VOLUNTARY ANNOUNCEMENT
ENTERING INTO EV CHARGING AGREEMENTS
WITH NEW PRODUCT

This is an announcement made by Cornerstone Technologies Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis to inform the shareholders of the Company and potential investors about the latest business development of the Group. The board (the “**Board**”) of directors (the “**Directors**”) of the Company is pleased to announce that on 15 December 2021, Cornerstone EV Charging Service Limited (“**Cornerstone Charging**”), an indirectly wholly-owned subsidiary of the Company, entered into an exclusive licence agreements (the “**Exclusive Licence Agreement**”) with a famous property management company (the “**Manager**”) to undertake EV charging projects in a residential estates in Kowloon East, which expected to install 60 parking spaces at the initial stage. Under the Exclusive Licence Agreements, Cornerstone Charging has been granted a five-year exclusive right mainly for the development, design and installation of the EV charging facilities in the car parks and provision of EV charging and support services, installation, and repair and maintenance of EV charging equipment for the landlords and/or tenants (the “**User**”) of the parking spaces. Cornerstone Charging are required by the Manager to install its latest EV charger with patented ceiling-mount charging solution, Aloft, to fit for the environment of car park spacing. Cornerstone Charging will enter into separate subscription agreements with the Users on an as-needed basis. This milestone of the Exclusive Licence Agreements represents a various EV charging solutions provided by

the Group. We will continue to focus on co-operation with property management companies in providing EV charging solutions to promote green energy with a view to enhance assets value. The Board wishes to state that no forecast or prediction of the profits of the Group has been made with regard to the award of the above project.

By Order of the Board
