at such Board Meeting shall be passed by over half of all the unaffiliated Directors, but if the matters under consideration require approval by more than two-thirds (2/3) of the Board, they must be approved by more than two-thirds (2/3) of the unaffiliated Directors. If the number of independent Directors attending the Board Meeting is less than three, the matter should be submitted to the general meeting for consideration.

Save as permitted under the Hong Kong Listing Rules and applicable laws and regulations, a Director shall not vote on any resolution of the Board of Directors approving any contract, transaction or arrangement or any other proposal in which he or any of his close associates (as defined in the applicable Hong Kong Listing Rules in force from time to time) has a material interest, nor shall such Director be counted for the purpose of determining whether or not a quorum is present at a meeting.

Article 28 Any resolution put to vote at a meeting of the Board shall be decided by a registered vote. At an Extraordinary Board Meeting, to the extent that the Directors have sufficient opportunities to express their opinions, a resolution may be adopted by facsimile or other means and signed by the Directors attending the meeting.

The Directors attending the meeting (including proxies) shall sign the meeting minutes. The attending Directors have the right to request that explanatory remarks on their speeches at the meeting be included in the minutes.

If a Director neither confirms by signature as stipulated in the preceding paragraph nor makes a written explanation of his/her dissenting opinion, nor reports to the regulatory authorities or makes a public statement, he/she shall be deemed to fully agree with the contents of the meeting minutes.
