Company History

Company History

1973	Founded by Mr. Chang Ze Shen in 1973, TTF located its first factory at No. 60 Fuchou St., Kwang-Xing Vil., Bade Township, Tao Yuan County, Taiwan. TTF started its business with 1 sizing machine and 100 weaving looms, and its main product were nylon taffeta fabrics, 100% polyester suiting fabrics and shirting fabrics
1995	With the installation of 50 Picanol jacquard looms, TTF started to supply jacquard fabrics.
1998	The yarn texturizing plant was set up in Yang Mei District, Taoyuan, TTF thus integrated the supply chain vertically.
2023	Announce ElasLana, a highly elastic wool-feel functional fabric. It is the most classic fabric brand among functional fabrics and dominates the market. It is highly recognized by international brands. This fabric is 100% independently developed by TTF. It is positioned as an urban casual functional fabric, symbolizing fullness. Vitality and fashion innovation.
2024	Prepare to set up a research and development center. Develop towards product differentiation and high value..
