UNAUDITED OPERATION SUMMARY FOR THE FIRST QUARTER OF 2026 AS AT 31 MARCH 2026

This announcement sets out the unaudited operation summary of Far East Horizon Limited (the "**Company**") and its subsidiaries (the "**Group**") for the first quarter ended 31 March 2026 (the "**Period under Review**"). Unless the context otherwise requires, both "during the period" and "end of the period" stated in this announcement refer to the Period under Review.

This announcement is made in accordance with the requirements of Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Stock Exchange**") and Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

In 2026, the Group adhered to a stable and prudent operation strategy, maintaining stable operations. Operating income and profit attributable to ordinary shareholders increased slightly year-on-year during the period.

Financial business: Both revenue and gross profit registered year-on-year growth during the period. The total interest-earning assets as at the end of the period increased slightly as compared to the end of the previous year. Yields and net interest margins on interest-earning assets improved both year-on-year and quarter-on-quarter, while funding costs further declined as compared to the end of the previous year. The asset quality was robust, as evidenced by non-performing asset balances remaining at the same level as at the end of the previous year, a slight decline in the non-performing ratio, and provision coverage being maintained at a prudent level. The inclusive finance business continued to maintain a prudent write-off policy. The size of interest-earning assets as at the end of the period increased by slightly more than 10% as compared to the end of the previous year, with revenue and profit maintaining rapid year-on-year growth.

Horizon Construction Development: For details of the operation, please refer to the announcement in relation to the unaudited operation summary for the first quarter of 2026 issued by Horizon Construction Development on 13 April 2026.

Horizon Healthcare: Staying committed to its long-term strategic direction, Horizon Healthcare strengthened internal management and achieved stable operations during the period. While its revenue declined year on year, its profitability remained stable.

In addition, during the period, the Group continued to adhere to the steady and prudent risk management strategy. The hedging management measures for interest rates and exchange rates remained effective, and the liquidity position remained ample and sound as always.

Looking forward to the full year of 2026, the Group will, as always, uphold the development strategy of "finance + industry" to ensure a sound and safe foundation to improve shareholders' returns and continue to create value for shareholders.
