CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

This circular, for which the directors of the Company collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on the GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) for the purpose of giving information with regard to the Company. LETTER FROM THE BOARD

GENERAL INFORMATION

Your attention is also drawn to the additional information set out in the appendices to this circular.

Yours faithfully,
On behalf of the Board of
hmvod Limited
Wong Tsz Ki
Executive Director

This Appendix I serves as an explanatory statement given to all Shareholders relating to an ordinary resolution to be proposed at the AGM authorising the proposed Repurchase Mandate.

This explanatory statement contains all information pursuant to Rule 13.08 and other relevant provisions of the GEM Listing Rules which is set out as follows:

1. EXERCISE OF THE REPURCHASE MANDATE

Exercise in full of the Repurchase Mandate, on the basis of 129,447,897 Shares in issue as at the Latest Practicable Date and assuming that the issued share capital of the Company will not change prior to the AGM, would result in 12,944,789 Shares representing 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of the resolution (excluding any treasury shares), being repurchased by the Company during the period prior to the next annual general meeting of the Company following the passing of the resolution approving the Repurchase Mandate, the expiration of the period within which the next annual general meeting of the Company is required by any applicable law or the Articles of Association of the Company to be held or when the Repurchase Mandate is revoked or varied by an ordinary resolution by the shareholders in general meeting, whichever is the earliest.

As stated in the Letter from the Board, with effect from 11 June 2024, the Listing Rules will be amended to remove the requirement to cancel repurchased shares and to adopt a framework to (i) allow repurchased Shares to be held in treasury and (ii) govern the resale of treasury shares. Following such changes to the Listing Rules, if the Company repurchases Shares pursuant to the Repurchase Mandate, the Company may (i) cancel the repurchased Shares or (ii) hold such Shares in treasury, subject to market conditions and the capital management needs of the Company at the relevant time such repurchases of Shares are made. If the Company holds Shares in treasury, any resale of Shares held in treasury will be subject to the Issue Mandate and made in accordance with the Listing Rules and applicable laws and regulations of the Cayman Islands. Any resale of treasury shares pursuant to the Issue Mandate may only be made after the amendments to the Listing Rules have come into effect on 11 June 2024.

To the extent that any treasury shares are deposited with CCASS pending resale, the Company will adopt appropriate measures to ensure that it does not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those shares were registered in the Company's own name as treasury shares. These measures may include approval by the Board that (i) the Company will not (or will procure its broker not to) give any instructions to Hong Kong Securities Clearing Company Limited to vote at general meetings for the treasury shares deposited with CCASS and (ii) in the case of dividends or distributions, the Company will withdraw the treasury shares from CCASS, and either re-register them in its own name as treasury shares or cancel them, in each case before the record date for the dividends or distributions.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase Shares on GEM. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets per share of the Company and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and its Shareholders as a whole. The Directors have no present intention to repurchase any Shares.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Articles of Association and the applicable laws of the Cayman Islands such as internal resources of the Company.

4. EFFECT OF EXERCISE OF THE REPURCHASE MANDATE

Taking into account the current capital position of the Company, the Directors consider that, the exercise in full of the Repurchase Mandate to repurchase Shares might have a material adverse impact on the working capital or gearing position of the Company (as compared with the position as at 31 March 2024). However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital or on the gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

5. DISCLOSURE OF INTERESTS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates has any present intention to sell any Shares to the Company under the Repurchase Mandate if such is approved by the Shareholders at the AGM.

6. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange to exercise the power of Company to make purchases pursuant to the Repurchase Mandate in accordance with the Articles of Association, the GEM Listing Rules and the applicable laws of the Cayman Islands.

7. TAKEOVERS CODE CONSEQUENCES

If, as a result of a repurchase of Shares, pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (within that term's meaning under the Takeovers Code), depending on the level of increase in the shareholders' interests, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, none of the Directors or chief executive of the Company and/or any of their respective associates had or was deemed to have any interest or short position in the Shares, underlying shares or debentures of the Company or any of its associated corporations (within the meaning of Part XV of the SFO) (a) which were required to be notified to the Company and the Stock Exchange pursuant to Divisions 7 and 8 of Part XV of the SFO (including interests or short positions which they were taken or deemed to have under such provisions of the SFO); or (b) which were required, pursuant to Section 352 of the SFO, to be entered in the register referred to therein; or (c) which were required, pursuant to Rule 5.46 to 5.67 of the GEM Listing Rules, to be notified to the Company and the Stock Exchange.
