Agenda

- ※ Corporate Profil
- ※ Financial Review
- ※ Q&A

Hsin Yung Chien was established in 1968 in Nantou, Taiwan. Currently HYC is the biggest manufacturer in producing rubber conveyor belts in Taiwan and keeps on developing new equipments and renewing production procedure. HYC also has passed through ISO9001 and ISO14000 certificate and product lines include light and heavy-duty conveyor belts in wide range of application such as mining, steel, aviation, agriculture, logistics and pier automatic production line by "KING" brand in global market.

"Silieet", the silicon high polymer product line is complete and the R & D team is with rich experience to meet customers' demand in full range quickly. The traditional production mode and method is replaced by the latest process technology and automatic equipment to supply high value-added services and excellent quality for market differentiation in global market.

COMPANY PROFILE

Area : 47,850 Square Meter,

- ◆ Heavy Duty Belt Factory I & IV
- ◆ Light Duty Belt(Factory Factory II)
- ◆ Industrial Fabric & high polymer products (Factory III)
