You will be asked to enter the Control Number, Shareholder Reference Number and PIN as printed opposite and agree to certain terms and conditions.

Explanatory Notes:

- The voting directions of planholders for whom the Chairman will be appointed to act as proxy (Box A below) will form the basis upon which the shares of those who do not provide any such directions will be voted proportionately. Planholders attending the Annual General Meeting (Box B below) are able to vote in person.
- Please complete either Box A or Box B below. If both boxes are completed, the person named in Box B shall be appointed proxy in accordance with Box B and the completion of Box A shall be disregarded. If neither box is completed, State Street Nominees Limited (the "nominee company") will direct the Chairman to vote your shares in proportion to the total of the voting directions received from planholders.
- If Box A is completed, please indicate how you wish the nominee company to direct the Chairman of the meeting to vote by placing a cross in the appropriate box, For, Against or Vote withheld. If no indication is given in respect of a resolution, the nominee company will direct the Chairman to vote your shares in respect of that resolution in proportion to the total of the voting directions received from planholders.
- The purpose of the proportional voting arrangement is to ensure that planholders are fairly and fully represented at shareholder meetings. The nominee company will only implement the proportional voting arrangement if valid Forms of Direction representing a minimum threshold of at least 5% of the shares held by planholders within the savings plans are received. A maximum limit of 74,000 shares that any one individual investor can vote, being approximately 5% of the minimum threshold, will also apply. Any shares voted by an investor in excess of the maximum limit will remain valid, but will not form part of the proportional voting basis.
- The final box in Box A should not be marked unless for any reason you do not want your voting directions included in the proportional voting arrangement.
- The "Vote withheld" option is provided to enable you to direct the Chairman to abstain on any particular resolution should you so wish.
- On any motion to amend any resolution, to propose a new resolution or to adjourn the meeting, or on any other motion or resolution put to the meeting, the proxy will vote or abstain at his discretion.
- By signing this Form of Direction, a joint planholder warrants that he/she has authority to sign for and on behalf of his/her fellow joint investors.
