PROFIT WARNING

This announcement is made by AL Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on the GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary review of the unaudited consolidated results of the Group for the three months ended 31 March 2019 (the “**Period**”), the Group is expected to record a consolidated loss attributable to the owners of the Company for the Period, as compared to a consolidated profit for the three months ended 31 March 2018.

Such change from profit to loss was primarily attributable to (i) decrease in gain on change in fair value of financial assets at fair value through profit or loss for the Period when compared to the same period in 2018; (ii) decline in the overall gross profit margin for the Group’s business as a result of additional subcontracting costs incurred when carrying out certain projects and keen competition in the market; and (iii) increase in finance cost due to the issuance of the promissory note by the Group in June 2018.

As at the date of this announcement, the Group is still in the process of finalizing the consolidated results of the Group for the Period. The information contained in this announcement is only based on the preliminary assessment of the unaudited consolidated management accounts of the Group

made by the Board with reference to the information currently available to the Board and is not based on any figure or information which has been audited or reviewed by the auditors of the Company or reviewed by the audit committee of the Board and may be subject to adjustments where necessary.

Shareholders and potential investors are advised to read carefully the results announcement of the Group for the Period, which is expected to be published by 14 May 2019.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
