Appendix 2

Explanatory notes

Resolution 1 – To receive the Annual Report and Accounts

The Chairman will present to the AGM the accounts and the reports of the Directors and the auditor for the financial year ended 31 December 2024 (the ‘Annual Report’).

Resolution 2 – Directors’ Remuneration Report

For UK incorporated companies, there are requirements in relation to the content and approval of the Directors’ Remuneration Report. Although, as an Isle of Man incorporated company, Playtech is not subject to these requirements, the Board considers that shareholders would expect the Company to voluntarily mirror the requirements of the UK legislation applicable to a premium listed main market company so far as is practicable. The Board is happy to do so as the Directors consider that the requirements facilitate good corporate governance.

Accordingly, the Directors’ Remuneration Report set out in full on pages 130 to 148 in the Annual Report is in three sections and contains:

- (i) a statement by Samy Reeb, Chair of the Company’s Remuneration Committee;
- (ii) the Company’s Remuneration Policy; and
- (iii) the Annual Report on Remuneration that reports on the implementation of the Policy for the financial year to 31 December 2024.

The first and third sections of the report will be put to an advisory shareholder vote by ordinary resolution.

Resolutions 3 and 4 – Appointment of auditor and auditor’s remuneration

Resolution 3 proposes the re-appointment of BDO LLP as the Company’s auditor to hold office until the next annual general meeting of the Company and resolution 4, as is common practice, authorises the Directors to set the auditor’s remuneration.

Resolutions 5 to 11 – Re-election of Directors

Although the articles of association of the Company (the “Articles”) do not require all of the Directors to retire and be put up for re-election at each annual general meeting of the Company, in accordance with the provisions of the UK Corporate Governance Code, all of the Directors of the Company have resolved that they will retire and offer themselves for re-election by shareholders at the AGM.

The Board considers that the performance of each Board member continues to be effective, that each member of the Board demonstrates the commitment required to continue in their present roles, and accordingly supports each Director’s re-election.

Biographical details of the Directors can be found in Appendix 1 and further details of their skills and experience, and representation on the Board committees, can be found on pages 110 and 111 of the Annual Report.

Resolution 12 – Power of Directors to allot shares etc.

The Articles provide that the Directors may only allot ordinary shares or grant rights to subscribe for or convert securities into ordinary shares if authorised to do so by the holders of ordinary shares. At the last annual general meeting of the Company held on 22 May 2024, the Directors sought authority to allot ordinary shares and grant rights to subscribe for or convert securities into ordinary shares. However, a significant proportion of shareholders did not support the resolution and the resolution was not passed. Playtech subsequently consulted and engaged with its shareholders in order to hear their views and better understand their concerns. From the engagement the Company has had with shareholders, the common theme apparent from those that opposed the resolution is an approach to governance which prefers not to grant general or annual authorities in respect of changes in equity capital but instead to review approval when required for specific transactions.

Although the Board acknowledges the views of shareholders, the Board considers it prudent to seek flexibility to allot new shares and grant rights up until the Company’s next annual general meeting, as is customary and within the limits prescribed by the Investment Association (“IA”).

The IA guidelines on authority to allot shares state that IA members will permit, and treat as routine, resolutions seeking to allot shares representing approximately one-third of the number of ordinary shares in issue (excluding shares held in treasury). In addition, IA members will treat as routine a request for authority to allot shares representing approximately an additional one-third of the number of ordinary shares in issue (excluding shares held in treasury) provided that it is only used to allot shares in connection with a fully pre-emptive offer.

Accordingly, the authority in resolution 12, paragraph (a) will allow your Directors to allot up to 103,098,081 ordinary shares in the Company or grant rights to subscribe for, or convert any security into, such number of ordinary shares in the Company, representing approximately one-third of the Company’s issued ordinary shares as calculated as at 22 April 2025 (being the latest practicable date prior to the publication of this Notice of Annual General Meeting). The authority in resolution 12, paragraph (b) will allow your Directors to allot ordinary shares in the Company or grant rights to subscribe for, or convert any security into, ordinary shares in the Company, only in connection with a fully pre-emptive offer, up to an aggregate number of 206,196,162 ordinary shares, representing approximately two-thirds of the Company’s issued ordinary shares, as reduced by the aggregate number of ordinary shares allotted or rights granted under resolution 12, paragraph (a) and calculated as at 22 April 2025 (being the latest practicable date prior to the publication of this Notice of Annual General Meeting).

The power conferred by this resolution will expire at the conclusion of the next annual general meeting of the Company or, if sooner, at the close of business on the date which is 15 months after the date of the passing of the resolution (unless previously renewed, varied or revoked by the Company).

The Directors have no present intention of exercising this authority. However, it is considered prudent to maintain the flexibility that this authority provides to enable the Directors to respond to any appropriate opportunities that may arise. The Directors intend to renew this authority annually. The Company did not hold any shares in treasury as at 22 April 2025 (being the latest practicable date prior to the publication of this Notice of Annual General Meeting).

Resolutions 1 to 12 will be proposed as ordinary resolutions and will require more than half of the votes cast at the AGM to be in favour of the resolution to be passed.

Appendix 2 continued

Explanatory notes continued

Resolution 13 – Disapplication of pre-emption rights

Under article 6 of the Articles, if the Directors wish to exercise the authority under resolution 12 to offer ordinary shares or grant rights to subscribe for, or to convert any security into, ordinary shares or to sell any ordinary shares which the Company may purchase and elect to hold as treasury shares for cash (other than pursuant to a share scheme of the Company), they must first be offered to existing shareholders pro-rata to their holdings. There may be occasions, however, when it is in the Company's interests for the Directors to have the flexibility to finance business opportunities by allotting new ordinary shares (or granting rights to subscribe for, or convert securities into, ordinary shares) for cash or selling treasury shares for cash without a fully pre-emptive offer to existing shareholders.

The purpose of resolution 13 is therefore to authorise the Directors (subject to the passing of resolution 12) to allot ordinary shares or to grant rights to subscribe for, or convert securities into, ordinary shares or to sell treasury shares for cash (other than pursuant to a share scheme of the Company) without having to first offer such shares to existing shareholders in proportion to their existing shareholdings.

The authority under resolution 13 would be limited to:

- (a) allotments or sales by way of a pre-emptive offer only; and
- (b) allotments or sales (otherwise than pursuant to paragraph (a) above) up to an aggregate number of 30,929,424 ordinary shares, which represents approximately 10% of the Company's issued ordinary shares as at 6.00 p.m. on 22 April 2025 (being the latest practicable date prior to the publication of this Notice of Annual General Meeting).

This disapplication authority is in line with the IA's most recent Share Capital Management Guidelines published in February 2023 and the Pre-Emption Group's Statement of Principles as revised in November 2022. Resolution 13 is proposed in accordance with the template resolution published by the Pre-Emption Group in November 2022.

The authority sought and the limits set by resolution 13 will also apply to any sale or transfer of treasury shares. The Directors consider it prudent to have the flexibility to buy back shares into treasury and subsequently to sell or to transfer them, if appropriate. This will enable them to act on short notice in appropriate circumstances if that is in the best interests of the Company. The Company did not hold any shares in treasury as at 22 April 2025 (being the latest practicable date prior to the publication of this Notice of Annual General Meeting).

The Directors have no present intention to exercise the authority conferred by this resolution. However, it is considered prudent to maintain the flexibility that this authority provides. Any allotment or sale under resolution 13 will be in accordance with the shareholder protections contemplated in paragraph 1 of section 2B of the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this Notice of Annual General Meeting.

The authority under resolution 13 will expire at the conclusion of the next annual general meeting of the Company or, if sooner, at the close of business on the date which is 15 months after the date of the passing of the resolutions. The Directors intend to renew these authorities annually.

Resolution 14 – Purchase of own shares

This resolution seeks authority for the Company to make market purchases of its own ordinary shares and is proposed as a special resolution. If passed, the resolution gives authority for the Company to purchase up to 30,929,424 of its ordinary shares, representing just under 10% of the Company's issued ordinary share capital as at 22 April 2025 (being the latest practicable date prior to the publication of this Notice of Annual General Meeting).

The resolution specifies the minimum and maximum prices which may be paid for any ordinary shares purchased under this authority. The power conferred by this resolution will expire at the conclusion of the next annual general meeting of the Company or, if sooner, at the close of business on the date which is 15 months after the date of the passing of the resolution.

The Directors do not currently have any intention of exercising the authority granted by this resolution. The Directors will only exercise the authority to purchase ordinary shares granted by this resolution where they consider that such purchases will be in the best interests of shareholders generally.

On 22 April 2025 (being the latest practicable date prior to the publication of this Notice of Annual General Meeting), the total number of options to subscribe for ordinary shares in the Company amounted to 6,129,396. This represented 1.98% of the Company's issued ordinary share capital on that date. If this authority to purchase shares was exercised in full, these options would represent 2.20% of the issued ordinary share capital as at 22 April 2025 (the latest practicable date prior to the publication of this Notice of Annual General Meeting). The Company does not have any outstanding share warrants.

Resolutions 13 and 14 will be proposed as special resolutions and require that 75% or more of the votes cast at the AGM be in favour of the resolution for it to be passed.

Notice of Annual General Meeting

Notice is given that the Annual General Meeting (the “**AGM**”) of Playtech plc (the “**Company**”) will be held at the offices of Bryan Cave Leighton Paisner LLP, Governors House, 5 Laurence Pountney Hill, London EC4R 0BR on 21 May 2025 at 10.00 a.m. for the following purposes:

 - (a) up to an aggregate number of 103,098,081 ordinary shares (representing approximately one-third of the Company's issued ordinary shares); and
 - (b) up to an aggregate number of 206,196,162 ordinary shares (representing approximately two-thirds of the Company's issued ordinary shares) (such amount to be reduced by the aggregate number of any ordinary shares allotted or rights granted under paragraph (a) of this resolution), in connection with a pre-emptive offer,

provided that the authority conferred by this resolution shall expire at the conclusion of the next Annual General Meeting of the Company or, if shorter, at the close of business on the date which is 15 months after the date of the passing of this resolution (unless previously renewed, varied or revoked by the Company) but so that the Company may, before such expiry, make offers or agreements which would or might require ordinary shares to be allotted or rights to subscribe for, or convert securities into, ordinary shares to be granted after such expiry and the Directors may allot ordinary shares or grant rights to subscribe for, or convert any security into, ordinary shares pursuant to any such offer or agreement as if this authority had not expired.

For the purposes of this resolution, “**pre-emptive offer**” means an offer of equity securities open for acceptance for a period fixed by the Directors to (a) holders (other than the Company) on the register on a record date fixed by the Directors of ordinary shares in proportion to their respective holdings and (b) other persons so entitled by virtue of the rights attaching to any other equity securities held by them, but subject in both cases to the power of the Directors to impose any limits or restrictions and make any arrangements which they consider necessary or appropriate to deal with treasury shares, fractional entitlements, record dates or legal, regulatory or practical problems in, or under the laws of, any territory or any other matter.

Special resolutions

To consider and, if thought fit, pass the following resolutions, which will be proposed as special resolutions:

13. THAT, subject to and conditional on the passing of resolution 12, the Directors of the Company be authorised to allot equity securities (as defined in the Articles) for cash under the authority conferred by resolution 12 and/or to sell ordinary shares held by the Company as treasury shares for cash, in each case free from the restriction in article 6.1 of the Articles, provided that such authority is limited to:
 - (a) the allotments made in connection with a pre-emptive offer (as defined in resolution 12); and
 - (b) the allotment of equity securities or sale of treasury shares for cash (otherwise than under paragraph (a) of this resolution) up to an aggregate number of 30,929,424 ordinary shares (representing approximately 10% of the Company's issued ordinary shares),

such authority to expire at the end of the next Annual General Meeting of the Company or, if earlier, at the close of business on the date which is 15 months after the date of the passing of this resolution (unless previously renewed, varied or revoked by the Company) but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the Directors of the Company may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

Notice of Annual General Meeting continued

14. THAT, pursuant to and for the purposes of article 15.1(b)(iii) of the Articles, the Company generally and unconditionally be authorised to make market purchases (within the meaning of section 693(4) of the UK Companies Act 2006) of ordinary shares on such terms as the Directors think fit, provided that:
- (a) the maximum aggregate number of ordinary shares that may be purchased is 30,929,424 (representing just under 10% of the Company's issued ordinary shares (excluding treasury shares));
 - (b) the minimum price (excluding expenses) which may be paid for each ordinary share is £0.01;
 - (c) the maximum price (excluding expenses) which may be paid for each ordinary share is the higher of:
 - (i) 105% of the average market quotation for an ordinary share, as derived from the London Stock Exchange Daily Official List, for the five business days prior to the day the purchase is made; and
 - (ii) the higher of the price of the last independent trade and the highest current independent bid for an ordinary share on the trading venue on which the purchase is carried out; and
 - (d) the authority conferred by this resolution shall expire (unless previously renewed, varied or revoked by the Company) at the end of the next Annual General Meeting of the Company or, if earlier, at the close of business on the date which is 15 months after the date of the passing of this resolution, save that the Company may, before the expiry of the authority granted by this resolution, enter into a contract to purchase ordinary shares which will or may be executed wholly or partly after the expiry of such authority.

Voting on all resolutions will be by way of a poll.

1. Pursuant to Regulation 22 of the Uncertificated Securities Regulation 2006 (Isle of Man), only those holders of ordinary shares registered in the register of members of the Company as at 6.00 p.m. on 19 May 2025 (or 6.00 p.m. on the day that is two days before any adjourned meeting) shall be entitled to attend and vote at the AGM, or any adjourned meeting, in respect of the number of shares registered in their names at that time. Any changes to the register of members after 6.00 p.m. on 19 May 2025 (or 6.00 p.m. on the day that is two days before any adjourned meeting) shall be disregarded in determining the right of any person to attend and vote at the AGM.
2. Information regarding the AGM, including a copy of the Annual Report and Accounts for the financial year ended 31 December 2024 posted with this Notice of Annual General Meeting, is available from the Company's website at www.playtech.com.
3. If you are a member of the Company, you are entitled to appoint a proxy to exercise all or any of your rights to attend, speak and vote at the AGM and you should have received a proxy form with this Notice of Annual General Meeting. You can only appoint a proxy using the procedures set out in these notes and the notes to the proxy form. The appointment of a proxy will not prevent you from attending, speaking and/or voting in person. In the event that, and to the extent that, you personally vote your shares, your proxy shall not be entitled to vote and any vote cast by a proxy in such circumstances shall be ignored. A proxy need not be a member of the Company.
4. You may appoint more than one proxy provided that each proxy is appointed to exercise the rights attached to a different share or shares that you hold. When two or more valid but differing appointments of proxy are delivered in respect of the same share for use at the same meeting and in respect of the same matter, the one which is last validly delivered shall be treated as replacing and revoking the other or others as regards that share. If the Company is unable to determine which appointment was last validly delivered, none of them shall be treated as valid in respect of that share.
5. A form of proxy is enclosed with this Notice of Annual General Meeting for use in connection with the business to be proposed at the Meeting. To be valid, forms of proxy and any power of attorney or other authority under which they are signed, or a copy of such authority certified notarially or in some other way approved by the Board, must be lodged with Computershare Investor Services (Jersey) Limited, c/o, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, as soon as possible but in any event must be received not later than 10.00 a.m. on 19 May 2025 (or, if the AGM is adjourned, not later than 48 hours (excluding any part of such 48-hour period falling on a non-business day) before the time fixed for the adjourned AGM).
6. In the case of joint holders, the signature of only one of the joint holders is required on the form of proxy but the vote of the first named on the register of members will be accepted to the exclusion of the other joint holders.
7. As an alternative to completing and returning the printed form of proxy, you may submit your proxy electronically by accessing www.investorcentre.co.uk/eproxy. For security purposes, you will be asked to enter the Control Number, your Shareholder Reference Number ("**SRN**") and Personal Identification Number ("**PIN**") to validate the submission of your proxy online. The control number and members' individual SRN and PIN numbers are shown on the printed form of proxy or email notification. For further information, see the instructions printed on the form of proxy.
8. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the AGM by utilising the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members who have appointed a voting service provider should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
9. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK & International Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual (available via www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID number 3RA50) not later than 48 hours (excluding any part of such 48-hour period falling on a non-business day) before the time appointed for the AGM. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
10. CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular message. Normal systems timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions.
11. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitation of the CREST systems and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 18(4)(a) of the Uncertificated Securities Regulations 2006 (Isle of Man).
12. A corporation which is a member may by resolution of its directors or other governing body authorise one or more persons to act as its representative who may exercise, on its behalf, all its powers as a member, provided that they do not do so in relation to the same shares. A certified copy of any such resolution must be deposited at the registered office of the Company not less than 48 hours (excluding any part of such 48-hour period falling on a non-business day) before the time appointed for the AGM to be valid.
13. Please note that the Company takes all reasonable precautions to ensure no viruses are present in any electronic communication it sends out but the Company cannot accept responsibility for loss or damage arising from the opening or use of any email or attachments from the Company and recommends that the shareholders subject all messages to virus checking procedures prior to use.
