### Letter from the Chairman

12 April 2021

### Dear Shareholder,

The 2021 Annual General Meeting ("AGM") of Alfa Financial Software Holdings PLC (the "Company"), will be held at 3:00pm on Monday, 10 May 2021 at Moor Place, One Fore Street Avenue, London, EC2Y 9DT.

We had hoped to welcome shareholders in person to the 2021 AGM, particularly given the constraints we faced in 2020 due to the Covid-19 pandemic. At present, public health guidance and legislation issued by the UK Government in relation to the pandemic mean that there are restrictions on public gatherings and travel. In view of these measures, together with the uncertainty as to any additional and/or alternative measures that may be put in place by the UK Government, and in order to protect the health and safety of the Company's shareholders and Directors, we are proposing to hold our AGM as a combined physical and electronic meeting. The AGM will be convened with the minimum quorum of shareholders (which will be facilitated by Alfa) in order to conduct the business of the meeting. We regret that shareholders will not be permitted to attend the meeting in person and, in the interests of safety, anyone seeking to attend in person will be refused entry. We strongly encourage shareholders to vote by proxy on the resolutions set out in this Notice of Meeting.

This means that shareholders and other attendees will not be permitted to attend the Annual General Meeting in person. Shareholders' right to attend the meeting shall be limited to participation through an online meeting platform.

### Shareholder engagement

The Board recognises the importance of the AGM to shareholders and is keen to ensure that you are able to engage in this year's AGM as effectively as practicable. The Board invites you to join our webcast to view and listen to the AGM remotely and to follow the proceedings in real time, if you wish to do so. Please note, that you will not be able to vote during the webcast and it is therefore important that, if you wish to vote at the AGM, you appoint a proxy to attend and vote on your behalf. Information on how to join the webcast can be found below. Shareholders can register to join the webcast using the following link:

https://webcasting.brrmedia.co.uk/broadcast/6065b69d560fbf10fcc50bc6

You will be prompted to enter your name and email address, together with your unique Shareholder Reference Number (this can be found on your proxy form) and PIN number (this is the last four digits of your Shareholder Reference Number) and you will then receive by email a unique webcast link together with instructions on how to login and access the webcast on the day. If you have questions about the webcast facility, please email the Company Secretary at cosec@alfasystems.com.

You can put a question to the Board relating to the business to be conducted at the AGM either by emailing cosec@alfasystems.com in advance or by submitting a question at the start of the AGM through the webcast facility. Any questions you wish to submit in advance of the AGM must be received by Thursday, 3.00pm on 6 May 2021. The Board will either respond to you directly or answer the question during the AGM. In the usual way, the Company reserves the right at the AGM to consolidate questions of a similar nature.

### Business of the meeting

The formal Notice of AGM is set out on the following pages of this document, detailing the resolutions that the shareholders are being asked to vote on along with explanatory notes of the business to be conducted at the AGM. Resolutions 1 to 17 will be proposed as ordinary resolutions, and 18 to 21 will be proposed as special resolutions.

### Voting by proxy

Voting on the business of the meeting will be conducted by way of a poll. The results of voting on the Resolutions will be posted on the Company's website as soon as practicable after the AGM.

## Action to be taken

As shareholders will currently be unable to attend in person, it is important that you complete, sign and return a form of proxy ('Proxy Form') or vote electronically. You can vote electronically at www.sharevote.co.uk using the relevant reference numbers printed on your Proxy Form. Alternatively, if you have already registered with our registrars' (Equiniti Limited) on-line portfolio service, Shareview, you can submit your proxy by logging on to your portfolio at www.shareview.co.uk using your usual user ID and password. Once logged in simply click "View" on the "My Investments" page, click on the link to vote then follow the on screen instructions. CREST members may use the CREST electronic proxy appointment service to submit their proxy appointment in respect of the AGM as detailed in the Notes to the Notice of the AGM.

Please note that all Proxy Forms and appointments must be received by 3.00pm on Thursday, 6 May 2021.

If I am appointed as proxy I will, of course, vote in accordance with any instructions given to me. If I am given discretion as to how to vote, I will vote in favour of each of the resolutions to be proposed at the AGM.

### Recommendation

The Board considers that the resolutions set out in the Notice of AGM are in the best interests of the Company and its shareholders as a whole. The Directors therefore recommend that shareholders vote in favour of each of the resolutions, as they intend to do in respect of their own shareholdings. Regarding the re-election of Directors, the Board is of the opinion, and I can confirm that, following a formal performance evaluation, each Director continues to make an effective and valuable contribution and demonstrates commitment to his or her role. The Board is satisfied that each Non-Executive Director remains independent in character and judgement and that there are no relationships or circumstances likely to affect his or her character or judgement. It unanimously recommends the re-election of each of the Directors standing for re-election.

Yours faithfully

Executive Chairman

## **Explanatory Notes to the Notice of Annual General Meeting**

The notes on the following pages give an explanation of the proposed Resolutions. Resolutions 1 to 17 are proposed as ordinary resolutions. For each of these Resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 18 to 21 are proposed as special resolutions. For each of these Resolutions to be passed, at least three-quarters of the votes cast must be in favour of the Resolution.

### **Resolution 1: Annual Report and Accounts**

The first resolution, the Directors present to the shareholders the Directors' report and financial statements of the Company for the year ended 31 December 2020.

### **Resolution 2: Final dividend**

This resolution seeks shareholder approval to pay a final dividend of 1.0 pence per ordinary share for the year ended 31 December 2020. The dividend, if approved, will be payable on 2 July 2021 to shareholders on the register at the close of business on 11 June 2021.

### **Resolution 3: Approval of the Remuneration Policy**

This resolution seeks shareholder approval for the Directors' Remuneration Policy, which is subject to a shareholder binding vote for the three year period commencing 1 January 2021, which is proposed within the Directors' Remuneration Report set out on pages 92 to 98 of the Annual Report.

## **Resolution 4: Annual Remuneration Report**

This resolution seeks shareholder approval of the Directors' Remuneration Report, excluding the Directors' Remuneration Policy, for the year ended 31 December 2020 as set out on pages 88 to 107 of the Annual Report. This resolution is subject to an 'advisory vote' by shareholders and the Directors' entitlement to remuneration is not conditional on it.

RSM UK Audit LLP has audited those parts of the Directors' Remuneration Report as highlighted and their report can be found on pages 113 to 119 of the Annual Report.

### Resolutions 5 to 12: Re-Election of Directors

Following changes made to the UK Listing Rules in May 2014, companies with a shareholder or shareholders who could, when acting in concert, exercise 30% or more of the voting rights of a company at a general meeting, are required to enter into a binding agreement with that shareholder or shareholders. CHP Software & Consulting Limited (which is controlled by Andrew Page and Andrew Denton) is a controlling shareholder of the Company (i.e. it is a shareholder that controls more than 30% of the votes at a General Meeting of the Company).

Therefore, under rule 13.8.17 of the UK Listing Rules this Notice is required to state certain information concerning any independent Director proposed for election or re-election, and under rule 9.2.2E of the UK Listing Rules such election or re-election must be approved by a majority vote of both: the independent shareholders (i.e. shareholders of the Company who are entitled to vote on the election of Directors and who arenot controlling shareholders); and the shareholders as a whole.

In order to determine this, the Company will arrange for the number of votes cast by the independent shareholders to be counted separately, and will announce the results of the voting on both bases. If a majority vote is not achieved on both bases, the Company may under the Listing Rules put the matter to a second vote, this time a single vote of the shareholders as a whole at the meeting, to be held between 90 and 120 days after the AGM.

Pending the second vote, the relevant Director or Directors will be deemed to have been elected only for the period from the date of the AGM until the earlier of (a) the conclusion of any second vote, (b) 6.00pm on the date 120 days after the AGM and (c) the date of any announcement by the Board that it does not intend to hold a second vote. If the independent Director's re-election is approved by a majority vote of all shareholders at the second general meeting, the Director will then be re-elected until the next AGM.

The Listing Rule requirements for companies with a controlling shareholder also require (in rule 13.8.17 of the UK Listing Rules) additional disclosures about the independent directors' relationships, independence, effectiveness and appointments. This information is set out below.

- Relationships and Transactions: The Company has received confirmation from each of the independent Directors that there are no existing or previous relationships, transactions or arrangements between any of the independent Directors and the Company, its Directors, the controlling shareholder or any associate of that shareholder.
- Effectiveness of independent Directors: the background and experience of each of the independent Directors are setout in the biographical information on pages 66 and 67 of the 2020 Annual Report and on pages 5 to 7 of this document. The Board believes that each independent Director shows the proper commitment to his or her role and makes an effective contribution, drawing on his or her own expertise and experience.
- Independence of independent Directors: The Board has carefully considered the guidance criteria on the independence of Directors given in the Code, and believes that each of the independent Directors seeking re-election remains independent in character and judgement, and that there are no relationships or circumstances that are likely to affect, or appear to affect, his or her judgement.
- Selection of independent Directors: as disclosed in the Nominations Committee Report on page 80 of the 2020 Annual Report.

The Company has decided that all Directors should retire and stand for re-election by shareholders annually. Accordingly, resolutions 5 to 12 detail those Directors retiring and standing for re-election and biographies for each Director standing for re-election are set out below.

### **Resolution 14: Remuneration of Auditors**

This Resolution seeks shareholder consent for the Audit and Risk Committee of the Company to set the remuneration of the Auditors.

Part 14 of the Companies Act 2006 requires companies to obtain shareholders' authority for donations to registered political parties and other political organisations in the EU totalling more than £5,000 in any twelve month period, and for any political expenditure in the EU, subject to limited exceptions. The definition of donation in this context is very wide and extends to bodies such as those concerned with policy review, law reform and the representation of the business community. There are further restrictions on companies incurring political expenditure (as defined in the Companies Act 2006) without first obtaining shareholders' consent. The Company has not made any and does not envisage making any political donations; however, this resolution is proposed for approval as a precaution in order to avoid inadvertent breach of the legislation as a result of the wide meanings given to the terms "political donations" and "political expenditure". This resolution, if passed, will authorise the Directors until the AGM in 2022 to make donations and incur expenditure which might otherwise be caught by the terms of the Act, up to an aggregate amount of £50,000 for the Company and for subsidiary companies.

### Resolution 16: Adoption of the Alfa Sharesave Plans

The Company seeks shareholder approval of the rules of the Alfa UK Sharesave Plan (the "UK Sharesave"). The proposed UK Sharesave is for the benefit of all qualifying employees, employed by the Company and certain of its subsidiaries, who are based in the UK. It is intended that the UK Sharesave will be operated as a tax-advantaged share scheme which should allow eligible employees to participate subject to certain tax reliefs. Under the UK Sharesave an eligible employee who enters into an approved savings contract for a period of three or five years will be granted an option to acquire ordinary shares in the Company at the end of the period to the extent of the proceeds of his or her savings contract. The exercise price of an option is fixed at the time it is granted and will not be less than 80 percent of the market value of an ordinary share at that time. The draft rules of the UK Sharesave will be available for inspection by request from the Company Secretary and subject to any Government public health restrictions at the registered office of the Company during usual business hours.

The Company is intending to adopt the International Sharesave Sub-Plan for employees who are employed and resident outside of the UK, based on the rules of the Sharesave Plan. A summary of the principal terms of the Sharesave Plan is set out below.

### a. Operation

The operation of the UK Sharesave Plan will be overseen by the Company's Board of Directors (the "Board"), the Company's Remuneration Committee, or a duly authorised committee to which the Board delegates responsibility for overseeing the operation of the UK Sharesave. Decisions of the Board are final and binding in all respects.

## b. Eligibility

Employees and full-time Directors of the Company and any designated participating subsidiary who are UK resident tax-payers are eligible to participate. The Committee may require employees to have completed a qualifying period of employment of up to five years before the grant of options. The Committee may also allow other employees who have not fulfilled any qualifying period to participate.

### c. Grant of options

Options can only be granted to such eligible employees and full-time Directors who enter into certified savings contracts, under which monthly savings are normally made over a period of three or five years. Options must be granted within 30 days (or 42 days if applications are scaled back) of the first day by reference to which the option price is set. The number of shares over which an option is granted will be such that the total option price payable for those Shares will correspond to the proceeds on maturity of the related savings contract.

An option may not be granted before shareholders approve the Sharesave Plan nor more than 10 years after Committee approval of the Sharesave Plan, that is 9 May 2031. Options are not transferable, except on death. Options, along with any other interest accrued on the savings under the savings contract, are not pensionable.

## d. Individual participation

Monthly savings by an employee under all savings contracts linked to options granted under any sharesave scheme may not exceed the statutory maximum (currently £500). The Committee may set a lower limit in relation to any particular grant.

### e. Option price

The price per share payable upon the exercise of an option will not be less than the statutory maximum (currently 80 per cent of the average middle-market quotation of a share on the London Stock Exchange over the three days, or one day, preceding either the date of issue of invitations to participate in the Sharesave Plan or a date specified in an invitation (or such other day or days as may be agreed with HMRC)). If an option relates only to new issue shares, then the price per share payable on exercise must also not be less than the nominal value of a share. The option price will be determined by reference to dealing days which fall within six weeks of the announcement by the Company of its results for any period, the announcement or introduction of a new Sharesave savings prospectus or at any other time when the Committee considers there to be exceptional circumstances which justify offering options under the Sharesave Plan.

### f. Exercise of options

Options will normally be exercisable for a six month period from the third or fifth anniversary of the commencement of the related savings contract. Earlier exercise is permitted, however, in the following circumstances:

- following cessation of employment by reason of death, injury, disability, redundancy, retirement, or the business or company that the employee works for ceasing to be part of the Company's group
- where employment ceases more than three years from grant for any reason other than dismissal for misconduct; and
- in the event of a takeover, amalgamation, reconstruction or winding-up of the Company, except in the case of an internal corporate re-organisation where the participants are offered the opportunity to exchange existing options for equivalent new options over shares in a new holding company.

## Explanatory Notes to the Notice of Annual General Meeting continued

Except where stated above, options will lapse on cessation of employment or directorship with a participating company which shall include, unless the Committee determines otherwise, where the individual changes employer to another company within the Company's group that is outside of the UK. (This change is being made in response to the regulatory and payroll administrative complexities of jurisdictional transfers.)

Shares will be allotted or transferred to participants within 30 days of exercise unless the Company is prevented from issuing, transferring or procuring the transfer of shares to the participant by reason of any dealing restriction, but will do so within the period of 30 days after the relevant dealing restriction(s) have ceased to apply. Similarly, participants will be prevented from exercising their options where a dealing restriction is in place at the time of exercise and, instead, any attempt to exercise will be delayed until the dealing restriction ceases to apply. There is no discretion under the Sharesave Plan to settle the options in cash for UK participants.

## g. Overall Sharesave Plan limits

The Sharesave Plan may operate over new issue shares, treasury shares or shares purchased in the market. In any ten calendar year period, the Company may not issue (or grant rights to issue) more than 10 per cent of the issued ordinary share capital of the Company under the Sharesave Plan and any other employee share plan adopted by the Company. Treasury shares will count as new issue shares for the purposes of these limits unless the institutional investors decide that they need not count.

### h. Variation of capital

If there is a variation in the Company's share capital, then the Committee may, make such adjustment as it considers appropriate to the number of shares under option and the option price. Under the International Sharesave Sub-Plan the variation in the Company's share capital shall also include a demerger, special dividend or other similar event which affects the market price of shares to a material extent, an exempt distribution by virtue of section 1075 of the Corporation Tax Act 2010 or any other corporate event which might affect the current or future value of any option.

### i. Rights attaching to shares

Any shares allotted when an option is exercised under the Sharesave Plan will rank equally with shares then in issue (except for rights arising by reference to a record date prior to their allotment).

## j. Alterations to the Sharesave Plan

The Committee may amend the provisions of the Sharesave Plan in any respect, provided that the prior approval of shareholders isobtained for any amendments that are to the advantage of participants in respect of the rules governing eligibility, limits onxparticipation, the overall limits on the issue of shares or the transfer of treasury shares, the basis for determining a participant's entitlement to, and the terms of, the shares to be acquired and the adjustment of options.

The requirement to obtain the prior approval of shareholders will not, however, apply to any minor alteration made to benefit the administration of the Sharesave Plan, to take account of a change in legislation or to obtain or maintain favourable tax, exchange control or regulatory treatment for participants or for any company in the Company's group.

### k. Overseas Sharesave Plans

The shareholder resolution to approve the Sharesave Plan will allow the Committee, without further shareholder approval, to establish further plans for overseas territories. Such plans will be similar to the Sharesave Plan, but modified to take account of local tax, exchange control or securities laws, provided that any shares made available under such further plans are treated as counting against the limits on individual and overall participation in the Sharesave Plan. If the Sharesave Plan is approved by shareholders, the Committee proposes to adopt the International Sharesave Plan for employees outside of the UK (based on the rules of the Sharesave Plan, modified as set out above).

### Resolution 17: Directors' authority to allot

Under the Companies Act 2006, the directors of a company may only allot new shares (or grant rights over shares) if authorised to do so by the shareholders in a general meeting. The authority in paragraph (a) of the resolution will allow the Directors to allot new shares and grant rights to subscribe for, or convert other securities into, shares up to approximately one third (33.3%) of the total issued ordinary share capital of the Company (exclusive of treasury shares) which as at 12 April 2021, being the latest practicable date prior to publication of this Notice, is equivalent to an aggregate nominal value of £100,000.

The authority in paragraph (b) will allow the Directors to allot new shares and grant rights to subscribe for, or convert other securities into, shares only in connection with a rights issue up to a further nominal value of £100,000, which is equivalent to approximately one third (33.3%) of the total issued ordinary share capital of the Company (exclusive of treasury shares) as at 12 April 2021, being the latest practicable date prior to the publication of this Notice. The Company currently holds no shares in treasury.

In total, the resolution will allow the Directors to allot a maximum aggregate of two-thirds of the issued share capital of the Company and is considered routine by The Investment Association.

The Directors have no present intention to allot shares or grant rights to subscribe for or convert any security into shares pursuant to this authority. However, the Directors consider it desirable to have the flexibility to respond to market developments and to enable allotments to take place in appropriate circumstances.

If the Resolution is passed the authority will expire on the earlier of 6.00pm on 30 June 2022 or the end of the Annual General Meeting in 2022.

## Resolutions 18 and 19: Disapplication of pre-emption rights

If the Directors wish to allot new shares and other equity securities, or sell treasury shares, for cash (other than in connection with an employee share scheme), company law requires that these shares are offered first to shareholders in proportion to their existing holdings. There may be circumstances, however, when it is in the interests of the Company to be able to allot new equity securities for cash other than on a pre-emptive basis.

Resolution 18 deals with the authority of the directors to allot new shares or other equity securities pursuant to the authority given by Resolution 19, or sell treasury shares, for cash without the shares or other equity securities first being offered to shareholders in proportion to their existing holdings. Such authority shall only be used in connection with a pre-emptive offer, or otherwise, up to an aggregate nominal amount of £15,000, being approximately 5% of the total issued ordinary share capital of the Company as at 12 April 2021, being the latest practicable date prior to the publication of this Notice. As at 12 April 2021 the Company holds no treasury shares.

The Pre-emption Group Statement of Principles supports the annual disapplication of pre-emption rights in respect of allotments of shares and other equity securities (and sales of treasury shares for cash) representing no more than an additional 5% of issued ordinary share capital (exclusive of treasury shares), to be used only in connection with an acquisition or specified capital investment. The Pre-emption Group's Statement of Principles defines 'specified capital investment' as meaning one or more specific capital investment related uses for the proceeds of an issuance of equity securities, in respect of which sufficient information regarding the effect of the transaction on the company, the assets the subject of the transaction and (where appropriate) the profits attributable to them is made available to shareholders to enable them to reach an assessment of the potential return.

Accordingly, and in line with the template resolutions published by the Pre-emption Group, Resolution 19 seeks to authorise the directors to allot new shares and other equity securities pursuant to the authority given by Resolution 17, or sell treasury shares, for cash up to a further nominal amount of £15,000, being approximately 5% of the total issued ordinary share capital of the Company as at 12 April 2021, being the latest practicable date prior to the publication of this Notice, only in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue. If the authority given in Resolution 19 is used, the Company will publish details of the placing in its next Annual Report.

If these resolutions are passed, the authorities will expire at the end of the next AGM or at  $6.00 \, \text{pm}$  on  $30 \, \text{June} \, 2022$ , whichever is \$\approx\$ the earlier.

The Board considers the authorities in resolutions 18 and 19 toxbe appropriate in order to allow the Company flexibility to finance business opportunities or to conduct a rights issue or other pre-emptive offer without the need to comply with the strict requirements of the statutory pre-emption provisions.

The Board intends to adhere to the provisions in the Pre- emption Group's Statement of Principles not to allot shares for cash on a non-pre-emptive basis (other than pursuant to a rights issue or pre-emptive offer) in excess of an amount equal to 7.5% of the total issued ordinary share capital of the company within a rolling three-year period other than (i) after prior consultation with shareholders or (ii) in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

### Resolution 20: Purchase of own shares

This resolution, seeks to renew the existing authority granted to the Company to purchase its own ordinary shares, up to a maximum of 30,000,000 ordinary shares, until the Annual General Meeting in 2022 or 30 June 2022, whichever is the earlier. This represents 10% of the ordinary shares in issue (excluding shares held in treasury) as at 12 April 2021, being thelatest practicable date prior to the publication of this Notice. The Company's exercise of this authority is subject to the stated upper and lower limits on the price payable, the upper limit being the price stipulated in Commission Delegated Regulation (EU) 2016/1052 as referred to in Article 5(6) of the EU Market Abuse Regulation, and the Listing Rules.

Pursuant to the Companies Act 2006, the Company can hold any shares which are repurchased as treasury shares and either re-sell them for cash, cancel them, either immediately or at a point in the future, or use them for the purposes of its employee share schemes. Holding the repurchased shares as treasury shares will give the Company the ability to re-sell or transfer them in the future and will provide the company with additional flexibility in the management of its capital base. No dividends will be paid on, and no voting rights will be exercised in respect of, treasury shares. Shares held as treasury shares will not automatically be cancelled and will not be taken into account in future calculations of earnings per share (unless they are subsequently re-sold or transferred out of treasury).

The Directors consider it desirable and in the Company's interests for shareholders to grant this authority.

The Company will not, save in accordance with a predetermined, irrevocable and non-discretionary programme, repurchase shares in the period immediately preceding the preliminary announcement of its annual or interim results as dictated by the Listing Rules or Market Abuse Regulation or, if shorter, between the end of the financial period concerned and the time of a relevant announcement or, except in accordance with the Listing Rules and the Market Abuse Regulation, at any other time when the directors would be prohibited from dealing in shares.

As at 12 April 2021, being the latest practicable date prior to publication of this Notice, there were no outstanding warrants or options to subscribe for ordinary shares in the Company and the Company did not hold any treasury shares.

## **Resolution 21: Notice of general meetings**

Under the Companies Act 2006, as amended, the notice period required for all general meetings of the Company is 21 days, though shareholders can approve a shorter notice period for general meetings that are not annual general meetings, which cannot however be less than 14 clear days. Annual general meetings will continue to be held on at least 21 clear days' notice. The shorter notice period would not be used as a matter of routine, but only where the flexibility is merited by the business of the general meeting to be held, and is thought to be to the advantage of shareholders as a whole. Shareholder approval will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed.

## **Nominated persons**

7. The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with section 146 of the Companies Act 2006 ('nominated persons'). Nominated persons may have a right under an agreement with the member who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. ## **Total voting rights**

9. Holders of Ordinary Shares are entitled to attend and vote at general meetings of the Company. Each Ordinary Share confers one vote on a poll. The total number of issued Ordinary Shares in the Company on 12 April 2021, which is the latest practicable date before the publication of this document, is 300,000,000. Therefore, the total number of votes exercisable as at 12 April 2021 is 300,000,000.

As at 12 April 2021, there have been no further changes in the major shareholdings notified to the Company since 22 March 2021 (being the date on which the Directors' Report for the period ended 31 December 2020 was approved). Similarly, there have been no further changes in the interests of Directors in the Company's issued share capital since 22 March 2021.

### **CREST proxy instructions**

- 10. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting (and any adjournment of the meeting) by following the procedures described in the CREST Manual (available via www.euroclear.com). CREST Personal Members or other CREST sponsored members (and those CREST members who have appointed a voting service provider) should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.
- 11. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message (regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy) must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by the latest time(s) for receipt of proxy appointments specified in note 6 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
- 12. CREST members (and, where applicable, their CREST sponsors or voting service providers) should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that their CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members (and, where applicable, their CREST sponsors or voting service providers) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
- 13. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

### Further information about the AGM continued

### **Automatic poll voting**

14. Each of the resolutions to be put to the meeting will be voted on by poll and not by show of hands. A poll reflects the number of voting rights exercisable by each member and so the Board considers it a more democratic method of voting. It is also in line with recommendations made by the Shareholder Voting Working Group and Paul Myners in 2004. Further, the Company considers that a poll is the only way that Shareholders (save for those in attendance at the AGM for the purposes of achieving quorum) will be able to have their vote counted in light of the current UK Government's mandatory social distancing measures in place due to the COVID-19 pandemic. Members and proxies will be asked to complete a poll card to indicate how they wish to cast their votes. These cards will be collected at the end of the meeting. The results of the poll will be published on the Company's website and notified to the UK Listing Authority once the votes have been counted and verified.

### **Publication of audit concerns**

- 15. Under section 527 of the Companies Act 2006 members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to:
  - (a) the audit of the Company's accounts (including the Auditors' Report and the conduct of the audit) that are to be laid before the Annual General Meeting; or
  - (b) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required toxplace a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.

### **Questions**

- 16. Any shareholder has the right to ask questions. We strongly encourage shareholders to submit any questions in advance of the meeting to CoSec@alfasystems.com. The Company must answer any such question relating to the business being dealt with at the meeting but no such answer need be given if:
  - (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, or
  - (b) the answer has already been given on a website in the form of an answer to a question, or
  - (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

Guests will not be permitted to ask questions.

### **Documents on display**

17. Copies of the Executive Directors' employment service contracts, and Letters of Appointment between the Company and its Non-Executive Directors are available by request from the Company Secretary and subject to any Government public health restrictions at the registered office of the Company during usual business hours.
