Disclaimer

▪ This presentation is private and confidential and is being made available to the recipient on the express understanding that it will be kept confidential and that the recipient shall not copy, reproduce, distribute or pass to third parties this presentation in whole or in part at any time. This presentation is the property of Wistron Corporation (“Wistron”) and the recipient agrees that it will, on request, promptly return this presentation and all other information supplied in connection with the ideas and concepts presented herein, without retaining any copies.

▪ This presentation has been prepared by Wistron and is being delivered to the recipient and is for general reference only. The sole purpose of this presentation is to assist the recipient in understanding Wistron. This presentation is not intended to form the basis of a decision to purchase securities or any other investment decision and does not constitute an offer, invitation or recommendation for the sale or purchase of securities. Any decision to purchase securities in any offering of Wistron should be made solely on the basis of the information contained in a prospectus which may be published or distributed in due course in connection with such offering, if any. Neither the information contained in this presentation nor any further information made available in connection with the subject matter contained herein will form the basis of any contract.

▪ This presentation does not purport to be comprehensive or to contain all the information about Wistron, its business, its current or historical operating results or its future business prospects. The information contained herein is based on publicly available information and sources, which we believe to be reliable, but we do not represent it is accurate or complete. The recipient of this presentation must make its own investigation and assessment of the ideas and concepts presented herein. No representation, warranty or undertaking, express or implied, is or will be made or given and no responsibility or liability is or will be accepted by Wistron or by any of its directors, officers, employees, agents or advisers, in relation to the accuracy or completeness of this presentation or any other written or oral information made available in connection with the ideas and concepts presented herein. Any responsibility or liability for any such information is expressly disclaimed.

▪ In furnishing this presentation, Wistron undertakes no obligation to provide the recipient with access to any additional information, or to update, or to correct any inaccuracies which may become apparent in, this presentation or any other information made available in connection with the ideas and concepts presented herein.
