Dear Shareholder

### Notice of Annual General Meeting

I am pleased to enclose the Notice set out in Part 3 of this document (including the explanatory notes) convening the Annual General Meeting (**AGM**) of Esken Limited (the **Company**). The AGM will be held at 10.00 a.m. on 17 August 2021 at Third Floor, 15 Stratford Place, London W1C 1BE where the resolutions set out in the Notice will be proposed and Shareholders' approval sought.

### Fundraising plans

On 30th June 2021, we announced our annual results for the year ending 28th February 2021, and referred in that announcement to our plans for a new funding package of £60m gross comprising a new £20m working capital facility to support treasury management and an equity issue of around £40m by way of a documented prospectus offering. Doing this will allow us to refinance fully our existing bank debt, meet certain of our remaining legacy obligations and provide the necessary working capital to underpin our business plan. It is also our intention to actively look to realise residual infrastructure assets with a net book value of £39m at the year end to provide additional resources for investment. These are still our plans and we expect them to proceed towards a planned conclusion in August 2021, alongside consummation of the planned investment in London Southend Airport by Carlyle Global Infrastructure Opportunity Fund, L.P. (Carlyle) by way of a convertible loan. As we said at the time, those transaction will require the approval of shareholders and it is our intention to hold the meeting (the **EGM**) to approve the resolutions relevant to those matters immediately following the AGM in order that both the business of the AGM and the fundraising initiatives can be concluded with a minimum of inconvenience for shareholders and cost to the Company. As a result, it is possible that we may need to adjourn the AGM if the finalization of plans for the fundraising initiatives does not permit the EGM to be held on 17th August 2021 alongside the AGM. We will, of course, strive to keep you informed as soon as possible should it be our intention to adjourn the AGM on 17th August 2021 to coincide with the date of the EGM. You will be notified of any such proposed change via a Regulatory Information Service and via the Company's website [www.esken.com](http://www.esken.com).

**Business of the AGM**

Your attention is drawn to the Notice of AGM set out in Part 3 at the end of this document and the definitions set out in Part 2. You are advised to read the whole of this document, including the explanatory notes to the resolutions, and not rely on the summary information provided above.

There are 15 resolutions which form the business of the AGM. Further information about each resolution can be found in the Explanatory Notes to this document at pages 12 to 15.

Resolutions 1 to 11 are to be proposed as ordinary resolutions and Resolutions 13 to 15 are to be proposed as special resolutions. The ordinary resolutions 1 to 12 will require a simple majority of those voting in person or by proxy (whether on a show of hands or on a poll) in favour of such resolutions. The special resolutions 13 to 15 will require approval by not less than 75 per cent. of those voting in person or by proxy (whether on a show of hands or on a poll) in favour of such resolutions.

Only holders of Ordinary Shares may vote at the AGM.

**Coronavirus (COVID-19) measures**

The Company is continuing to monitor public health guidance and legislation issued by the UK Government. Considering the continued unpredictability of UK Government guidance due to COVID-19, the AGM will be held in the first instance as a hybrid meeting which will enable Shareholders to participate and attend electronically in the safest manner possible, without leaving their homes and will permit Shareholders to be heard and to vote. We strongly encourage you to make full use of the electronic meeting facilities available to you.

**The Board is keen to ensure that Shareholders are able to exercise their right to vote and, accordingly, strongly recommends that Shareholders vote by way of proxy or by way of the electronic meeting facilities. The Board strongly encourages Shareholders to appoint the Chairman of the meeting, rather than any other person, as their proxy to exercise their right to vote at the AGM in accordance with their instructions as you or your proxy may not attend the meeting in person other than by way of the electronic meeting facilities.**

**For the avoidance of doubt, it will not be possible to attend in person at the AGM unless circumstances change before the date of the AGM other than by way of the electronic meeting facilities.**

The health and wellbeing of the Company's employees, Shareholders and the wider communities in which it operates is of paramount importance to the Board and the steps set out in this section are necessary and appropriate ones to take given the current pandemic.

**Asking questions at the AGM**

The Company recognises the importance of being able to answer Shareholders' questions. Shareholders are invited to email Matthew Joy, Company Secretary (matthew.joy@esken.com) including their Shareholder Reference Number (shown on their share certificate as Investor Code or IVC), with any questions relating to the business of the AGM which they would like to have considered. The Company requests that questions be submitted by 7 August 2021 at the latest. The Company will attempt to answer as many of Shareholders' questions as it can via the Company's website (www.esken.com) in advance of the AGM. If the Company receives a large number of questions on similar topics, it may group those questions and respond to them generally. Shareholders may also ask questions through the electronic meeting facilities.

**Electronic Meeting**

Shareholders may attend the meeting electronically by accessing the Lumi AGM website at <https://web.lumiagm.com>.

**Accessing the Lumi website**

Lumi can also be accessed online using most well-known internet browsers such as Internet Explorer (not compatible with versions 10 and below), Chrome, Firefox and Safari on a PC, laptop or internet-enabled device such as a tablet or smartphone. If you wish to access the AGM using this method, please go to <https://web.lumiagm.com> on the day.

**Logging in**

On accessing the AGM website, you will be asked to enter a Meeting ID, which is 155-493-987. You will then be prompted to enter your unique 11 digit Investor Code (IVC) including any leading zeros, and 'PIN'. Your PIN is the last 4 digits of your IVC. This will authenticate you as a shareholder.

Your IVC can be found on your share certificate, or Signal Shares users (www.signalshares.com) will find this under 'Manage your account' when logged in to the Signal Shares portal. You can also obtain this by contacting Link Group, the Registrar, by calling 0371 664 0321. Lines are open from 9.00 a.m. to 5.30 p.m. Monday to Friday, calls are charged at the standard geographic rate and will vary by provider. Calls outside the UK will be charged at the applicable international rate.

## PART 1: LETTER FROM THE EXECUTIVE CHAIRMAN OF ESKEN LIMITED continued

### Voting at the AGM

Access to the AGM will be available from 30 minutes before meeting start time, although the voting functionality will not be enabled until the chairman of the meeting declares the poll open. During the AGM, you must ensure you are connected to the internet at all times in order to vote when the chairman commences polling on the Resolutions. Therefore, it is your responsibility to ensure connectivity for the duration of the AGM. A user guide to the Lumi website is available on our website at: <https://www.esken.com/investors/shareholder-centre/documents-circulars/?year=2021>.

Shareholders are strongly encouraged to submit a proxy vote in advance of the AGM. You can submit your proxy vote online or by returning any Form of Proxy posted to you on your request. Given the current arrangements regarding attendance, we would urge shareholders to appoint the Executive Chairman as their proxy rather than a named person. Shareholders who participate in the AGM electronically or in person will be able to vote in real time. All voting on the day will be via the dedicated online platform, <http://web.lumiagm.com>.

### Sending Forms of Proxy by post or by hand

If you hold your Shares directly you are asked to submit your proxy electronically by accessing the Registrar's website at [www.signalshares.com](http://www.signalshares.com). Instead of voting online, you may request a hard copy form of proxy directly from the Company Registrar, Link Group, by email at [enquiries@linkgroup.co.uk](mailto:enquiries@linkgroup.co.uk), or you may call Link on 0371 664 0321 (or +44 (0) 371 664 0321 if calling from outside the United Kingdom). Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. The helpline is open between 9.00 a.m. and 5.30 p.m., Monday to Friday excluding public holidays in England and Wales. If you request a hard copy, please complete and sign it in accordance with the instructions printed on it and return it either (i) by post or, (ii) during normal business hours only, by hand, to the Company's registrar, Link Group, PXS1, 10th Floor, Central Square, 29 Wellington Street, Leeds LS1 4DL, so as to be received as soon as possible and in any event not later than **10.00** (London time) on **13 August 2021**, or, if the AGM is adjourned, the Form of Proxy should be received not later than 48 hours before the time fixed for the adjourned AGM.

The Form of Proxy must be returned by the time mentioned above, or it will be invalid.

Shareholders are entitled to appoint a proxy in respect of some or all of their Shares and may also appoint more than one proxy, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by such holder. Shareholders who wish to appoint more than one proxy in respect of their holding of Shares should contact Link Group for further Forms of Proxy.

Completion and return of a Form of Proxy, or the appointment of a proxy electronically using CREST (or any other procedure described below), will not prevent you from attending, asking questions via the text function on the meeting platform and voting in person at the AGM (by electronic means), or any adjournment thereof, if you wish and are entitled to do so.

### Online appointment of proxies

Shareholders entitled to attend and vote at the AGM may appoint a proxy electronically by logging on to the Registrar's website at [www.signalshares.com](http://www.signalshares.com) and entering the Voting ID, Task ID and Shareholder Reference Number shown on their Form of Proxy. For an electronic proxy appointment to be valid, the appointment must be received by the Company's registrar, Link Group, no later than 10.00 a.m. London time on 13 August 2021 (or, in the case of adjournment(s), not later than 48 hours before the time fixed for the adjourned meeting). Full details of the procedure to be followed to appoint a proxy electronically are given on the website.

### Electronic appointment of proxies through CREST

If you hold Shares in uncertificated form through CREST and wish to appoint a proxy or proxies for the meeting (or any adjourned meeting) by using the CREST electronic proxy appointment service, you may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed any voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with the specifications of Euroclear and must contain the information required for such instructions as described in the CREST Manual. The message (regardless of whether it constitutes the appointment of a proxy or an amendment to the instructions given to a previously appointed proxy), must, in order to be valid, be transmitted so as to be received by the Company's registrar, Link Group not less than 48 hours before the time fixed for the AGM (not counting non-working days) (or adjourned meeting). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which Link Group is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers, should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed any voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in the CREST Regulations.

### Shareholder Helpline

If you have any questions about this document or the AGM, or are in any doubt as to how to complete the Form of Proxy or submit a proxy form electronically, please contact the Company's registrars, Link Group, at PXS 1, 10th Floor, Central Square, 29 Wellington Street, Leeds LS1 4DL or call on 0371 664 0321 or, if telephoning from outside the UK, on +44 (0) 371 664 0321, between 9.00 a.m. and 5.30 p.m. (London time), Monday to Friday (excluding English and Welsh public holidays). Calls to the helpline from outside the UK will be charged at applicable international rates. Calls may be recorded and monitored for security and training purposes. Please note that, for legal reasons, the helpline cannot give any legal, tax or financial advice.

### Audio broadcast

The electronic meeting will be broadcast in audio format only. Once logged in, and at the commencement of the meeting, you will be able to listen to the proceeding of the meeting on your device and to ask questions.

### Requirements

An active internet connection is required at all times to listen to the audiocast. It is the user's responsibility to ensure you remain connected for the duration of the meeting.

### Duly appointed proxies and corporate representatives

If you wish to appoint a proxy other than the chairman of the meeting and for them to attend the virtual meeting on your behalf, please submit your proxy appointment in the usual way before contacting Link Group on 0371 664 0321 in order to obtain their IVC and PIN. It is suggested that you do this as soon as possible and at least 48 hours (excluding non-business days) before the meeting.

If your shares are held within a nominee and you wish to attend the electronic meeting, you will need to contact your nominee as soon as possible. Your nominee will need to present a corporate letter of representation to Link Group, the Company Registrar, as soon as possible and at least 72 hours (excluding non-business days) before the meeting, in order that they can obtain your unique IVC and PIN to enable you to attend the electronic meeting.

### Recommendation

**The Board considers the passing of the resolutions to be proposed at the AGM to be in the best interests of the Company and Shareholders as a whole.**

**Accordingly, the Board recommends that Shareholders vote in favour of the resolutions to be proposed at the AGM, as the Directors intend to do in respect of their own beneficial holdings of Ordinary Shares, which amount in aggregate to 1,517,633 Ordinary Shares representing approximately 0.24% per cent. of the issued Ordinary Shares of the Company (excluding treasury shares) at the Latest Practicable Date.**

Yours faithfully

**David Shearer**

Executive Chairman

and such power shall, unless previously renewed, varied or revoked by the Company in general meeting, expire at the conclusion of the next annual general meeting of the Company or at close of business on 17 November 2022 (if earlier) save that the Directors of the Company may, before the expiry of such period, make an offer or agreement which would or might require equity securities to be issued and treasury shares to be sold after the expiry of such period and the Directors of the Company may issue equity securities and sell treasury shares in pursuance of such offer or agreement as if such power had not expired.”

15. To consider and, if thought fit, pass the following resolution which will be proposed as a special resolution:

"THAT in accordance with the Companies (Guernsey) Law, 2008 as amended, and in substitution for all existing authorities, the Company be, and hereby is generally, and unconditionally authorised to make one or more market acquisitions as defined in section 316 of the Companies (Guernsey) Law, 2008 of its Ordinary Shares on such terms and in such manner as the Directors may determine, provided that:

- (a) the maximum aggregate number of Ordinary Shares hereby authorised to be acquired does not exceed 63,092,612 Ordinary Shares;
- (b) the minimum price (exclusive of expenses) which may be paid for an Ordinary Share shall be 10 pence;
- (c) the maximum price (exclusive of expenses) which may be paid for an Ordinary Share shall be not more than the higher of: (i) 5 per cent above the average of the middle market quotations for an Ordinary Share as derived from the Daily Official List of London Stock Exchange plc for the five business days immediately before the purchase is made; and (ii) the higher of the price of the last independent trade of an Ordinary Share, and the highest independent bid as derived from the London Stock Exchange Trading System at the time of the purchase for the Ordinary Shares;
- (d) the authority conferred shall expire at the conclusion of the next annual general meeting of the Company or at close of business on 17 November 2022 (if earlier);
- (e) notwithstanding paragraph (d) above, the Company may make a contract to purchase Ordinary Shares under the authority hereby conferred prior to the expiry of such authority which will or may be completed wholly or partly after the expiration of such authority, and may make a purchase of Ordinary Shares pursuant to any such contract; and
- (f) any Ordinary Shares bought back may be held as treasury shares in accordance with the Companies (Guernsey) Law, 2008 or be subsequently cancelled by the Company."

## Explanatory notes to the resolutions

Resolutions 1 to 12 (inclusive) are proposed as ordinary resolutions. For each of these to be passed, a simple majority in favour of the relevant resolution will be required of those voting. Resolutions 13 to 15 are proposed as special resolutions. For each of these to be passed, at least 75 per cent of the votes cast must be in favour of the resolution.

An explanation of each of the resolutions is set out below:

### Resolution 1 – Report and Accounts

The Directors are obliged to lay the Directors' and Auditor's Reports and audited financial statements for the year ended 28 February 2021 before Shareholders at a general meeting.

### Resolutions 2 to 8 inclusive – re-election of Directors

Under the UK Corporate Governance Code, the Directors of all companies admitted to the premium segment of the Official List should be subject to annual re-election by the Shareholders. David Shearer offers himself to be appointed as Executive Chairman, Nick Dilworth and Lewis Girdwood each offer themselves for re-election as Executive Directors. Ginny Pulbrook, John Coombs, David Blackwood and Clive Condie each offer themselves for re-appointment or appointment (as applicable) as Non-Executive Directors.

The Directors believe that all four of the Non-Executive Directors are independent in character and judgement, such that half of the Board (excluding the Executive Chairman) are independent. In addition, the Executive Chairman confirms that, following formal procedure evaluation in relation to their duty to act in the long-term interest of the Company on behalf of its Shareholders (while also having due regard for other stakeholders), each of the Non-Executive Director's performance is and continues to be effective and they each demonstrate commitment to their role.

The diverse experience, skills and contribution offered by each Director across a variety of industries and sectors (as more particularly described in their individual biographies) are very valuable to the Company and complement its strategy. Given that these attributes are, and will continue to be, important to the Company's long-term sustainable success, the Executive Chairman believes that it is appropriate that each of them who wish to continue to serve on the Board, do so.

The biographies below summarise the skills and experience of each Director and set out the specific reasons why each Director is, and continues to be, important to the sustainability of the Company's long-term success.

## Explanatory notes to the resolutions continued

### Resolutions 9 and 10 – Auditors' re-appointment and remuneration

The auditors of a company must be appointed at each general meeting at which accounts are presented to shareholders. Resolution 9 proposes the re-appointment of the Company's existing auditors, KPMG LLP, until the conclusion of the next annual general meeting of the Company to be held in 2022. The current appointment of KPMG LLP as the Company's auditors will end at the conclusion of the AGM and it has advised of its willingness to stand for re-appointment.

In accordance with current best practice, Resolution 10 is a separate resolution which gives authority to the Directors to determine the auditors' remuneration.

### Resolution 11 – Directors' Remuneration

For UK incorporated companies, there are requirements in relation to the content and approval of the Directors' Remuneration Report. Although, as a Guernsey-incorporated company, Esken is not subject to these requirements, the Board considers that Shareholders would expect the Company to voluntarily mirror the requirements of the UK legislation applicable to a Main Market company so far as is practicable. Resolution 11 seeks separate Shareholder approval for the Directors' Remuneration Report which gives details of the Directors' remuneration for the financial year ended 28 February 2021 and which is set out on pages 88 to 100 of the Annual Report and Accounts. The vote is advisory only and no Director's remuneration is conditional on the vote being passed.

### Resolution 12 – Directors' authority to issue shares

In accordance with The Investment Association's Share Capital Management Guidelines, this resolution authorises the general issue of Ordinary Shares:

- (a) up to an aggregate nominal amount of £21,030,870.70, which is equal to approximately one-third of the nominal value of the current issued share capital of the Company (excluding treasury shares) at the Latest Practicable Date; and
- (b) up to an aggregate nominal amount of £42,061,741.50, which is equal to approximately two-thirds of the nominal value of the current issued share capital of the Company (excluding treasury shares) at the Latest Practicable Date (including the amount in paragraph (a) above) in connection with a pre-emptive offer to existing Shareholders by way of a rights issue (with exclusions to deal with fractional entitlements to shares and overseas Shareholders to whom the rights issue cannot be made due to legal and practical problems).

Such authority will expire at the conclusion of the next annual general meeting of the Company or 17 November 2022 (whichever is earlier).

The Directors have no current intention to exercise this authority (except to satisfy awards made under employee share schemes), but the Board wishes to ensure that the Company has maximum flexibility in managing the financial resources of the Company. This resolution revokes and replaces all unexercised authorities previously granted to the Directors to issue Ordinary Shares or to grant rights to subscribe for or to convert any securities into Ordinary Shares but without prejudice to any issue of shares or grant of rights already made, offered or agreed to be made pursuant to such authorities.

The Company held no treasury shares as at the Latest Practicable Date.

### Resolutions 13 and 14 – disapplication of pre-emption rights

These resolutions authorise the Directors to issue equity securities (as defined in the Articles of Incorporation) for cash without first offering them to the existing Shareholders in proportion to their existing shareholdings. The authority under these resolutions would be limited to:

- (a) allotments or sales in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those shares or as the Board considers necessary;
- (b) allotments or sales (otherwise than pursuant to (a) above) up to an aggregate nominal amount of £3,154,630.60 (representing 31,546,306 Ordinary Shares), which represents approximately 5 per cent of the issued Ordinary Share capital of the Company (excluding treasury shares) as at the Latest Practicable Date; and
- (c) allotments or sales (otherwise than pursuant to (a) above) up to an aggregate nominal amount of £3,154,630.60 (representing 31,546,306 Ordinary Shares), which represents approximately a further 5 per cent. of the issued Ordinary Share capital of the Company (excluding treasury shares) as at the Latest Practicable Date, for the purposes of financing (or refinancing, if the waiver is used within six months of the original transaction) a transaction which the directors determine to be an acquisition or other capital investment of a kind contemplated by the Pre-emption Group's Statement of Principles.

The disapplication authorities in Resolution 13 are in accordance with the Pre-Emption Group's Statement of Principles which allow a board to allot equity securities for cash otherwise than in connection with a pre-emptive offer up to 5 per cent of a company's issued share capital for use on an unrestricted basis.

The disapplication authorities in Resolution 14 are in addition to the authorities in Resolution 13, in accordance with the Pre-Emption Group's Statement of Principles which allow a board to allot equity securities for cash otherwise than in connection with a pre-emptive offer up to a further 5 per cent of a company's issued share capital for the purposes of financing (or refinancing, if the waiver is used within six months of the original transaction) a transaction which the directors determine to be an acquisition or other capital investment of a kind contemplated by the Pre-emption Group's Statement of Principles.

In accordance with the Pre-Emption Group's Statement of Principles, the Board confirms its intention that no more than 7.5 per cent of the issued share capital of the Company will be issued for cash on a non-pre-emptive basis during any rolling three-year period (except in accordance with Resolution 14) without prior consultation with Shareholders. The Directors have no present intention to exercise this authority, but it is considered prudent to maintain the flexibility that this authority provides.

#### **Resolution 15 – authority to purchase own shares**

This resolution seeks Shareholder approval for the Company to make market purchases of up to 63,092,612 Ordinary Shares, being approximately 10 per cent of the issued share capital of the Company (excluding treasury shares) as at the Latest Practicable Date and specifies the minimum and maximum prices at which the Ordinary Shares may be bought. The authority conferred shall expire at the conclusion of the next annual general meeting of the Company or on 17 November 2022 (if earlier). The Directors have no present intention of exercising the authority to purchase the Company's Ordinary Shares, however, in certain circumstances it may be advantageous for the Company to purchase its own shares and the Directors consider it to be desirable for the general authority to be available to provide flexibility in the management of the Company's capital resources. Purchases of the Company's own shares will be made if to do so would be in the best interests of the Company and of its Shareholders generally, and would result in an increase in earnings per share. The Company may either retain any of its own shares which it has purchased as treasury shares with a view to possible use at a future date or cancel them. Holding the shares as treasury shares gives the Company the ability to use them quickly and cost-effectively and would provide the Company with additional flexibility in the management of its capital base. No dividends will be paid on and no voting rights will be exercised in respect of treasury shares. It is the Company's current intention that shares repurchased under this authority and held in treasury will, at the appropriate time, be transferred to the Esken Employee Benefit Trust to meet the requirements, as they arise, of the Company's share incentive arrangements (unless otherwise agreed by the Board). The total number of awards and options to subscribe for Ordinary Shares in the capital of the Company outstanding as at the Latest Practicable Date was 2,624,890, representing approximately 0.4 per cent of the issued share capital (excluding treasury shares) at that date. If the authority being sought under this resolution was utilised in full, the issued share capital would be reduced by an equivalent amount and the outstanding awards and options would represent approximately 0.4 per cent of the issued share capital as at the Latest Practicable Date. No warrants over Ordinary Shares in the capital of the Company are in existence as at the Latest Practicable Date.

## General notes to the Notice

1. The meeting will take place at Esken Limited, Third Floor, 15 Stratford Place, London W1C 1BE. At the date of this Notice, we anticipate that Shareholders will not be permitted to attend the General Meeting in person, and you are discouraged from travelling to the physical location of the meeting to do so. The electronic facilities provided to allow Shareholders to attend the AGM will constitute a 'hybrid' meeting for the purposes of the Articles of Incorporation of the Company and will permit Shareholders to be heard and to vote. If changes to Government regulation concerning travel or attendance at public gatherings change and/or are relaxed or the COVID-19 pandemic's impact on life changes in such a way that we feel that it would be prudent to encourage shareholders to attend the AGM in person, then changes to the arrangements for the AGM may be made and Shareholders will be notified via a Regulatory News Service and details will also be posted at the Company's website at [www.esken.com](http://www.esken.com). In such case, the electronic systems in place for the meeting may be adjusted to allow members not to speak at the meeting or to vote electronically.
2. A member of the Company entitled to attend, speak and vote at the meeting convened by this Notice is entitled to appoint one or more proxies to exercise any of his rights to attend, speak and vote at that meeting on his behalf. If a member appoints more than one proxy, each proxy must be entitled to exercise the rights attached to different shares. A proxy need not be a member of the Company. The Board strongly encourages Shareholders to appoint the Chairman of the AGM, rather than any other person, as their proxy to exercise their right to vote at the AGM in accordance with their instructions as Shareholders should not attend the AGM in person.
3. You can vote by lodging a proxy either:
  - a. by logging on to [www.signalshares.com](http://www.signalshares.com) and following the instructions;
  - b. by requesting a hard copy form of proxy directly from the registrar, Link Group by email at [enquiries@linkgroup.co.uk](mailto:enquiries@linkgroup.co.uk), or you may call Link Group on 0371 664 0321 (or +44 (0) 371 664 0321 if calling from outside the United Kingdom). Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Link Group are open between 09.00 – 17.30, Monday to Friday excluding public holidays in England and Wales. If you request a hard copy form of proxy, you must complete and return it in accordance with the instructions printed on it as soon as possible and, in any event, so as to be received by Link Group, PXS1, 10th Floor, Central Square, 29 Wellington Street, Leeds LS1 4DL by not later than 10.00 a.m. on 13 August 2021 (or, in the case of an adjournment, not later than 48 hours before the time fixed for the holding of the adjourned meeting). Submission of a proxy vote shall not preclude a member from attending and voting in person at the meeting in respect of which the proxy is appointed or at any adjournment thereof; or
  - c. in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below.
4. Proxy votes should be submitted as early as possible and in any event must be received by the Company's registrar, Link Group, no later than 10.00 a.m. on 13 August 2021 (being 48 hours before the time appointed for the holding of the AGM excluding non-working days).
5. You may appoint more than one proxy provided each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. To appoint more than one proxy, please contact the registrar, Link Group, on 0371 664 0321. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 9.00 a.m. and 5.30 p.m., Monday to Friday excluding public holidays in England and Wales. You will need to state clearly on each proxy form the number of shares in relation to which the proxy is appointed. Failure to specify the number of shares to which each proxy appointment relates or specifying a number in excess of those held by the shareholder will result in the proxy appointment being invalid. If you wish your proxy to speak on your behalf at the meeting you will need to appoint your own choice of proxy (not the chair) and give your instructions directly to them.
6. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If you either select the "Discretionary" option or if no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the meeting.
7. In order to revoke a proxy appointment, a member must sign and date a notice clearly stating his intention to revoke his proxy appointment and deposit it at the office of the Company's registrar, Link Group, PXS1, 10th Floor, Central Square, 29 Wellington Street, Leeds LS1 4DL by 10.00 a.m. on 13 August 2021. Alternatively, a member may revoke a proxy appointment by notifying the Company in writing at its registered office before the commencement of the AGM, or any adjournment thereof, or the taking of any poll at which the proxy is to be used. A member may also revoke a proxy appointment by logging on to [www.signalshares.com](http://www.signalshares.com) and following the instructions.

8. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so in relation to the meeting, and any adjournment(s) thereof, by utilising the procedures described in the CREST Manual. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message must be transmitted so as to be received by the Company's registrar, Link Group (whose CREST ID is RA10) by the latest time for receipt of proxy appointments specified in Note 4 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 34(1) of the Uncertificated Securities (Guernsey) Regulations, 2009.
9. CREST members and, where applicable, their CREST sponsors, or voting service providers, should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will therefore apply in relation to the input of CREST proxy instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
10. In the case of a shareholder which is a company, a hard copy proxy form must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company.
11. Any power of attorney or any other authority under which a hard copy proxy form is signed (or a duly certified copy of such power or authority) must be included with the proxy form.
12. We will be offering shareholders who cannot attend the meeting physically, the opportunity to submit questions in advance of the meeting by following the process set out on page 5 of this document. The question facility will not constitute attendance or participation on the part of the shareholder in the legal proceedings of the meeting. Questions may also be posed during the meeting by a Shareholder present at the meeting.
13. If multiple questions on the same topic are received in advance, the Chairman may choose to provide a single answer to address shareholder queries on the same topic. The Company must answer any question you ask relating to the business being dealt with at the meeting unless:
  - a. answering the question would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information;
  - b. the answer has already been given on a website in the form of an answer to a question; or
  - c. it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
14. If you attend the meeting in person you may be included in the recording of the meeting. Please note that this recording is solely for the purposes of creating a transcript of the meeting and will not be publicly available.
15. As at the Latest Practicable Date, the Company's issued share capital consists of 630,926,123 Ordinary Shares, carrying one vote each, with no treasury shares. Therefore, the total voting rights in the Company as at the Latest Practicable Date are 630,926,123.
16. Any corporation which is a member of the Company may authorise one or more persons (who need not be a member of the Company) to attend, speak and vote at the meeting as the representative of that corporation. A certified copy of the board resolution of the corporation appointing the relevant person as the representative of that corporation in connection with the meeting must be deposited at the office of the Company's registrar prior to the commencement of the meeting. However, Shareholders should note that the Board therefore strongly encourages Shareholders to appoint the chairman of the AGM, rather than any other person, as their proxy to exercise their right to vote at the AGM in accordance with their instructions in light of the fact that Shareholders and their proxies will not be able to attend the meeting due to the Coronavirus pandemic other than by electronic means.

Changes to entries on the register of members after that time shall be disregarded in determining the rights of any person to attend and/or vote at the meeting.
