Independent Auditors' Report

To the Board of Directors and Shareholders of Lingsen Precision Industries, Ltd.

Audit opinions

We have audited the accompanying parent company only financial statements of Lingsen Precision Industries, Ltd. (the “Company”), which comprise the unconsolidated balance sheets as of December 31, 2021 and 2020, and the unconsolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying unconsolidated financial statements present fairly, in all material respects, the unconsolidated financial position of the Company as of December 31, 2021 and 2020, and its unconsolidated financial performance and its unconsolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulation Governing Auditing and Certification of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the R.O.C.. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Unconsolidated Financial Statements section of our report. The auditors of the firm, subject to the independence regulations, have maintained independence from the Company in accordance with the Code of Ethics and perform other obligations of such Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

The key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the unconsolidated financial statements of the Company for the year ended December 31, 2021. These matters were addressed in the context of our audit of the unconsolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters for the Company's unconsolidated financial statements for the year ended December 31, 2021 are stated as follows:

Authenticity of service revenue recognition

The main source of revenue of the Company relies on the service revenue from various wafer and integrated circuit packaging and testing services; therefore, the service revenue is determined to be the main indicator for the management to evaluate the business performance, and its recognition authenticity has a material impact on the overall financial statements. Accordingly, the authenticity of the recognition of specific customer service revenue is listed as the key audit matter. For revenue recognition related accounting policy, please refer to Notes 4 and 20 of the unconsolidated financial statements.

We summarize the main audit procedures executed for the aforementioned matters of the current year as follows:

1. Understand and assess the internal control design related to the audit and risk in the product sales and payment collection cycle and conduct a test on its effectiveness.
2. Inspect and obtain samples from the account sales of specific customers, and inspect relevant documents of delivery orders and sales invoices, and also verify whether the payment collection subjects are consistent with the delivery subjects, and also perform letter issuance for customers of service revenue, in order to verify the authenticity of the service revenue.

Responsibilities of Management and Those Charged with Governance for the Unconsolidated Financial Statements

Management is responsible for the preparation and fair presentation of the unconsolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control as management determines is necessary to enable the preparation of unconsolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the unconsolidated financial statements, management is also responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, Including the Audit Committee, are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the unconsolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the unconsolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the R.O.C. will always detect a material misstatement when it exists in the unconsolidated financial statements. Misstatements can arise from fraud or error. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the unconsolidated financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risk of material misstatement of the unconsolidated financial statements due to fraud or error, design and adopt appropriate countermeasures for the risks assessed, and obtain sufficient and appropriate audit evidence in order to be used as the basis for the opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control of the Company.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management level.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. In case where we consider that such events or circumstances have a material uncertainty, then relevant disclosure of the unconsolidated financial statements are required to be provided in our audit report to allow users of unconsolidated financial statements to be aware of such events or circumstances, or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause Lingsen Precision Industries, Ltd. to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the unconsolidated financial statements, including relevant notes, and whether the unconsolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of the entity of the Company, and express an opinion on unconsolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the Company. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the governance units with statements that we have complied with relevant matters that may reasonably be thought to bear on our independence, and we have also communicated with the governance units on all relationships and other matters (including relevant protective measures) that may be considered to affect the independence of auditors.

From the matters communicated with those charged with governance, we determine those matters that were of most significant in the audit of the Company's 2021 unconsolidated

financial statements and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Independent Auditors' Report

To the Board of Directors and Shareholders of Lingsen Precision Industries, Ltd.

Audit opinions

We have audited the accompanying consolidated financial statements of Lingsen Precision Industries, Ltd. and its subsidiaries (the Group), which comprise the consolidated balance sheets as of December 31, 2021 and 2020, and the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2021 and 2020, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulation Governing Auditing and Certification of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the R.O.C.. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. The auditors of the firm, subject to the independence regulations, have maintained independence from the Group in accordance with the Code of Ethics and perform other obligations of such Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the Group for the year 2021. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The key audit matters for the Group's consolidated financial statements for the year 2021 are

stated as follows:

Authenticity of service revenue recognition

The main source of revenue of the Group relies on the service revenue from the various wafer and integrated circuit packaging and testing services; therefore, the service revenue is determined to be the main indicator for the management to evaluate the business performance, and its recognition authenticity has a material impact on the overall financial statements. Accordingly, the authenticity of the recognition of specific customer service revenue is listed as the key audit matter. For revenue recognition related accounting policy, please refer to Notes 4 and 21 of the consolidated financial statements.

We summarize the main audit procedures executed for the aforementioned matters of the current year as follows:

1. Understand and assess the internal control design related to the audit and risk in the product sales and payment collection cycle and conduct a test on its effectiveness.
2. Inspect and obtain samples from the account sales of specific customers, and inspect relevant documents of delivery orders and sales invoices, and also verify whether the payment collection subjects are consistent with the delivery subjects, and also perform letter issuance for customers of service revenue, in order to verify the authenticity of the service revenue.

Other Matters

Lingsen Precision Industries, Ltd. has prepared the parent company only financial statements for 2021 and 2020, to which we have also issued an independent auditor's report with unqualified opinion along with the section on other matters and provided for reference.

Responsibilities of Management Level and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the IFRS, IAS, IFRIC, and SIC endorsed and issued into effect by the Financial Supervisory Commission of the R.O.C., and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the responsibilities of the management include assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial

statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. The term of "reasonable assurance" refers to high level of assurance. Nevertheless, the audit performed according to the Generally Accepted Auditing Standards cannot guarantee the discovery of material misstatement in the financial statements. Misstatements can arise from fraud or error. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the consolidated financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risk of material misstatement of the consolidated financial statements due to fraud or error, design and adopt appropriate countermeasures for the risks assessed, and obtain sufficient and appropriate audit evidence in order to be used as the basis for the opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain a necessary understanding of internal control concerning the inspection in order to design appropriate inspection procedures that are appropriate for the time being. The purpose, however, is not to effectively express opinions on the internal control of the Group.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management level.
4. According to the audit evidence obtained, evaluate the appropriateness of the continuous operation accounting basis and whether events or circumstances possibly generating material concerns on the continuous operation ability of the Group have significant uncertainty, and provide conclusion thereto. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. Nevertheless, future events or circumstances may cause the Group to have no ability for continuous operation.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including relevant notes, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence for the financial information of individual entities of the Group and provide opinion on the consolidated financial statements. We handle the guidance, supervision and execution of the audit on the Group and are responsible for preparing the opinion for the Group.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the governance units with statements that we have complied with relevant matters that may reasonably be thought to bear on our independence, and we have also communicated with the governance units on all relationships and other matters (including relevant protective measures) that may be considered to affect the independence of auditors.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Group's 2021 consolidated financial statements and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Procedures of Share Buy-back and Transfer to Employee for year 2020

Article 1

In order to promote and improve employees' coherence, the Company adopts these Rules for the Repurchase of Shares and Transfer to Employees in accordance with Article 28-2, paragraph 1, subparagraph 1 of the Securities and Exchange Act and the provisions of the Regulations Governing Share Repurchase by Exchange-Listed and OTC-Listed Companies issued by the Financial Supervisory Commission. Any repurchase of shares and transfer to employees by the Company, in addition to complying with related laws and regulations, will be carried out in accordance with these Rules.

Article 2 (Type of shares to be transferred, a description of the rights attaching thereto, and any restrictions on such rights)

The shares to be transferred are common shares. Except for the restriction that the shares subscribed by employees cannot be transferred within two years from the company's delivery date, the rest of the rights and obligations are the same as the other outstanding common shares.

Article 3 (Transfer period)

In accordance with these Rules, the shares in the present share repurchase may be transferred to employees in a single transfer or multiple transfers within five years from the date of the share repurchase.

Article 4 (Eligibility requirements for transferees)

All employees who have been employed for over 3 months or employees with special contributions to the Company that are submitted to the board of directors for approval are eligible.

Article 5 (The number of shares employees are allowed to subscribe for)

The number of shares to which employees may subscribe will be determined based on their rank, seniority, and performance evaluations or special contributions to the Company with further considering factors such as, at the base date of shares purchasing, the total number of shares bought back by the Company and the upper limit of the single employee's subscription and submit to the board of directors for approval.

If the employees are managers, share subscriptions should be first reviewed by the Compensation Committee and then be submitted for a resolution by the board of directors.

Article 6 (Procedures for transfer of shares)

Procedures for the present repurchase of shares and transfer to employees:

1. The repurchase of the Company's shares will be publicly announced, reported, and carried out during the implementation period in accordance with a resolution of the board of directors.
2. The board of directors will publicly announce operating procedures relating to the record date for employee subscriptions, the standards for numbers of shares to which employees may subscribe, the period for payment for subscriptions, the rights, and the limitations associated with share subscriptions.
3. Statistics will be compiled on the numbers of shares actually subscribed and paid for, and the registration of share transfers will be carried out.

Article 7 (Agreed transfer price per share)

The share transfer price for the present repurchase of shares and transfer to employees will be the average of the actual share repurchase prices.

If, prior to the transfer, there is an increase in the number of issued shares of common stock, the transfer price will not be adjusted.

If, prior to the transfer, there is a decrease in the number of issued shares of common stock, the transfer price may be adjusted within a range proportional to the decrease.

Transfer price adjustment formula:

Adjusted transfer prices = Actual average repurchase price x (The total number of common shares when the shares bought back is finished ÷ The total number of common shares before the company bought back shares for employees)

Article 8 Except where otherwise provided, the rights and obligations associated with the transferred shares, following the transfer of shares in the present share repurchase to employees and registration of share transfer, will be the same as those originally associated with the shares.

Article 9 These Rules will be adopted and take effect following a resolution of the board of directors, and may be amended by submission to the board of directors for a resolution.

Article 10 These Rules and any amendments hereto, shall be reported to the shareholders meeting.

If a shareholder is a corporate shareholder, the name of such corporate shareholder shall be indicated thereon, and no other shareholder's name nor only the name of the representative of such corporate shareholder may be indicated thereof.
- Article 8: Shareholders shall submit the specimen chop to the company for record and the same applies when there are changes. The specimen chop will serve as certification for any receipt of dividends and bonuses or exercise the shareholders' rights.
- Article 9: When a shareholder processes the transfer of share certificates, he or she shall submit the complete transfer application with the signatures or chops of the transferor and transferee to the Company. It shall be effective against the Company when it is registered in the shareholders roster.
- Article 10: The Company shall follow the provisions of the "Regulations Governing the Administration of Shareholder Services of Public Companies" promulgated by the competent authority.
- Article 11: Registration for transfer of shares shall be suspended for a period of sixty days before the date of a regular shareholders meeting, and thirty days before the date of a special shareholders meeting, or within five days before the date on which dividends, bonus, or any other benefits is scheduled to be paid by the Company.

Chapter 3 Shareholders' Meeting

- Article 12: There are two kinds of shareholders' meetings: regular meeting and special

meeting.

1. The regular meeting shall be convened by the board of director within six months after the close of each fiscal year in accordance with the law.
2. The special meeting shall be convened whenever necessary according to the laws and regulations.

Article 13: A notice regarding the date, venue, and the cause or subject of a meeting of shareholders to be convened shall be given to each shareholder no later than 30 days prior to the scheduled meeting date of a regular meeting; whereas 15 days prior to the scheduled meeting date of a special meeting.

Article 14: Resolutions at a shareholders' meeting shall, unless otherwise provided for in this Act, be adopted by a majority vote of the shareholders present, who represent more than one-half of the total number of voting shares.

When the number of shareholders present does not constitute the quorum prescribed in the preceding article, but those present represent one-third or more of the total number of issued shares, a tentative resolution may be passed by a majority of those present. A notice of such tentative resolution shall be given to each of the shareholders, and reconvene a Shareholders' meeting within one month. If the tentative resolution is again adopted by a majority of those present who represent one-third or more of the total number of issued shares, such tentative resolution shall be deemed to be a resolution under the preceding article.

When the Company holds a shareholder meeting, it shall adopt the exercise of voting rights by electronic means. A shareholder exercising voting rights by electronic means will be deemed to have attended the meeting in person. Any related matters are handled in accordance with the laws and regulations.

Article 15: Each share shall be entitled to one vote except those shares for which the voting rights are restricted or excluded as stipulated in Article 179 of the Company Act.

Article 16: If for any reason a shareholder may not attend the shareholders' meeting, he or she may appoint a proxy to attend the meeting by providing the proxy form issued by the Company and stating the scope of the proxy's authorization. The regulations on shareholders' attending the meeting in proxy shall refer to the "Rules on Attendance at the Shareholders' Meeting in Proxy for Public Offering Company" apart from referring to the Company Act.

Article 17: The shareholders' meeting shall be chaired by the chairman of the board of directors of the company. When the chairman is absent, one of the directors shall preside in accordance with Article 208 of the Company Act.

Article 18: The resolutions of a shareholders' meeting shall be recorded in the meeting minutes. The meeting minutes shall be signed or sealed with the chop of the chairman of the meeting. Such minutes shall be distributed to each shareholder within 20 days after the conclusion of the meeting. The distribution under the preceding paragraph shall be handled in accordance with the Company Act.

The meeting minutes shall accurately record the year, month, day, and place of the meeting, the chair's full name, the methods by which resolutions were adopted, and a summary of the deliberations and their voting results. The minutes shall be retained for the duration of the existence of the Company.

The attendance book by the shareholders present and the proxy form by the proxy shall be retained for at least one year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the recording shall be retained until the conclusion of the litigation.

Chapter 4 The Board of Directors and Audit Committee

Article 19: The Company shall appoint seven to nine directors. The election of the directors adopts a candidate nomination system selected by the shareholders. The term of

office for directors shall be three years and all directors shall be eligible for re-election.

The number of appointed directors earlier mentioned shall have no less than three independent directors and the same shall not be less than one fifth of the total number of directors of the Company.

The percentage of shareholdings of all the directors, qualifications of independent directors, and other related matters shall be handled in accordance with the laws and regulations by the competent authority.

Independent and non-independent directors shall be elected at the same time, but in separately calculated numbers.

After election and by resolution from the board of directors, the Company shall obtain directors liability insurance with respect to liabilities resulting from exercising their duties during their terms of directorship.

The Company has set up an Audit Committee and Compensation Committee in accordance with the Securities and Exchange Act and regulations of the Competent Authority, and may also set up other functional committees.

The Audit Committee shall be composed of all independent directors.

The duties of the above functional committees shall be exercised in accordance with the Securities and Exchange Act, the Company Act, and other laws and regulations.

Article 19-1: (Deleted)

Article 20: If the vacancies on the board of directors exceeds one third of the total number of directors, or all independent directors are discharged, the board of directors shall call, within 60 days, a special meeting of shareholders to elect succeeding directors to fill the vacancies.

Article 21: In case no election of new directors is affected after expiration of the term of office of existing directors, the term of office of out-going directors shall be extended until the time new directors have been elected and assumed their office.

Article 22: The Board of Directors shall be formed by directors. The directors shall elect from among themselves the Chairman of the Board of Directors by a majority of votes cast by the directors present at the meeting attended by at least two-thirds of the directors. The Chairman shall conduct the business of the Company in accordance with applicable laws and regulations, the Articles of Incorporation of the Company, the resolutions adopted at shareholder' meetings and the resolutions adopted by the Board of Directors.

Article 23: The duties of the board of directors are as follows:

1. Prepare business operations plan.
2. Prepare surplus distribution and loss make-up proposal.
3. Prepare to increase or decrease capital.
4. Review the articles of incorporation and important contracts.
5. Appointment and dismissal of the managers and important personnel.
6. Set up and dissolve branches.
7. Budget approval and final accounts preparation.
8. Real estate trading and other business investment approval.
9. Other duties delegated by the Securities and Exchange Act, the Company Act, and the shareholders' meeting.

Article 24: Business policy of the Company and other important matters shall be decided by resolutions adopted by the Board of Directors. Any meeting of Board of Directors shall be convened by the Chairman of the Board of Directors who shall also be the chairman of the meeting, except the first meeting of each term of the Board of Directors shall be convened in accordance with Article 203 of the Company Act. In case the chairman of the Board of Directors is absent, the acting shall be in accordance with Article 208 of the Company Act.

The calling a board of directors meeting shall be notified to each director at least seven days in advance. In case of urgent circumstances, however, a meeting may be called at any time.

The cause or subject of a meeting of board of directors to be convened shall be indicated in the notice to be sent in writing, e-mail, or fax.

Article 25: Unless otherwise stated in the Company Act, a resolution of the board of directors shall be decided by a majority vote of the directors at a meeting of the board of directors attended by at least a majority of the entire directors of the company. If a director is unable to attend a board of directors meeting in person, he or she shall appoint another director to attend the meeting in his or her place and give to that director a written proxy stating the scope of authorization with respect to the reasons for meeting. A proxy may accept a proxy from one person only.

Article 26: Matters relating to the resolutions of a board of directors meeting shall be recorded in the meeting minutes. The meeting minutes shall be signed or sealed by the chair of the meeting and a copy of the meeting minutes shall be distributed to each director within 20 days after the conclusion of the meeting. The meeting minutes shall accurately record the year, month, day, and place of the meeting, the chair's full name, the methods by which resolutions were adopted, and a summary of the deliberations and their voting results. The minutes shall be retained forever. The attendance book by the directors presented and the proxy form by the proxy shall be retained for at least one year.

Article 26-1: The Company shall pay the directors for performing their duties regardless of the Company's operating profit or loss. The compensation shall be decided by the board of directors depending on the involvement of the Company's operation and the value of contribution, and shall not exceed the maximum standard of the Company's Guidelines for Compensation Criteria.

Chapter 6 Managers and employees

Article 30: The Company may have one or more managerial personnel. The appointment and discharge and the remuneration of the managerial personnel shall be decided in accordance with Articles 29 of the Company Act.

Chapter 7 Accounting

Article 31: The Company shall, at the end of each fiscal year, have the board of directors prepared the following reports 30 days before the regular shareholders' meeting and submit for the Audit Committee's review before proposing at the shareholders' meeting for acceptance:

1. Business report.
2. Financial statements.
3. Earnings distribution or loss make-up proposal.

Article 31-1: If the Company gains profit at the end of the fiscal year (profit here equals to income before tax deducts employees' compensation and directors' compensation.), it shall allocate not less than 10% for employee's compensation and not more than 2% for directors' compensation. However, the Company's accumulated losses shall have been covered.

The employees' compensation under the preceding paragraph shall be distributed in the form of shares or in cash.

Matters in the preceding two paragraphs shall be resolved by a majority vote at a

meeting of board of directors attended by at least two-thirds of the total number of directors, and reported to the shareholders' meeting.

- Article 32: The Company takes into consideration the current and future development plan, investing environment, capital needs, and domestic and international competition, as well as shareholders' benefit for its dividend policy. If there is a net income in the final accounts of the Company, it shall, after paying all taxes and offsetting any loss from prior years, set aside ten percent of such profits as a legal reserve, and increase or rotate a special surplus reserve in accordance with the law or regulations of the competent authority, distribute dividend and bonus no less than 50% (If the shareholder dividends and bonuses are greater than NT\$1 per share, at least 20% of the excess shall be allocated for cash dividends) and submitted to the shareholders' meeting for acceptance.

Lingsen Precision Industries, Ltd.
The Rules of Procedure for Shareholders' Meetings

1. The rules of procedures for this Company's shareholders meetings, except as otherwise provided by other laws and regulations, shall be as provided in these Rules.
2. The number of shares represented by shareholders attending the Meeting shall be calculated in accordance with the attendance cards submitted by the shareholders or with an attendance book to sign.
The number of shares in attendance shall be calculated according to the shares indicated by the attendance card handed in plus the number of shares whose voting rights are exercised by correspondence or electronically.
3. The attendance and the voting shall be calculated based on the number of shares.
4. The Meeting shall be held at the head office of the Company or at any other appropriate place that is convenient for the shareholders to attend. The time to start the Meeting shall not be earlier than 9:00 a.m. or later than 3:00 p.m.
5. The Chairman of the Board of Directors shall be the chairman presiding at the Meeting in the case that the Meeting is convened by the Board of Directors. If, for any reason, the Chairman of the Board of Directors cannot preside at the Meeting, the chairman shall appoint one of the directors to act as chair. Where the chairman does not make such a designation, the directors shall select from among themselves one person to serve as chair. If the Meeting is convened by any other person entitled to convene the Meeting, such person shall be the chairman to preside at the Meeting.
6. The Company may appoint designated counsel, CPA or other related persons to attend the Meeting.
Persons handling affairs of the Meeting shall wear identification cards or badges.
7. The process of the Meeting shall be tape-recorded or videotaped and these tapes shall be preserved for at least one year.
8. Chairman shall call the Meeting to order at the time scheduled for the Meeting. If the number of shares represented by the shareholders present at the Meeting has not yet constituted the quorum at the time scheduled for the Meeting, the chairman may postpone the time for the Meeting. The postponements shall be limited to two times at the most and Meeting shall not be postponed for longer than one hour in the aggregate. If after two postponements no quorum can yet be constituted but the shareholders present at the Meeting represent more than one - third of the total outstanding shares, tentative resolutions may be made in accordance with Section 1 of Article 175 of the Company Law.
If during the process of the Meeting the number of outstanding shares represented by the shareholders present becomes sufficient to constitute the quorum, the chairman may submit the tentative resolutions to the Meeting for approval in accordance with Article 174 of the Company Law.
9. The agenda of the Meeting shall be set by the Board of Directors if the Meeting is convened by the Board of Directors. Unless otherwise resolved at the Meeting, the

Meeting shall proceed in accordance with the agenda.

The above provision applies mutatis mutandis to cases where the Meeting is convened by any person, other than the Board of Directors, entitled to convene such Meeting.

Unless otherwise resolved at the Meeting, the chairman cannot announce adjournment of the Meeting before all the discussion items (including special motions) listed in the agenda are resolved.

The shareholders cannot designate any other person as chairman and continue the Meeting in the same or other place after the Meeting is adjourned. However, in the event that the Chairman adjourns the Meeting in violation of these Rules and Procedures, the shareholders may designate, by a majority of votes represented by shareholders attending the Meeting, one person as chairman to continue the Meeting.

10. When a shareholder present at the Meeting wishes to speak, a Speech Note should be filled out with summary of the speech, the shareholder's number (or the number of Attendance Card) and the name of the shareholder. The sequence of speeches by shareholders should be decided by the chairman.

If any shareholder present at the Meeting submits a Speech Note but does not speak, no speech should be deemed to have been made by such shareholder. In case the contents of the speech of a shareholder are inconsistent with the contents of the Speech Note, the contents of actual speech shall prevail.

Unless otherwise permitted by the chairman and the shareholder in speaking, no shareholder shall interrupt the speeches of the other shareholder otherwise the chairman shall stop such interruption.

11. Unless otherwise permitted by the chairman, each shareholder shall not, for each discussion item, speak more than two times (each time not exceeding 5 minutes). In case the speech of any shareholder violates the above provision or exceeds the scope of the discussion item, the chairman may stop the speech of such shareholder.

12. A corporate shareholder may only appoint one representative to attend a shareholders meeting.

If a corporate shareholder designates two or more representatives to attend the Meeting, only one representative can speak for each discussion item.

13. After the speech of a shareholder, the chairman may respond in person or appoint an appropriate person to respond.

14. The chairman may announce to end the discussion of any resolution and go into voting if the Chairman deems it appropriate.

15. The person(s) to check and the person(s) to record the ballots during a vote by casting ballots shall be appointed by the chairman. The person(s) checking the ballots shall be a shareholder(s). The result of voting shall be announced at the Meeting and placed on record.

16. During the Meeting, the chairman may, at his discretion, set time for intermission.

17. Except otherwise specified in the Company Law or the Articles of Incorporation of the Company, a resolution shall be adopted by a majority of the votes represented by the

shareholders present at the Meeting. The resolution shall be deemed adopted and shall have the same effect as if it was voted by casting ballots if no objection is voiced after solicitation by the chairman.

18. If there is amendment to or substitute for a discussion item, the chairman shall decide the sequence of voting for such discussion item, the amendment or the substitute. If any one of them has been adopted, the others shall be deemed vetoed and no further voting is necessary.
19. The chairman may conduct the disciplinary officers or the security guard to assist in keeping order of the Meeting place. Such disciplinary officers or security guards shall wear badges marked "Disciplinary Officers" for identification purpose.
20. These Rules and Procedures shall be effective from the date it is approved by the Shareholders' Meeting. The same applies in case of revision.

Lingsen Precision Industries, Limited.
Rules for Election of Directors

- Article 1 Unless otherwise provided in the Company Law or the Articles of Incorporation of this Company, the directors of this Company shall be elected in accordance with the rules specified herein.
- Article 2 Election of directors of this Company shall be held at the shareholders' meeting.
- Article 3 This Company's directors shall be elected by adopting the candidate nomination system specified in Article 192-1 of the Company Act and the Articles of Incorporation. Shareholders shall elect the directors from the List of Director (including Independent Director) Candidates.
- Article 4 In the election of directors of this Company, the names of voters may be represented by shareholders' numbers.
- In the election of directors of this Company, each share shall have voting rights equivalent to the number of seats to be elected and such voting rights can be combined to vote for one person or divided to vote for several persons.
- Article 5 The election of independent directors and non-independent directors shall be held together; provided, however, that the number of independent directors and non-independent directors elected shall be calculated separately.
- In the election of directors of this Company, candidates who acquire more votes should win the seats of directors. If two or more persons acquire the same number of votes and the number of such persons exceeds the specified seats available, such persons acquiring the same votes shall draw lots to decide who should win the seats available, and the Chairman shall draw lots on behalf of the candidate who is not present.
- Article 6 The shareholders shall exercise their voting rights in writing or by electronic means. At the beginning of the election, the Chairman shall appoint several persons each to check and record the ballots. The persons to check the ballots may be appointed from among the shareholders present.
- Article 7 The ballot box used for voting shall be prepared by the Board of Directors and checked in public by the person to check the ballots before voting.
- Article 8 The Board of Directors shall prepare separate ballots for directors in numbers corresponding to the directors to be elected. The number of voting rights associated with each ballot shall be specified on the ballots, which shall then be distributed to the attending shareholders at the shareholders meeting. Attendance card numbers printed on the ballots may be used instead of recording the names of voting shareholders.
- Article 9 Deleted.
- Article 10 Ballots shall be deemed void under the following conditions
1. Ballots not prepared by the convening authority.
 2. Blank ballots had been cast in the ballot box.
 3. Writing is illegible or has been altered by the voter;
 4. The candidate whose name is entered in the ballots does not match the List of Director Candidates.
 5. Other words or marks are entered in addition to the number of voting rights allotted.
- Article 11 The ballots should be calculated during the meeting right after the vote casting and the results of the election should be announced by the Chairman at the meeting, including the list of persons elected as directors and the numbers of votes with which they were elected.
- If one does not meet the Article 26-3, Paragraph 3 of the Securities and Exchange Act, the election shall be deemed invalid.
- Article 12 The items that are not specified in these Rules shall be exercised in accordance with the Articles of Incorporation, the Company Act, and other laws and regulations.
- Article 13 These Rules and any revision thereof shall become effective after approval at the shareholders' meeting.
