### **Dear Shareholders**

#### **Introduction**

Henderson Far East Income Limited (the 'Company') is proposing to hold an Extraordinary General Meeting on 5 August 2025 at 10.30 am (the 'Meeting'). The sole purpose of the Meeting will be to approve the directors' authority to allot ordinary shares on a non-pre-emptive basis up to a number of ordinary shares equivalent to 10 per cent of the total number of ordinary shares in issue as at the date of the Meeting. The purpose of this document is to provide you with the background to and details of the resolution and to seek your approval for the resolution proposed. The Notice convening the Extraordinary General Meeting is set out on page 4 of this document.

The Board believes that approval of the resolution at the Meeting is in the best interests of shareholders as a whole and recommends that you vote in favour of the resolution at the Meeting. You are therefore urged to complete and return the Form of Proxy without delay.

#### **Background**

At the annual general meeting ('AGM') held on 24 January 2025, shareholders authorised the directors to allot ordinary shares on a non-pre-emptive basis of up to 10 per cent of the issued share capital as at the date of the resolution. Since the AGM, 10,435,000 new ordinary shares have been issued. The Board believes that the current capacity under the existing shareholder authority will prove insufficient to allow the Board to continue to satisfy demand for the ordinary shares during the period up to the Company's next annual general meeting. If such authority is granted by shareholders, the directors will only use the authority to issue shares on a non-pre-emptive basis: (i) at a premium to net asset value; (ii) to meet demand from investors; and (iii) when the directors believe that it is in the best interests of the Company and its shareholders to do so.

The Board believes that the Company's continuing ability to issue ordinary shares at a premium to net asset value increases liquidity, spreads the fixed costs of the Company over a larger asset base and reduces volatility by preventing the build-up of excessive demand for shares. The Fund Manager continues to find investments into which fresh capital can be deployed effectively. The costs of seeking fresh authorities are minimal and are well covered by the premium on issuing new ordinary shares, and shares issued at a premium increase the net asset value for existing shareholders. Therefore, the Board believes that it is advantageous for the Company to be able to continue to issue new shares to investors when the directors consider that it is in the best interests of shareholders to do so.

To ensure that the Company will be able to continue to issue new shares, the directors are seeking shareholder approval for authority to allot ordinary shares on a non-pre-emptive basis up to a number equal to 10 per cent of the issued share capital at the date of the Meeting. The proceeds of any such issue will be available for investment in line with the Company's investment objective and policy.

#### **Extraordinary General Meeting**

The resolution to be considered at the Meeting will, if passed, authorise the directors to allot up to 17,818,467 ordinary shares or such amount being equivalent to 10 per cent of the issued share capital at the date of the Meeting.

**Action to be taken**

Shareholders will find enclosed a personalised Form of Proxy for use in relation to the Meeting. This should be completed and returned to the Company's Registrar, Computershare Investor Services (Jersey) Limited, c/o The Pavilions, Bridgewater Road, Bristol BS99 6ZY, United Kingdom as soon as possible, but in any event so as to be received by no later than 10.30 am on 1 August 2025.

**Recommendation**

The Board considers the passing of the resolution to be in the best interests of the Company and shareholders as a whole. Accordingly, the Board unanimously recommends that shareholders vote in favour of the resolution to be proposed at the Meeting as the directors intend to do so in respect of their own beneficial holdings.

Yours faithfully

**Ronald Gould**

Chairman

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST manual. The message must be transmitted so as to be received by the Issuer's agent (ID 3RA50) by the latest time for receipt of proxy appointments specified in note (4) above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST applications host) from which the Issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility

of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Article 34 of the Companies (Uncertificated Securities) (Jersey) Order 1999.
