Car Rear View System

System Introduction

The car driver can watch the rear view clearly with the aid of **HD-rear camera** behind the car when driving a car in reverse. The **parking related device cable** is one of the key components in this system, it makes the reversing easier and safer.

▣ Application :

Parking Related Device Cable

▣ Specifications :

- Conductor : Tinned Copper Conductor or FPC
- Insulation : PVC
- Rated Voltage : 12 ~ 24V

▣ Quality Control Flow :

- Crimping Force Monitor Adapted Online for 100% Crimping Quality Monitor/Managements
- 100% Connection/Conductivity Test
- Air-Tight Test (Waterproof)

EV Charger

Product Specification

SAE J1772 (USA)

▣ AC Charger

Current : 10A

Charging Time : 5 hr

▣ DC Charger
