CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

LETTER FROM THE BOARD

10. COMPETING INTERESTS

To the best knowledge of the Directors, save for the connected transactions as disclosed in the section headed “Connected transactions” in the Company’s annual report for the year ended 31 December 2025, none of the Directors or the controlling Shareholders (as defined in the GEM Listing Rules) of the Company, nor any of their respective close associates (as defined in the GEM Listing Rules), had any interest as at the Latest Practicable Date that competes or may compete with the business of the Group, which would be required to be disclosed under Rule 11.04 of the GEM Listing Rules.

11. GENERAL

Your attention is drawn to the additional information set out in the appendices to this circular.

12. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information relating to the Group. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief, the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

By Order of the Board
Ziyuanyuan Holdings Group Limited
Zhang Junshen
Chairman and Chief Executive Officer

This appendix serves as an explanatory statement, as required by the GEM Listing Rules, to provide requisite information to the Shareholders for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the AGM in relation to the granting of the Share Buy-back Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 516,000,000 Shares.

Subject to the passing of the ordinary resolution set out in item 6 of the notice of the AGM in respect of the granting of the Share Buy-back Mandate and on the basis that the issued shares of the Company remains unchanged on the date of the AGM, the Directors would be authorised under the Share Buy-back Mandate to repurchase, during the period in which the Share Buy-back Mandate remains in force, up to a maximum of 51,600,000 Shares, representing 10% of the total number of Shares in issue as at the date of the AGM.

The Share Issue Mandate will, if granted, remain effective until the earliest of:

- (i) the conclusion of the next annual general meeting of the Company;
- (ii) the expiry of the period within which the next annual general meeting of the Company is required by any applicable laws of the Cayman Islands or the Articles to be held; or
- (iii) its revocation, variation or renewal by an ordinary resolution of the Shareholders in a general meeting.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and its Shareholders to have a general authority from Shareholders to enable the Directors to repurchase Shares at any time they consider appropriate for the enhancement of long-term shareholder value. An exercise of the Share Buy-back Mandate may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders.

3. FUNDING OF REPURCHASES

Repurchases will be funded entirely from the Company's available cash flow or working capital from time to time which will be funds legally available under the Cayman Islands law and the Memorandum and the Articles for such purposes.

4. IMPACT OF REPURCHASES

The Directors would exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and in circumstances where they consider that the Shares can be repurchased on the terms favourable to the Company. There might be a material adverse impact on the working capital and/or gearing position of the Company (as compared with the position disclosed in the audited consolidated financial statements contained in the annual report of the Company for the year ended 31 December 2025) in the event that the Share Buy-back Mandate was to be carried out in full at any time during the proposed buy-back period. The Directors do not, however, intend to make any repurchase in circumstances that would have a material adverse impact on the working capital or gearing position of the Company.

5. MARKET PRICES OF SHARES

The highest and lowest traded prices for the Shares on the Stock Exchange during each of the twelve months immediately preceding and up to the Latest Practicable Date were as follows:

Month	Price per Share

April	2.67	1.28
May	1.89	1.17

2026		
January	0.91	0.40
February	0.76	0.65
March	0.85	0.42
April (up to the Latest Practicable Date)	0.80	0.43

6. REPURCHASE OF SECURITIES FROM CORE CONNECTED PERSONS

The GEM Listing Rules prohibit a company from knowingly purchasing shares from a “core connected person”, that is, a director, chief executive or substantial shareholder of the Company or any of its subsidiaries or their respective close associates, and a core connected person is prohibited from knowingly selling his/her/its shares to the Company, on GEM.

As at the Latest Practicable Date, no core connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company nor has any such core connected person undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the granting of the Share Buy-back Mandate is approved by the Shareholders.

7. DIRECTORS AND THEIR CLOSE ASSOCIATES

To the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their respective close associates has any present intention to sell any Shares to the Company in the event that the granting of the Share Buy-back Mandate is approved by the Shareholders.

8. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to repurchase Shares pursuant to the Share Buy-back Mandate in accordance with the GEM Listing Rules and applicable laws of the Cayman Islands.

9. EFFECT OF TAKEOVERS CODE

If, as a result of a repurchase of Shares pursuant to the Share Buy-back Mandate, a Shareholder’s proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of increase in the Shareholder’s interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

To the best knowledge of the Company, as at the Latest Practicable Date, the Directors are not aware of any consequences which may give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors do not propose to exercise the Share Buy-back Mandate to such an extent as would, in the circumstances, give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code or result in the aggregate number of Shares held by the public shareholders falling below the prescribed minimum percentage required by the Stock Exchange.

10. SHARES REPURCHASES MADE BY THE COMPANY
