

MAN GROUP PLC

MAN GROUP 2019 SHARESAVE SCHEME

Adopted by the Board of Man Group plc on 20 March 2019, [pursuant to shareholder approval given on 17 October 2012](#)

[Further approved by Shareholders on \[date\]](#)

The Plan is a discretionary benefit offered by Man Group for the benefit of its employees. Its main purpose is to increase the interest of the employees in Man Group plc's long-term business goals and performance through share ownership. The Plan is an incentive for the employees' future performance and commitment to the goals of Man Group.

Shares purchased under the Plan and any gains made by exercising options granted under the Plan are not part of salary for any purpose (except to any extent required by statute).

The Plan was offered for the first time in 2019 and the board of Man Group plc shall have the right to decide, in its sole discretion, whether or not further options will be offered in the future and to which employees the Plan will be extended.

Participating in the Plan is an investment opportunity distinct from any employment contract. Participation in the Plan entails the risk associated with an investment. An individual who participates in the Plan is treated as being aware of such risks and accepts such risks of his own free will.

The detailed rules for the Plan are set out in this document.

2. ELIGIBILITY

2.1 General rule on eligibility

An individual is eligible to be invited to apply for an Option only if:

- (a) he is either an employee (but not a director) of a Participating Company or a director of a Participating Company who is required to work for the company for at least 25 hours a week (excluding meal breaks); and
- (b) he either satisfies the conditions in Rule 2.2 (*Individuals eligible*) or is nominated by the Board for this purpose.

2.2 Individuals eligible

The conditions referred to in Rule 2.1(b) are that:

- (a) the individual shall have a qualifying period of continuous service (if any) with the Company or any member of the Company's Group from time to time as the Board may decide, such period not to exceed five years before the Grant Date; and
- (b) the individual's earnings from the office or employment referred to in Rule 2.1(a) meet (or would meet if there were any) the requirements set out in paragraph 6(2)(c) of Schedule 3.

3. INVITATIONS

3.1 Issuing Invitations

The Board shall decide if and when Invitations will be issued. If the Board decides to issue Invitations then it must issue an Invitation to each Eligible Employee.

3.2 Timing of Invitations

Invitations may be issued at any time but before the Board decides when to issue Invitations it must have regard both to when the Option Price may be determined under Rule 6.1 (*Option Price – timing of determination*) and any regulatory restrictions on both the issuing of such Invitations and any subsequent grant of Options.

3.3 Content of Invitations

Each Invitation will specify:

- (a) the date by which an application for an Option must be received (being not less than 14 days after the date of the Invitation);
- (b) the Option Price (or how the Option Price will be determined);
- (c) any choice of Saving Contracts (in terms of the number of monthly contributions payable) and Bonus Dates (where there is more than one possible Bonus Date in respect of a particular Savings Contract);
- (d) the minimum monthly Contribution which must not be less than £5 (or as otherwise stated in the relevant Savings Contract) nor more than £10;
- (e) the maximum monthly Contribution, which must be not more than £500 or as otherwise specified in paragraph 25 of Schedule 3;
- (f) if the bonus payable under a Savings Contract shall not be taken into account in determining the number of Shares made subject to an Option, then that fact; and
- (g) whether or not the Shares may be subject to any Restriction and if so the details of any such Restriction.

4. APPLICATIONS

4.1 Form of application

An application for an Option shall be accompanied by an application for a Savings Contract in which the Eligible Employee must state:

- (a) the Contribution he proposes to make;

- (b) that his proposed Contribution, when added to any other Contribution he makes under any other Savings Contract, will not exceed the maximum permitted under Schedule 3;
- (c) if he has a choice of Savings Contract, the Savings Contract chosen; and
- (d) if he has a choice of Bonus Dates, the Bonus Date chosen.

4.2 **Number of Shares under Option**

An application for an Option shall be for an Option to acquire the largest whole number of Shares which could be acquired at the Option Price with an amount equal to the expected Contributions plus the bonus payable under the relevant Savings Contract on the Bonus Date unless it was specified in the Invitation that the bonus would not be included for this purpose.

4.3 **Effect of limits**

If there are applications for Options over more Shares than permitted under Rule 8 (*Limits*) then each application for an Option and a related Savings Contract shall be deemed to have been amended or withdrawn under Rule 5 (*Scaling back*).

If an Eligible Employee specifies in his application for a Savings Contract a proposed Contribution which, when added to any other Contribution he makes under any other Savings Contract, would exceed the maximum permitted in the related Invitation then the Board is authorised to reduce the proposed Contribution to the maximum amount permitted.

5. **SCALING BACK**

If valid applications for Options are received for a total number of Shares which exceeds any maximum number permitted by the Board or permitted by the limit in Rule 8 (*Limits*) then the Board shall scale back the applications using one or more of the following methods:

- (a) by reducing the proposed Contributions by the same proportion provided that the reduced amount shall not be less than the minimum amount permitted under the relevant Savings Contract;
- (b) by treating the expected repayment under a Savings Contract as not including a bonus; or
- (c) by deeming each choice of a Savings Contract of a five year term as one of a three year term.

If scaling back under the preceding provisions of this Rule does not make available sufficient Shares to allow all Eligible Employees who have made valid applications to be granted Options the Board may either select applications by lot or decide not to accept any applications on that occasion.

6. OPTION PRICE

6.1 Option Price – timing of determination

The Option Price may only be determined by reference to dealing days falling:

- (a) within the period of six weeks starting on:
 - (i) the dealing day after the day on which the Company announces its results for any period; or
 - (ii) any day on which a new Savings Contract prospectus is announced or comes into force; or
- (b) at any other time when the circumstances are considered by the Board to be sufficiently exceptional to justify the issuing of Invitations.

6.2 Option Price – method of determination

The Board will determine the Option Price which must be:

- (a) not manifestly less than 80 per cent (or such other percentage as may be specified in paragraph 28(1) of Schedule 3) of the Market Value (as defined below) of a Share on either:
 - (i) a day immediately preceding the date on which Invitations are sent to Eligible Employees; or
 - (ii) the date specified in the Invitation; and
- (b) in the case of an Option to acquire Shares only by subscription, not less than the nominal value of those Shares.

7. GRANT OF OPTIONS

7.1 Grant procedure

Subject to Rule 5 (*Scaling back*) and Rule 7.5 (*Approvals and consents*), the Board may grant an Option to every individual who:

- (a) has submitted a valid application for an Option; and
- (b) is an Eligible Employee on the Grant Date.

7.2 Restrictions on timing of grant of Options

Options must be granted within 30 days (or 42 days if applications are scaled back) after the first day by reference to which the Option Price is set under Rule 6.1 ~~but not later than 16 October 2022~~.

7.3 Method of satisfying options

Unless specified to the contrary by the Board at the time of grant of an Option, an Option may be satisfied:

- (a) by the issue of new Shares; and/or
- (b) by the transfer of treasury Shares; and/or
- (c) by the transfer of Shares other than the transfer of treasury Shares.

The Board may decide to change the way in which it is intended that an Option may be satisfied after it has been granted, having regard to the provisions of Rule 8 (*Limits*).

7.4 **Non-transferability and bankruptcy**

An Option granted to any person:

- (a) shall not be transferred, assigned, charged or otherwise disposed of (except on his death to his personal representatives) and shall lapse immediately on any attempt to do so; and
- (b) shall lapse immediately if he is declared bankrupt.

7.5 **Approvals and consents**

The grant of any Option shall be subject to obtaining any approval or consent required under the Listing Rules, any relevant share dealing code of the Company, the City Code on Takeovers and Mergers, or any other relevant UK, Jersey or overseas regulation or enactment.

8. **LIMITS**

8.1 **10 per cent. in 10 years limit**

An Option shall not be granted in any calendar year if, at the time of its proposed Grant Date, it would cause the number of Shares allocated (as defined in Rule 8.2) in the period of 10 calendar years ending with that year under the Plan and under any other employee share plan adopted by the Company or by Man Group Limited (registered under number 08172396 and formerly known as Man Group plc) to exceed such number as represents 10 per cent. of the ordinary share capital of the Company in issue at that time.

8.2 **Meaning of "allocated"**

For the purpose of Rule 8.1:

- (a) Shares are allocated:
 - (i) when an option, award or other contractual right to acquire unissued Shares or treasury Shares is granted;
 - (ii) where Shares are issued or treasury Shares are transferred otherwise than pursuant to an option, award or other contractual right to acquire Shares, when those Shares are issued or treasury Shares transferred;

- (b) the number of Shares allocated in respect of an option, award or other contractual right shall be such number as the Board shall reasonably determine;
- (c) any Shares which have been issued or which may be issued (or any Shares transferred out of treasury or which may be transferred out of treasury) to any trustees to satisfy the exercise of any option, award or other contractual right shall be treated as "allocated" unless they are already treated as allocated under this Rule; and
- (d) for the avoidance of doubt, existing Shares other than treasury Shares that are transferred or over which options, awards or other contractual rights are granted shall not count as "allocated".

8.3 **Post-grant events affecting numbers of "allocated" Shares**

For the purposes of Rule 8.2:

- (a) where
 - (i) any option, award or other contractual right to acquire unissued Shares or treasury Shares is released or lapses (whether in whole or in part); or
 - (ii) after the grant of an option, award or other contractual right the Board determines that:
 - (a) where an amount is normally payable on its exercise it shall be satisfied without such payment but instead by the payment of cash equal to the gain made on its exercise; or
 - (b) it shall be satisfied by the transfer of existing Shares (other than Shares transferred out of treasury)

the unissued Shares or treasury Shares which consequently cease to be subject to the option, award or other contractual right shall not count as "allocated"; and

- (b) the number of Shares allocated in respect of an option, award or other contractual right shall be such number as the Board shall reasonably determine from time to time.

8.4 **Changes to investor guidelines**

Treasury Shares shall cease to count as "allocated" for the purpose of Rule 8.1 if institutional investor guidelines cease to require such Shares to be so counted.

8.5 **Board Limit**

The Board may impose a limit on the number of Shares over which Options may be granted on any particular occasion.

9. EXERCISE OF OPTIONS

9.1 Normal period for exercise

An Option may only be exercised during the period beginning with the Bonus Date and ending six months after the Bonus Date except where Rule 10 (*Leavers and deceased participants*) or Rule 11 (*Takeovers and other corporate events*) applies.

9.2 Long stop date for exercise

Unless Rule 10.1 (*Deceased Participants*) applies, an Option shall not be capable of exercise later than six months after the Bonus Date and, if not exercised, it shall lapse at the end of that period.

9.3 No exercise on early cessation of savings

Regardless of any other rule of this Plan, where, before an Option has become capable of exercise, the Participant:

- (a) gives notice that he intends to stop paying Contributions under the related Savings Contract;
- (b) is deemed under the terms of the Savings Contract to have given such notice ~~(for example, for missing more than six monthly Contributions)~~; or
- (c) makes an application for repayment of the Contributions paid under it

the Option shall not become exercisable and shall immediately lapse.

9.4 Limitation on exercise

The amount paid for Shares on the exercise of an Option shall not exceed the amount of the Contributions made under the related Savings Contract before the date of exercise together with any interest or bonus paid under that Savings Contract.

9.5 Option only exercisable once

An Option shall not be capable of being exercised more than once.

9.6 Method of exercise

The exercise of any Option shall be effected in the form and manner prescribed by the Board. Unless the Board, acting fairly and reasonably, determines otherwise, any notice of exercise shall take effect only when the Company receives it, together with payment of the relevant aggregate Option Price.

9.7 Restriction on use of unissued Shares or treasury Shares

No Shares may be issued or treasury Shares transferred to satisfy the exercise of any Option to the extent that such issue or transfer would cause the number of Shares allocated (as defined in Rule 8.2 (*Meaning of "allocated"*)) and adjusted

under Rule 8.3 (*Post-grant events affecting numbers of "allocated" Shares*)) to exceed the limit in Rule 8.1 (*10 per cent. in 10 years limit*) except where there is a variation of share capital of the Company which results in the number of Shares so allocated exceeding such limits solely by virtue of that variation.

9.8 Allotment and transfer timetable

Within 30 days after an Option has been exercised by a Participant, the Board shall allot to him (or a nominee for him) or, if appropriate, procure the transfer to him (or a nominee for him) of the number of Shares in respect of which the Option has been exercised, provided that the Board considers that the issue or transfer of those Shares would be lawful in all relevant jurisdictions.

9.9 Share rights

All Shares allotted under the Plan shall rank equally in all respects with Shares then in issue except for any rights attaching to such Shares by reference to a record date before the date of the allotment.

Where Shares are transferred under the Plan, Participants will be entitled to any rights attaching to such Shares by reference to a record date on or after the date of such transfer.

9.10 Shares ceasing to satisfy Schedule 3 requirements

If at any time the Shares cease to satisfy the requirements of paragraphs 18 to 20 or paragraph 22 of Schedule 3 (*fully paid up, ordinary share capital*) (otherwise than where the Option is exercised within 20 days of the date on which it becomes exercisable pursuant to Rule 11.1, 11.2 or 11.3):

- (a) an Option may be exercised regardless of that fact (but subject to the other provisions of the Plan); and
- (b) the Company shall notify HMRC as soon as practicable.

9.11 Restriction on exercise period: participants who are subject to taxation in the USA

Regardless of any other Rule, in the case of an Option granted to a Participant who is subject to taxation in the United States of America, such Option shall be exercised (if at all) by no later than 15 March in the year following the calendar year in which it first becomes exercisable in accordance with the provisions of the Plan.

10. LEAVERS AND DECEASED PARTICIPANTS

10.1 Deceased Participants

If a Participant dies:

- (a) before the Bonus Date then his Option may be exercised by his personal representatives during the period of 12 months after his death and, if not exercised, it shall lapse at the end of that period; or
- (b) on or within six months after the Bonus Date then his Option may be exercised by his personal representatives during the period of 12 months after the Bonus Date and, if not exercised, it shall lapse at the end of that period.

10.2 **Injury, disability, redundancy, retirement and transfer out of the group**

If a Participant ceases to be a director or employee of a Participating Company by reason of:

- (a) injury, disability or redundancy (within the meaning of the Employment Rights Act 1996); or
- (b) retirement;
- (c) a relevant transfer within the meaning of TUPE 2006;
- (d) his office or employment being with a company which ceases to be an Associated Company by reason of a change of control (as determined in accordance with sections 450 and 451 of CTA 2010); or
- (e) the business or part of a business in which he works being transferred to a person who is not an Associated Company nor a company of which the Company has Control where the transfer is not a relevant transfer within the meaning of TUPE 2006;

he may, subject to Rule 9.2 (*Long stop date for exercise*), exercise his Option during the period of six months after such cessation and, if not exercised it shall, subject to Rule 10.1 (*Deceased Participants*), lapse at the end of that period.

10.3 **Cessation of employment in other circumstances on or before third anniversary**

If a Participant ceases to be a director or employee of a Participating Company on or before the third anniversary of the Grant Date for a reason other than one of those specified in Rule 10.1 (*Deceased Participants*) or Rule 10.2 (*Injury, disability, redundancy, retirement and transfer out of the group*) then his Option shall lapse on such cessation.

10.4 **Cessation of employment after third anniversary**

If a Participant ceases to be a director or employee of a Participating Company after the third anniversary of the Grant Date for any reason (other than voluntary resignation, save where he resigns from his office or employment in order to become a Partner, or dismissal for misconduct) he may, subject to Rule 9.2 (*Long stop date for exercise*), exercise his Option during the period of six months

following such cessation and if not exercised it shall, subject to Rule 10.1 (*Deceased Participants*), lapse at the end of that period.

10.5 Employment by Associated Company

If, on the Bonus Date, a Participant holds an office or employment with a company which is not a Participating Company but which is an Associated Company or a company of which the Company has Control, he may exercise his Option on and within six months after the Bonus Date and if not exercised it shall, subject to Rule 10.1 (*Deceased Participants*), lapse at the end of that period.

10.6 Meaning of ceasing employment

A Participant shall not be treated for the purposes of this Rule 10 as ceasing to be a director or employee of a Participating Company until he ceases to be a director or employee of the Company, any Associated Company and any company under the Control of the Company.

11. TAKEOVERS AND OTHER CORPORATE EVENTS

11.1 General offers

If any person (or any group of persons acting in concert) obtains Control of the Company as a result of making a general offer to acquire:

- (a) the whole of the issued ordinary share capital of the Company which is made on a condition such that if it is satisfied the acquiring Company will have Control of the Company; or
- (b) all the Shares

the Board shall within 7 days after becoming aware of that event notify every Participant of it and, subject to Rule 9.2 (*Long stop date for exercise*), Rule 10 (*Leavers and deceased Participants*) and Rule 11.6 (*Internal reorganisations*), any Option may be exercised within one month after such notification or such longer period as the Board may permit, provided such period is not later than six months after such person has obtained Control of the Company, and to the extent that any Option is not exercised within that period it shall (regardless of any other provision of the Plan) lapse at the end of that period.

For the purposes of this Rule 11.1:

- (a) the reference to the "issued ordinary share capital" of the Company does not include any capital already held by the person making the offer or held by any Connected Person of that person;
- (b) the reference to "Shares" does not include any Shares already held by the person making the offer or held by a Connected Person of that person; and

- (c) it does not matter if the general offer is made to different shareholders by different means.

11.2 Non-UK Company Reorganisation Arrangement

Subject to Rule 9.2 (*Long stop date for exercise*), Rule 10.1 (*Deceased participants*) and Rule 11.6 (*Internal Reorganisations*), an Option may be exercised within six months from the time that a Non-UK Company Reorganisation Arrangement applicable to or affecting all Shares becomes binding on the shareholders covered by it, but to the extent that the Option is not exercised within that period it shall (regardless of any other provision of the Plan) lapse at the end of that period.

11.3 Voluntary winding up

In the event that the Company passes a resolution for voluntary winding up the Board shall, as soon as practicable, notify every Participant of that event and, subject to Rule 9.2 (*Long stop date for exercise*) and Rule 11.6 (*Internal reorganisations*), any Option may be exercised within one month after the passing of the resolution for the winding up, but to the extent that it is not exercised within that period an Option shall (regardless of any other provision of the Plan) lapse at the end of that period.

11.4 Option rollover: general provisions

If any company ("**the acquiring company**"):

- (a) obtains Control of the Company as a result of making a general offer to acquire:
 - (i) the whole of the issued ordinary share capital of the Company (other than that which is already owned by it) which is made on a condition such that if it is satisfied the acquiring company will have Control of the Company; or
 - (ii) all the Shares (other than those already owned by it); or
- (b) obtains Control of the Company as a result of a Non-UK Company Reorganisation Arrangement becoming binding on the shareholders covered by it,

any Participant may, at any time within the relevant period specified under paragraph 38(3) of Schedule 3, by agreement with the acquiring company, release any Option ("**the Old Option**") in consideration of the grant to him of an Option ("**the New Option**") which, for the purposes of paragraph 39 of Schedule 3, is equivalent to the Old Option but relates to shares in a different company (whether the acquiring company itself or some other company falling within paragraph 18(b) or (c) of Schedule 3).

For the purposes of this Rule 11.4:

- (a) the reference to the "issued ordinary share capital" of the Company does not include any capital already held by the person making the offer or held by any Connected Person of that person;
- (b) the reference to "Shares" does not include any Shares already held by the person making the offer or held by a Connected Person of that person; and
- (c) it does not matter if the general offer is made to different shareholders by different means.

11.5 Option rollover: interpretation of Rules

Where a New Option is granted under Rule 11.4 (*Option rollover: general provisions*) the following terms of the Plan shall, in relation to the New Option, be construed as if:

- (a) except for the purposes of the definition of "Participating Company" in Rule 1.1 (*Definitions*), the expression "the Company" were defined as "a company whose shares may be acquired by the exercise of options granted under the Plan";
- (b) the Savings Contract made in connection with the Old Option had been made in connection with the New Option;
- (c) the Bonus Date in relation to the New Option were the same as that in relation to the Old Option; and
- (d) Rule 13.2 (*Shareholder approval*) were omitted.

11.6 Internal reorganisations

In the event that:

- (a) an offer (as referred to in Rule 11.1 (*General offers*)) is made or a Non-UK Company Reorganisation Arrangement (as referred to in Rule 11.2 (*Non-UK Company Reorganisation Arrangement*)) is proposed which is expected to result in the Company becoming controlled by a new company (the "**New Company**");
- (b) at least 75% of the shares in the New Company are expected to be held by substantially the same persons who immediately before the offer or proposal was made were shareholders in the Company; and
- (c) the Board and the New Company agree that this Rule should apply

then an Option shall not become exercisable under Rule 11.1 (*General Offers*) or Rule 11.2 (*Non-UK Company Reorganisation Arrangement*) but may nonetheless be released in consideration for the grant of a New Option under Rule 11.4 and, if not so released, shall then automatically lapse at the end of the relevant period specified in paragraph 38(3) of Schedule 3.

12. ADJUSTMENT OF OPTIONS

12.1 General rule

Subject to Rule 12.3 (*Restrictions on adjustment*), in the event of any variation of the share capital of the Company, the Board may make such adjustments as it considers appropriate under Rule 12.2 (*Method of adjustment*).

12.2 Method of adjustment

An adjustment made under this Rule shall be to one or more of the following:

- (a) the number of Shares in respect of which any Option may be exercised;
- (b) subject to Rule 12.4 (*Adjustment below nominal value*), the Option Price; and
- (c) where an Option has been exercised but no Shares have been allotted or transferred after such exercise, the number of Shares which may be so allotted or transferred and the price at which they may be acquired.

12.3 Restrictions on adjustment

No adjustment under Rule 12.2 (*Method of adjustment*) shall be made unless:

- (a) the total Market Value of the Shares which may be acquired by the exercise of the Option is immediately after the adjustment or adjustments substantially the same as what it was immediately before the adjustment or adjustments; and
- (b) the total price at which those Shares which may be acquired is immediately after the adjustment or adjustments substantially the same as what it was immediately before the adjustment or adjustments.

12.4 Adjustment below nominal value

An adjustment under Rule 12.2 (*Method of adjustment*) may reduce the Option Price of those Options to be satisfied by the subscription of Shares to less than their nominal value, but only if and to the extent that the Board is authorised:

- (a) to capitalise from the reserves of the Company a sum equal to the amount by which the nominal value of the Shares in respect of which the Option is exercised exceeds the Option Price; and
- (b) to apply that sum in paying up that amount on such Shares;

so that on the exercise of any Option in respect of which such a reduction shall have been made the Board shall capitalise that sum (if any) and apply it in paying up that amount.

12.5 Notification of Adjustment

Any adjustment pursuant to this Rule 12 shall be notified to HMRC in accordance with Paragraph 40B(6) of Schedule 3.

13. ALTERATIONS

13.1 General rule

Except as described in Rule 13.2 (*Shareholder approval*) and Rule 13.4 (*Alterations to disadvantage of Participants*), the Board may at any time alter the Plan or the terms of any Option.

If an alteration is made to a key feature (as defined in paragraph 40B(8) of Schedule 3) of the Plan at a time when the Plan is a Schedule 3 SAYE, the alteration will not have effect unless following the alteration the Plan remains a Schedule 3 SAYE or the Board resolves that the alteration shall take effect even if this causes the Plan to cease to be a Schedule 3 SAYE.

13.2 Shareholder approval

Except as described in Rule 13.3 (*Exceptions to shareholder approval*), no alteration to the advantage of an individual to whom an Option has been or may be granted shall be made under Rule 13.1 (*General rule on alterations*) to the provisions concerning:

- (a) eligibility;
- (b) the individual limits on participation;
