# Business Scope: Electronic Products

## Rugged Computing BG

Getac provides safe and reliable rugged computer and video solutions for defense, public safety, utility, transportation and logistics, manufacturing, and energy industries, helping professionals improve front-line operational efficiency and digital transformation.

## Mechatronic & Energy BG

A professional OEM supplier of power supply solutions, industrial displays, and mold prototyping services for various vertical markets such as defense, healthcare, security, manufacturing, and consumer electronics industries.

# Business Scope: Mechanical Products

## Plastic BG

An industry's leading manufacture of composite materials , dedicated to the development of advanced process and surface treatment technology, combined with MHCM plastic injection process technology and various composite materials, to provide the industry's most lightweight, environmentally friendly, strong and stylish mechanical components.

## Automotive BG

IATF16949 certified manufacturer, providing OEM services for automotive light metal die-casting parts, focusing on ADAS (advanced driver assistance systems) and new energy vehicle applications. Our production volume of seatbelt spindles and spools represents around 40% of the global supply.

## Aerospace Fasteners TWSE:3004

AS9100 and IATF16949 management system certified manufacturer, which produces fastener products for aerospace and high-end industrial applications. It is one of the few certified aerospace fastener manufacturers in the Asia-Pacific region.

*\*Getac has 36.77% Ownership*

# Manufacturing Locations
