PROFIT WARNING

This announcement is made by Tailam Tech Construction Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform the shareholders (the "**Shareholders**") and potential investors of the Company that based on the information currently available to the Board and its preliminary review and assessment of the Group's latest unaudited consolidated management accounts (the "**Management Accounts**") for the six months ended 30 June 2026 (the "**Period**"), the Group expects to record a consolidated loss of approximately RMB2.3 million for the Period, as compared with the unaudited consolidated profit of approximately RMB6.4 million for the six months ended 30 June 2025.

The turnaround from profit to loss was mainly attributable to the continued weakness in the overall market environment and demand in the construction industry, together with the slower commencement and progress of certain infrastructure projects, which resulted in lower sales and delivery volumes of the Group's products and a decrease in the Group's revenue. Meanwhile, intensified industry competition continued to exert pressure on product selling prices, while fluctuations in raw material prices increased cost pressure, resulting in a decrease in the overall gross profit margin.

The above adverse impacts were partially offset by decreases in selling and marketing expenses and administrative expenses, as well as the gain recognised on the disposal of a financial asset at fair value through profit or loss during the Period.

The Company is still in the process of finalising the interim results of the Group for the Period. The information contained in this announcement is only a preliminary assessment by the Board based on the Management Accounts and the latest information currently available, which have not been reviewed by the auditor or the audit committee of the Company. The interim results of the Group for the Period may be different from what is disclosed in this announcement. Shareholders and potential investors of the Company are advised to read carefully the announcement to be published by the Company in relation to the interim results of the Group for the Period. The Company expects to announce its interim results for the Period by the end of August 2026.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.
