CONTINUING CONNECTED TRANSACTIONS
REVISION OF ANNUAL CAPS

Reference is made to the section headed “Connected Transactions” in the Prospectus in relation to, among others, the Master Supply and Services Agreement (as supplemented and amended on 14 November 2016).

REVISION OF ANNUAL CAPS

During a recent review by the Board on the existing continuing connected transactions of the Group, the Directors found that the transactions amount under the Master Supply and Services Agreement is approaching the existing annual caps for the financial year ending 31 March 2018.

On 26 January 2018 (after trading hours), the Company entered into the Second Supplemental Agreement with EFT Payments, to revise the existing annual caps for the financial year ending 31 March 2018 from HK\$5,000,000 to HK\$9,900,000.

IMPLICATIONS UNDER THE GEM LISTING RULES

EFT Payments is wholly owned by Mr. Lo, the Chairman, chief executive officer, executive Director and Controlling Shareholder of the Company. Therefore, EFT Payments is a connected person of the Company under Rule 20.07 of the GEM Listing Rules. Accordingly, the entering into of the Second Supplemental Agreement constitutes continuing connected transactions of the Company under Chapter 20 of the GEM Listing Rules.

According to Rule 20.52 of the GEM Listing Rules, if the Company proposes to revise the annual caps for its continuing connected transactions, the Company will be required to recompile with the announcement and shareholders' approval requirements.

Based on the revised annual caps under the Second Supplemental Agreement, as all of the applicable percentage ratios (as defined under the GEM Listing Rules) are less than 25% and the total amount of the revised annual caps is less than HK\$10,000,000, the entering into of the Second Supplemental Agreement and the transactions contemplated thereunder are subject to the reporting, annual review, and announcement requirements, but exempt from the circular (including independent financial advice) and shareholders' approval requirements under Rule 20.74(2)(b) of the GEM Listing Rules.

At the Board meeting approving the Second Supplemental Agreement, other than Mr. Lo and his associates including Ms. Lam Ching Man and Mr. Lo Chun Wa (being Mr. Lo's spouse and brother respectively) were considered to have a material interest in the relevant transactions, and had abstained from voting on the relevant board resolution, none of the Directors have a material interest in the transactions contemplated thereunder.

REVISION OF ANNUAL CAPS

During a recent review by the Board on the existing continuing connected transactions of the Group, the Directors found that the transactions amount under the Master Supply and Services Agreement is approaching the existing annual caps for the financial year ending 31 March 2018.

Due to the increase in number of merchants subscribing to mobile payments, the number of EFT-POS terminals ordered by EFT Payments increased accordingly. As such, the transactions amount for the year ending 31 March 2018 is expected to be higher than the original level as envisaged at the time entering into of the Master Supply and Services Agreement.

On 26 January 2018 (after trading hours), the Company entered into the Second Supplemental Agreement with EFT Payments, to revise the existing annual caps for the financial year ending 31 March 2018 from HK\$5,000,000 to HK\$9,900,000.

Save and except the revised annual caps of the transaction amount between the Company and EFT Payments as amended and supplemented by the Second Supplemental Agreement, the other provisions of the Master Supply and Services Agreement shall remain in full force and effect.

The Board confirms that the existing annual caps for the year ending 31 March 2018 has not yet been exceed as at the date of the announcement.

Historical transaction amounts and annual caps

The tables below set out (i) the actual transactions amounts and (ii) the existing annual caps and the revised annual caps, under the Master Supply and Services Agreement:

	For the year ended 31 March 2017 (HK\$'000)	For the nine months ended 31 December 2016 (HK\$'000)	For the nine months ended 31 December 2017 (HK\$'000)
Actual transactions amounts	4,456	2,882	4,653
	For the year ended 31 March 2017 (HK\$'000)	For the year ending 31 March 2018 (HK\$'000)	For the year ending 31 March 2019 (HK\$'000)
Existing annual caps	5,000	5,000	5,000
Revised annual caps	—	9,900	5,000

The revised annual caps are determined with reference to the following factors:

- (a) the historical actual transaction amounts under the Master Supply and Services Agreement of HK\$2.9 million and HK\$4.7 million the nine months ended 31 December 2016 and 2017, respectively, representing an increase of approximately 62%; and
- (b) the anticipated demand for supply and services from EFT Payments in the last quarter of the financial year ending 31 March 2018.

The Directors (including the independent non-executive Directors) are of the view that the basis of determining the revised annual caps is fair and reasonable.

Reasons for and benefits of revision of the annual caps

With the recent introduction of mobile payment methods in Hong Kong, the demand for EFT-POS terminals for mobile payments and relevant system support services is increasing. The aggregate purchase of EFT-POS terminals and peripheral devices by EFT Payments for the year ending 31 March 2018 is expected to increase to keep abreast of the rapid development of the mobile payment market.

The Directors (including the independent non-executive Directors) consider it is beneficial for the Group to revise the annual caps for the continuing connected transactions under the Master Supply and Services Agreement in order to seize the opportunity of the increasing demand of mobile payments, which will in turn continue to enhance the revenue and profitability to the Group. The Directors (including the independent non-executive Directors) consider the entering into of the Second Supplemental Agreement is in the Group's ordinary course of business, and the terms of the Second Supplemental Agreement together with the revised annual caps are on normal commercial terms and are fair and reasonable and in the interests of the Company and the Shareholders as a whole.
