2023 Business Report

I. 2023 Operating Results

(I) 2023 Operating Performance

The operation in 2023 was adversely affected by the inflation after Covid, customers' overstock, and low demand in the final markets. We expected it would take longer for the market to be back to pre-Covid level, and focused on enhancing our capabilities, improving production management, and developing new products. We believed these efforts would benefit our performance in the coming years.

The Company's 2023 operating results are stated as follows.

Independent Auditor's Report Translated from Chinese

To SIWARD Crystal Technology Co., Ltd.:

Opinion

We have audited the accompanying consolidated financial statements of SIWARD Crystal Technology Co., Ltd. and its subsidiaries (the "Group"), which comprise the consolidated balance sheets as of December 31, 2023 and 2022, and related consolidated statements of comprehensive income, changes in equity, cash flows, and notes to consolidated financial statements (including summary of significant accounting policies) for the years ended December 31, 2023 and 2022. The independent auditor has completed the audits of these statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2023 and 2022 and their consolidated financial performance and cash flows for the years ended December 31, 2023 and 2022, in conformity with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards, International Accounting Standards, Interpretations developed by the International Financial Reporting Interpretations Committee or the former Shanding Interpretations Committee as endorsed and became effective by Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of the Professional Ethics for Certified Public Accountant of the Republic of China (the "Norm") and we have fulfilled our other ethical responsibilities in accordance with the Norm. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the Group for the year ended December 31, 2023. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Impairment of accounts receivable

As of December 31, 2023, the carrying amounts of the accounts receivable and loss allowance of the Group were NT\$644,657 thousand and NT\$26,058 thousand, respectively. The net accounts receivable account for 12% of the total assets, which have significant influence over the Group. Because the amount of loss allowance for accounts receivable is measured by the expected credit losses during the duration, the accounts receivable should be classified into groups in the measurement process, and appropriate age ranges and the loss rates for each age range, and their forward-looking information should be determined. These activities involve management judgments or assumptions and the measurement result affects the net accounts receivable; therefore, we have identified the Impairment of accounts receivable as a key audit matter.

The audit procedures that we performed include (but not limited to) the evaluation on the effectiveness of the internal controls established by the management for accounts receivable, including the control of credit limits, the analysis on the trend of changes in accounts receivable and turnover ratio and tests in the subsequent collection of accounts receivable to assess the recoverability, the test in the readiness matrix they employ, including the assessment of whether each group of age ranges is reasonably determined and the spot check on original documents and confirm for their correctness, and recalculation of lifetime expected credit losses.

We also consider the appropriateness of accounts receivable and related risk disclosures in Notes IV、V and VI to the consolidated financial statements.

Inventory valuation

As of December 31, 2023, the carrying amounts of inventories was NT\$921,261 thousand, with net inventories accounting for 18% of the total assets, which have significant influence over the Group, and the end application of products is in the rapidly changing industry, resulting in the losses of slow-moving or obsolete inventories. Therefore, the allowance to reduce inventory to market and valuation of slow-moving inventories involve management judgments or assumptions, and thus we have judged inventory valuation as a key audit matter.

The audit procedures that we performed include, but not limited to, understanding and testing the effectiveness of the internal controls established by the management for inventories, including the evaluation procedures for the identification of obsolete or defective inventories; the evaluation on the management's stocktaking plan and on-site observation of inventory counting to verify the quantity and status of inventory; selection of samples to test the correctness and completeness of inventory age; selection of samples to re-calculating the unit cost of inventories; and evaluating net realizable value adopted by management.

We also consider the appropriateness of inventory related disclosures in Notes IV、V and VI to the consolidated financial statements.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the requirements of Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards, International Accounting Standards, Interpretations developed by the International Financial Reporting Interpretations Committee or the former Shanding Interpretations Committee as endorsed by Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the audit committee) are responsible for overseeing the financial reporting process of the Group.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards of Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control of the Group.

3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability to continue as a going concern of the Group. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the accompanying notes, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with statements that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the Group for the year ended December 31, 2023 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Others

We have audited and expressed an unqualified opinion on the parent company only financial statements of SIWARD Crystal Technology Co., Ltd. As of and for the years ended December 31, 2023 and 2022.

The engagement partners on the audits resulting in this independent auditors' report are Tu, Chin-Yuan and Huang, Yu-Ting.

Independent Auditor's Report Translated from Chinese

To SIWARD Crystal Technology Co., Ltd.:

Opinion

We have audited the accompanying parent company only financial statements of SIWARD Crystal Technology Co., Ltd. (the "Company"), which comprise the parent company only balance sheets as of December 31, 2023 and 2022, and related parent company only statements of comprehensive income, changes in equity, cash flows, and notes to parent company only financial statements (including summary of significant accounting policies) for the years ended December 31, 2023 and 2022. The independent auditor has completed the audits of these statements.

In our opinion, the parent company only financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and its financial performance and cash flows for the years ended December 31, 2023 and 2022, in conformity with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Parent Company Only Financial Statements section of our report. We are independent of the Company in accordance with The Norm of the Professional Ethics for Certified Public Accountant of the Republic of China (the "Norm"), and we have fulfilled our other ethical responsibilities in accordance with the Norm. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the parent company only financial statements of the Company for the year ended December 31, 2023. These matters were addressed in the context of our audit of the parent company only financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Impairment of accounts receivable

As of December 31, 2023, the carrying amounts of the accounts receivable and loss allowance of the Company were NT\$570,923 thousand and NT\$16,620 thousand, respectively. The net accounts receivable account for 11% of the total assets, which have significant influence over the Company.

Because the amount of loss allowance for accounts receivable is measured by the expected credit losses during the duration, the accounts receivable should be classified into groups in the measurement process, and appropriate age ranges and the loss rates for each age range, and their forward-looking information should be determined. These activities involve management

judgments or assumptions and the measurement result affects the net accounts receivable; therefore, we have identified the Impairment of accounts receivable as a key audit matter.

The audit procedures that we performed include (but not limited to) the evaluation on the effectiveness of the internal controls established by the management for accounts receivable, including the control of credit limits, the analysis on the trend of changes in accounts receivable and turnover ratio and tests in the subsequent collection of accounts receivable to assess the recoverability, the test in the readiness matrix they employ, including the assessment of whether each group of age ranges is reasonably determined and the spot check on original documents and confirm for their correctness, and recalculation of lifetime expected credit losses.

We also consider the appropriateness of accounts receivable and related risk disclosures in Notes IV 、 V and VI to the parent company only financial statements.

Inventory valuation

As of December 31, 2023, the carrying amounts of inventories of the Company were NT\$902,199 thousand, with net inventories accounting for 18% of the total assets, which have significant influence over the Company and the end application of products is in the rapidly changing industry, resulting in the losses of slow-moving or obsolete inventories. Therefore, the allowance to reduce inventory to market and valuation of slow-moving inventories involve management judgments or assumptions, and thus we have judged inventory valuation as a key audit matter.

The audit procedures that we performed include, but not limited to, understanding and testing the effectiveness of the internal controls established by the management for inventories, including the evaluation procedures for the identification of obsolete or defective inventories; the evaluation on the management's stocktaking plan and on-site observation of inventory counting to verify the quantity and status of inventory; selection of samples to test the correctness and completeness of inventory age; selection of samples to re-calculating the unit cost of inventories; and evaluating net realizable value adopted by management.

We also consider the appropriateness of inventory related disclosures in Notes IV 、 V and VI to the parent company only financial statements.

Responsibilities of Management and Those Charged with Governance for the Parent Company Only Financial Statements

Management is responsible for the preparation and fair presentation of the parent company only financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuer, and for such internal control as management determines is necessary to enable the preparation of parent company only financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the parent company only financial statements, management is responsible for assessing the ability to continue as a going concern of the Company, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the audit committee) are responsible for overseeing the financial reporting process of the Company.

Auditors' Responsibilities for the Audit of the Parent Company Only Financial Statements

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent company only financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

1. Identify and assess the risks of material misstatement of the parent company only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal control of the Company.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability to continue as a going concern of the Company. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the parent company only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the parent company only financial statements, including the disclosures, and whether the parent company only financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the parent company only financial statements. We are responsible for the direction, supervision and performance of the audit of the Company. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with statements that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the parent company only financial statements of the Company for the year ended December 31, 2023 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audits resulting in this independent auditors' report are Tu, Chin-Yuan and Huang, Yu-Ting.

Chapter 3 Shareholders' Meeting

- Article 8: The shareholders' meeting is divided into general meeting and special meeting. The general meeting shall be held once a year within 6 months after the end of fiscal year. The special meeting shall be held in accordance with the relevant laws when necessary.
- Article 9: When a shareholder is unable to attend a shareholders meeting for any reason, he/she may appoint a proxy by executing a power of attorney to attend the meeting with his/her signature or seal, clearly stating the scope of authorization. For the method of shareholders to delegate their attendance, except for complying with Article 177 of the Company Act, it shall be subject to the "Regulations Governing the Use of Proxies for Attendance at the Shareholders' Meetings of Public Companies" published by the competent authority.
- Article 10: A shareholders' meeting shall be convened and presided over by the chairman. If the chairman is on leave, he/she shall appoint one of the directors to act on his/her behalf. Where the chairman fails to make such appointment, the directors shall select one of the directors to act on behalf of the chairman. If a shareholders' meeting is convened by any person who has the right to do so, other than the Board of Directors, the meeting shall be presided over by that person. Where there are two or more such persons, they shall select only one to preside over the meeting.
- Article 11: A shareholder shall have one voting right for each share held, unless otherwise provided by law.
- Article 12: Unless otherwise provided by the Company Act, resolutions of the shareholders meeting shall be attended by shareholders who represent more than one-half of the total number of issued and outstanding shares.
- Article 13: Resolutions adopted at a shareholders meeting shall be recorded in the minutes of the meeting, which shall be affixed with the signature or seal of the chair of the meeting and shall be distributed to all shareholders within 20 days after the close of the meeting. The preparation and distribution of the minutes of the shareholders meeting may be affected by means of public announcement. The minutes of the shareholders meeting shall record a summary of the essential points of the proceedings and the results of the meeting. The attendance list bearing the signatures of shareholders present at the meeting and the powers of attorney of the proxies shall be kept in the

Company.

Chapter 4 Board of Directors

- Article 14: The Company has seven to eleven directors. The number of directors is determined by the board of directors. The directors are elected under a candidate nomination system by the shareholders' meeting from a list of candidates. The directors may be reelected for consecutive terms. The total shareholdings of all directors are subject to the regulations of the securities authorities.
- Article 14-1: In accordance with Article 14-2 of the Securities and Exchange Act, the Company shall have at least three independent directors among the directors. The professional competence, shareholdings, restrictions on concurrent positions, methods of nomination and election and other requirements of such independent directors shall be subject to the applicable regulations of the competent authority of securities.
- Article 14-2: The Company shall establish an Audit Committee consisting of all the independent directors, responsible for supervisory duties as stipulated in the Company Act, the Securities and Exchange Act and other laws and regulations.
- Article 15: Where at least one-third of the seats of directors are vacant, the Board of Directors shall convene a special shareholders' meeting within 30 days in accordance with the time limit stipulated in Article 201 or Article 217-1 of the Company Act. The term of each director elected as such shall be limited to the remaining term of his/her predecessor.
- Article 16: In case no election of new directors is expected after the existing directors' term of office expire, the term of office of out-going directors shall be extended until the time new directors have been elected and assumed their office. However, the competent authority may, ex officio, order the company to elect new directors within a given time limit; and if no re-election is affected after expiry of the given time limit, the out-going directors shall be discharged from such expiration date.
- Article 17: The directors shall organize a board of directors and shall elect a chairperson of the board directors from among the directors by a majority vote at a meeting attended by over two-thirds of the directors. The chairman shall execute all affairs of the Company in accordance with the regulations, the Articles of Incorporation, the resolutions adopted by the shareholders' meeting and board meeting. The chairperson represents the Company externally. If the chairman is unable to perform his/her duties for some reason, he/she shall appoint one of the directors to act on his/her behalf. Where the

chairman fails to make such an appointment, the directors shall select one of the directors to act on behalf of the chairman.

Article 17-1: A notice of the reasons for convening a board meeting shall be given to each director and supervisor 7 days before the meeting is convened. In emergency circumstances, however, a meeting may be called on shorter notice.

The notice set forth in the preceding paragraph may be affected in writing, E-mail or fax.

Article 18: The Company's business policies and other important matters are resolved by the Board of Directors. Except for the first board meeting of each term which is convened in accordance with Article 203 of the Company Act, the rest of the meetings are convened by the chairman presided over by the chairman. If the chairman is unable to perform his/her duties, he/she shall appoint one person to act on his/her behalf. Where the chairman fails to make such an appointment, the directors shall select one of the directors to act on behalf of the chairman.

Article 19: Unless otherwise provided for in the Company Act, any resolution of the Board of Directors shall be adopted by a majority of the directors attending a meeting of the Board of Directors at which a majority of directors are present. A director who appoints another director to attend a board meeting shall issue a proxy form stating the scope of authorization with respect to the reasons for convening the meeting. The proxy may be the appointed proxy of only one person. In case a meeting of the board of directors is proceeded via videoconference, then the directors taking part in such a videoconference meeting shall be deemed to have attended the meeting in person.

Article 20: The resolutions of the Board shall be tracked as minutes of meeting on record, affixed with the authorized signature/seal of the presiding officer, and circulated among the Directors within 20 days after the session. The summary and result of the motions in discussion and voting shall be noted in the minutes of meeting on record. The minutes of meeting on record, the sign-in book for tracking attendance of the directors and the power of attorney for appointment of proxies shall be kept by the Company.

Article 21: The Company's remuneration to directors is determined by the Board of Directors based on the degree of the director's involvement in the Company's operations as well their contribution and value, with reference to standard remuneration paid by peers.

Chapter 5 Managers and Employees

Article 22: The Company shall have 1 General Manager and a number of managers. Their appointment, discharge and remuneration shall be subject to Article 29 of the

Company Act.

Article 23: By resolution of the Board of Directors, the Company may hire consultants and important employees.

Chapter 6 Final Accounts

Article 24: At the end of each fiscal year, the Company's Board of Directors shall prepare the following which are to be submitted to the shareholders' general meeting for ratification in accordance with the law.

1. Business report.
2. Financial statements.
3. Proposals for earnings distribution or making up losses.

Article 25: Where there is a profit for the current year, the Company shall distribute 5% of the profit as remuneration to employees and not more than 3% of the profit as remuneration to directors. However, if the Company has accumulated losses, profit shall be set aside in advance to make up for the losses. Profit refers to the net income before deducting remuneration to employees and remuneration to directors.

Article 25-1: As the industrial environment of the Company is volatile, the dividend policy must take into account the Company's future capital needs and long-term financial planning in order to meet the needs of shareholders for cash inflows. The Company's earnings, if any, in its annual final account shall be first used to pay income taxes and make up for its accumulated losses and then 10% of the said profits shall be set aside as Special reserves, as required by law or the competent authority. Where there is surplus, dividends may be paid to shareholders. Among them, cash dividends shall be no less than 10% of the total dividends to shareholders. The Board of Directors shall prepare a distribution proposal based on the actual profit and capital for the year. The proposal is submitted to the shareholders' meeting for resolution. If there is a reduction in accumulated shareholders' equity in the current year but there is not sufficient net income, a special reserve of the same amount should be set aside from the accumulated undistributed earnings of the previous year and deducted prior to the provision for distribution.

Chapter 7 Supplementary Provisions

Article 26: The Company may provide external guarantees.

Article 27: The Company is not subject to the 40% limit of Article 13 of the Company Act when making foreign investments and the implementation is authorized to the Board of Directors.

Article 28: The Company's Articles of Incorporation and Regulations shall be separately established by the Board of Directors.

- Article 29: Matters not set forth for in these Articles shall be handled in accordance with the Company Act and other relevant laws and regulations.
- Article 30: The Articles of Incorporation were established on January 19, 1988; the 1st amendment was made on November 12, 1990; the 2nd amendment was made on March 16, 1992; the 3rd amendment was made on June 15, 1992; the 4th amendment was made on August 23, 1992; the 5th amendment was made on March 31, 1994; the 6th amendment was made on June 28, 1994; the 7th amendment was made on September 15, 1994; the 8th amendment was made on July 10, 1995; the 9th amendment was made on May 18, 1996; the 10th amendment was made on May 31, 1997; the 11th amendment was made on April 11, 1998; the 12th amendment was made on May 2, 2000; the 13th amendment was made on March 27, 2001; the 14th amendment was made on June 11, 2002; the 15th amendment was made on June 27, 2003; the 16th amendment was made on June 25, 2004; the 17th amendment was made on June 27, 2008; the 18th amendment was made on June 17, 2010; the 19th amendment was made on June 15, 2011; the 20th amendment was made on June 13, 2012; the 21st amendment was made on June 6, 2014; The 22nd amendment was made on June 22, 2016; The 23rd amendment was made on June 15, 2017; The 24th amendment was made on June 12, 2020.

SIWARD Crystal Technology Co., Ltd.
Chairman: Tseng, Ying-Tang

SIWARD Crystal Technology Co., Ltd.
Rules of Procedure for Shareholders' Meetings

- I. The rules of procedures for the Company's shareholders' meetings, shall be as provided in these Rules.
- II. The shareholders referred to in these Rules are shareholders themselves as recorded in the register of shareholders and proxies appointed by the shareholders to attend the meeting.
- III. Shareholders (or their proxies) attending shareholders' meeting may hand in a sign-in card in lieu of signing in. The number of shares in attendance shall be calculated according to the shares indicated by the attendance book and sign-in cards handed in plus the number of shares whose voting rights are exercised by correspondence or electronically.
- IV. Any shareholders' meeting convened by the Board of Directors shall be presided over by the chairman. If the chairman is on leave or unable to perform his/her duties for whatever reason, the chairman shall appoint one of the directors to act on his/her behalf. Where the chairman fails to make such an appointment, the directors shall select one of them to act on behalf of the chairman. If a shareholders' meeting is convened by any person who has the right to do so, other than the Board of Directors, the meeting shall be presided over by that person. Where there are two or more such persons, they shall select only one to preside over the meeting.

The chair shall call the meeting to order when a majority of the total outstanding shares is present. If the meeting is overdue and the total number of shares present is insufficient, the chair may postpone the meeting. If the quorum is not met after two postponements (20 minutes for the first one and 10 minutes for the second one) and the attending shareholders represent one third or more of the total number of issued shares, a tentative resolution may be adopted based on a majority of the voting rights presented by the attending shareholders. If the quorum represented by the attending shareholders is met at the time of the tentative resolution of the preceding paragraph, the chair may call the meeting to order at any time and the tentative resolution is submitted to the meeting for ratification.
- V. If a shareholders' meeting is convened by the Board of Directors, the meeting agenda shall be set by the board of directors. The meeting shall proceed in the order set by the agenda, which may not be changed without a resolution from the shareholders' meeting.

If a shareholders' meeting is convened by someone with the right to do so, other than the Board of Directors, the meeting shall be presided over by that person.

The chair may not declare the meeting adjourned prior to completion of deliberation on the meeting agenda of the preceding two paragraphs (including extempore motions), except by a resolution of the shareholders meeting. In the event of a violation, a new chair may be elected by a majority of the voting rights

held by the attending shareholders to continue the meeting.

- VI. Before speaking, an attending shareholder must specify on a speaker's slip the name of the shareholder, attendance card number and the subject of the speech. The order in which shareholders speak will be set by the chair. A shareholder in attendance who has submitted a speaker's slip but does not actually speak shall be deemed to have not spoken. When the content of a speech does not follow the subject given on the speaker's slip, the spoken content shall prevail.
- VII. Except with the consent of the chair, a single speech made by a shareholder may not exceed five minutes, but with the permission of the chairman, he or she may extend the time by three minutes and limited to one time.
- VIII. A shareholder may not speak more than twice on the same proposal. The chair may stop the speech if it is out of time or beyond the topic. When a shareholder is delivering his/her statement, another shareholder may not interrupt with his/her own statement without consent from both the chairperson and the shareholder delivering statement. The chairperson shall stop any such interruptions. Where any shareholder who is a juristic person is represented by two or more persons at the shareholders' meeting, only one of them may be selected to deliver a statement on a proposal. After the attending shareholders have delivered their statements, the chairperson may give or have designated persons give responses.
- IX. During the discussion of the motion, the chair may declare the end of the discussion at an appropriate time, and if necessary, the chair may declare that the discussion has ceased. After discussion is declared concluded, the chair should immediately put the motion to vote. Vote monitoring and counting personnel for the voting on a proposal shall be appointed by the chair, provided that all monitoring personnel are shareholders of the Company. The results of the voting shall be announced on-site at the meeting and a record made of the vote.
- X. Except as otherwise provided in the Company Act, the passage of a proposal shall require an affirmative vote of a majority of the voting rights represented by the attending shareholders. If there is no objection by any shareholders present following an inquiry by the chair, the proposal shall be deemed passed with the same effect as a poll.
- XI. When the Company holds a shareholders' meeting, it shall adopt exercise of voting rights by electronic means and may adopt exercise of voting rights by correspondence. A shareholder exercising voting rights by correspondence or electronic means will be deemed to have attended the meeting in person. The shareholder will have waived his/her rights with respect to the extempore motions and amendments to original proposals of that meeting; it is therefore advisable that the Company avoids the submission of extempore motions and amendments to original proposals. A shareholder intending to exercise voting rights by correspondence or electronic means under the preceding paragraph shall deliver a written declaration of intent to the Company before two days prior to the date of the shareholders meeting. When

duplicate declarations of intent are delivered, the one received earliest shall prevail, except when a declaration is made to cancel the earlier declaration of intent.

After a shareholder has exercised voting rights by correspondence or electronic means, in the event the shareholder intends to attend the shareholders meeting in person or online, a written declaration of intent to retract the voting rights already exercised under the preceding paragraph shall be made known to the Company, by the same means by which the voting rights were exercised, before two business days prior to the date of the shareholders meeting. When a shareholder has exercised voting rights both by correspondence or electronic means and by appointing a proxy to attend a shareholders meeting, the voting rights exercised by the proxy in the meeting shall prevail.

When there is an amendment or an alternative to a proposal, the chair shall present the amended or alternative proposal together with the original proposal and decide the order in which they will be put to a vote. When any one among them is passed, the other proposals will then be deemed rejected and no further voting shall be required.

- XII. Shares held by shareholders with no voting right shall not be counted in the total number of issued shares while adopting a resolution at a meeting of shareholders. In passing a resolution at a shareholders' meeting, shares for which voting rights cannot be exercised shall not be counted in the number of votes of shareholders present at the meeting.
- XIII. A shareholder who has a personal interest in the matter under discussion at a meeting, which may impair the interest of the company, shall not vote nor exercise the voting right on behalf of another shareholder.
- XIV. A shareholder who has a personal interest in the matter under discussion at a meeting, which may impair the interest of the company, shall not vote nor exercise the voting right on behalf of another shareholder.
- XV. When a meeting is in progress, the chair may announce a break based on time considerations.
- XVI. When a meeting is in progress, if there is an air-raid warning drill, the meeting shall be suspended and the attendees evacuated. The meeting shall continue an hour after the warning has been lifted.
- XVII. The minutes of proceedings shall record the main points of the proceedings and the results thereof. The minutes shall be kept by the Company together with the signature book of the directors present and the proxy form for attendance. The attendance list bearing the signatures of shareholders present at the meeting and the powers of attorney of the proxies shall be kept by the company for a minimum period of at least one year.
