Holders of AstraZeneca Shares are encouraged to appoint a proxy regardless of whether they intend to attend the General Meeting and should refer to the Notes to the Notice of General Meeting in Part VII (*Notice of General Meeting*) of this document for further information regarding the applicable procedures to be followed and deadline for submission of their proxy appointment depending on how they hold AstraZeneca Shares. The lodging of a proxy appointment will not prevent you from voting at the General Meeting if you so wish.

Holders of AstraZeneca Shares entitled to vote at the General Meeting may appoint a proxy electronically in accordance with the procedures set out in the Notes to the Notice of General Meeting in Part VII (*Notice of General Meeting*) of this document.

Holders of AstraZeneca ADSs and holders of Swedish Listed Shares should refer to paragraphs 4 and 5 (respectively) for further details of the arrangements applicable to them.

29 September 2025

To all Shareholders including CSN Participants, and, for information only, to participants in the AstraZeneca Share Plans and persons with information rights

Dear Shareholder

On behalf of the Board, I am pleased to invite you to a digitally-enabled general meeting of AstraZeneca to be held on 3 November 2025 at 2:30 p.m. (GMT) to consider the proposal announced earlier today (the “**General Meeting**”).

This letter summarises the background to and reasons for the proposal, which entails a new Harmonised Listing Structure across the London Stock Exchange, Nasdaq Stockholm and the NYSE. This requires upgrading AstraZeneca’s existing US equity listing by way of a direct listing of AstraZeneca Shares on the NYSE, replacing the existing US listing of AstraZeneca ADSs on Nasdaq (the “**Harmonised Listing Structure**”). This requires approval of certain amendments to the Company’s articles of association at the forthcoming General Meeting.

AstraZeneca’s business has evolved considerably over the last decade, driven mainly by its successful record of innovation, which has in turn generated significant growth in Total Revenue and profitability.

Total Revenue has increased from \$24.7bn in 2015 to \$54.1bn in 2024 and Core Operating Profit from \$6.9bn to \$16.9bn. Annual core R&D spending increased from \$5.6bn to \$12.2bn over the same period.

A significant part of this growth has been generated from the expansion of the Company in the US, which as at year-end 2024 accounted for 43% of Total Revenue and is expected to represent 50% of our revenue by 2030. We have also enjoyed a notable expansion of our revenues in many geographies and we now have a very broad geographical footprint.

The geographic composition of AstraZeneca’s investor base has also changed in the last decade, reflecting both AstraZeneca’s own business evolution as well as developments in the capital markets. US shareholders now represent our largest investor group. The US has the world’s largest and most liquid public markets by capitalisation, and the largest pool of innovative biopharma companies and investors.

AstraZeneca’s scientific and commercial achievements have been underpinned by its continuous adaptation to a rapidly changing and dynamic industry environment. The same approach needs to be followed in terms of access to capital markets. The Board is determined to ensure that the Group has the flexibility to access the broadest available pool of capital including in the US.

It is expected that the Harmonised Listing Structure will widen the pool of investors in AstraZeneca, especially US domestic institutional and retail investors.

If approved by Shareholders, the proposed Harmonised Listing Structure would be for the benefit of the Company as a whole as it will result in the AstraZeneca Shares becoming directly listed on the NYSE alongside the existing listings of AstraZeneca Shares on the London Stock Exchange and Nasdaq Stockholm.

Importantly, implementation of the proposed Harmonised Listing Structure will not change AstraZeneca's current status as a UK incorporated, headquartered and tax resident company which will continue to be included in the FTSE 100 index and the OMX Stockholm 30 index.

AstraZeneca will remain bound by applicable UK governance principles and standards (including the Companies Act 2006 and the UK Corporate Governance Code) following the implementation of the Harmonised Listing Structure, and will continue to be subject to the City Code on Takeovers and Mergers.

The Harmonised Listing Structure proposal also reflects the weight the Board attaches to AstraZeneca's long and distinguished heritage in the UK and Sweden. AstraZeneca is a truly global company, operating six global R&D centres on three continents, and active operationally and commercially in more than 125 countries. The proposed Harmonised Listing Structure will reinforce our global identity as we keep expanding and investing in our key markets.

Implementation of the Harmonised Listing Structure requires the termination of the existing ADR Programme and migration of the settlement system applicable to the AstraZeneca Shares, without any change in practice to Shareholders' ownership rights in respect of such AstraZeneca Shares or the economic rights attaching to them (save in respect of fractional entitlements in respect of AstraZeneca ADSs).

This letter should be read in conjunction with the more detailed explanation set out in Part II (*Explanation of the proposals to implement the Harmonised Listing Structure*) of this document and the remainder of this document as a whole. In particular, your attention is drawn to paragraph 4 (*Action to be taken in relation to the General Meeting*) of Part II (*Explanation of the proposals to implement the Harmonised Listing Structure*) of this document and the part of this document headed "Action to be taken".

The Directors consider the proposed Harmonised Listing Structure to be in the best interests of AstraZeneca and its Shareholders as a whole. Accordingly, the Directors unanimously recommend that Shareholders vote in favour of the Resolution to be proposed at the General Meeting, as the Directors intend to do in respect of their own beneficial holdings of AstraZeneca Shares.

Yours faithfully,

Michel Demaré
Chair
AstraZeneca PLC

PART II

EXPLANATION OF THE PROPOSALS TO IMPLEMENT THE HARMONISED LISTING STRUCTURE

Your attention is drawn to the letter from the Chair of AstraZeneca set out in Part I (*Letter from the Chair of AstraZeneca PLC*) of this document. That letter contains, *inter alia*, the background to and reasons for the proposed Harmonised Listing Structure and the unanimous recommendation by the Board to Shareholders to vote in favour of the Resolution to be proposed at the forthcoming General Meeting, notice of which is included in Part VII (*Notice of General Meeting*) of this document.

That letter also states that the Board considers the proposal and its terms to be in the best interests of AstraZeneca and its Shareholders as a whole.

A description of the action to be taken by Shareholders in relation to the General Meeting is set out in the part of this document entitled “Action to be taken”. The full text of the Resolution to be proposed at the General Meeting is set out in Part VII (*Notice of General Meeting*) of this document.

1. Summary of principal steps required to effect the Harmonised Listing Structure

As set out in the letter from the Chair set out in Part I (*Letter from the Chair of AstraZeneca PLC*) of this document, implementation of the Harmonised Listing Structure requires the termination of the existing ADR Programme and migration of the primary settlement system applicable to the AstraZeneca Shares from CREST to DTC (the “**Settlement System Migration**”).

- **Termination of ADR Programme:** the existing ADR Programme and the current listing of AstraZeneca ADSs on Nasdaq will be terminated and the AstraZeneca ADSs will be cancelled in exchange for the right to receive or direct delivery of the number of AstraZeneca Shares they represent.
- **Settlement System Migration:** in order to implement the Harmonised Listing Structure, the New Articles will be used to effect the Settlement System Migration, without any change in practice to Shareholders’ ownership rights in respect of such AstraZeneca Shares or the economic rights attaching to them (save in respect of fractional entitlements in respect of AstraZeneca ADSs). In practice, Shareholders trading uncertificated AstraZeneca Shares on the NYSE, London Stock Exchange (settling in the form of AstraZeneca DIs) or Nasdaq Stockholm following the implementation of the Harmonised Listing Structure will continue to have substantially the same trading and settlement experience as they have today (including in respect of such AstraZeneca Shares which are currently traded in the form of AstraZeneca ADSs). See Part III (*Settlement and Dealings in AstraZeneca Shares following the Settlement System Migration*) of this document for further details.
- **Change of registrar:** prior to, and in preparation for, the implementation of the Harmonised Listing Structure, AstraZeneca proposes to transfer the management of the Register from Equiniti Limited to Computershare Investor Services PLC. Shareholders will be notified once the change has become effective. From the Effective Time, the Register will be administered in the United States by CTCNA.

As stated in the letter from the Chair set out in Part I (*Letter from the Chair of AstraZeneca PLC*) of this document, Shareholder approval is now being sought for the Harmonised Listing Structure by way of approval of certain amendments to AstraZeneca’s Existing Articles which are required to implement the Settlement System Migration. A consequence of the Settlement System Migration is that the trading and settlement of AstraZeneca Shares on the London Stock Exchange will no longer occur directly through the CREST settlement system. Instead, interests in AstraZeneca Shares will be held, settled and transferred through CREST in the form of AstraZeneca DIs, with each AstraZeneca DI representing an entitlement to one underlying AstraZeneca Share. Further details of these arrangements are set out in Part III (*Settlement and Dealings in AstraZeneca Shares following the Settlement System Migration*) of this document. The adoption of the New Articles is the most practical way to enable AstraZeneca to implement these arrangements.

The implementation of the Harmonised Listing Structure and the related termination of the existing ADR Programme is conditional upon the approval of the Resolution by Shareholders at the General Meeting, notice of which is set out in Part VII (*Notice of General Meeting*) of this document. Subject to such approval being obtained, the Harmonised Listing Structure is expected to take effect by 2 February 2026.

Conditional upon the Harmonised Listing Structure, the listings of the various US dollar bonds issued by the Company and AstraZeneca Finance LLC and currently traded on Nasdaq (the “**AstraZeneca US Bonds**”) will be terminated, and the listing and trading of the AstraZeneca US Bonds on the NYSE will commence

immediately following the Effective Time. Having the AstraZeneca US Bonds and the AstraZeneca Shares listed on the same US exchange will result in AstraZeneca being subject to regulation by only one US exchange. Shareholder approval is not required for the relisting of the AstraZeneca US Bonds.

Shareholders are advised to read the whole of this document and not just rely on the summary information presented in this Part II (*Explanation of the proposals to implement the Harmonised Listing Structure*).

2. Settlement and Dealings in AstraZeneca Shares following the Settlement System Migration

Holders of AstraZeneca Shares traded on the London Stock Exchange currently have the option to hold interests in AstraZeneca Shares either directly in certificated form with the holder named on the Register of Members or in uncertificated form through CREST. The AstraZeneca Shares traded on Euroclear Sweden are all currently held in uncertificated form through CREST by Euroclear Sweden as custodian on behalf of the relevant Shareholders. AstraZeneca ADSs are currently traded on Nasdaq pursuant to the ADR Programme.

The precise arrangements for holding interests in AstraZeneca Shares immediately following the Effective Time will vary depending on how such interests are held immediately before the Effective Time, as described in this paragraph 2 and in more detail in Part III (*Settlement and Dealings in AstraZeneca Shares following the Settlement System Migration*) of this document.

Notwithstanding these arrangements, Shareholders and (save in respect of fractional entitlements) holders of AstraZeneca ADSs will continue to have the same economic rights as they have today following implementation of the Settlement System Migration and these changes will not result in any change in practice to Shareholders' ownership rights.

Uncertificated AstraZeneca Shares held through CREST and traded on the London Stock Exchange (other than Affiliate Shares)

For the AstraZeneca Shares to be listed on the NYSE, AstraZeneca Shares must be eligible for deposit and clearing through DTC, which means that they cannot be held directly via CREST. Legal title to the AstraZeneca Shares traded on the London Stock Exchange (other than Affiliate Shares) will instead be transferred to the DTC Nominee at the Effective Time, and AstraZeneca DIs will be issued on a one for one basis to the relevant CREST accounts through which the relevant interests in AstraZeneca Shares were held immediately prior to the Effective Time by or for the account of the relevant uncertificated holder.

As a technical matter, following the implementation of the Settlement System Migration, Shareholders wishing to trade their AstraZeneca Shares on the London Stock Exchange will transfer and settle their interests in AstraZeneca Shares through CREST in the form of AstraZeneca DIs. AstraZeneca DIs will be automatically applied to the account through which such Shareholders currently hold their entitlement to AstraZeneca Shares at the Effective Time without any further action required by the relevant Shareholder. In practice, such Shareholders will continue to have substantially the same trading and settlement experience in the UK as they have today.

For the avoidance of doubt, existing CSN Participants will continue to hold their interests in AstraZeneca Shares (settled in the form of AstraZeneca DIs following the Effective Time) through the CSN Facility, with the CSN Nominee holding such interests as nominee for and on behalf of the relevant underlying holders on the CSN Terms and Conditions annexed to this document, which will differ from the terms and conditions in place immediately prior to the Effective Time insofar as is required to reflect the Settlement System Migration.

Following the Effective Time, it is anticipated that awards under the AstraZeneca Share Plans that, under current arrangements, would be settled with AstraZeneca Shares traded on the London Stock Exchange will instead be settled with an equivalent number of AstraZeneca DIs, and share awards that, under current arrangements, would be settled with AstraZeneca ADSs will instead be settled with the number of AstraZeneca Shares those AstraZeneca ADSs represent. The changes to settlement and dealings described above will apply equally to AstraZeneca Shares and AstraZeneca ADSs that were acquired by individuals on the vesting of share awards prior to the Effective Time. Individuals who hold AstraZeneca Shares or AstraZeneca ADSs through EquatePlus (the company's share plan nominee system) will hold AstraZeneca DIs or AstraZeneca Shares (as applicable) in this way following the Effective Time. Participants in the AstraZeneca Share Plans will be contacted separately about these changes.

Further details are set out in Part III (*Settlement and Dealings in AstraZeneca Shares following the Settlement System Migration*) of this document.

Certificated Shareholders (other than those holding Affiliate Shares)

At the Effective Time, the AstraZeneca Shares held in certificated form by Shareholders (other than Affiliate Shares) will also be transferred to and deposited with DTC.

CSN Eligible Certificated Shareholders will be automatically enrolled in the CSN Facility and will hold and may settle their interests in AstraZeneca Shares through CREST in the form of AstraZeneca DIs through the CSN Facility following implementation of the Settlement System Migration.

Where the CSN Facility cannot be made available to certain certificated Shareholders for regulatory or jurisdictional reasons, the underlying AstraZeneca Shares held by such CSN Non-Eligible Certificated Shareholders will be transferred into a temporary election agent facility within DTC managed by the Election Agent. During the specified Holding Period, such CSN Non-Eligible Certificated Shareholders will be able to elect how their interests in AstraZeneca Shares are to be held going forward. Any CSN Non-Eligible Certificated Shareholders who have not made an election by the end of the Holding Period will have their AstraZeneca Shares delivered to them in certificated form.

Further details of the CSN Facility and the procedures and options applicable to CSN Non-Eligible Certificated Shareholders are set out in Part III (*Settlement and Dealings in AstraZeneca Shares following the Settlement System Migration*) of this document.

Affiliate Shares

Affiliate Shares (whether in certificated or uncertificated form) will not be eligible for deposit and clearing in DTC and will need to be held outside the DTC clearing system until certain criteria are met, with depositary receipts issued to the relevant Affiliate Shareholders on a one for one basis (“**AstraZeneca DRs**”). Affiliate Shareholders will be notified of their designation as such and will be contacted separately regarding these changes.

Further details of these arrangements are set out in Part III (*Settlement and Dealings in AstraZeneca Shares following the Settlement System Migration*) of this document.

AstraZeneca ADSs

At the Effective Time, the ADR Programme and the current listing of AstraZeneca ADSs on Nasdaq will be terminated. All AstraZeneca ADSs which remain issued and outstanding thereunder at the Effective Time will be cancelled in exchange for the right to receive or direct delivery of the number of AstraZeneca Shares they represent. Following such cancellation, AstraZeneca Shares (other than Affiliate Shares underlying AstraZeneca ADSs) will be transferred: (i) in the case of uncertificated AstraZeneca ADS, to the DTC Nominee; or (ii) in the case of registered AstraZeneca ADSs, transferred into a temporary election agent facility within DTC to be held by the Election Agent during a specified Holding Period, during which such holders of registered AstraZeneca ADSs may elect how their interest in AstraZeneca Shares shall be held going forward, provided that in each case, where holdings of AstraZeneca ADSs cannot be exchanged for an exact number of AstraZeneca Shares, fractions will be aggregated and sold in the open market with the net cash proceeds from the sale thereof being distributed to any holders entitled thereto. As a result of these changes, holders of AstraZeneca ADSs will be able to trade their AstraZeneca Shares directly on the NYSE following the Effective Time.

Further details are set out in paragraph 2(e) (*AstraZeneca Shares represented by AstraZeneca ADSs*) of Part III (*Settlement and Dealings in AstraZeneca Shares following the Settlement System Migration*) of this document.

Holders of AstraZeneca Shares traded on Nasdaq Stockholm

At the Effective Time, AstraZeneca Shares (other than Affiliate Shares) traded on Nasdaq Stockholm will be transferred to the DTC Nominee and deposited with DTC. Euroclear Bank SA/NV, an affiliate of Euroclear Sweden and an existing DTC participant, will hold the DTC book-entry interests in respect of such AstraZeneca Shares as custodian for Euroclear Sweden. Holders of such AstraZeneca Shares will have their entitlements settled within Euroclear Sweden in the same manner as they currently do.

Further details are set out in paragraph 2(b) (*DTC Eligible Swedish Listed Shares*) of Part III (*Settlement and Dealings in AstraZeneca Shares following the Settlement System Migration*) of this document.

Repositioning of interests in AstraZeneca Shares following the Effective Time

Holders of AstraZeneca Shares (including AstraZeneca Shares represented by AstraZeneca DIs) will be entitled to reposition their holdings following the Effective Time, enabling them to trade their AstraZeneca Shares via the NYSE, the London Stock Exchange or Nasdaq Stockholm. The mechanism for doing so will depend on how such interest is held at the relevant time. Further details are set out in Part III (*Settlement and Dealings in AstraZeneca Shares following the Settlement System Migration*) of this document.

Trading currency

Following the Effective Time, AstraZeneca Shares will continue to trade in pounds sterling on the London Stock Exchange and in Swedish krona on Nasdaq Stockholm, and will trade in US dollars on the NYSE.

Mandates and elections

To the extent possible, all mandates, preferences, elections and instructions as to the payment currency of dividends, notices and other communications in force and duly notified to AstraZeneca immediately prior to the Effective Time relating to AstraZeneca Shares shall, unless and until revoked or amended, be deemed as (and continue to be) valid and remain unchanged following the Effective Time for DTC Eligible Uncertificated Shareholders, CSN Eligible Certificated Shareholders and CSN Participants. CSN Non-Eligible Certificated Shareholders or holders of Other ADS Shares who elect to hold their AstraZeneca Shares in certificated form or who fail to make an election within the Holding Period are expected to be required to submit revised payment preferences in respect of future mandates, preferences elections and instructions as to the payment currency of dividends.

3. Resolution to be proposed at the General Meeting

Shareholders should read the Notice of Meeting set out in Part VII (*Notice of General Meeting*) of this document for the full text of the Resolution and for further details about the General Meeting.

The Resolution is required to adopt the New Articles which will effect the Settlement System Migration, reflecting the operational changes resulting from such transfer and enabling Shareholders to hold, and settle transfers of, their interests in AstraZeneca Shares following the implementation of the Harmonised Listing Structure. The Harmonised Listing Structure and related Settlement System Migration cannot proceed unless the Resolution is approved by 75% of the votes cast (in person or by proxy) by Shareholders at the General Meeting. The Resolution will be decided on a poll.

Further details of the proposed amendments to the Existing Articles are set out in Part V (*Proposed Amendments to the Existing Articles*) of this document. Copies of the proposed New Articles and the Existing Articles, marked up to show the proposed changes, are available for inspection on the National Storage Mechanism at <https://data.fca.org.uk/#/nsm/nationalstoragemechanism> and on the Company's website at <https://www.astrazeneca.com/investor-relations/shareholder-information.html#2025-0> from the date of this document and will be made available for inspection on the online platform and at the place of the General Meeting for at least 15 minutes before and during the General Meeting.

4. Action to be taken in relation to the General Meeting

As outlined above, implementation of the Harmonised Listing Structure is conditional on the approval by Shareholders of the Resolution. Your vote is very important.

The General Meeting will be a digitally-enabled meeting that is broadcast live to enable all Shareholders, including holders of AstraZeneca ADSs and Swedish Listed Shares, to participate in the General Meeting. The content and presentation of the General Meeting will be optimised for online participation. Shareholders who plan to attend the General Meeting are therefore strongly encouraged to join via the online platform, which can be found at:

<https://meetings.lumiconnect.com/100-392-363-424>

A step-by-step guide on how to join the General Meeting electronically from your personal device via the online platform can be found on pages 38 to 39 of this document. Holders of Swedish Listed Shares and AstraZeneca ADSs should instead follow the instructions set out in the notice documents made available to them. Your attention is also drawn to the part of this document entitled "Action to be taken" and the Notes to the Notice of General Meeting which each contain details of how to submit questions, and how to vote, either in advance or during the General Meeting.

5. Taxation

Your attention is drawn to Part IV (*Certain Taxation Matters*) of this document for further information regarding certain UK, US and Swedish taxation consequences of the Harmonised Listing Structure, including the termination of the existing ADR Programme and the Settlement System Migration. Shareholders who are in any doubt about their tax position are strongly recommended to consult an appropriately qualified independent professional adviser immediately.

PART III
SETTLEMENT AND DEALINGS IN ASTRAZENECA SHARES
FOLLOWING THE SETTLEMENT SYSTEM MIGRATION

Shareholders are advised to read this Part III (*Settlement and Dealings in AstraZeneca Shares following the Settlement System Migration*) carefully to ensure that they understand the arrangements that will apply to them following the implementation of the Harmonised Listing Structure (including the Settlement System Migration).

1. Overview of existing arrangements in respect of AstraZeneca's listed securities

As at the date of this document, holders of AstraZeneca Shares traded on the London Stock Exchange (the **"London Listed Shares"**) have the option to hold interests in AstraZeneca Shares either directly in certificated form with the holder named on the Register of Members or in uncertificated form through CREST with trades settled through the CREST settlement system.

The Swedish Listed Shares are all currently held in uncertificated form within CREST by Euroclear Sweden as custodian on behalf of the relevant Shareholders, with trades settled through by way of local book entries within the Euroclear Sweden system.

American depositary shares representing uncertificated AstraZeneca Shares (the **"AstraZeneca ADSs"**) are currently traded on Nasdaq on a two for one basis pursuant to the ADR Programme. The AstraZeneca ADSs are evidenced by American depositary receipts (**"AstraZeneca ADRs"**). The AstraZeneca Shares underlying the AstraZeneca ADSs are currently held within CREST by Guaranty Nominees Limited, as nominee for the ADR Depositary.

The AstraZeneca US Bonds are currently traded on Nasdaq and settled through DTC.

2. Changes to Settlement and Dealings in AstraZeneca Shares at the Effective Time

(a) DTC Eligible London Listed Shares

Issuance of AstraZeneca DIs

Following the Settlement System Migration, AstraZeneca Shares will no longer be capable of transfer or settlement directly through the CREST settlement system. For this reason, from the Effective Time, AstraZeneca will enter into arrangements with the DI Depositary (as defined below) to enable Shareholders holding DTC Eligible London Listed Shares (the **"DTC Eligible Uncertificated Shareholders"**) to continue to hold, and settle transfers of, their interests in AstraZeneca Shares in CREST in the form of AstraZeneca DIs, each representing an entitlement to one underlying AstraZeneca Share. No AstraZeneca DIs will be created in respect of AstraZeneca Shares held outside the DTC system.

Whilst there will be technical differences with respect to the underlying settlement mechanics of trading AstraZeneca Shares in the UK by virtue of transacting through AstraZeneca DIs, in practice such Shareholders will continue to have substantially the same trading and settlement experience in the UK as they have today.

At the Effective Time, in accordance with Articles 149.1 and, 149.7 and 149.8 of the New Articles, the DTC Eligible London Listed Shares (including, for the avoidance of doubt, those held in the CSN Facility for the account of CSN Participants immediately prior to the Effective Time) will be transferred to the DTC Nominee. Book entry interests will be issued through DTC to the DTC participant account of CTCNA, acting in its capacity as custodian in respect of the DTC Eligible London Listed Shares represented by DTC book entry interests underlying the AstraZeneca DIs (the **"DI Custodian"**). The DI Custodian will hold those DTC book entry interests as custodian for Computershare Investor Services PLC, acting in its capacity as depositary for the AstraZeneca DIs (the **"DI Depositary"**). The DI Depositary will issue and apply AstraZeneca DIs representing such DTC Eligible London Listed Shares on a one-for-one basis through CREST to the CREST account in which each such DTC Eligible Uncertificated Shareholder previously held DTC Eligible London Listed Shares.

AstraZeneca DIs will be created and issued under the terms of the deed poll made by the DI Depositary (the **"DI Deed"**), which will govern the relationship between the DI Depositary and the holders of AstraZeneca DIs. The DI Deed is available on request from the DI Depositary from the date of this document. To request a copy of the DI Deed, please contact the DI Depositary by phone on 0370 707 1682 (from inside the UK) or +44 (0) 370 707 1682 (from outside the UK). Lines are open 8:30 a.m. to 5:30 p.m. (UK time), Monday to Friday (excluding public holidays in England and Wales).

The registered holder of AstraZeneca Shares represented by AstraZeneca DIs will be the DTC Nominee. The custodian of those AstraZeneca Shares will be the DI Custodian, which will hold the book entry interest in such AstraZeneca Shares through the DTC clearing system for the DI Depositary. The DI Depositary will hold the book entry interests in those AstraZeneca Shares on trust (as bare trustee under English law). The DI Depositary will maintain a register of holders of AstraZeneca DIs and will make such register accessible to AstraZeneca.

Rights attaching to AstraZeneca DIs

Under the DI Deed, the DI Depositary will: (a) send out notices of general meetings to the holders of AstraZeneca DIs; and (b) produce a definitive list of holders of AstraZeneca DIs at the record date for such general meetings. In addition, holders of AstraZeneca DIs will be entitled to provide voting instructions via the DI Depositary to the DI Custodian in respect of the underlying AstraZeneca Shares.

As a result, the holders of AstraZeneca DIs will be able to:

- receive notices of general meetings of AstraZeneca;
- give directions as to voting at general meetings of AstraZeneca;
- request to be appointed as proxy in respect of AstraZeneca Shares underlying their AstraZeneca DIs, enabling them to attend and speak at general meetings of AstraZeneca; and
- have made available to them, at their request, copies of the annual report and accounts of AstraZeneca and all other documents issued by AstraZeneca to Shareholders generally.

Holders of AstraZeneca DIs will otherwise be treated in the same manner as if they were registered holders of AstraZeneca Shares underlying their AstraZeneca DIs, so far as is possible in accordance with applicable law, the CREST arrangements and the DI Deed. This will include being able to receive dividends and participate in capital events, so far as practicable, in the same manner as registered holders of AstraZeneca Shares.

Holders of AstraZeneca DIs will be able (with settlement occurring through AstraZeneca DIs) to trade AstraZeneca Shares on the London Stock Exchange or choose to cancel their AstraZeneca DIs (as described below) and trade the underlying AstraZeneca Shares which such AstraZeneca DIs represent on the NYSE. Following the Effective Time, holders of AstraZeneca Shares through an appointed CREST custodian or nominee should contact their chosen custodian or nominee in the event that they wish to cancel AstraZeneca DIs that they receive upon the implementation of the Harmonised Listing Structure.

Repositioning from CREST to DTC or Euroclear Sweden and related withdrawal of AstraZeneca Shares underlying AstraZeneca DIs

Following the Effective Time, holders of AstraZeneca DIs will be able to cancel their AstraZeneca DIs by submitting a cross-border instruction in respect of the underlying AstraZeneca Shares through CREST to the DI Depositary in the form of a CREST stock withdrawal message. This message must include the account information of the nominated DTC participant in accordance with the rules and practices of the DI Depositary, CREST and DTC. Shareholders intending to transact through Euroclear Sweden will be able to deliver the relevant book entry interests in AstraZeneca Shares through DTC to Euroclear Bank SA/NV, as custodian for Euroclear Sweden. When submitting such cross-border instruction, holders of AstraZeneca DIs will be required to warrant that such transfer will not represent a change in beneficial ownership.

Valid instructions received by the DI Depositary are typically completed within 48 hours (excluding any non-working days in any relevant jurisdictions) and holders of AstraZeneca DIs should consider these timings, and those of their chosen broker, when instructing corresponding trades on NYSE or Nasdaq Stockholm.

Cancellation of AstraZeneca DIs is subject to a charge. For details of the current cancellation charges or for assistance in cancelling AstraZeneca DIs and lodging cross-border instructions, holders of AstraZeneca DIs should contact the DI Depositary by phone on 0370 707 1682 (from inside the UK) or +44 (0) 370 707 1682 (from outside the UK) between 8:30 a.m. and 5:30 p.m. (UK time), Monday to Friday (excluding public holidays in England and Wales). Alternatively, holders of AstraZeneca DIs may email Computershare at: uk.globaltransactions@computershare.com.

Other terms of the DI Deed

Holders of AstraZeneca DIs will be required to warrant, among other things, that any AstraZeneca Shares issued or transferred to the DI Depositary (or the DI Custodian on its behalf) will be free and clear of all third party security interests and that such transfers are not in contravention of any contractual obligation, law or regulation.

Subject to certain exceptions, the DI Depositary and any custodian or agent appointed by it (and their respective officers, employees and agents) are entitled to be indemnified against all liabilities incurred in the performance of their obligations under the DI Deed. The DI Depositary may: (i) make deductions from income or capital receipts which would otherwise be due to the AstraZeneca DI holder; and/or (ii) sell the underlying AstraZeneca Shares and make such deductions from the proceeds of sale, as may be required by applicable law in order to meet the DI Depositary's obligations to account for any tax liability in respect of such sale.

The DI Deed contains provisions excluding and limiting the DI Depositary's liability. The DI Depositary will not be liable for any acts or omissions of AstraZeneca, the CREST operator or any third party reasonably appointed by the DI Depositary outside its group to provide services in connection with AstraZeneca DIs. Nor will the DI Depositary be liable for any taxes, duties, charges, costs or expenses which may become payable in respect of the AstraZeneca Shares or the AstraZeneca DIs or AstraZeneca Shares represented by such AstraZeneca DIs will be liable to pay to the DI Depositary an amount of such taxes, duties, charges, costs or expenses as is proportionate or referable to their AstraZeneca DIs, or alternatively the DI Depositary may deduct from income or capital receipts which would otherwise be due to the AstraZeneca DI Holder such amounts.

The DI Depositary may terminate the DI Deed by giving at least 30 days' notice to AstraZeneca DI holders. The DI Depositary may amend the DI Deed by giving 30 days' notice to AstraZeneca DI holders where such amendments do not, in the reasonable opinion of the DI Depositary, materially affect the interests of holders of AstraZeneca DIs. For any amendment which shall, in the reasonable opinion of the DI Depositary, be materially prejudicial to the interests of the AstraZeneca DI holders as a whole, such amendments shall not take effect until 40 days after service of notice on the AstraZeneca DI holders.

The DI Depositary (or any other duly appointed nominee or custodian) may require any holder of AstraZeneca DIs to provide information in relation to their holdings of AstraZeneca DIs on the same basis as such information may be required from a holder of AstraZeneca Shares.

In relation to distribution payments arising from dividends payable in respect of interests in AstraZeneca Shares held in the form of AstraZeneca DIs, the DI Depositary will pay such distributions to the relevant holders of AstraZeneca DIs in pounds sterling unless the relevant holders of AstraZeneca DIs have lodged a valid and permitted currency payment election through the CREST system for such payments to be payable in a permitted alternative currency such as US dollars instead of in pounds sterling.

To the extent possible, all mandates, preferences and other instructions given to AstraZeneca and in force at the Effective Time relating to AstraZeneca Shares (and to be represented by AstraZeneca DIs following the Effective Time) shall, unless and until revoked or amended, be deemed as from the Effective Time to be valid and effective mandates, preferences and instructions to the DI Depositary. However, to ensure the latest instructions are implemented, recipients of AstraZeneca DIs should consider contacting the DI Depositary after the Effective Time and ahead of any dividend event to confirm that this is the case. Further information on electing for alternative currency preferences is set out in the separate Shareholder FAQs document which has been made available to Shareholders at the same time as this document.

(b) DTC Eligible Swedish Listed Shares

In order to preserve the listing of the DTC Eligible Swedish Listed Shares on Euroclear Sweden under the existing UK assigned international securities identification number (ISIN) and enable holders of the DTC Eligible Swedish Listed Shares to continue to trade and have their entitlements to DTC Eligible Swedish Listed Shares settled within Euroclear Sweden in the same way as they currently do, Euroclear Sweden (through its affiliate, Euroclear Bank SA/NV) will hold book entry entitlements to such DTC Eligible Swedish Listed Shares through the DTC system directly (rather than through CREST in the form of AstraZeneca DIs representing such DTC Eligible Swedish Listed Shares).

As a result, at the Effective Time, in accordance with Articles 149.4, 149.7 and 149.8 of the New Articles, the DTC Eligible Swedish Listed Shares will be transferred to the DTC Nominee, with book entry interests subsequently issued through DTC to the DTC participant account of Euroclear Bank SA/NV, an affiliate of Euroclear Sweden and an existing DTC participant, which will hold the DTC book-entry interests in such DTC Eligible Swedish Listed Shares as custodian for Euroclear Sweden. Notwithstanding the new arrangement, holders of DTC Eligible Swedish Listed Shares shall retain all economic and legal rights equivalent to those held immediately prior to the Effective Time (including with respect to mandates, preferences and other instructions in force and duly notified to AstraZeneca immediately prior to the Effective Time).

Repositioning from Euroclear Sweden to CREST or DTC

Following the Effective Time, persons beneficially entitled to AstraZeneca Shares deposited with DTC may elect to reposition their interests in such AstraZeneca Shares by lodging a cross-border instruction so that book-entry interests in respect of such AstraZeneca Shares can be debited from the DTC participant account of Euroclear Bank SA/NV and credited to another nominated DTC participant account, enabling trading of such interests in AstraZeneca Shares via the NYSE. Holders of Swedish Listed Shares seeking to transact through CREST and/or trade on the London Stock Exchange can subsequently provide CREST settlement details and deliver the book entry interests in the AstraZeneca Shares through DTC to the DI Custodian, as custodian for the DI Depositary. For further details or assistance in lodging cross-border instructions for settlement in CREST, such persons should contact us.globaltransactions@computershare.com. For further details or assistance in lodging a cross-border delivery to or from Euroclear Sweden, such persons should contact their broker or custodian.

(c) AstraZeneca Shares held in certificated form

(i) CSN Eligible Certificated Shareholders

The CSN Facility

Following the Effective Time, Shareholders who hold their AstraZeneca Shares in certificated form may find that holding and trading such shares directly involves US market practices and formalities that may be unfamiliar to such holders. In light of the foregoing, arrangements will be made for holders of DTC Eligible Certificated Shares who are resident in a CSN Permitted Jurisdiction (the “**CSN Eligible Certificated Shareholders**”) to have their DTC Eligible Certificated Shares held through the CSN Facility (such DTC Eligible Certificated Shares, the “**CSN Eligible Certificated Shares**”).

At the Effective Time, in accordance with Articles 149.2, 149.7 and 149.8 of the New Articles, DTC will credit book entry interests in respect of the CSN Eligible Certificated Shares to the account of the DI Custodian, which will hold those CSN Eligible Certificated Shares represented by DTC book entry interests as custodian for the DI Depositary. The DI Depositary will issue the AstraZeneca DIs representing such CSN Eligible Certificated Shares through CREST to the account of the CSN Nominee. The CSN Nominee will, in turn, hold those AstraZeneca DIs as nominee for the CSN Operator, with Computershare Investor Services PLC acting as trustee for such CSN Eligible Certificated Shareholders under the CSN Facility (details of which are included in the CSN Terms and Conditions annexed to this document). Each CSN Participant will receive a statement of entitlement from the CSN Nominee detailing their holding and explaining how they may deal in their AstraZeneca Shares through the CSN Facility, including details of ongoing services and details of the special dealing facility, where eligible.

CSN Participants will be able to lodge a trading instruction in respect of the underlying AstraZeneca Shares to which they are entitled by opening an account prior to dealing at www.computershare.com/dealing/uk, subject to any applicable due diligence requirements. For further guidance CSN Participants can contact Computershare by phone on 0370 707 1682 (from inside the UK) or +44 (0) 370 707 1682 (from outside the UK) between 8:30 a.m. to 5:30 p.m. (UK time), Monday to Friday (excluding public holidays in England and Wales) and provide their unique holder identification number detailed on their statement of entitlement. Alternatively, CSN Participants who wish to lodge a trade with a third party may withdraw from the CSN Facility (as described below) before lodging a trading instruction with their chosen third party broker.

To the extent possible, all mandates, preferences and other instructions in force and duly notified to AstraZeneca immediately prior to the Effective Time relating to AstraZeneca Shares (and to be represented by AstraZeneca DIs following the Effective Time) shall, unless and until revoked or amended, be deemed as from the Effective Time to be valid and effective mandates, preferences and instructions to Computershare UK in relation to the AstraZeneca DIs held through the CSN Facility issued in respect thereof.

Withdrawal from the CSN Facility

CSN Participants will be able to withdraw from the CSN Facility by completing the relevant form provided by the CSN Operator and providing details of the CREST account to which the AstraZeneca DIs, or the DTC participant to which the underlying AstraZeneca Shares, should be delivered, in accordance with the rules and practices of the CSN Nominee, CREST and DTC (as applicable). CSN Participants may also request that the underlying AstraZeneca Shares are withdrawn from the CSN Facility and registered in their name directly on the Register, as will be administered in the United States by CTCNA.

Valid instructions received by the CSN Operator are typically completed within 48 hours (excluding any non-working days in any relevant jurisdictions) and CSN Participants should consider these timings, and those of their chosen broker, when instructing trades.

Withdrawal from the CSN Facility is subject to a charge, being £50 at the Latest Practicable Date, but a grace period of 30 calendar days from the Effective Time will be provided during which CSN Participants can withdraw from the CSN Facility free of charge.

Other terms of the CSN Facility

The CSN Nominee will hold, as nominee for the CSN Operator, AstraZeneca DIs for CSN Participants on the CSN Terms and Conditions annexed to this document. Under the CSN Terms and Conditions, each CSN Participant is the beneficial owner of those AstraZeneca DIs which represent their underlying AstraZeneca Shares and may give instructions to transfer the AstraZeneca DIs or underlying AstraZeneca Shares. By participating in the CSN Facility, CSN Participants warrant and undertake that they will not grant any liens, charges or encumbrances over their AstraZeneca DIs.

The CSN Operator agrees to pass on communications from AstraZeneca and act on CSN Participants' instructions to exercise voting and other rights in relation to their underlying AstraZeneca Shares (provided that it is put in funds if it is required to make any payment) and to take all reasonable steps to treat CSN Participants, so far as possible, in the same way as a registered holder of AstraZeneca Shares, as described above for AstraZeneca DI holders.

The CSN Operator (directly or through its nominee, the CSN Nominee) is appointed as agent for the CSN Participants to give CREST or, if applicable, DTC instructions. Neither the CSN Operator nor the CSN Nominee is responsible for losses incurred from acts or omissions of the CREST or DTC member through whom messages are delivered into CREST or DTC on its behalf or arising from CREST or DTC. CSN Participants are required to indemnify the CSN Operator and the CSN Nominee for costs and liabilities which may arise if they require the CSN Operator and the CSN Nominee to give CREST or DTC instructions which cannot be completed for any reasons connected with the CSN Participant.

The CSN Operator may terminate a CSN Participant's participation in the CSN Facility if the CSN Participant materially breaches the CSN Terms and Conditions, in which case the CSN Nominee will be instructed to transfer the underlying AstraZeneca DIs to a CREST account, or the underlying AstraZeneca Shares to a DTC participant account, nominated by the CSN Participant or, in the absence of either CREST or DTC account information, the CSN Nominee will be instructed to arrange for the CSN Participant to be placed directly on the Register.

CSN Participants may be required to provide information in relation to their underlying holdings of AstraZeneca DIs on the same basis as such information may be required from a holder of AstraZeneca Shares.

The CSN Terms and Conditions do not restrict a CSN Participant's rights under the rules of the Financial Conduct Authority or the UK Financial Services Act 2012 and can be amended with AstraZeneca's consent.

The CSN Terms and Conditions are annexed to this document.

(ii) CSN Non-Eligible Certificated Shareholders

For regulatory or jurisdictional reasons, under the CSN Terms and Conditions, holders of DTC Eligible Certificated Shares resident in Non-Permitted Jurisdictions ("**CSN Non-Eligible Certificated Shareholders**") will not be entitled to participate in the CSN Facility.

At the Effective Time, in accordance with Articles 149.3, 149.7 and 149.8 of the New Articles, DTC will credit book entry interests in respect of the CSN Non-Eligible Certificated Shares to the account of CTCNA in its capacity as the Election Agent, which will hold those CSN Non-Eligible Certificated Shares represented by DTC book entry interests in custody, as election agent, for such CSN Non-Eligible Certificated Shareholders during the Holding Period.

As soon as reasonably practicable following the Effective Time, CSN Non-Eligible Certificated Shareholders will be provided with a letter of transmittal pursuant to which each CSN Non-Eligible Certificated Shareholder will be requested to make an election during the Holding Period to have all their underlying CSN Non-Eligible Certificated Shares (or book entry interests representing such CSN Non-Eligible Certificated Shares) either: (i) transferred from the custody of CTCNA to a specified DTC participant; (ii) sold (at such CSN Non-Eligible Certificated Shareholder's expense) in the market for the best price reasonably obtainable on their behalf; or (iii) withdrawn from the custody of CTCNA, registered in the CSN Non-Eligible Certificated Shareholder's name directly on the Register and issued in the name of such CSN Non-Eligible Certificated Shareholder in certificated form, in each case in accordance with the rules and practices of CTCNA and/or DTC (as applicable) (each, an "**Election Agent Custody Exit Event**"). Any CSN Non-Eligible Certificated Shareholder which does not make any such election prior to the end of the Holding Period, will, following expiry of the Holding Period, be issued a certificate in respect of their CSN Non-Eligible Certificated Shares and will be registered

as the holder of such CSN Non-Eligible Certificated Shares directly on the Register. CSN Non-Eligible Certificated Shareholders should note that in circumstances where they are issued a certificate in respect of (and registered as the holder of) CSN Non-Eligible Certificated Shares, subsequent transfers into the DTC clearing system would generally be subject to UK stamp duty or SDRT at the rate of 1.5% of the amount of the consideration given or the value of the shares (if there is no consideration in money or money's worth given) and may be required to obtain a medallion signature guarantee from an authorised financial intermediary.

Pending completion of an Election Agent Custody Exit Event, (i) any dividends or distributions that become payable in respect of the DTC Eligible Certificated Shares held by CTCNA (in its capacity as custodian of the underlying CSN Non-Eligible Certificated Shares) will accrue for the benefit of, but may not be paid to, the relevant CSN Non-Eligible Certificated Shareholder; and (ii) CSN Non-Eligible Certificated Shareholders will not be able to exercise any voting rights in respect of their underlying CSN Non-Eligible Certificated Shares.

CSN Non-Eligible Certificated Shareholders who elect to hold their AstraZeneca Shares in certificated form or fail to make an election within the Holding Period are expected to be required to submit revised payment preferences in respect of future mandates, preferences elections and instructions as to the payment currency of dividends.

(d) Affiliate Shares

CTCNA depositary receipt facility

Affiliate Shares will not be eligible for deposit and clearing in DTC because they are not freely tradable pursuant to applicable US federal securities laws and therefore do not meet the relevant eligibility standards provided for in DTC's applicable rules and procedures.

Accordingly, at the Effective Time, in accordance with Articles 149.5, 149.7 and 149.8 of the New Articles, Affiliate Shares will be transferred to the DR Depositary Nominee as nominee for CTCNA, acting in its capacity as depositary on behalf of the relevant Affiliate Shareholder (the "**DR Depositary**"). The DR Depositary will, in its capacity as depositary for such Affiliate Shareholders, issue AstraZeneca DRs to each such Affiliate Shareholder in respect of their underlying entitlement to Affiliate Shares on a one for one basis.

AstraZeneca DRs will be constituted and issued under the terms of the agreement made by the DR Depositary constituting the AstraZeneca DRs (the "**DR Terms**"), which will govern the relationship between the DR Depositary and the holders of AstraZeneca DRs.

Transfers of AstraZeneca Shares underlying AstraZeneca DRs

Subject to compliance with applicable securities laws (including any applicable holding period), following the Effective Time an Affiliate Shareholder may instruct the DR Depositary to cancel all or a portion of its AstraZeneca DRs in order to effect a transfer of its underlying Affiliate Shares by the DR Depositary to the DTC Nominee, which will, at the election of the relevant Affiliate Shareholder, credit book entry interests in respect of such Affiliate Shares to: (i) the relevant DTC participant nominated by the Affiliate Shareholder, in order to facilitate transfers of such Affiliate Shares by way of book entry through the DTC clearing system; (ii) the DTC participant account of the DI Custodian (acting as custodian of such book entry interests for the DI Depositary which will then issue AstraZeneca DIs on a one-for-one basis in respect of such Affiliate Shares to the CREST account nominated by the relevant Affiliate Shareholder), in order to facilitate transfers of such Affiliate Shares through the CREST settlement system; or (iii) the DTC participant account of Euroclear Bank SA/NV, in order to facilitate transfers of such AstraZeneca Shares on Euroclear Sweden.

(e) AstraZeneca Shares represented by AstraZeneca ADSs

The changes summarized in paragraphs (a), (b) and (c) above will not apply to AstraZeneca Shares in issue immediately prior to the implementation of the Harmonised Listing Structure that are held by Guaranty Nominees Limited, as nominee for the ADR Depositary. Instead, at the Effective Time, the existing AstraZeneca ADR facility arrangements will be terminated, any book entry interests held by the relevant DTC participants in the AstraZeneca ADSs will be debited (without further crediting), any AstraZeneca ADSs that remain issued and outstanding thereunder will be cancelled and legal title to the AstraZeneca Shares (other than Affiliate Shares) represented by such AstraZeneca ADSs prior to the Effective Time will be transferred in accordance with Articles 149.6, 149.7 and 149.8 of the New Articles, as described below.

AstraZeneca ADSs currently held through DTC

Subject to, and in exchange for, the cancellation of all AstraZeneca Shares (other than Affiliate Shares) represented by ADSs which were registered in the name of the DTC Nominee immediately prior to the Effective Time, as represented by AstraZeneca Shares held by Guaranty Nominees Limited, (the "**Cede ADS Shares**"),

the DTC Nominee will receive, and be registered as the holder of, such number of Cede ADS Shares as is equal (save in respect of fractional entitlements, as described below) to the number of Cede ADS Shares which such AstraZeneca ADSs represent, to be held on behalf of the DTC participants who held interests in AstraZeneca ADSs through DTC.

Registered AstraZeneca ADSs

Registered holders of AstraZeneca ADSs will be given the opportunity during the Holding Period to elect how they wish to hold the underlying AstraZeneca Shares (other than Affiliate Shares) represented by the AstraZeneca ADSs held by them prior to the Effective Time (the “**Other ADS Shares**”). They may elect to have all such AstraZeneca Shares: (i) transferred from the custody of the Election Agent to a specified DTC participant; (ii) sold in the market at the holder’s expense for the best price reasonably obtainable on their behalf; or (iii) delivered to them in certificated form. Following the expiry of the Holding Period (and in the absence of any election with respect to their AstraZeneca Shares), such registered AstraZeneca ADS holders will be issued a certificate in respect of their Other ADS Shares and will be the registered or record holder of such Other ADS Shares. Registered holders of AstraZeneca ADSs should note that in circumstances where they are issued a certificate in respect of (and registered as the holder of) Other ADS Shares, subsequent transfers into the DTC clearing system would generally be subject to UK stamp duty or SDRT at the rate of 1.5% of the amount of the consideration given or the value of the shares (if there is no consideration in money or money’s worth given) and may be required to obtain a medallion signature guarantee from an authorised financial intermediary.

Pending completion of an Election Agent Custody Exit Event, (i) any dividends or distributions that become payable in respect of the Other ADS Shares held by CTCNA (in its capacity as custodian of the underlying Other ADS Shares) will accrue for the benefit of, but may not be paid to, the relevant registered holder of Other ADS Shares; and (ii) registered holders of Other ADS Shares will not be able to exercise any voting rights in respect of their underlying Other ADS Shares.

Registered holders of Other ADS Shares who elect to hold their AstraZeneca Shares in certificated form or who fail to make an election within the Holding Period are expected to be required to submit revised payment preferences in respect of future mandates, preferences elections and instructions as to the payment currency of dividends.

Fractional entitlements

Persons whose holding of AstraZeneca ADSs cannot be exchanged for an exact number of AstraZeneca Shares (and who would otherwise be left with a fractional entitlement) will not be allocated fractions of AstraZeneca Shares and instead, the fractions of AstraZeneca Shares will be aggregated and the whole number of AstraZeneca Shares represented thereby will be sold by CTCNA, as AstraZeneca’s transfer agent, in the open market with the net cash proceeds from the sale thereof being distributed to any holders entitled thereto on a pro-rata basis.

PART IV CERTAIN TAXATION MATTERS

1. United Kingdom Taxation

The following statements, which are intended as a general guide only, summarise certain limited aspects of the UK tax treatment of the implementation of the Harmonised Listing Structure, including the Settlement System Migration, and the acquisition, holding or disposal of AstraZeneca Shares or AstraZeneca DIs thereafter. They are based on current UK legislation and published HMRC practice (which may not be binding on HMRC) applying as at 25 September 2025, being the latest practicable date prior to publication of this document, both of which are subject to change, possibly with retrospective effect. They do not constitute legal or tax advice and do not purport to be a complete analysis of all UK tax considerations relating to the implementation of the Harmonised Listing Structure, including the Settlement System Migration, or the acquisition, holding or disposal of AstraZeneca Shares or AstraZeneca DIs thereafter.

Except in relation to UK stamp duty and SDRT, the statements set out below apply to UK Holders only. They also do not apply to certain categories of UK Holders subject to special tax rules and therefore do not apply, in particular, to persons as market makers; brokers; charities; trustees; dealers in securities; intermediaries; insurance companies; collective investment schemes; exempt pension funds; qualifying new residents; temporary non-residents; non-residents carrying on a trade, profession or vocation in the UK; and persons connected with depositary arrangements or clearance services, in each case to whom special rules may apply.

References to “UK Holders” are to Shareholders or holders of AstraZeneca DIs (as applicable) who: are resident only in the UK for UK tax purposes; in the case of individuals, are persons to whom “split year” treatment does not apply; do not have a permanent establishment, branch or agency in any jurisdiction besides the UK with which the holding of the AstraZeneca Shares and/or AstraZeneca DIs is connected; hold neither AstraZeneca ADSs nor Swedish Listed Shares; hold their AstraZeneca Shares and/or AstraZeneca DIs as an investment (other than under a pension arrangement or an individual savings account); and are the absolute beneficial owners of their AstraZeneca Shares and/or AstraZeneca DIs and any dividends paid on them.

THE STATEMENTS BELOW SUMMARISE THE CURRENT POSITION AND ARE INTENDED AS A GENERAL GUIDE ONLY. SHAREHOLDERS WHO ARE IN ANY DOUBT ABOUT THEIR TAX POSITION AND/OR MAY BE SUBJECT TO TAXATION IN ANY JURISDICTION OTHER THAN THE UK ARE STRONGLY RECOMMENDED TO CONSULT AN APPROPRIATELY QUALIFIED INDEPENDENT PROFESSIONAL ADVISER IMMEDIATELY.

(a) Taxation of the implementation of the Harmonised Listing Structure (including the Settlement System Migration)

(i) UK capital gains tax and UK corporation tax on chargeable gains

The implementation of the Harmonised Listing Structure, including the Settlement System Migration, should not trigger a disposal of AstraZeneca Shares held by UK Holders for the purposes of UK capital gains tax or UK corporation tax on chargeable gains.

(ii) UK stamp duty and SDRT

AstraZeneca has received HMRC clearance confirming that the transfers of legal title in the AstraZeneca Shares into the DTC clearing system, to the extent required in order to implement the Harmonised Listing Structure, including the Settlement System Migration, at the Effective Time, will not be subject to UK stamp duty or SDRT.

Such HMRC clearance only applies to transfers into the DTC clearing system made at the Effective Time in order to implement the Harmonised Listing Structure (and transfers of AstraZeneca Shares held by Affiliate Shareholders and transferred to the CTCNA depositary receipt facility at the Effective Time). It does not apply to transfers of AstraZeneca Shares into the DTC clearing system after the Effective Time (other than certain transfers of AstraZeneca Shares held by Affiliate Shareholders at the Effective Time), which would generally be subject to UK stamp duty or SDRT at the rate of 1.5% of the amount of the consideration given or, if there is no consideration in money or money's worth given, the market value of the shares.

(b) Taxation following the implementation of the Harmonised Listing Structure (including the Settlement System Migration)

(i) Taxation of dividends paid in respect of AstraZeneca Shares

The implementation of the Harmonised Listing Structure should not affect the tax treatment of UK Holders as regards dividends paid in respect of AstraZeneca Shares.

(ii) Taxation of disposals of AstraZeneca Shares and AstraZeneca DIs

The implementation of the Harmonised Listing Structure should not affect the tax treatment of UK Holders as regards disposals of AstraZeneca Shares, and equivalent treatment should apply in respect of disposals of AstraZeneca DIs.

(iii) UK stamp duty and SDRT treatment of transfers of AstraZeneca Shares and AstraZeneca DIs

No UK stamp duty will be payable in respect of transfers of AstraZeneca Shares or AstraZeneca DIs following the implementation of the Harmonised Listing Structure, provided that no written instrument of transfer is used to effect the transfer (such an instrument of transfer should not be necessary in respect of AstraZeneca Shares held within the DTC clearance system).

While the AstraZeneca Shares are held within the DTC clearance system, agreements to transfer such shares should not be subject to SDRT (provided DTC continues to satisfy various conditions specified in UK legislation). AstraZeneca has received HMRC clearance confirming that agreements to transfer AstraZeneca DIs which represent AstraZeneca Shares held within the DTC clearance system will also not be subject to SDRT.

Transfers of, or agreements to transfer, AstraZeneca Shares from the DTC clearance system into another clearance system (or into a depositary receipt system) should not be subject to UK stamp duty or SDRT, provided that the other clearance system or depositary receipt system satisfies various conditions specified in UK legislation.

Please see Part IV, subsection 1(a)(ii) (*Certain Taxation Matters — UK stamp duty and SDRT*) of this document above for a discussion of the UK stamp duty and SDRT treatment of AstraZeneca shares that are held outside the DTC clearance system and subsequently transfer (or transfer back) into the DTC clearance system. Any 1.5% charges arising in those circumstances would need to be paid by the transferor as a precondition to the transfer into the DTC clearance system.

If the AstraZeneca Shares are held outside the DTC clearance system and are transferred by way of written instrument, then UK stamp duty at the rate of 0.5% (rounded up to the next multiple of £5) of the amount or value of the consideration given would generally be payable on the written instrument transferring the AstraZeneca Shares. Other than in the circumstances described above for AstraZeneca Shares held in (or transferred to) the DTC clearance system (including AstraZeneca Shares that are represented by AstraZeneca DIs), a charge to SDRT will also arise on an unconditional agreement to transfer shares (at the rate of 0.5% of the amount or value of the consideration payable). However, if within six years of the date of the agreement becoming unconditional an instrument of transfer is executed pursuant to that agreement, and stamp duty is paid on that instrument, any SDRT already paid will be refunded (generally, but not necessarily, with interest) provided that a claim for repayment is made, and any outstanding liability to SDRT will be cancelled.

SHAREHOLDERS WHO ARE IN ANY DOUBT ABOUT THEIR TAX POSITION AND/OR MAY BE SUBJECT TO TAXATION IN ANY JURISDICTION OTHER THAN THE UK ARE STRONGLY RECOMMENDED TO CONSULT AN APPROPRIATELY QUALIFIED INDEPENDENT PROFESSIONAL ADVISER IMMEDIATELY.

2. United States Taxation

The following discussion is a general summary based on present law of certain US federal income tax consequences (x) to US Holders of AstraZeneca ADSs that receive AstraZeneca Shares as a result of the termination of the AstraZeneca ADR facility arrangement and (y) to US Holders of AstraZeneca Shares resulting from the implementation of the Harmonised Listing Structure, including the Settlement System Migration. This discussion is not a complete description of all tax considerations that may be relevant to US Holders; it is not a substitute for tax advice. It applies only to US Holders that hold AstraZeneca Shares and AstraZeneca ADSs as capital assets and use the US dollar as their functional currency. In addition, it does not describe all of the US federal income tax considerations that may be relevant to a US Holder in light of a US Holder's particular circumstances, including US Holders subject to special rules, such as banks or other financial institutions, insurance companies, tax-exempt entities, dealers, traders in securities that elect to mark-to-market, regulated investment companies, real estate investment trusts, partnerships and other pass-through

entities (including S-corporations), US expatriates, persons liable for the alternative minimum tax, persons that directly, indirectly or constructively, own 10% or more of the total combined voting power of AstraZeneca's voting stock or of the total value of AstraZeneca's equity interests, investors that hold AstraZeneca Shares in connection with a permanent establishment or fixed base outside the US, or investors that hold AstraZeneca Shares or AstraZeneca ADSs as part of a hedge, straddle, conversion, constructive sale or other integrated financial transaction. This summary also does not address US federal taxes other than the income tax (such as estate or gift taxes) or US state and local, or non-US, tax laws or considerations.

Persons who are partners in a partnership (or other entity or arrangement treated as a partnership for US federal income tax purposes) that holds AstraZeneca Shares or AstraZeneca ADSs should consult their own tax advisors regarding the specific US federal income tax consequences to them of the termination of the AstraZeneca ADR facility arrangement, and resulting from the implementation of the Harmonised Listing Structure, including the Settlement System Migration.

(a) Termination of the AstraZeneca ADR Facility Arrangement

A US Holder of AstraZeneca ADSs will not recognise a gain or loss in connection with the receipt of AstraZeneca Shares as a result of the termination of the AstraZeneca ADR facility arrangement, except to the extent of cash received in lieu of an entitlement to a fractional AstraZeneca Share. The difference between the US Holder's tax basis allocable to the fractional entitlement and the cash received in lieu of such entitlement will be a capital gain or loss which will be a long-term capital gain or loss if the US Holder has held its AstraZeneca ADS for more than one year at the effective time of the termination of the AstraZeneca ADR facility arrangement.

A US Holder's tax basis in its AstraZeneca Shares will equal its aggregate tax basis in its AstraZeneca ADSs reduced by any amount allocable to a fractional entitlement for which cash is received. A US Holder's holding period for its AstraZeneca Shares will include its holding period of the AstraZeneca ADSs exchanged and cancelled therefor.

(b) Implementation of the Harmonised Listing Structure (including the Settlement System Migration)

The implementation of the Harmonised Listing Structure, including the Settlement System Migration, will not be a taxable event to US Holders of AstraZeneca Shares, therefore, US Holders of AstraZeneca Shares will not recognise a gain or loss in connection with the Harmonised Listing Structure, including the Settlement System Migration.

(c) Taxation following the implementation of the Harmonised Listing Structure (including the Settlement System Migration)

(i) Taxation of dividends paid in respect of AstraZeneca Shares

The implementation of the Harmonised Listing Structure should not affect the tax treatment of US Holders as regards dividends paid in respect of AstraZeneca Shares.

(ii) Taxation of disposals of AstraZeneca Shares

The implementation of the Harmonised Listing Structure should not affect the tax treatment of US Holders as regards disposals of AstraZeneca Shares.

SHAREHOLDERS WHO ARE IN ANY DOUBT ABOUT THEIR TAX POSITION AND/OR MAY BE SUBJECT TO TAXATION IN ANY JURISDICTION OTHER THAN THE US ARE STRONGLY RECOMMENDED TO CONSULT AN APPROPRIATELY QUALIFIED INDEPENDENT PROFESSIONAL ADVISER IMMEDIATELY.

3. Swedish Taxation

The following statements, which are intended as a general guide only, summarise certain limited aspects of the Swedish tax treatment of the implementation of the Harmonised Listing Structure, including the Settlement System Migration. They are based on current Swedish legislation and published Swedish Tax Agency practice (which may not be binding on the Swedish Tax Agency) applying as at 25 September 2025, being the latest practicable date prior to publication of this document, both of which are subject to change, possibly with retrospective effect. They do not constitute legal or tax advice and do not purport to be a complete analysis of all Swedish tax considerations relating to the implementation of the Harmonised Listing Structure, including the Settlement System Migration.

The implementation of the Harmonised Listing Structure, including the Settlement System Migration, should not result in any Swedish tax consequences for Shareholders holding Swedish Listed Shares traded on Nasdaq Stockholm; this has been confirmed by the Swedish Tax Agency.

There should be no Swedish stamp duty, transfer or registration taxes (or similar duties or taxes) as a result of the implementation of the Harmonised Listing Structure, including the Settlement System Migration.

SHAREHOLDERS WHO ARE IN ANY DOUBT ABOUT THEIR TAX POSITION AND/OR MAY BE SUBJECT TO TAXATION IN ANY JURISDICTION OTHER THAN SWEDEN ARE STRONGLY RECOMMENDED TO CONSULT AN APPROPRIATELY QUALIFIED INDEPENDENT PROFESSIONAL ADVISER IMMEDIATELY.

Joining instructions are on pages 38 to 39 of this Notice and, for holders of Swedish Listed Shares and AstraZeneca ADSs, in the separate documents sent to them.

Shareholders' right to ask questions

Any Shareholder participating in the General Meeting has the right to ask questions, and is welcomed to do so in advance of or during the General Meeting. The Company must answer any question relating to the business being dealt with at the meeting but no answer need be given if: (i) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; (ii) the answer has already been given on a website in the form of an answer to a question; or (iii) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

Registration of Shareholder questions

We encourage Shareholders to register any questions they may have for the Board in advance of the General Meeting so that all views are heard even if a Shareholder is unable to participate on the day. Shareholders can register questions in advance until 2:30 p.m. (GMT) on 30 October 2025 at <https://www.astrazeneca.com/investor-relations/shareholder-information.html#2025-0>.

You are still welcome to ask a question at the General Meeting via the online platform irrespective of whether you have registered your question in advance. However, by registering your question in advance, you will help the Board to provide you with a more comprehensive answer. If you are unable to, or do not wish to, participate in the General Meeting on the day, you may also choose to receive a written response to your question or have it put to the Board during the General Meeting.

Full details of how to ask a question via the online platform during the General Meeting are set out from page 39.

Please endeavour to keep your questions concise and relevant to the business of the General Meeting. Where we receive a number of questions covering the same topic, we may group these to address as many of your queries as possible. Additionally, we may remove supporting statements or paraphrase questions to ensure they are clear and concise.

Entitlement to participate and vote

Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, only holders of AstraZeneca Shares entered in the Register of Members of the Company by 6:30 p.m. (GMT) on 30 October 2025 or, if the General Meeting is adjourned, at 6:30 p.m. (GMT) on the day which is two working days prior to any adjourned meeting, (or, in each case, their duly appointed proxies or Nominated Persons) are entitled to participate or vote at the General Meeting in respect of the number of AstraZeneca Shares registered in their name at that time. Changes to the entries in the Register of Members after 6:30 p.m. (GMT) on 30 October 2025, or if this meeting is adjourned, in the Register of Members after 6:30 p.m. (GMT) two days prior to any adjourned meeting, shall be disregarded in determining the rights of any person to participate or vote at the General Meeting.

Voting at the General Meeting

All Shareholders are encouraged to vote either in advance or on the day. You will be able to vote in one of three ways in respect of the Resolution: 'For', 'Against' or 'Vote Withheld'. Please note that a 'Vote Withheld' is not a vote in law and will not be counted in the calculation of votes 'For' and 'Against' the Resolution.

If you are a holder of Swedish Listed Shares or of AstraZeneca ADSs, you should follow the instructions set out in the specific documentation sent to you. If you hold via the CSN Facility, you should follow the instructions set out separately on page 37. If you hold shares through another nominee or brokerage account, you should follow the relevant voting instructions that have been provided to you.

Voting before the meeting

If you are a Shareholder, there are several ways to submit your voting instructions before the meeting, which are available from the publication date of this Notice: (1) via Equiniti's Shareview website; (2) appointment of proxies through CREST; (3) appointment of proxies through Proxymity; or (4) by completing and returning a paper Form of Proxy.

Votes submitted electronically via Equiniti's Shareview website, or via CREST and Proxymity, (options (1) to (3) above) should be registered by no later than 2:30 p.m. (GMT) on 30 October 2025. After then, you will no longer be able to submit your proxy vote via Equiniti's Shareview website or CREST or Proxymity. Paper proxy votes (option (4) above) must be received by no later than 2:30 p.m. (GMT) on 30 October 2025. If you are voting by paper proxy, you are strongly encouraged to appoint the Chair of the General Meeting as your proxy. This means the Chair of the General Meeting will be able to vote on the day on your behalf, in accordance with your instructions.

Paper proxy forms are available from Equiniti on request; you can call our shareholder helpline on +44 (0) 800 389 1580, or use any of Equiniti's alternative contact details listed on the back page of this Notice.

Any Shareholder that votes in advance of the meeting, in accordance with the voting instructions set out in this Notice, will have their votes cast at the meeting as per the instructions provided.

Voting on the day

Voting on the day will be available via the online platform once the Chair declares the poll open. Voting will remain open until the Chair closes voting at the end of the meeting.

Holders of AstraZeneca ADSs and Swedish Listed Shares that have voted in advance will not be able to vote via the online platform. They will still be able to participate in, and ask questions during, the General Meeting.

Poll voting

The Resolution will be put to a poll vote. This means that a Shareholder has one vote for every AstraZeneca Share held and the votes of all Shareholders who submit a proxy form in advance of the meeting are counted, even if the Shareholder does not participate in the meeting.

Entitlement to appoint proxies

A Shareholder may appoint one or more proxies (who need not be a member of the Company) to exercise all or any of their rights to participate and to speak and vote at a meeting of the Company provided that each proxy is appointed to exercise the rights attached to a different share or shares held by the member. If a Shareholder appoints the Chair of the General Meeting as his or her proxy, the Chair will vote in accordance with the appointing member's instructions. If the Chair is given discretion as to how to vote, he or she will vote in favour of the Resolution proposed at the General Meeting.

A Shareholder may only appoint a proxy by:

- Completing and returning the Form(s) of Proxy accompanying this Notice;
- Going to the Shareview website, www.shareview.co.uk;
- Institutional investors may be able to appoint proxies electronically via the Proxymity platform, www.proxymity.io; or
- If you are a user of the CREST system (including CREST personal members), having an appropriate CREST message transmitted.

If an individual is appointed as a proxy to participate and to speak at the General Meeting, the individual(s) appointed will be provided with a Shareholder Reference Number (SRN) and PIN. This will allow them to participate in the General Meeting via the online platform. The registered member should ensure they share the joining instructions with their appointed proxy.

Deadline for receipt of Form of Proxy or electronic appointment of proxy

To be effective, the Form of Proxy (or electronic appointment of a proxy) must be received by the Company's registrar, Equiniti, not later than 2:30 p.m. (GMT) on 30 October 2025 or, if the General Meeting is adjourned, by no later than 48 hours (excluding any part of a day that is not a working day) before the time of the holding of the adjourned meeting.

Appointment of proxies through the Shareview website

Shareholders who would prefer to register the appointment of their proxy for the General Meeting electronically via the internet can do so through Equiniti's online portfolio service, Shareview, and can appoint their proxy electronically by logging on to their portfolio at www.shareview.co.uk by using their usual user ID and password. Once logged in, simply click 'View' on the 'My Investments' page, click on the link to vote and then follow the on-screen instructions. If you have not yet registered for a Shareview portfolio, please go to www.shareview.co.uk and enter the requested information. It is important that you register for a Shareview portfolio with enough time to complete the registration and authentication processes. Full details and instructions are given on the Shareview website.

Appointment of proxies through Proxymity

Institutional investors may be able to appoint a proxy or proxies electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Company's registrar, Equiniti. For further information regarding Proxymity, please go to www.proxymity.io. Proxies must be lodged by 2:30 p.m. (GMT) on 30 October 2025 to be considered valid or, if the General Meeting is adjourned no later than 48 hours (excluding any part of a day that is not a working day) before the time of the holding of the adjourned meeting. Before an institutional investor can appoint a proxy via this process, they will need to have agreed to Proxymity's associated terms and conditions. It is important that members read the terms and conditions carefully as members will be bound by the terms and conditions and they will govern the electronic appointment of the member's proxy.

Appointment of proxies through CREST

CREST members who wish to appoint a proxy or proxies for the General Meeting, including any adjournment(s) thereof, through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual on the Euroclear website, www.euroclear.com. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message ("**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK & International Limited's specifications and must contain the information required for such instructions, as

described in the CREST Manual. The message, regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given for a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by Equiniti Registrars (ID RA19) by 2:30 p.m. (GMT) on 30 October 2025. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which Equiniti Registrars is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to a proxy appointed through CREST should be communicated to the proxy through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that their CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. Therefore, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat a CREST Proxy Instruction as invalid in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

It is important that you register for a Shareview Portfolio to allow enough time to complete the registration and authentication processes. The deadline for the receipt of the CSN Voting Form and/or electronic voting instructions is 2:30 p.m. (GMT) on 29 October 2025, or if this meeting is adjourned, 72 hours (excluding any part of any day that is a non-working day) before the time appointed for holding the adjourned meeting prior to any adjourned meeting.

How the Service will operate

2. Nominee Arrangements

- 2.1 Our Nominee normally holds your Securities electronically in a relevant CSD. Nothing in these terms varies in any way any of the rights or duties our Nominee has as legal owner in relation to the Company.
- 2.2 Our Nominee will hold your Securities on bare trust for you which means that they will be the legal owner of the Securities and you will remain the beneficial owner.
- 2.3 You agree that the Company may issue Securities to our Nominee and require our Nominee to hold the Securities. Under these terms neither we nor our Nominee will have any claim over or interest in your Securities other than where we use them as security against a debt you owe to us (subject to FCA Rules), or where we do so under a separate agreement.
- 2.4 You agree that you alone have all interests and rights in the Securities and that you will not pledge or charge the Securities to any third party. Therefore you must not give any other person rights over your Securities, or give them any benefits or rights under these terms. We will not recognise any duty or responsibility to any third party. We will only recognise our responsibilities to you under these terms and conditions. You must tell us immediately if someone is claiming an interest in your Securities or may try to stop you from transferring them.
- 2.5 We will only accept instructions from you in writing or via your online account, and which contain your Shareholder Reference Number ("SRN"). We put this number on all statements we send to you. You must keep the SRN secure and maintain the security of your account at all times. You must use your SRN in all communications you send to us about your Securities. If you lose or fail to quote your SRN we may delay acting upon your instruction. If you ask us we will acknowledge your instructions to transfer by an amended statement of holdings. We will confirm any other instructions by simply following them. We will not write to you to tell you we have done so.

3. Company meetings and communications

- 3.1 Where we are reasonably able to, we will let you know about the Company's annual meetings and other shareholder meetings. We will also send you a form you can give to our Nominee with your voting instructions to vote by proxy, on a poll, or by show of hands. If you want to attend a shareholders' meeting we will appoint you as our proxy in respect of your Securities (as long as this is permitted by the Company's constitutional documents), provided you have sent us the relevant form correctly filled out and on time, with your instructions. We can only offer you these services in so far as they are allowed by the CSD. We will let you know when we are able to offer this service.

4. Entitlements attaching to Securities and corporate actions

- 4.1 In the event of a corporate action (for example a takeover or rights issue) we will treat you as far as reasonably possible as if you were a registered shareholder. Where you want to exercise any rights over your Securities we

will follow your reasonable written instructions, provided you instruct us following these terms and conditions and in accordance with any instructions we provide you with at that time. Where a payment is required on your behalf, we will not act on your instructions until you have sent us money to cover that payment.

- 4.2 Where our Nominee holds Securities or other rights in the Securities for other investors, our Nominee will share them among all investors on a pro rata basis. If any fractions in the Securities arise as a result of our Nominee holding the Security for a number of investors then our Nominee will aggregate the fractions and sell them with the sale proceeds shared among all investors on a pro rata basis.
- 4.3 If the Company offers a dividend reinvestment plan, it will be subject to separate terms and conditions which will be provided to you when the dividend reinvestment plan becomes available.
- 4.4 If you choose to take part in any currency election that we offer you, we will convert any distribution or cash dividend payable and attributable to your account with our Nominee into any other available currency. We will pay you this money by cheque or by electronic transfer into your nominated UK bank account, at about the same time as this happens for other Company shareholders.
- 4.5 We will hold this money in a client money bank account in our name which will be governed by the FCA rules on client money. We will not pay you interest. We will charge you a currency conversion fee every time we convert your cash dividend or distribution into another currency, which we will deduct from your dividend or distribution before sending to you. Refer to the *What are our Costs* section for more information.
- 4.6 We will carry out the currency conversion using a competitive rate based on a wholesale exchange rate. The wholesale rate is a point in time rate that is updated throughout the day subject to the availability of currencies for online trading. It will be derived from a reliable foreign exchange feed such as Reuters or Bloomberg and will also be dependent upon the ability to buy and/or sell currencies and the bulk buying position.
- 4.7 We may combine a number of foreign currency conversion instructions for payments denominated in the same currency, in order to provide a more favourable exchange rate than if each order were carried out separately. We will not accept from you any instruction that the conversion must be carried out at a minimum currency exchange rate.
- 4.8 You agree that the currency exchange rate may vary after you send us your instructions but before we are able to convert the currency, which may reduce the value of the proceeds we send you. We accept no liability for any losses or expenses which you may suffer as a result of any such movement in the currency exchange rate.
- 4.9 The payment of any cash dividends or other distributions from your Securities may attract withholding tax, a tax required to be applied by us on any dividend or other distribution payable to you. We may deduct any withholding tax from the cash dividend or other distribution payable to you, and pay it to the relevant tax authority. We may appoint a "Withholding Agent" to send any withholding tax to the tax authorities for you. We may require you to send us a dividend withholding form or such other information as we require to work out exactly how much withholding tax you owe.

5. Statements

- 5.1 When we open an Account for you we will send you a statement setting out how many Securities you have in the Account. After that we will send you a statement at least quarterly i.e. at regular intervals not less than four times a year for as long as we hold assets or cash for you. You may request statements more frequently, but we may charge you for providing these.
- 5.2 You must check your statements and if anything is wrong or you have any questions about the statement you must contact us straightaway.

6. What are our Costs?

- 6.1 Our fees are set out in the *Key Information* section.
- 6.2 We will not charge you for holding your Securities in the Account and taking care of much of the administration.
- 6.3 We may charge you for other ancillary services provided under these terms and conditions such as providing duplicate tax vouchers, acquisition costs, withdrawal and statutory fees or other charges associated with carrying out your instructions. Our current fees and charges for these other services are available upon request from us.
- 6.4 We may increase our charges and we will notify you in writing at least 20 Business Days in advance of any proposed new charge or before we increase our charges. If we do this, you may withdraw from the Service within the notice period without incurring any penalties. We may increase our charges for any reason, which may include:
 - (a) increases in inflation;
 - (b) changes in interest rates;
 - (c) increases in our running costs of the Service;
 - (d) additional charges imposed by parties we work with in connection with the provision of the Service;
 - (e) new services being offered under the Service;
 - (f) alterations in the provision of the Service being provided; and/or
 - (g) tax or legal changes.
- 6.5 All applicable UK Value Added Tax (VAT) on our fees, commissions and charges is payable by you to us. All our fees, commissions and charges are inclusive of any applicable VAT unless specifically stated otherwise. Our dealing and currency conversion fees are exclusive of VAT, but currently no VAT is applicable to these fees. If that situation changes in the future we will charge you VAT without notifying you beforehand.
- 6.6 If you instruct us to transfer any of your Securities you agree to indemnify us and our Nominee against any liabilities or costs we or the Nominee may suffer, because of anything you have done that stops the transfer from completing.

7. Purchases and Sales of Securities

- 7.1 If the Company permits it, you may buy more Securities and put them in your Account at any time. There may be other instances where we will permit our Nominee to accept additional Securities into your Account.

- 7.2 If you take part in a dividend reinvestment plan you will have more Securities added to your Account.

- 7.3 You can only buy or sell your Securities through a facility we may provide, which will be subject to its own terms and conditions.

8. How to Exit or Transfer from the Service

Transfer

- 8.1 You may instruct us to arrange for our Nominee to hold your Securities for someone else or to add someone else as a joint holder of the Securities with you. We will only do this if you send us the correct form confirming that this transfer is a gift from you to them. We will not charge you for this transfer.
- 8.2 We may reject any transfer instruction provided using the wrong or incorrectly filled in form. You may not amend or cancel any transfer instruction once you have sent it to us.
- 8.3 We will not accept transfer of Securities into our Nominee unless the Company allows us to do so.
- 8.4 We may choose to reject an instruction to transfer Securities into the Nominee's name (provided we have a reasonable basis to do so, for example, if you owe us money or your transfer request is incompatible with these terms and conditions or our legal and regulatory obligations).

Cancellation Rights

- 8.5 You may cancel participation in the Service up to fourteen calendar days after activation of the Service to you (the Cancellation Period). However, you will lose your cancellation right if you ask us during the Cancellation Period to process any payment to you or sell any of your Securities for you, in accordance with separate dealing terms and conditions.
- 8.6 If you want to cancel your participation in the Service you must tell us before the Cancellation Period ends. We will not charge you any fees when you cancel. After you have cancelled and we have transferred any Securities these terms and conditions will cease to apply to you. If you do not cancel then we will provide the Service in accordance with these terms and conditions.

Withdrawal Rights

- 8.7 You may end this agreement for the Service with us at any time. You will have to pay any fees and taxes associated with withdrawing, save that you may withdraw from the Service free of charge in the 30 days following the date of admission of the Company's shares on the New York Stock Exchange.

What you need to know about both your Withdrawal and Cancellation Options.

- 8.8 When you cancel or decide to withdraw from the Service we will, depending on your instructions and the options available to you as set out in the *Key Information* section, transfer your Securities from the Service to:
 - (a) you, so that you may hold a share certificate and be named directly on the Company share register;
 - (b) you, so that you may hold your Securities through a relevant CSD; or
 - (c) a third party stock brokerage account.

8.9 You can end the Service by either writing to us, or by using the form we send you. You must give details of the full name and SRN of the account you wish to end and if you wish to end an account in the name of joint holders, then the form must be signed by all joint holders.

9. Our Right to end this Agreement

9.1 We may stop you using the Account at any time on five days' notice if:

- (a) we think you are in material breach of these terms and conditions; or
- (b) we or our Nominee is unable to comply with any obligation we or our Nominee are subject to in relation to your Securities.

9.2 If this happens or if the agreement between us and the Company governing the Account ends (in whole or in part) or if you or we choose to end this agreement for the Service or if the Account closes for any other reason then we will, depending on your instructions and the options available, transfer your Securities from the Account to either:

- (a) you, so that you may hold a share certificate and be named directly on the Company share register;
- (b) you, so that you may hold your Securities through a relevant CSD; or
- (c) a third party stock brokerage account.

9.3 Even if we end this Service for any of the reasons set out above we will still honour any instructions which you have already sent to us, subject to these terms and conditions. When this Service ends for whatever reasons yours and our rights and responsibilities to each other that continue afterwards, in relation to the Service, shall still be governed by these terms and conditions.

9.4 Whenever we transfer Securities into your name on the Company share register, the Company may apply any mandates or other instructions given by you under the Service to your registered holding.

9.5 You agree to appoint us to be your agent for the purpose of issuing any instructions to the relevant CSD to give effect to the transfers referred to in these terms and conditions.

10. Joint holders

10.1 We will send all notices and other documents under these terms and conditions to the first named holder on the nominee register, which will then be treated as sent to all of the other joint holders. The first named joint holder who receives the notices or other documents agrees to notify the other joint holders. Only one joint holder may be nominated as proxy to attend, speak and vote at meetings of the Company's shareholders (where that proxy facility is made available by the CSD and where it is possible under the Company's constitutional documents).

10.2 Each joint holder therefore agrees that:

- (a) we and our Nominee are liable to the joint holders taken together and not separately; and
- (b) the joint holders are liable to us and the Nominee together and not separately.

10.3 We will only accept transfer instructions given by or on behalf of all of the joint holders, but we may accept other instructions signed by one or more joint holders which means the joint holder(s) giving the instructions warrant(s) to us that they have the necessary authority to act on behalf of all joint holders. We will only hold Securities for up to four joint holders.

10.4 Where we receive transfer instructions from a corporate holder, we will assume the signatory has the necessary authority to act on behalf of the corporate holder.

3. General

- 3.1 These terms and conditions and the Service are governed by the laws of England. You agree that any claim under these terms must be brought before an English court.
- 3.2 You agree under these terms and conditions that your Securities and your rights and interests in your Securities are provided to us as security. You will indemnify us against any losses and expenses we suffer because:
 - (a) you fail to give us sufficient funds to carry out your instructions;
 - (b) you are in breach of these terms and conditions; or
 - (c) we have had to pay taxes on your behalf arising out of your use of the Service.
- 3.3 Where we owe you money and you owe us money under the Service, we will deduct the monies you owe us from the monies we owe you, and only send you the net amount (if any).
- 3.4 We will round down any money payable to you to the nearest penny and keep the difference for our own benefit.
- 3.5 Unless we waive any of our rights in writing you cannot take any conduct or delay on our part to mean we have given up those rights.

3.6 We reserve the right to reject instructions from you. We may do this if we think we need to:

- (a) obtain further information from you;
- (b) comply with any legal requirements (for example: obtaining evidence of identity to comply with anti-money laundering regulations);
- (c) investigate any other issues we may have with your instructions;
- (d) check that you are not breaching money laundering legislation; and/or
- (e) carry out a credit check against you.

Where you fail to provide us with the evidence we need we may stop holding Securities and/or stop making payments to you. We may also notify the relevant authorities. We will notify you in writing as soon as possible if we decide not to accept an instruction from you. By agreeing to use this Service, you give us permission to check your identity using electronic identity checking services where necessary.

3.7 Neither we nor our Nominee will lend your Securities to any third party or borrow money using them as security.

3.8 When we arrange for the sale of Securities for you we could be:

- (a) acting for an associated company which is dealing as principal for its own account by buying Securities from you;
- (b) buying Securities where an associated company is involved in a new issue, rights issue, takeover or similar transaction concerning the Company Security; or
- (c) otherwise in a position where we have a material interest in the transaction.

3.9 Conflicts of interest which may be detrimental to you may arise between us, our agents, our other corporate clients, our employees and those who use the Service. We will make every effort to identify and prevent such conflicts. Where this is not possible, we will manage and mitigate the conflicts. Where we cannot prevent, manage or mitigate such conflicts we will disclose details to you. You may obtain a copy of our Conflicts of Interest Policy, which we update regularly, on our website or you may request a copy by writing to us at Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS13 8AE, United Kingdom.

3.10 In performing the Service we may on occasion employ agents to carry out certain activities. Before doing so we will satisfy ourselves that they are able to do the job we are asking them to do.

3.11 The Service (and as a result all or some client money and assets) may at any time be moved to another provider. You will be notified in advance of when this will occur (the transfer date). The new provider may notify you of any changes to the scope of the Service and details of their terms and conditions as well as any associated information such as changes of address and banking details. Rights you may have against us which relate to the period before the transfer date will not be affected, but we and the Nominee shall have no liability to you in respect of the period after the transfer date.

3.12 We may at any time move all or part of our business (and as a result all or some client money and assets) to another

provider, including for example as part of a restructure or amalgamation. The new provider will assume our rights and obligations under these terms and conditions and we will notify you in advance of when this will occur (the transfer date). This notice will include details of any changes to the Service and to these terms and conditions necessary because of the transfer, for example changes of address and banking details. Rights you may have against us which relate to the period before the transfer date will not be affected, but we and the Nominee shall have no liability to you in respect of the period after the transfer date.

Subject to the contents of the notice referred to above, from the transfer date:

- (a) these terms and conditions will be treated for all purposes as being entered into by you and the new provider rather than us;
- (b) references to us will be read as references to the new provider and references to the Nominee will be read as references to the new provider or its new nominee; and
- (c) we and the Nominee will be released and discharged from all of our obligations under these terms and conditions.

3.13 In these circumstances, we will satisfy ourselves that the new provider will hold monies in accordance with the FCA Rules on client money or if not, we will exercise due skill, care and diligence in assessing whether the new provider will apply adequate equivalent measures to protect your client money. You agree that from the transfer date we will no longer hold your money in a client money bank account and we will no longer treat it as client money under the FCA Rules.

3.14 In offering the Service we will treat you as a "retail client". As a retail client you are protected by the FCA Rules and you may be eligible for compensation under the FSCS, as described further in the *Complaints and Compensation* section.

3.15 Only you or we have any right to enforce these terms and no third party has right to enforce any of the terms by virtue of the Contracts (Rights of Third Parties) Act 1999.

3.16 We will not do anything which we think would or might break any relevant laws, rules, regulations or codes, or risk exposing us to criticism for behaving improperly or not acting in accordance with good market practice.

3.17 We will notify you when we change these terms and conditions and if we make any changes that are to your material disadvantage, we will give you not less than twenty Business Days' notice before such change becomes effective, and you will be able to withdraw from the Service without suffering any penalty during this period of twenty Business Days if you disagree with the change.

3.18 We may change these terms and conditions without telling you beforehand if we need to change them because the law or regulation changes.

4. Client Money and Assets

4.1 When we provide you with the Service you agree that we can hold your money in a UK bank chosen by us. The money will be held in a separate pooled client money bank account together with other clients' monies but separate from our money. You will still have the same rights to your

money. The account will be governed by the FCA Rules on client money. All money belonging to clients will be held on trust for the sole benefit of clients. We will not pay interest on monies we hold for you.

- 4.2 Assets will be segregated and held with assets of other customers of our nominee services. You agree that by pooling your Securities with those of other shareholders you retain all rights you have as the legal owner of your assets, but that your entitlement will not be identifiable by separate share certificates or other physical or electronic records of title.
- 4.3 We will not be responsible for anything a UK bank or any sub-custodian in relation to the assets, does or fails to do with your money or assets.
- 4.4 Under the FCA Rules, if we, a bank or any sub-custodian becomes insolvent and cannot repay all the money or assets owed to clients this could result in a shortfall. In that case, we will treat money or assets as pooled, which means that any shortfall will be shared equally and proportionally with other shareholders of the Company and other customers of ours who are affected by the shortfall. You may not recover all of your money or assets. In this situation, you may be eligible to claim under the Financial Services Compensation Scheme (FSCS). For more information, please see the *Complaints and Compensation* section.
- 4.5 Sometimes, in exceptional circumstances we may hold your money or assets in a bank or sub-custodian based outside of the UK. If we do so, we will take all reasonable steps to protect your money or assets in line with local laws, which may be different from the laws in the UK, and your rights in the event of insolvency of the bank or sub-custodian may be reduced.
- 4.6 If you hold client money with us and there has been no movement in your balance for at least six years, other than charges we may have levied, we may remove this money from the client money bank account and donate it to a registered charity of our choice. You may later claim this sum of money back from us, but you will not be entitled to claim any interest on it. We will let you know at least 28 days before we do this by writing to you at the last email or postal address we have for you. Where the amount is no more than £25 (or equivalent) and you fail to claim it before the 28 day notice period expires, we will donate the money without attempting to contact to you again. If the amount is more than £25 (or equivalent), after the 28 day notice period expires, we will make at least one further attempt to contact you using other means, before donating the money to charity.
- 4.7 If we have not received any instructions from you for at least twelve years, we may sell assets we hold for you at market value if the law and applicable regulations allow it. You may later claim from us a sum equal to the value of

the proceeds at the time your assets were sold. You will not be entitled to claim any interest on this sum. We will let you know at least 28 days before we do this by writing to you at the last email or postal address we have for you. If we have not heard from you within the 28 days' notice period, we will make at least one further attempt to contact you using other means. After a further 28 day period, we will donate the assets or proceeds to a registered charity of our choice.

5. Permitted Countries

- 5.1 The Permitted Countries list may be updated from time to time with the current list displayed on our website. If you are resident in another territory you will be excluded from the Service. If you are unsure of your status please call us.

6. Data Protection

- 6.1 In order to provide the Service to you we need to use your personal information. We may also transfer your personal information to other countries which have different data protection laws. We will only do this if we are satisfied that there are adequate safeguards in place to protect your personal information.
- 6.2 For full details about how we use and share your personal information please see our Privacy Policy, which is available on our website. The Privacy Policy also explains your rights in relation to your personal information and how you can exercise them.

7. Complaints and Compensation

- 7.1 If you are dissatisfied with the Service we have provided you or wish to receive a copy of our complaints procedure please write to us or find a copy of our complaints procedure on the Computershare website. If we cannot resolve your complaint, you may refer it to the Financial Ombudsman Service, Telephone: +44 (0)800 023 4567 (free from UK landlines) or 0300 123 9123 (from UK mobiles) or at www.financial-ombudsman.org.uk.
- 7.2 Under the FSCS you may be entitled to compensation if we cannot meet our financial obligations. You may be covered for up to 100% of the first £85,000 (or equivalent) of your investments (i.e. a maximum of £85,000 per person). Where we hold your money in a client bank account and the relevant UK approved bank becomes insolvent, you may be covered under the FSCS for up to £85,000 of the money on deposit with that bank. Details about our external banking partners are available on request. These amounts may be subject to change. Where we are required to hold your client money in a jurisdiction outside the UK, your rights in the event of insolvency may be reduced. Further details of your rights under the FSCS can be found here: www.fscs.org.uk.
