POSITIVE PROFIT ALERT

This announcement is made by Lonking Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions under Part XIVA of the SFO.

The board of directors (the "**Board**") of the Company wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that based on the Board's preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2025, there will be a significant increase in the net profit for the first half year of 2025. The net profit will be RMB590 million to RMB665 million, representing an increase of 29% to 45%, as compared to the corresponding period of the previous year.

The increase in net profit during the reporting period was mainly due to (i) the Group's vigorous efforts in developing and perfecting its export product series and continuously exploring overseas markets, which resulted in steady growth in the scale of production and sales of the export business during the reporting period; and (ii) the Group's successful efforts in improving quality and controlling costs, which resulted in a year-on-year increase in the consolidated gross profit margin of its products.

The information contained in this announcement is only the preliminary assessment by the Board of its performance for half year ended 30 June 2025 based on the unaudited consolidated management accounts of the Group for the six months ended 30 June 2025 and not on any data or information audited or reviewed by the Company's auditors.
