CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the main board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

LETTER FROM THE BOARD

GENERAL MANDATES TO ISSUE SHARES AND TO REPURCHASE SHARES

At the annual general meeting of the Company held on Monday, 28 December 2009, the general mandates were granted to the Directors authorising them, inter alia, (a) to exercise the power of the Company to allot and issue Shares not exceeding 20% of the issued share capital as at 28 December 2009; (b) to exercise the power of the Company to repurchase Shares not exceeding 10% of the issued share capital as at 28 December 2009; and (c) to extend the general mandate to issue Shares by the number of Shares purchased under the repurchase mandate mentioned in (b) above. Such general mandates will expire at the conclusion of the Annual General Meeting.

At the Annual General Meeting, separate ordinary resolutions will be proposed to seek the approval of the Shareholders to grant to the Directors general mandates authorising them, inter alia, (a) to exercise the power of the Company to allot, issue and deal with Shares not exceeding 20% of the issued share capital as at the date of the passing of such resolution (“Share Issue Mandate”); (b) to exercise the power of the Company to repurchase Shares not exceeding 10% of the issued share capital as at the date of the passing of such resolution (“Repurchase Mandate”); and (c) to extend the general mandate to issue Shares by the number of Shares purchased under the Repurchase Mandate. The Share Issue Mandate and Repurchase Mandate will expire at the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws to be held; and (iii) the revocation, variation or renewal of the Share Issue Mandate and Repurchase Mandate by ordinary resolution of the Shareholders in general meeting.

Assuming that no further Shares are issued or repurchased after 12 November 2010, being the Latest Practicable Date, and before the date of the Annual General Meeting, there will be 662,200,000 Shares in issue, and exercise in full of the Share Issue Mandates will result in a maximum of 132,440,000 Shares being issued by the Company under the Share Issue Mandate, representing 20% of the existing issued share capital of the Company.

The Directors believe that it is in the interest of the Company and the Shareholders as a whole if the Share Issue Mandate and Repurchase Mandate are granted at the Annual General Meeting. The Repurchase Mandate provides Directors with flexibility make such repurchase as and when appropriate. However, the Directors currently have no intention to repurchase any Shares.

Chairman

The following is an explanatory statement required to be sent to all Shareholders under the GEM Listing Rules in connection with a resolution to be proposed at the Annual General Meeting approving the Repurchase Mandate.

This explanatory statement contains all the information required under rules 13.08 and 13.09 of the GEM Listing Rules which are set out as follows:

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued capital of the Company comprised 662,200,000 Shares of HK\$0.10 each.

If the resolution numbered 5 authorising the Directors to repurchase its own shares is passed at the Annual General Meeting, and assuming that no new shares in the Company are issued prior to the date of passing the said resolution, based on the 662,200,000 Shares in issue as at the Latest Practicable Date, up to 66,220,000 Shares, representing 10% of the existing issued share capital of the Company may be repurchased by the Company, during the period from the date of passing the resolution numbered 5 and ending on the earliest of the date of the next Annual General Meeting, the date by which the next annual general meeting of the Company is required to be held by the Articles of Association or applicable laws of the Cayman Islands and the date upon which the resolution numbered 5 is revoked or varied by shareholders in general meeting.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interest of the Company and its Shareholders for the Directors to have a general authority from its Shareholders to enable the Company to repurchase shares in the market at any appropriate time. Such repurchase may, depending on market conditions and funding arrangements at that time, lead to enhancement of the net asset value of the Company and/or its earnings per share and will only be made when the Directors believe that such repurchases will benefit the Company and its shareholders.

3. FUNDING OF REPURCHASES

The Company may not repurchase its shares on the GEM for a consideration other than cash or for settlement otherwise than in accordance with the GEM Listing Rules from time to time. Repurchases must be made out of funds legally available for the purpose in accordance with the Memorandum and Articles of Association of the Company and the applicable laws of the Cayman Islands and Hong Kong and the GEM Listing Rules. The Companies Laws of the Cayman Islands (the “Laws”) provide that a share repurchase by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose or, if so authorized by the Articles of Association and subject to the provisions of the Laws, out of capital. Any premium payable on a repurchase over the par value of the Shares repurchased or conditionally or unconditionally to be purchased must be provided for out of profits of the Company or out of the Company’s share premium account or if so authorised by the Articles of Association and subject to the provisions of the Laws, out of capital.

4. IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position as disclosed in the most recent published audited financial statements for the year ended 30 June 2010 and taking into account the current working capital position of the Company) in the event that the proposed repurchase of shares was to be carried out in full at any time during the proposed repurchase period. However, the Directors expect to exercise such mandate if and to such extent only as they are satisfied that the exercise thereof will not have such a material adverse impact.

5. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the GEM in each of the previous twelve months before the Latest Practicable Date were as follows:

Traded Price	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2009		
November	1.08	0.66
December	0.92	0.67
2010		
January	0.81	0.55
February	0.72	0.46
March	0.74	0.32
April	0.62	0.52
May	0.68	0.38
June	0.47	0.40
July	0.45	0.35
August	0.45	0.38
September	0.66	0.38
October	0.53	0.38
November (up to the Latest Practicable Date)	0.43	0.33

6. GENERAL

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Memorandum and Articles of Association of the Company, the GEM Listing Rules and the applicable laws of the Cayman Islands.

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective associates have any present intention to sell any Shares of the Company under the Repurchase Mandate if such is approved by the Shareholders.

As at the Latest Practicable Date, no connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

The Directors have no intention to exercise the Repurchase Mandate to an extent as may result in a public shareholding of less than such prescribed minimum percentage as required under the GEM Listing Rules.

7. HONG KONG CODE ON TAKEOVERS AND MERGERS

If, as the result of the repurchase of the Company's Shares, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeover Code. As a result, a shareholder, or a group of shareholders acting in concert, could, depending on the level of increase of shareholding interest, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with rules 26 and 32 of the Takeover Code. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeover Code as a consequence of any repurchase pursuant to the Repurchase Mandate.

As at the Latest Practicable Date, the register of substantial shareholders required to be maintained under section 336 of the SFO showed that, the following shareholders had an interest of 5% or more in the issued share capital of the Company:

Substantial shareholders

Name	Number of shares	Percentage to issued share capital	Percentage to issued share on full exercise of Repurchase Mandate
Queensbury Global Limited (Note 1)	175,682,200	26.53%	29.48%
Mr. Ji He Qun (Note 2)	70,280,000	10.61%	11.79%
Mr. Chan Kwan Pak Gilbert	40,000,000	6.04%	6.71%

Notes: 1. Queensbury Global Limited is owned as to 88.38% by Million Fortune Group Limited. Million Fortune Group Limited is owned as to 87% by Ms. Samantha Keung, a chief executive officer of the Company.

2. 60,800,000 shares are owned by Mr. Ji He Qun, an executive Director of the Company, and 9,480,000 shares are owned by Ms. Sun Guang Hong, the spouse of Mr. Ji He Qun.

Save as disclosed above, the Company has not been notified of any other interests representing 5% or more or any short positions in the issued share capital of the Company as at the Latest Practicable Date.

In the event that the Directors shall exercise in full the power to repurchase shares of the Company in accordance with the terms of the resolution numbered 5 to be proposed at the Annual General Meeting, the total interests of the above substantial shareholders would be increased to approximately the respective percentages shown in the last column above, which will not give rise to an obligation to make a mandatory offer under rule 26 of the Takeover Code. In fact, the Directors do not have the intention to exercise the power to repurchase shares of the Company to an extent which would make any of the substantial shareholders to be obliged to make a mandatory offer under rule 26 of the Takeover Code in this respect.

8. SHARE REPURCHASE MADE BY THE COMPANY

No purchase of Shares have been made by the Company in the previous six months immediately preceding the Latest Practicable Date, whether on the Stock Exchange or otherwise.

The details of the retiring Directors proposed to be re-elected at the Annual General Meeting are set out below:

The Company does not have any service contract with Mr. Chan. His length of service with the Company is not fixed. His emoluments are determined by reference to his duties and responsibilities with the Company and he is entitled to receive an annual emolument of HK\$120,000.
