5. Statement:

5.1 2014 4th Quarter Financial Results (Unconsolidated)

Sales Revenue: NT\$7.56billion, down 8.9% QoQ, up 3.6% YoY

Gross Margin: 42.3%

Net Income: NT\$555M

EPS: NT\$1.1

EPS for 2014: NT\$7.71, up 28% YoY

5.2 2015 Q1 Company Guidance

Part of February's demands is pulled into January for delivery due the timing of the Lunar New Year. The order in February is hence expected to be lower than that in January. The supply and demand should be back to normal in March. Overall, we see the business in the first quarter to deliver a steady growth.
