**CONTINUING CONNECTED TRANSACTION IN RELATION TO
THE YIT FRAMEWORK AGREEMENT FOR COAL SALES**

THE YIT FRAMEWORK AGREEMENT FOR COAL SALES

The Company had been supplying coal to YIT pursuant to the Framework Coal Sales Agreement which governs the sales of coal by the Company to Yanzhou and/or its subsidiaries. On 30 April 2020, YIT ceased to be a subsidiary of Yanzhou and became an associate of Yanzhou. As the Company expects to continue to sell coal to YIT for the remainder of 2020, on 26 May 2020, the Company entered into the YIT Framework Agreement For Coal Sales with YIT, pursuant to which the Group agreed to sell coal to YIT and/or its associates (excluding the Yanzhou Group) from the date of the YIT Framework Agreement For Coal Sales to 31 December 2020.

LISTING RULES IMPLICATIONS

As at the date of this announcement, (i) Yanzhou is a controlling shareholder of the Company, holding approximately 62.26% of the total issued shares of the Company; and (ii) YIT is a wholly owned subsidiary of Yankuang, the controlling shareholder of Yanzhou. Accordingly, YIT is a connected person of the Company by virtue of being an associate of Yanzhou and the transactions contemplated under the YIT Framework Agreement For Coal Sales constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules.

As the highest applicable percentage ratio in respect of the cap for the continuing connected transactions contemplated under the YIT Framework Agreement For Coal Sales is more than 0.1% but less than 5%, such continuing connected transactions will be subject to the reporting, announcement and annual review requirements but are exempt from the independent shareholders' approval requirement under Chapter 14A of the Listing Rules.

A. INTRODUCTION

On 26 May 2020, the Company entered into the YIT Framework Agreement For Coal Sales with YIT, pursuant to which the Group agreed to continue to sell coal to YIT and/or their associates (excluding the Yanzhou Group) from the date of the YIT Framework Agreement For Coal Sales to 31 December 2020.

B. MATERIAL TERMS OF THE YIT FRAMEWORK AGREEMENT FOR COAL SALES

(a) Subject Matter

The YIT Framework Agreement For Coal Sales provides that all transactions in relation to the sale of coal by the Group to YIT and/or its associates (excluding the Yanzhou Group) must be (i) in the ordinary and usual course of business of the Group, (ii) on an arm's length basis, (iii) on normal commercial terms, and (iv) in compliance with, among other things, the Listing Rules and applicable laws.

(b) Basis of Consideration

Considering the nature of coal, the sale price will be determined with reference to industry index prices and coal quality characteristics under the respective contracts.

(c) Historical Amounts and Annual Cap

The aggregate annual transaction amounts received by the Group from YIT and/or its associates (excluding the Yanzhou Group) for the sale of coal for the three years ended 31 December 2017, 2018 and 2019 were approximately US\$5 million, US\$172 million and US\$95 million, respectively.

The maximum transaction amount to be received by the Group from YIT and/or its associates (excluding the Yanzhou Group) during the term of the YIT Framework Agreement For Coal Sales will not exceed US\$93 million.

The cap was determined with reference to (i) the actual transaction amount with YIT during the past three years and taking into consideration the business requirements of YIT, the Company expects to maintain such sales volume in future years, (ii) the expected additional spot demand for coal from YIT and/or its associates (excluding the Yanzhou Group) over the next three years and (iii) the estimated sale price for the coal the Company typically charges.

C. REASONS FOR, AND BENEFIT OF, THE YIT FRAMEWORK AGREEMENT FOR COAL SALES

The Company's principal business activity is the production of thermal and metallurgical coal. YIT is engaged in the business of sales of coal in the PRC. The Company had been supplying coal to YIT pursuant to the Framework Coal Sales Agreement which governs the sales of coal by the Company to Yanzhou and/or its subsidiaries. On 30 April 2020, YIT ceased to be a subsidiary of Yanzhou and became an associate of Yanzhou. As the Company expects to continue to sell coal to YIT, the Company has entered into the YIT Framework Agreement For Coal Sales. The Company believes that through supplying coal to YIT in the Company's ordinary and usual course of business, the Company could further expand its business operation in the Asia markets and generate revenue.

D. DIRECTORS' CONFIRMATION

The Directors (including the independent non-executive Directors) are of the view that the terms of the YIT Framework Agreement For Coal Sales (including the relevant cap thereunder) are fair and reasonable. The continuing connected transactions contemplated under the YIT Framework Agreement For Coal Sales are in the ordinary and usual course of business of the Group, on normal commercial terms and in the interests of the Company and its shareholders as a whole.

Mr. Baocai Zhang, Mr. Cunliang Lai, Mr. Xiangqian Wu, Mr. Fuqi Wang and Mr. Qingchun Zhao declared that they hold certain positions in Yanzhou or Yankuang. However, the articles of association of the Company does not preclude such Directors from voting. Accordingly, none of the Directors abstained from voting on the relevant resolutions of the Board approving the continuing connected transactions (including the relevant cap).

E. LISTING RULES IMPLICATIONS

As at the date of this announcement, (i) Yanzhou is a controlling shareholder of the Company, holding approximately 62.26% of the total issued shares of the Company; and (ii) YIT is a wholly owned subsidiary of Yankuang, the controlling shareholder of Yanzhou. Accordingly, YIT is a connected person of the Company by virtue of being an associate of Yanzhou and the transactions contemplated under the YIT Framework Agreement For Coal Sales constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules.

As the highest applicable percentage ratio in respect of the cap for the continuing connected transactions contemplated under the YIT Framework Agreement For Coal Sales is more than 0.1% but less than 5%, such continuing connected transactions will be subject to the reporting, announcement and annual review requirements but are exempt from the independent shareholders' approval requirement under Chapter 14A of the Listing Rules.
