Foxsemicon Operations Overview

2017/03/23

A cluster of small, light blue squares of varying sizes arranged in a pattern that tapers off to the right, located in the bottom right corner of the slide.

- We have made forward-looking statements in the presentation. Our forward-looking statements contain information regarding, among other things, our financial conditions, future expansion plans and business strategies. We have based these forward-looking statements on our current expectations and projection are reasonable, such forward-looking statements are inherently subject to risk, uncertainties, and assumptions about us.
- We undertake no obligation to publicly update or revise any forward-looking statements whether as a result of new information, future events or otherwise. In light of these risk, uncertainties and assumptions, the forward-looking events in the conference might not occur and our actual results could differ materially from those anticipated in these forward-looking statements.

Company Name : Foxsemicon Integrated Technology Inc.

Established : 2001/04/26

Capital : NT\$ 750 million

President : Yin-Kuang, Liu

Business :

- Semiconductor equipment module assembly and critical parts manufacturing
- Automation equipment research and development, manufacturing and sales, providing integrated solutions

**Headquarters
TAIWAN H.C.(2001)**

**Manufactory
CHINA S.H.(2005)**

**Sales office
USA
LA&Austin(2002)**

2001-2005

- 2001 Foxsemicon was founded in Chunan, MiaoLi Taiwan
- 2002 Approved by world's leading semiconductor equipment supplier as a qualified supplier
- 2003 Moved in Hsinchu Science Park Chunan Site
- 2005 Foxsemicon Song-Jiang factory opened

2006-2015

- 2007 Ranking No. 578 among top 1,000 manufacturing enterprises and No. 57 in semiconductor industry in year 2006 by Commonwealth Magazine in Taiwan
- 2013 Awarded by world's leading semiconductor equipment supplier as a 「 Best Quality and On-Time delivery supplier 」**
- 2014 ISO 13485 certificated to get into medical equipment industry
- 2015 Listed on TWSE**

2016~

- 2016 Awarded by world's leading semiconductor equipment supplier as a 「 Supplier Aftermarket Collaboration 」**
- 2016 Commonwealth Magazine-Taiwan's- Rank 17 in 2000 Survey 「 Top 50th operating performance companies 」**

Title	Name	Experience	Years
President	Ying-Kuang,Liu	Senior Vice President , Hon Hai Precision IND. CO., LTD	>30
Executive Assistant to Chairman	Frank Chen	CFO,Promise Technology, Inc. Vice President ,Foxsemicon Integrated Technology Inc. Controller, Applied Materials Taiwan	>30
Senior Vice President of Sales Dept.	Jackson Huang	Chairman, Prosys Technology Integration, Inc. Vice President ,Sales department of ASYST/PST	>25
Senior associate vice president of Sales Dept.	Kevin Chiu	Manager of Prosys Technology Integration, Inc. Manager of Sales department of ASYST/PST	>20
Vice President of R&D Dept.	Cheng-Tsu Fu	Director ,SIMPLO TCHNOLOGY CO.,LTD. Associate Professor, National United University	>25
Senior Manager of Financial Control Division	Stanley Lu	Senior Deputy Manager, FIH Mobile Limited Deputy Manager, Foxconn Technology Co.,LTD.	>20
Manager of Account Dept.	Deborah Chung	Foxsemicon Integrated Technology Inc.	>15

Competitive Advantage

04

Operation Performance

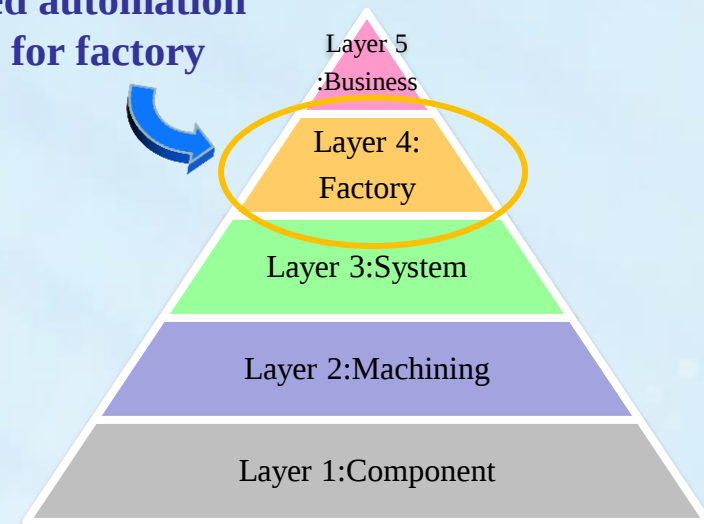

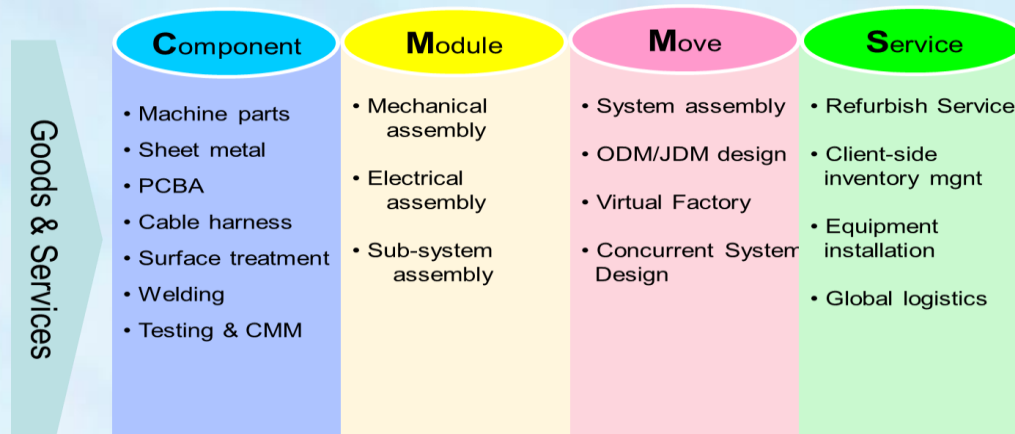

➤ semiconductor front-end process equipment module and spare parts provider

➤ Integrated automation solution provider

Foxsemicon focus on vertical integration manufacturing of semiconductor front-end process equipment

Integrated automation system for factory

Toward a company of professional technology service

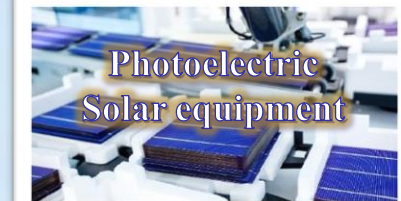

Semiconductor equipment

- Film equipment(CVD, PVD)
- Etching equipment(Etch)
- Chemical mechanical polishing equipment(CMP)
- Testing Equipment(Metrology)
- Spare Parts and Repair service
- Fab automation equipment
- Purge subsystem

FPD/TP Equipment

- Laser cutting equipment
- Laser repair equipment
- Automatic optical inspection equipment
- Check probe lighting equipment
- Panel automation equipment transport
- Panel transport vehicles

Photoelectric Solar equipment

- Wafer cutting equipment
- Plasma deposition equipment
- Cell chip automatic transmission equipment
- Solar cell module production line
- LED bulb automatic production

Industrial Automation

- Semiconductor Factory Automation
- Industrial Automation Robot Application
- Mobile phone production automation equipment
- Factory Planning

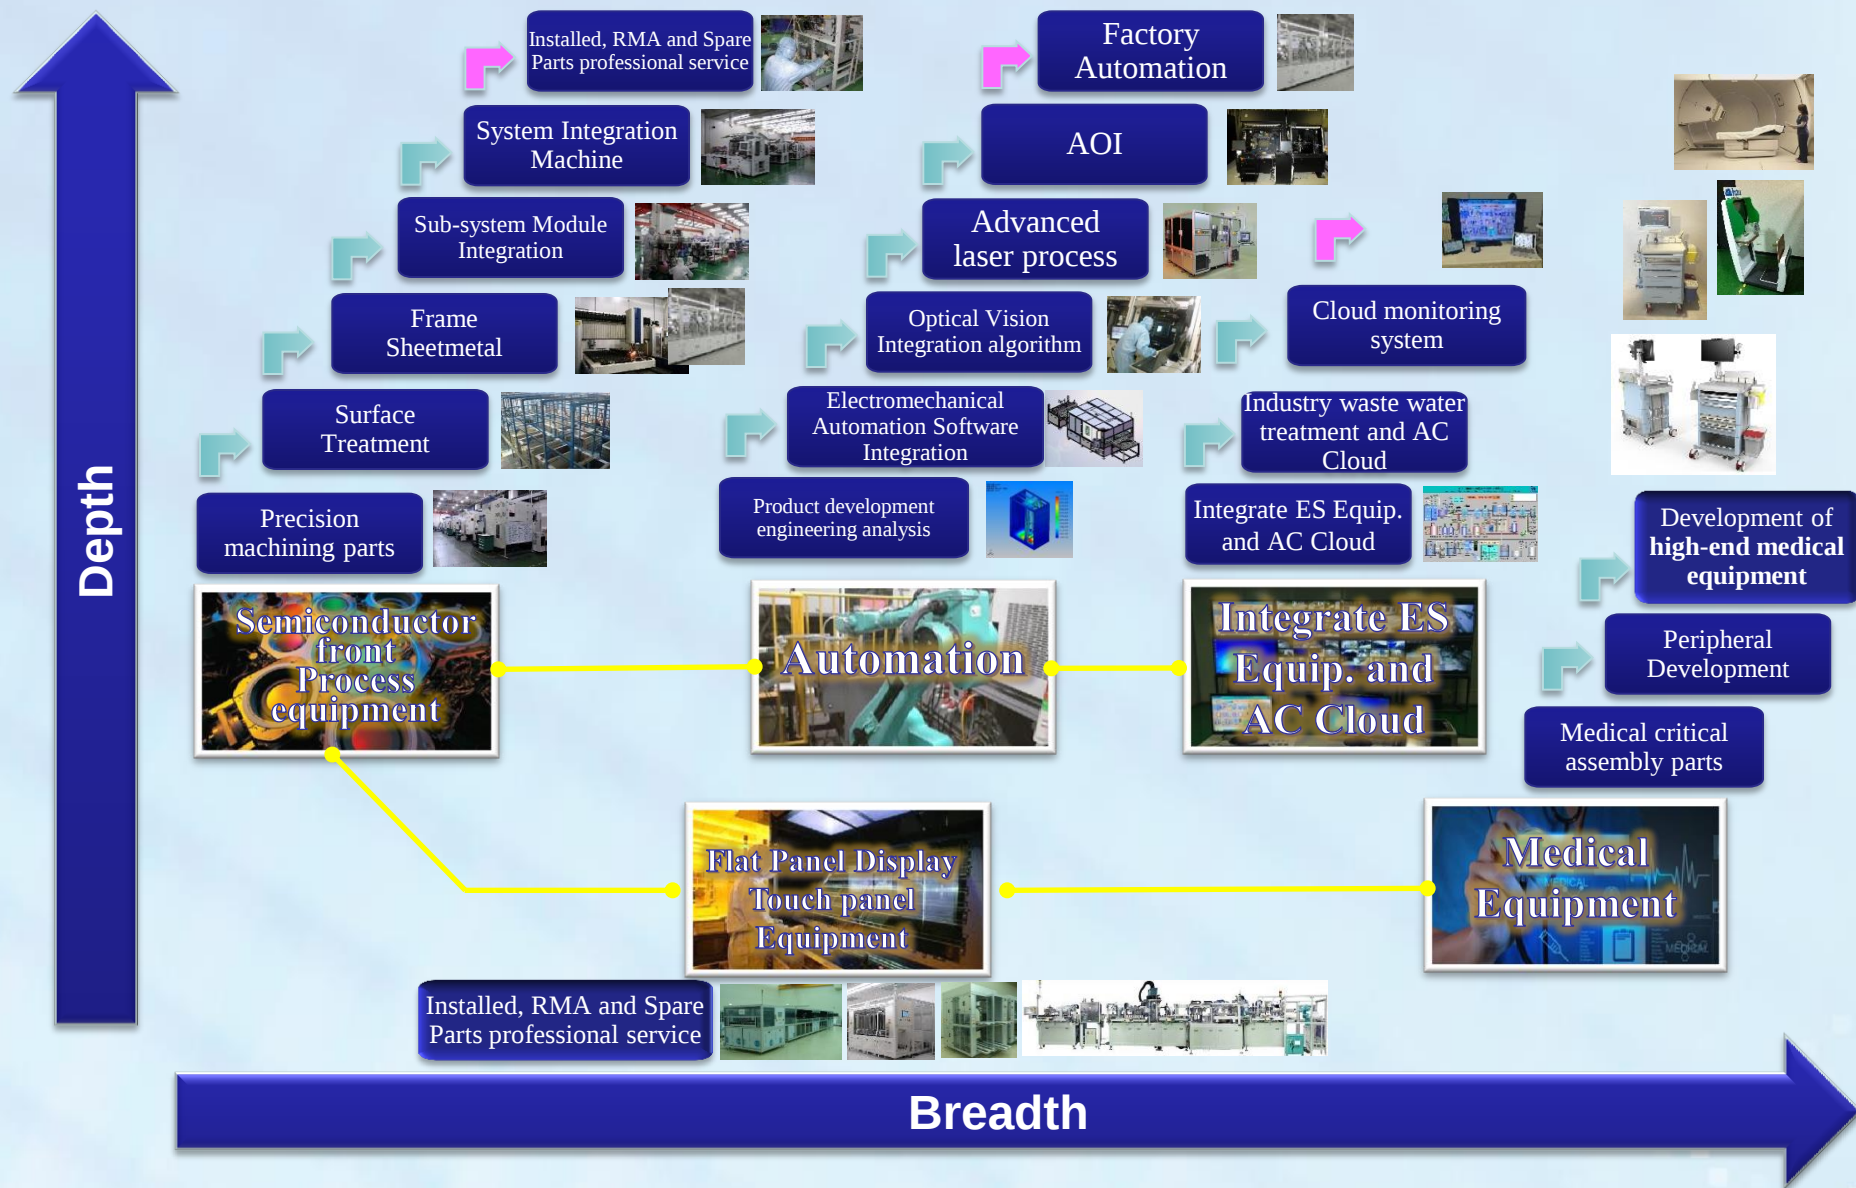

Medical Equipment

- E-Care nursing car
- cloud computing Health Station(KIOSK)
- Key components of medical equipment

Environment Cloud

- Environmental equipment automation control
- Wastewater automated control systems
- Supervisory control data acquisition system
