ISSUE MANDATE

In order to ensure greater flexibility and give discretion to the Directors in the event that it becomes desirable for the Company to issue new Shares, approval is to be sought from the Shareholders, pursuant to the Listing Rules, for the granting of the Issue Mandate to the Directors to issue Shares. The ordinary resolution numbered 4 will be proposed at the Annual General Meeting to grant the Issue Mandate to the Directors during the relevant period to exercise the powers of the Company to allot, issue and otherwise deal with new shares in the share capital of the Company (including any sale or transfer of treasury shares) up to 20 per cent of the total number of issued Shares (excluding treasury shares, if any) as at the date of passing of the resolution in relation to the Issue Mandate. As at the Latest Practicable Date, the issued share capital of the Company comprised 1,492,944,000 Shares. Subject to the passing of the above ordinary resolution and on the basis that there is no change in the number of the issued Shares during the period between the Latest Practicable Date and the date of the Annual General Meeting, the maximum number of Shares which may be allotted, issued and otherwise dealt with pursuant to the Issue Mandate will be 298,588,800 Shares, being 20 per cent of the total number of issued Shares (excluding treasury shares, if any) as at the date of passing of the resolution to approve the Issue Mandate.

The Issue Mandate will, if granted, expire at the earliest of (i) the conclusion of the next annual general meeting of the Company following the Annual General Meeting; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws to be held; or (iii) the date upon which such authority is revoked or varied by the ordinary resolution(s) passed by the Shareholders at general meeting prior to the next annual general meeting of the Company.

The Directors wish to state that they have no immediate plan to issue any Shares pursuant thereto.

REPURCHASE MANDATE

In addition, the ordinary resolution numbered 5 will be proposed at the Annual General Meeting to grant the Repurchase Mandate to the Directors to exercise the powers of the Company during the relevant period to repurchase issued Shares representing up to 10 per cent of the total number of issued Shares (excluding treasury shares, if any) as at the date of passing of the resolution in relation to the Repurchase Mandate. Subject to the passing of the above ordinary resolution and assuming that there is no change in the number of the issued Shares during the period between the Latest Practicable Date and the date of the Annual General Meeting, the maximum number of Shares which may be repurchased pursuant to the Repurchase Mandate will be 149,294,400 Shares, being 10 per cent of the total number of issued Shares (excluding treasury shares, if any) as at the date of passing of such resolution.

LETTER FROM THE BOARD

If the Company conducts a share consolidation or subdivision after the Issue Mandate or the Repurchase Mandate has been approved at the Annual General Meeting, the maximum number of Shares that may be allotted, issued and otherwise dealt with under the Issue Mandate or repurchased under the Repurchase Mandate (as the case may be) as a percentage of the total number of issued Shares immediately before and after the date of such consolidation or subdivision shall be the same.

As required by the Listing Rules, an explanatory statement in connection with the Repurchase Mandate is set out in Appendix II to this circular. This explanatory statement contains all information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant resolution at the Annual General Meeting.

Subject to the passing of the ordinary resolutions to grant the Issue Mandate and the Repurchase Mandate, the ordinary resolution numbered 6 will be proposed at the Annual General Meeting to extend the Issue Mandate by including the number of Shares repurchased under the Repurchase Mandate during the relevant period. The Directors wish to state that they have no immediate plan to repurchase any Shares pursuant thereto.

Dr. Zheng has approximately 26 years of experience in finance.

He is currently the independent director of Shenzhen Universe (Group) Co., Ltd.* (深圳市天地(集團)股份有限公司) (Shenzhen stock code: 000023), Guangdong Haomei New Materials Co., Ltd.* (廣東豪美新材股份有限公司) (Shenzhen stock code: 002988) and Yuekai Securities Co., Ltd.* (粵開證券股份有限公司), whose shares are listed on the NEEQ (stock code: 830899), respectively. In addition, in the past three years, he was the independent director of Shenzhen Infinova Limited* (深圳英飛拓科技股份有限公司) (Shenzhen stock code: 002528), Guangdong Tianan New Material Co., Ltd.* (廣東天安新材料股份有限公司) (Shenzhen stock code: 603725) and Urtrust Insurance Co., Ltd.* (眾誠汽車保險股份有限公司), whose shares are listed on the NEEQ (stock code: 835987), respectively.

Dr. Zheng obtained a Bachelor of Economics degree in 1982 and a Master of Economics degree in 1984 from Sun Yat-sen University in the PRC. He further obtained a Doctor degree of Philosophy from the George Washington University in the United States in 1994.

Dr. Zheng was qualified as the senior economist accredited by Guangzhou Municipal Human Resources and Social Security Bureau in 2003. He obtained the qualification of being an independent non-executive director granted by the Shanghai Stock Exchange in 2018 and the qualification of being senior management of listed companies granted by the Shenzhen Stock Exchange in 2010.

Dr. Zheng has entered into a letter of appointment with the Company for an initial term of three years and shall continue thereafter unless terminated in accordance with the terms therein or by at least one month's notice in writing served by either party to the other. He continues to be subject to retirement by rotation and re-election in accordance with the Articles of Association. Dr. Zheng is entitled to a Director's remuneration of HK\$120,000 per annum, which has been determined by the Board after the recommendation from the Remuneration Committee with reference to his performance, duties and responsibilities with the Company and prevailing market condition.

Save as disclosed above, as at the Latest Practicable Date, Dr. Zheng (i) did not have any interest in the Shares within the meaning of Part XV of the SFO; (ii) had not held any other directorships in any public companies the securities of which are listed on any securities market in Hong Kong or overseas in the past three years; and (iii) did not have any other relationship with any Directors, senior management, substantial Shareholders or Controlling Shareholders of the Company.

Save as disclosed above, there is no information concerning Dr. Zheng which is required to be disclosed pursuant to Rule 13.51(2)(h) to 13.51(2)(v) of the Listing Rules and there is no other matter that needs to be brought to the attention of the Shareholders in respect of the proposed re-election of the Director.

The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the proposed Repurchase Mandate. This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Listing Rules.

SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,492,944,000 Shares and the Company did not hold any treasury shares. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased from the Latest Practicable Date up to the date of the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 149,294,400 Shares, which represent 10 per cent of the total number of issued Shares (excluding treasury shares, if any) as at the date of passing of the relevant resolution at the Annual General Meeting, during the period ending on the earliest of (i) the conclusion of the next annual general meeting of the Company following the Annual General Meeting; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws to be held; or (iii) the date upon which such authority is revoked or varied by the ordinary resolution(s) passed by the Shareholders in general meeting prior to the next annual general meeting of the Company.

REASONS FOR REPURCHASES

The Directors believe that it is in the interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share. On the other hand, Shares repurchased and held by the Company as treasury shares may be resold on the market at market prices to raise funds for the Company, or transferred or used for other purposes, subject to compliance with all applicable laws of the Cayman Islands (including the Companies Act), the Articles of Association and the Listing Rules. Such repurchase of Shares will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders as a whole. The Directors have no immediate plan to repurchase any Shares pursuant to the proposed Repurchase Mandate.

For any repurchase of the Shares, the Company may cancel the repurchased Shares following settlement of any such repurchase and/or hold them as treasury shares subject to, among others, applicable laws, market conditions and its capital management needs at the relevant time of such repurchases, which may change due to evolving circumstances. Shareholders and potential investors of the Company should pay attention to any announcement to be published by the Company in the future, including but without limitation, any relevant next day disclosure return and monthly return.

For any treasury shares of the Company deposited with CCASS pending resale on the Stock Exchange, the Company shall, upon approval by the Board, implement the following interim measures which include (without limitation):

- (i) procuring its broker not to give any instructions to HKSCC to vote at general meetings of the Company for the treasury shares deposited with CCASS;
- (ii) in the case of dividends or distributions (if any and where applicable), withdrawing the treasury shares from CCASS, and either re-register them in its own name as treasury shares or cancel them, in each case before the relevant record date for the dividends or distributions; and
- (iii) taking any other measures to ensure that it will not exercise any Shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as treasury shares.

FUNDING OF REPURCHASES

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Memorandum and Articles of Association, the Companies Act and all applicable laws of the Cayman Islands. The Companies Act provides that the amount of capital repaid in connection with a share repurchase may be paid out of either the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital (including share premium account and capital redemption reserve) if the Company can, immediately following such payment, pay its debts as they fall due in the ordinary course of business.

IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital and/or gearing position of the Company (as compared with the position disclosed in the consolidated audited accounts set out in the financial report of the Company for the year ended 31 December 2024) if the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, any of their respective close associates, has any present intention to sell any Shares to the Company under the Repurchase Mandate in the event that the Repurchase Mandate is approved by the Shareholders.

No core connected person (as defined under the Listing Rules) of the Company has notified the Company that he or she has a present intention to sell any Shares to the Company, or has undertaken not to sell any Shares held by him or her to the Company, if the Repurchase Mandate is granted by the Shareholders.

EFFECT OF TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert (as defined in the Takeover Code), could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

In the event that the Directors shall exercise in full the power to repurchase Shares pursuant to the Repurchase Mandate which is proposed to be granted by the Shareholders and assuming that no further Shares are issued or repurchased prior to the Annual General Meeting, the aggregate shareholding of Honchuen Investment Limited, Zuoting Investment Limited and Weixin Development Overseas Limited, which are wholly-owned by Mr. Cheung Hon Chuen, Mr. Mei Zuoting and Mr. Zhang Weixin, respectively, would be increased from approximately 38.22% to 42.46% of the issued share capital of the Company, based upon their shareholdings as at the Latest Practicable Date. In the opinion of the Directors, such increase would give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeovers Code. In any event, the Directors do not intend to exercise the Repurchase Mandate to an extent which will trigger the mandatory offer requirement pursuant to the rules of the Takeovers Code.

Save as disclosed above, the Directors are not aware of any consequences which may give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code and/or result in the aggregate number of Shares held by the public Shareholders falling below 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) required by the Listing Rules.

SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares has been made by the Company (whether on the Stock Exchange or otherwise) in the previous six months immediately preceding the Latest Practicable Date.

DIRECTORS' OBLIGATIONS

The Directors will exercise the power of the Company to repurchase Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules, the applicable laws of the Cayman Islands and the Articles of Association.

Neither this explanatory statement nor the proposed Repurchase Mandate has any unusual features.

SHARE PRICES

The highest and lowest prices per Share at which the Shares were traded on the Stock Exchange during each of the previous twelve months up to and including the Latest Practicable Date were as follows:
