RISK FACTORS

Investment in the Company should not be regarded as short-term in nature and involves a degree of risk. Accordingly, investors should consider carefully all of the information set out in this Securities Note and the risks attaching to an investment in the Company including, in particular, the risks described below.

The Directors believe that the risks described below are the material risks relating to an investment in the Ordinary Shares and/or the C Shares at the date of this Securities Note. Additional risks and uncertainties not currently known to the Directors, or that the Directors deem immaterial at the date of this Securities Note, may also have an adverse effect on the performance of the Company and the value of the Ordinary Shares and/or the C Shares. Investors should review this Securities Note, as well as the information contained in the Registration Document (including the section entitled “Risk Factors”), carefully and in its entirety and consult with their professional advisers before making an application to participate in the Share Issuance Programme.

1. RISKS RELATING TO THE ORDINARY SHARES AND THE C SHARES

General risks affecting the Ordinary Shares and the C Shares

The value of an investment in the Company, and the returns derived from it, if any, may go down as well as up and an investor may not get back the amount invested. The market price of the Ordinary Shares and the C Shares, like shares in all investment companies, may fluctuate independently of their underlying net asset values and may trade at a discount or premium to net asset value at different times, depending on factors such as supply and demand for the Ordinary Shares and/or C Shares, market conditions and general investor sentiment. There can be no guarantee that any discount control policy will be successful or capable of being implemented. The market value of an Ordinary Share or a C Share may vary considerably from its Net Asset Value.

It may be difficult for Shareholders to realise their investment and there may not be a liquid market in the Ordinary Shares and/or C Shares

The price at which the Ordinary Shares and C Shares will be traded and the price at which investors may realise their investment will be influenced by a large number of factors, some specific to the Company and its investments and some which may affect companies generally. Admission should not be taken as implying that there will be a liquid market for the Ordinary Shares or the C Shares. Consequently, the share price may be subject to greater fluctuation on small volumes of trading of Ordinary Shares or C Shares and the Ordinary Shares and/or C Shares may be difficult to sell at a particular price. The market price of the Ordinary Shares and/or C Shares may not reflect their underlying Net Asset Value.

While the Directors retain the right to effect repurchases of Ordinary Shares, they are under no obligation to use such powers or to do so at any time and Shareholders should not place any reliance on the willingness of the Directors so to act. Shareholders wishing to realise their investment in the Company may therefore be required to dispose of their Ordinary Shares and/or C Shares in the market. There can be no guarantee that a liquid market in the Ordinary Shares and/or C Shares will develop or that the Ordinary Shares and/or C Shares will trade at prices close to their underlying Net Asset Value. Accordingly, Shareholders may be unable to realise their investment at such Net Asset Value or at all.

The number of Ordinary Shares and C Shares to be issued pursuant to the Share Issuance Programme (including the First Issue) is not yet known, and there may be a limited number of holders of Ordinary Shares and/or C Shares. Limited numbers and/or holders of Ordinary Shares and/or C Shares may mean that there is limited liquidity in the Ordinary Shares and/or C Shares which may affect: (i) an investor's ability to realise some or all of his/her investment; and/or (ii) the price at which such investor can effect such realisation; and/or (iii) the price at which such Ordinary Shares and/or C Shares trade in the secondary market.

The Company may issue additional Ordinary Shares and/or C Shares that dilute existing Shareholders

Following the First Issue, the Company may issue new equity in the future pursuant to the Share Issuance Programme or otherwise. While the Companies Act contains statutory pre-emption rights for Shareholders in relation to issues of shares in consideration for cash, the Company currently has authority to issue up to 750 million Ordinary Shares and/or C Shares on a non-pre-emptive basis following First Admission. Where statutory pre-emption rights are disapplied, any additional equity financing will be dilutive to those Shareholders who cannot, or choose not to, participate in such financing. The voting rights may be diluted further on conversion of any C Shares depending on the applicable conversion ratio.

Future sales of Ordinary Shares and/or C Shares could cause the market price of the Ordinary Shares and/or C Shares to fall

Sales of Ordinary Shares and/or C Shares or interests in the Ordinary Shares and/or C Shares by significant investors could depress the market price of the Ordinary Shares and/or C Shares. A substantial number of Ordinary Shares and/or C Shares being sold, or the perception that sales of this type could occur, could also depress the market price of the Ordinary Shares and/or C Shares. Both scenarios, occurring either individually or collectively, may make it more difficult for Shareholders to sell the Ordinary Shares and/or C Shares at a time and price that they deem appropriate.

Shareholders will be exposed to exchange rate risk

The assets that the Company proposes to invest in, and the income derived from those assets, will be denominated in a number of currencies. The Ordinary Shares and any C Shares will be denominated in Sterling, will be traded on the premium segment of the London Stock Exchange's main market in Sterling and any dividends on the Ordinary Shares or C Shares will be paid in Sterling.

An investment in the Ordinary Shares and/or C Shares by an investor in a jurisdiction whose principal currency is not Sterling will be exposed to the exchange rate between Sterling and the principal currency of their jurisdiction and any depreciation of Sterling in relation to such foreign currency will reduce the value of the investment in the Ordinary Shares and/or C Shares in foreign currency terms. In addition, Shareholders in a jurisdiction whose principal currency is not the currency in which they receive dividends will be exposed to any changes in the exchange rate between the currency in which they receive dividends and the principal currency of their jurisdiction from the moment the dividend is declared until the moment the dividend is paid.

The Ordinary Shares and C Shares will be subject to significant transfer restrictions for investors in certain jurisdictions as well as forced transfer provisions

The Ordinary Shares and C Shares have not been registered and will not be registered in the United States under the U.S. Securities Act or under any other applicable securities laws. Moreover, the Ordinary Shares and C Shares are only being offered and sold outside the United States to non-U.S. Persons (as defined in Regulation S under the U.S. Securities Act).

If at any time the holding or beneficial ownership of any shares in the Company by any person (whether on its own or taken with other shares), in the opinion of the Directors: (i) would cause the assets of the Company to be treated as “plan assets” of any Benefit Plan Investor under section 3(42) of ERISA or the U.S. Tax Code; or (ii) would or might result in the Company and/or its shares and/or any of its appointed investment managers or investment advisers being required to register or qualify under the U.S. Investment Company Act, and/or U.S. Investment Advisers Act of 1940 and/or the U.S. Securities Act and/or the U.S. Securities Exchange Act 1934, as amended and/or any laws of any state of the U.S. or other jurisdiction that regulate the offering and sale of securities; or (iii) may cause the Company not to be considered a “Foreign Private Issuer” under the U.S. Securities Exchange Act 1934, as amended; or (iv) may cause the Company to be a “controlled foreign corporation” for the purpose of the U.S. Tax Code; or (v) creates a significant legal or regulatory issue for the Company under the U.S. Bank Holding Company Act 1956, as amended or regulations or interpretations thereunder, or (vi) would cause the Company adverse consequences under the foreign account tax compliance provisions of the U.S. Hiring Incentives to Restore Employment Act of 2010 or any similar legislation in any territory or jurisdiction (including the International Tax Compliance Regulation 2015), including the Company becoming subject to any withholding tax or reporting obligation or to be unable to avoid or reduce any such tax or to be unable to comply with any such reporting obligation (including by reason of the failure of the Shareholder concerned to provide promptly to the Company such

information and documentation as the Company may have requested to enable the Company to avoid or minimise such withholding tax or to comply with such reporting obligations) then any shares which the Directors decide are shares which are so held or beneficially owned ("**Prohibited Shares**") must be dealt with in accordance with the Articles. The Directors may at any time give notice in writing to the holder of a share requiring him or her to make a declaration as to whether or not the share is a Prohibited Share.

The Board may require the holder of such Prohibited Shares to dispose of such Prohibited Shares and, if the Shareholder does not sell such shares, may dispose of such shares on their behalf. These restrictions may make it more difficult for Shareholders to sell the Ordinary Shares and/or C Shares and may have an adverse effect on the market value of the Ordinary Shares and/or C Shares.

IMPORTANT INFORMATION

GENERAL

This Securities Note should be read in its entirety, along with the Summary and the Registration Document before making any application for Ordinary Shares and/or C Shares.

Prospective investors should rely only on the information contained in the Prospectus (which comprises this Securities Note, together with the Registration Document and the Summary). No person has been authorised by the Company to issue any advertisement or to give any information or to make any representations in connection with the offering or sale of Ordinary Shares and/or C Shares other than those contained in this Prospectus and, if issued, given or made, such advertisement, information or representation must not be relied upon as having been authorised by the Company, the AIFM, the Investment Manager or Peel Hunt. Without prejudice to the Company's obligations under the Prospectus Regulation Rules, the Listing Rules, the Disclosure Guidance and Transparency Rules, the Prospectus Regulation and MAR, neither the delivery of the Prospectus nor any subscription for or purchase of Ordinary Shares and/or C Shares made pursuant to the Share Issuance Programme, under any circumstances, creates any implication that there has been no change in the affairs of the Company since, or that the information contained in the Prospectus is correct at any time subsequent to, the date of the Prospectus.

Prospective investors should not treat the contents of the Prospectus as advice relating to legal, taxation, investment or any other matters. Prospective investors should inform themselves as to: (a) the legal requirements within their own countries for the purchase, holding, transfer or other disposal of Ordinary Shares and/or C Shares; (b) any foreign exchange restrictions applicable to the purchase, holding, transfer or other disposal of Ordinary Shares and/or C Shares which they might encounter; and (c) the income and other tax consequences which may apply in their own countries as a result of the purchase, holding, transfer or other disposal of, or subscription for Ordinary Shares and/or C Shares. Prospective investors must rely upon their own legal advisers, accountants and other financial advisers as to legal, tax, investment or any other related matters concerning the Company and an investment in the Ordinary Shares and/or C Shares.

Apart from the liabilities and responsibilities (if any) which may be imposed on Peel Hunt by FSMA or the regulatory regime established thereunder, or under the regulatory regime of any other jurisdiction where exclusion of liability under the relevant regulatory regime would be illegal, void or unenforceable, Peel Hunt does not make any representation, express or implied, nor accepts any responsibility whatsoever for, the contents of the Prospectus nor for any other statement made or purported to be made by it or on its behalf in connection with the Company, the Ordinary Shares and/or C Shares, the Share Issuance Programme or any Admission. Peel Hunt (together with its respective affiliates) accordingly, to the fullest extent permitted by law, disclaims all and any liability (save for any statutory liability) whether arising in tort, contract or otherwise which it might otherwise have in respect of the Prospectus or any other statement.

In connection with the Share Issuance Programme, Peel Hunt and any of its affiliates, acting as investors for its or their own account(s), may subscribe for or purchase Ordinary Shares and/or C Shares and in that capacity may retain, purchase, sell, offer to sell or otherwise deal for its or their own account(s) in the Ordinary Shares and/or C Shares and other securities of the Company or related investments in connection with the Share Issuance Programme or otherwise. Accordingly, references in the Prospectus to the Ordinary Shares and/or C Shares being issued, offered, acquired, subscribed or otherwise dealt with, should be read as including any issue or offer to, acquisition of, or subscription or dealing by Peel Hunt and any of its affiliates acting as an investor for its or their own account(s). Neither Peel Hunt nor any of its affiliates intends to disclose the extent of any such investment or transactions otherwise than in accordance with any legal or regulatory obligation to do so. In addition, Peel Hunt may enter into financing arrangements with investors, such as share swap arrangements or lending arrangements in connection with which Peel Hunt may from time to time acquire, hold or dispose of shareholdings in the Company.

The Prospectus should be read in its entirety before making any application for Ordinary Shares and/or C Shares. All Shareholders are entitled to the benefit of, are bound by, and are deemed to have notice of, the provisions of the Company's memorandum of association and the Articles which prospective investors should review. A summary of the Articles is contained in paragraph 3 of Part 6 of this Securities Note.

Under the Intermediaries Offer, the Ordinary Shares are being offered to Intermediaries who will facilitate the participation of their retail investor clients (and any member of the public who wishes to become a client of that Intermediary) located in the United Kingdom, the Channel Islands and the Isle of Man. The Company consents to the use of the Prospectus in connection with any subsequent resale or final placement of securities by the Intermediaries in the United Kingdom, the Channel Islands and the Isle of Man on the following terms: (i) in respect of the Intermediaries who have been appointed prior to the date of this Securities Note, as listed in paragraph 8 of Part 6 of this Securities Note; and (ii) in respect of Intermediaries who are appointed after the date of this Securities Note, a list of which appears on the Company's website, from the date on which they are appointed to participate in connection with any subsequent resale or final placement of securities and, in each case, until the closing of the period for the subsequent resale or final placement of securities by the Intermediaries at 3.00 p.m. on 5 December 2019, unless closed prior to that date.

The offer period within which any subsequent resale or final placement of securities by the Intermediaries can be made and for which consent to use the Prospectus is given commences on 19 November 2019 and closes on 5 December 2019, unless closed prior to that date (any such prior closure to be announced via a Regulatory Information Service).

Any Intermediary that uses the Prospectus must state on its website that it uses the Prospectus in accordance with the Company's consent. Intermediaries are required to provide the terms and conditions of the Intermediaries Offer to any prospective investor who has expressed an interest in participating in the Intermediaries Offer to such Intermediary. **Information on the terms and conditions of any subsequent resale or final placement of securities by any financial intermediary is to be provided at the time of the offer by the financial intermediary.**

The Company consents to the use of the Prospectus and accepts responsibility for the information contained in the Prospectus with respect to subsequent resale or final placement of securities by any financial intermediary given consent to use the Prospectus.

Any new information with respect to Intermediaries unknown at the time of approval of the Prospectus will be available on the Company's website at www.octopusrenewablesinfrastructure.com.

The Prospectus does not constitute, and may not be used for the purposes of, an offer or solicitation to anyone in any jurisdiction: (i) in which such offer or solicitation is not authorised; or (ii) in which the person making such offer or invitation is not qualified to do so; or (iii) to any person to whom it is unlawful to make such offer or solicitation. The distribution of the Prospectus and the offering of Ordinary Shares and/or C Shares in certain jurisdictions may be restricted and accordingly persons into whose possession the Prospectus is received are required to inform themselves about and to observe such restrictions.

FOR THE ATTENTION OF UNITED STATES RESIDENTS

The Ordinary Shares and C Shares have not been and will not be registered under the U.S. Securities Act or with any securities regulatory authority of any state or other jurisdiction of the United States and may not be offered, sold, exercised, resold, transferred or delivered, directly or indirectly, within the United States or to, or for the account or benefit of, U.S. Persons (as defined in Regulation S under the U.S. Securities Act). There will be no public offer of the Ordinary Shares and/or the C Shares in the United States. The Ordinary Shares and C Shares are being offered or sold outside the United States to non-U.S. Persons in offshore transactions in reliance on the exemption from the registration requirements of the U.S. Securities Act provided by Regulation S thereunder. The Company has not been and will not be registered under the U.S. Investment Company Act and investors will not be entitled to the benefits of the U.S. Investment Company Act.

Neither the Ordinary Shares nor the C Shares have been approved or disapproved by the U.S. Securities and Exchange Commission, any state securities commission in the United States or any other U.S. regulatory authority, nor have any of the foregoing authorities passed upon or endorsed the merits of the offering of Ordinary Shares or C Shares or the accuracy or adequacy of this Securities Note or the Prospectus of which it relates. Any representation to the contrary is a criminal offence in the United States and any re-offer or resale of any of the Ordinary Shares or the C Shares in the United States or to U.S. Persons may constitute a violation of U.S. law or regulation. The Securities Note and the Prospectus of which it forms part may not be published, distributed or transmitted by means or made, directly or indirectly in whole or in part, in or

into the United States. Any person in the United States who obtains a copy of this Securities Note is requested to disregard it.

FOR THE ATTENTION OF PROSPECTIVE INVESTORS IN CANADA, JAPAN, AUSTRALIA OR THE REPUBLIC OF SOUTH AFRICA

The offer and sale of Ordinary Shares and C Shares has not been and will not be registered under the applicable securities laws of Canada, Japan, Australia or the Republic of South Africa. Subject to certain exemptions, the Ordinary Shares and C Shares may not be offered to or sold within Canada, Japan, Australia or the Republic of South Africa or to any national, resident or citizen of such territories.

FOR THE ATTENTION OF PROSPECTIVE INVESTORS IN THE EUROPEAN ECONOMIC AREA

In relation to each Relevant Member State, no Ordinary Shares or C Shares have been offered or will be offered pursuant to the Share Issuance Programme to the public in that Relevant Member State prior to the publication of a prospectus in relation to the Ordinary Shares and/or C Shares which has been approved by the competent authority in that Relevant Member State, or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, all in accordance with the Prospectus Regulation, except that offers of Ordinary Shares and/or C Shares to the public may be made at any time under the following exemptions under the Prospectus Regulation:

- (a) to any legal entity which is a “qualified investor” as defined in the Prospectus Regulation;
- (b) to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Regulation) in such Relevant Member State; or
- (c) in any other circumstances falling within Article 1(3) and 1(4) of the Prospectus Regulation,

provided that no such offer of Ordinary Shares and/or C Shares shall result in a requirement for the publication of a document pursuant to Article 3 of the Prospectus Regulation and each person who initially acquires any Ordinary Shares or C Shares or to whom any offer is made under the First Placing or any Subsequent Placing will be deemed to have represented, acknowledged and agreed that it is a “qualified investor” within the meaning of Article 2(e) of the Prospectus Regulation.

The expression an “offer to the public” in relation to any offer of Ordinary Shares and/or C Shares in any Relevant Member State means a communication in any form and by any means presenting sufficient information on the terms of the offer and any Ordinary Shares and/or C Shares to be offered so as to enable an investor to decide to purchase or subscribe for the Ordinary Shares and/or C Shares, and the expression “Prospectus Regulation” means Regulation (EU) 2017/1129.

Each Relevant Member State has adopted legislation implementing the AIFM Directive into national law. Under the AIFM Directive, marketing to any investor domiciled or with a registered office in the EEA will be restricted by such laws and no such marketing shall take place except as permitted by such laws. Outside of the UK, the AIFM has applied to the FCA for a marketing passport in respect of France, Ireland and Italy. No action has been taken in the EEA outside of these jurisdictions and the Company will only be marketed within the EEA to the extent it is lawful to do so.

Notwithstanding that the AIFM may be able to market Ordinary Shares and C Shares to professional investors in a Relevant Member State, the Ordinary Shares and C Shares may not be marketed to retail investors (as this term is defined in the AIFM Directive as transposed in the Relevant Member State) in that Member State in accordance with applicable local laws. The Ordinary Shares and C Shares may not be offered, sold or delivered and neither the Prospectus nor any other offering materials relating to the Ordinary Shares and C Shares may be distributed or made available to retail investors in a Relevant Member State other than the UK.

Consent under the Control of Borrowing (Jersey) Order 1958 has not been obtained for the circulation of this offer and it must be distinctly understood that the Jersey Financial Services Commission does not accept any responsibility for the financial soundness of or any representations made in connection with the Company. By accepting this offer each prospective investor in Jersey represents and warrants that he or she is in possession of sufficient information to be able to make a reasonable evaluation of the offer.

Subject to certain exemptions (if applicable), offers for securities in the Company may only be distributed and promoted in or from within Jersey by persons with appropriate registration under the Financial Services (Jersey) Law 1998, as amended.

NOTICE TO PROSPECTIVE INVESTORS IN THE ISLE OF MAN

The Share Issuance Programme (including the First Issue) is available, and is and may be made, in or from within the Isle of Man and the Prospectus is being provided in or from within the Isle of Man only:

- (a) by persons licensed to do so under the Isle of Man Financial Services Act 2008; or
- (b) in accordance with any relevant exclusion contained within the Regulated Activities Order 2011 (as amended) or exemption contained in the Financial Services (Exemptions) Regulations 2011 (as amended).

The Share Issuance Programme (including the First Issue) referred to in the Prospectus and the Prospectus are not available in or from within the Isle of Man other than in accordance with paragraphs (i) and (ii) above and must not be relied upon by any person unless made or received in accordance with such paragraphs.

NOTICE TO PROSPECTIVE INVESTORS IN OTHER JURISDICTIONS

The distribution of the Prospectus and offering of Ordinary Shares and/or C Shares in jurisdictions other than the UK, the Channel Islands and the Isle of Man may be restricted by law and therefore persons into whose possession the Prospectus comes should inform themselves about and observe any such restrictions.

DISTRIBUTION TO RETAIL INVESTORS AND MiFID II

The Company intends to conduct its affairs so that its Ordinary Shares and C Shares can be recommended by financial advisers to retail investors in accordance with the FCA's rules in relation to non-mainstream pooled investment products. The Company's Ordinary Shares and C Shares are expected to be excluded from the FCA's restrictions which apply to non-mainstream pooled investment products because they are shares in an investment trust.

The Company intends to conduct its affairs so that its Ordinary Shares and C Shares can be recommended by financial advisers to retail investors in accordance with the rules on the distribution of financial instruments under The Markets in Financial Instruments Directive II ("**MiFID II**"). The Directors consider that the requirements of Article 57 of the MiFID II delegated regulation of 25 April 2016 will be met in relation to the Company's Ordinary Shares and C Shares and that, accordingly, the Ordinary Shares and C Shares should be considered "non-complex" for the purposes of MiFID II.

INFORMATION TO DISTRIBUTORS

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("**Directive 2014/65/EU**"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing Directive 2014/65/EU; and (c) local implementing measures (together, the "**MiFID II Product Governance Requirements**"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the Ordinary Shares and the C Shares have been subject to a product approval process, which has determined that the Ordinary Shares and/or C Shares to be issued pursuant to the Share Issuance Programme (including the First Issue) are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in Directive 2014/65/EU; and (ii) eligible for distribution through all distribution channels as are permitted by Directive 2014/65/EU (the "**Target Market Assessment**").

Notwithstanding the Target Market Assessment, distributors should note that: the price of the Ordinary Shares and/or C Shares may decline and investors could lose all or part of their investment; neither the Ordinary Shares nor the C Shares offer guaranteed income or capital protection; and an investment in the Ordinary Shares and/or C Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Share Issuance Programme. Furthermore, it is noted that, notwithstanding the Target Market Assessment, Peel Hunt will only procure investors who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of Directive 2014/65/EU; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Ordinary Shares and/or C Shares.

Each distributor is responsible for undertaking its own target market assessment in respect of the Ordinary Shares and/or C Shares and determining appropriate distribution channels.

KEY INFORMATION DOCUMENT

In accordance with the PRIIPs Regulation, a key information document prepared by the Investment Manager in relation to the Ordinary Shares is available on the Company's website:

www.octopusrenewablesinfrastructure.com. It is the responsibility of each distributor of Ordinary Shares to ensure that its “retail clients” are provided with a copy of the key information document.

The Investment Manager is the manufacturer of the Ordinary Shares and the C Shares for the purposes of the PRIIPs Regulation and none of the Company, Peel Hunt or the AIFM is a manufacturer for these purposes. None of the Company, Peel Hunt or the AIFM makes any representations, express or implied, or accepts any responsibility whatsoever for the contents of the key information document prepared by the Investment Manager in relation to the Ordinary Shares or any other key information document in relation to the Ordinary Shares or the C Shares prepared by the Investment Manager in the future nor accepts any responsibility to update the contents of any key information document in accordance with the PRIIPs Regulation, to undertake any review processes in relation thereto or to provide such key information document to future distributors of Ordinary Shares or C Shares. Each of the Company, Peel Hunt and the AIFM and their respective affiliates accordingly disclaim all and any liability whether arising in tort or contract or otherwise which it or they might have in respect of any key information document prepared by the Investment Manager.

- (a) disclose personal data to third party service providers, affiliates, agents or functionaries appointed by the Company or its agents to operate and administer the Company; and
- (b) transfer personal data outside of the EEA to countries or territories which do not offer the same level of protection for the rights and freedoms of prospective investors provided that suitable safeguards are in place for the protection of such personal data, details of which shall be set out in the Privacy Notice or otherwise notified from time to time.

The foregoing processing of personal data is required in order to perform the contract with the prospective investor, to comply with the legal and regulatory obligations of the Company or otherwise is necessary for the legitimate interests of the Company.

PART 1

THE FIRST ISSUE

1. INTRODUCTION

The Company is targeting an issue of up to 250 million Ordinary Shares pursuant to the First Issue comprising the First Placing, the Offer for Subscription and the Intermediaries Offer at a price of £1.00 per Ordinary Share. The Directors have reserved the right, in conjunction with Peel Hunt and the Investment Manager, to increase the size of the First Issue to a maximum of 350 million Ordinary Shares if overall demand exceeds 250 million Ordinary Shares. In this Securities Note, the First Placing, Offer for Subscription and Intermediaries Offer are together referred to as the First Issue. The First Issue is not being underwritten.

The total number of Ordinary Shares to be issued pursuant to the First Issue, and therefore the Initial Gross Proceeds, are not known as at the date of this Securities Note but will be notified by the Company via a Regulatory Information Service announcement and the Company's website prior to First Admission.

The Initial Net Proceeds, after deduction of expenses, are expected to be approximately £245 million on the assumption that the Initial Gross Proceeds are £250 million.

Applications will be made for the Ordinary Shares to be issued pursuant to the First Issue to be admitted to listing on the premium segment of the Official List and to trading on the premium segment of the London Stock Exchange's main market. It is expected that First Admission will become effective and dealings in the Ordinary Shares will commence at 8.00 a.m. on 10 December 2019.

2. THE FIRST ISSUE

Overview

Ordinary Shares will be issued pursuant to the First Issue at an Issue Price of £1.00 per Ordinary Share.

The First Issue is conditional, *inter alia*, on: (i) First Admission having become effective on or before 8.00 a.m. on 10 December 2019 or such later time and/or date as the Company and Peel Hunt may agree (being not later than 8.00 a.m. on 31 January 2020); (ii) the Share Issuance Agreement becoming wholly unconditional in respect of the First Issue (save as to First Admission) and not having been terminated in accordance with its terms at any time prior to First Admission; and (iii) the Minimum Gross Proceeds (or such lesser amount as the Company, Peel Hunt and the Investment Manager may agree) being raised.

If the First Issue does not proceed (due to the Minimum Gross Proceeds (or such lesser amount as the Company, Peel Hunt and the Investment Manager may agree) not being raised or otherwise), any monies received under the First Issue will be returned without interest at the risk of the applicant to the applicant from whom the money was received, within 14 calendar days.

If the Minimum Gross Proceeds are not raised, the First Issue may only proceed where a supplementary prospectus (including a working capital statement based on a revised minimum net proceeds figure) has been prepared in relation to the Company and approved by the FCA.

First Placing

Peel Hunt has agreed to use its reasonable endeavours to procure subscribers pursuant to the First Placing on the terms and subject to the conditions set out in the Share Issuance Agreement.

The Ordinary Shares are being made available under the First Placing at the Issue Price. The terms and conditions that shall apply to any subscription for Ordinary Shares under the First Placing are set out in Part 3 of this Securities Note. The latest time and date for receipt of commitments under the First Placing is 5.00 p.m. on 5 December 2019 (or such later date, not being later than 24 January 2020, as the Company and Peel Hunt may agree).

If the First Placing is extended, the revised timetable will be notified via a Regulatory Information Service announcement.

Each Placee agrees to be bound by the Articles once the Ordinary Shares that the Placee has agreed to subscribe for pursuant to the First Placing have been acquired by the Placee. The contract to subscribe for the Ordinary Shares under the First Placing and all disputes and claims arising out of or in connection with its subject matter or formation (including non-contractual disputes or claims) will be governed by, and construed in accordance with, the laws of England and Wales.

Commitments under the First Placing, once made, may not be withdrawn without the consent of the Directors.

Offer for Subscription

The Company is making an offer of Ordinary Shares pursuant to the Offer for Subscription at the Issue Price, subject to the terms and conditions of the Offer for Subscription as set out in Part 4 of this Securities Note. These terms and conditions and the Application Form set out at Appendix 1 to this Securities Note should be read carefully before an application is made. Investors should consult their independent financial adviser if they are in any doubt about the contents of the Prospectus or the acquisition of Ordinary Shares.

The Offer for Subscription is being made in the UK, the Channel Islands and the Isle of Man only.

Applications under the Offer for Subscription will be for Ordinary Shares at the Issue Price, being £1.00 per Ordinary Share. The aggregate subscription price is payable in full on application. Individual applications must be for a minimum subscription of 1,000 Ordinary Shares and then in multiples of 1,000 Ordinary Shares thereafter, although the Board may accept applications below the minimum amounts stated above in its absolute discretion. Multiple applications will not be accepted. Commitments under the Offer for Subscription once made, may not be withdrawn without the consent of the Directors.

Application Forms accompanied by a cheque or banker's draft made payable to "**CIS PLC re: Octopus Renewables Infrastructure Trust Plc OFS Acceptance a/c**" for the appropriate sum should be returned to the Receiving Agent by no later than 1.00 p.m. on 5 December 2019.

For applicants sending subscription monies by electronic bank transfer (CHAPS), payment must be made for value by no later than 1.00 p.m. on 5 December 2019. Applicants should send payment to the relevant bank account as detailed on the Application Form. Applicants must ensure that they remit sufficient funds to cover any charges incurred by their bank.

The payment instruction relating to the electronic transfer must also include a unique reference comprising your name and a contact telephone number which should be entered in the reference field on the payment instruction, for example: MJ Smith 01234 567890. The Receiving Agent cannot take responsibility for correctly identifying payments without a unique reference nor where a payment has been received but without an accompanying Application Form.

Applicants choosing to settle via CREST, that is DvP, will need to match their instructions to the Receiving Agent's Participant Account 3RA43 by no later than 1.00 p.m. on 9 December 2019, allowing for the delivery and acceptance of Ordinary Shares to be made against payment of the Issue Price per Ordinary Share through the CREST system upon the relevant settlement date, following the CREST matching criteria set out in the Application Form.

In addition to completing and returning the Application Form to the Receiving Agent, investors who intend to hold Ordinary Shares in certificated form will also need to complete and return a Tax Residency Self-Certification Form. The "Tax Residency Self-Certification Form (individuals)" form can be found at Appendix 2 of this Securities Note, further copies of this form and the relevant form for joint holdings or corporate entity holdings can be requested from Computershare Investor Services PLC on +44 (0) 370 707 1346. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. The helpline is open between 9.00 a.m. – 5.30 p.m., Monday to Friday excluding public holidays in England and Wales. Different charges may apply to calls from mobile telephones and calls may be recorded and randomly monitored for security and training purposes. The helpline cannot give any financial, legal or tax advice.

It is a condition of any application under the Offer for Subscription that, where relevant, a completed version of the relevant form is provided with the Application Form before any application under the Offer for

Subscription can be accepted. Where return of the completed Tax Residency Self-Certification Form is required, Application Forms that are returned without the completed Tax Residency Self-Certification Form will be referred to the Company after the Offer for Subscription closes at 1.00 p.m. on 5 December 2019. It will then be the Company's decision if these Application Forms can be accepted under the Offer for Subscription.

If the Offer for Subscription is extended, the revised timetable will be notified via a Regulatory Information Service announcement.

3. THE INTERMEDIARIES OFFER

Investors may also subscribe for Ordinary Shares at the Issue Price of £1.00 per Ordinary Share pursuant to the Intermediaries Offer. Only the Intermediaries' retail investor clients in the United Kingdom, the Channel Islands and the Isle of Man are eligible to participate in the Intermediaries Offer. Investors may apply to any one of the Intermediaries to be accepted as their client.

No Ordinary Shares allocated under the Intermediaries Offer will be registered in the name of any person whose registered address is outside the United Kingdom, the Channel Islands or the Isle of Man. A minimum application of 1,000 Ordinary Shares per Underlying Applicant will apply. Allocations to Intermediaries will be determined solely by the Company (following consultation with Peel Hunt and the Investment Manager).

An application for Ordinary Shares in the Intermediaries Offer means that the Underlying Applicant agrees to acquire the Ordinary Shares applied for at the Issue Price. Each Underlying Applicant must comply with the appropriate money laundering checks required by the relevant Intermediary and all other laws and regulations applicable to their agreement to subscribe for Ordinary Shares. Where an application is not accepted or there are insufficient Ordinary Shares available to satisfy an application in full, the relevant Intermediary will be obliged to refund the Underlying Applicant as required and all such refunds shall be made without interest. The Company, the AIFM, the Investment Manager and Peel Hunt accept no responsibility with respect to the obligation of the Intermediaries to refund monies in such circumstances.

Each Intermediary has agreed, or will on appointment agree, to the Intermediaries Terms and Conditions, which regulate, *inter alia*, the conduct of the Intermediaries Offer on market standard terms and provide for the payment of a commission and/or fee (to the extent permissible by the rules of the FCA) to Intermediaries from the Intermediaries Offer Adviser acting on behalf of the Company if such Intermediary elects to receive a commission and/or fee. Pursuant to the Intermediaries Terms and Conditions, in making an application, each Intermediary will also be required to represent and warrant that they are not located in the United States and are not acting on behalf of anyone located in the United States.

In addition, the Intermediaries may prepare certain materials for distribution or may otherwise provide information or advice to retail investors in the United Kingdom, subject to the Intermediaries Terms and Conditions. Any such materials, information or advice are solely the responsibility of the relevant Intermediary and will not be reviewed or approved by any of the Company, the AIFM, the Investment Manager or the Intermediaries Offer Adviser. Any liability relating to such documents shall be for the relevant Intermediaries only.

The Intermediaries Terms and Conditions provide for the Intermediaries to have an option (where the payment of such commission and/or fee is not prohibited) to be paid a commission and/or fee by the Intermediaries Offer Adviser (acting on behalf of the Company) where it has elected to receive such commission and/or fee in respect of the Ordinary Shares allocated to and paid for by them pursuant to the Intermediaries Offer.

4. SCALING BACK AND ALLOCATION

The results of the First Issue will be announced by the Company via a Regulatory Information Service.

The Directors have reserved the right, in conjunction with Peel Hunt and the Investment Manager, to increase the size of the First Issue to a maximum of 350 million Ordinary Shares if overall demand exceeds 250 million Ordinary Shares.

In the event that commitments under the First Issue exceed the maximum number of Ordinary Shares available under the First Issue (being 350 million Ordinary Shares), applications under the First Issue will be scaled back at the Company's discretion (in consultation with Peel Hunt and the Investment Manager).

The Company reserves the right to decline in whole or in part any application for Ordinary Shares pursuant to the First Issue.

Monies received in respect of unsuccessful applications (or to the extent scaled back) will be returned without interest at the risk of the applicant to the applicant from whom the money was received, within 14 calendar days following the close of the First Issue.

5. REASONS FOR THE FIRST ISSUE AND USE OF PROCEEDS

The First Issue is intended to raise money for investment in accordance with the Company's investment objective and investment policy.

The Directors intend to use the Initial Net Proceeds, after providing for the Company's operational expenses, to purchase investments in line with the Company's investment objective and investment policy.

The Investment Manager and the Board believe that, with the Investment Manager's experience and the preparatory work undertaken by it to date, suitable assets will be identified, assessed and acquired such that the Initial Net Proceeds will be substantially committed within 6 months of First Admission. It is expected that any operational assets acquired by the Company will be revenue generating on acquisition. Construction ready solar and wind assets are expected to be completed and operational within 6-12 months and 9-24 months respectively. In construction solar and wind assets are expected to be completed and operational in shorter timeframes depending on the stage of construction of the relevant asset on acquisition.

6. COSTS OF THE ISSUE

The formation and initial expenses of the Company are those that arise from, or are incidental to, the establishment of the Company, the First Issue and First Admission.

The costs and expenses of, and incidental to, the formation of the Company and the First Issue are not expected to exceed 2 per cent. of the Initial Gross Proceeds equivalent to approximately £5 million, assuming Initial Gross Proceeds of £250 million. The costs will be deducted from the Initial Gross Proceeds. The Company will not charge investors any separate costs or expenses in connection with the First Issue. It is expected that the starting Net Asset Value per Ordinary Share will be £0.98, assuming Initial Gross Proceeds of £250 million.

7. WITHDRAWAL

In the event that the Company is required to publish a supplementary prospectus prior to First Admission, applicants who have applied for Ordinary Shares under the First Issue shall have at least four clear Business Days following the publication of the relevant supplementary prospectus within which to withdraw their offer to acquire Ordinary Shares in the First Issue in its entirety. If the application is not withdrawn within the stipulated period, any offer to apply for Ordinary Shares in the Offer for Subscription or the Intermediaries Offer will remain valid and binding.

Investors under the Offer for Subscription wishing to exercise statutory withdrawal rights after the publication of a supplementary prospectus prior to First Admission must do so by lodging written notice of withdrawal by post or by hand (during normal business hours only) to Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol, BS13 8AE or by emailing OFSpaymentqueries@computershare.co.uk so as to be received no later than four Business Days after the date on which the supplementary prospectus is published. Notice of withdrawal given by any other means or which is deposited with or received after expiry of such period will not constitute a valid withdrawal.

Intermediaries wishing to exercise withdrawal rights on behalf of their underlying clients on behalf of whom they have submitted applications for Ordinary Shares, after the publication of a supplementary prospectus prior to the close of the Intermediaries Offer must do so in accordance with the Intermediaries Terms and

Conditions so as to be received no later than four Business Days after the date on which the supplementary prospectus is published. If the applications for Ordinary Shares are not withdrawn by the Intermediaries during such time, the offer to apply for Ordinary Shares as set out in the application will remain valid and binding.

8. THE SHARE ISSUANCE AGREEMENT

The Share Issuance Agreement contains provisions entitling Peel Hunt to terminate the First Issue (and the arrangements associated with it) at any time in certain circumstances. If this right is exercised prior to First Admission, the First Issue and these arrangements will lapse and any monies received in respect of the First Issue will be returned to each applicant without interest at the risk of the applicant to the applicant from whom the money was received.

The Share Issuance Agreement provides for Peel Hunt to be paid commission by the Company in respect of the Ordinary Shares to be allotted pursuant to the First Issue. Any Ordinary Shares subscribed for by Peel Hunt may be retained or dealt in by it for its own benefit.

Under the Share Issuance Agreement, Peel Hunt is entitled at its discretion and out of its resources at any time to rebate to some or all investors, or to other parties, part or all of its fees relating to the First Issue. Peel Hunt is also entitled under the Share Issuance Agreement to retain agents and may pay commission in respect of the First Issue to any or all of those agents out of its own resources.

Further details of the terms of the Share Issuance Agreement are set out in paragraph 6.1 of Part 4 of the Registration Document.

9. GENERAL

Pursuant to anti-money laundering laws and regulations with which the Company must comply, the Company (and its agents) may require evidence in connection with any application for Ordinary Shares, including further identification of the applicant(s), before any Ordinary Shares are issued pursuant to the First Issue.

In the event that there are any material changes affecting any of the matters described in the Prospectus or where any significant new factors have arisen after the publication of the Prospectus, the Company will publish a supplementary prospectus. The supplementary prospectus will give details of the material change(s) or the significant new factor(s).

10. ADMISSION, CLEARING AND SETTLEMENT

Applications will be made for the Ordinary Shares issued pursuant to the First Issue to be admitted to listing on the premium segment of the Official List and to trading on the premium segment of the London Stock Exchange's main market. It is expected that First Admission will become effective, and that dealings in the Ordinary Shares will commence, at 8.00 a.m. on 10 December 2019.

An investor applying for Ordinary Shares in the First Issue may receive Ordinary Shares in certificated or uncertificated form. The Ordinary Shares are in registered form. No temporary documents of title will be issued. Dealings in Ordinary Shares in advance of the crediting of the relevant stock account shall be at the risk of the person concerned. It is expected that CREST accounts will be credited on 10 December 2019 in respect of Ordinary Shares issued in uncertificated form and definitive share certificates in respect of Ordinary Shares held in certificated form will be despatched by post after the week commencing 16 December 2019, at the Shareholder's own risk.

The ISIN of the Ordinary Shares is GB00BJM02935 and the SEDOL is BJM0293.

The Company does not guarantee that at any particular time market maker(s) will be willing to make a market in the Ordinary Shares, nor does it guarantee the price at which a market will be made in the Ordinary Shares. Accordingly, the dealing price of the Ordinary Shares may not necessarily reflect changes in the Net Asset Value per Ordinary Share.

11. CREST

CREST is a paperless settlement procedure enabling securities to be evidenced otherwise than by a certificate and transferred otherwise than by written instrument. The Articles permit the holding of Ordinary Shares under the CREST system. The Company has applied for the Ordinary Shares to be admitted to CREST with effect from First Admission. Accordingly, settlement of transactions in the Ordinary Shares following First Admission may take place within the CREST system if any Shareholder so wishes.

12. ISA, SSAS AND SIPP

The Ordinary Shares will, on First Admission, be “qualifying investments” for the stocks and shares component of an ISA (subject to applicable subscription limits) provided that they have been acquired by purchase in the market (which, for these purposes, will include any Ordinary Shares acquired directly under the Offer for Subscription and the Intermediaries Offer but not any Ordinary Shares acquired directly under the First Placing).

Save where Ordinary Shares are being acquired using available funds in an existing ISA, an investment in Ordinary Shares by means of an ISA is subject to the usual annual subscription limits applicable to new investments into an ISA. The Ordinary Shares will be permissible assets for SIPPs and SSAS.

The Board will use its reasonable endeavours to manage the affairs of the Company so as to enable this status to be maintained.

13. OVERSEAS PERSONS

The attention of potential investors who are Overseas Persons is drawn to the paragraphs below.

The offer of Ordinary Shares under the First Issue to Overseas Persons may be affected by the laws of the relevant jurisdictions. Such persons should consult their professional advisers as to whether they require any government or other consents or need to observe any applicable legal requirements to enable them to obtain Ordinary Shares under the First Issue. It is the responsibility of all Overseas Persons receiving the Prospectus and/or wishing to subscribe for Ordinary Shares under the First Issue to satisfy themselves as to full observance of the laws of the relevant territory in connection therewith, including obtaining all necessary governmental or other consents that may be required and observing all other formalities needing to be observed and paying any issue, transfer or other taxes due in such territory.

No person receiving a copy of the Prospectus in any territory other than the UK may treat the same as constituting an offer or invitation to him/her, unless in the relevant territory such an offer can lawfully be made to him/her without compliance with any further registration or other legal requirements.

Persons (including, without limitation, nominees and trustees) receiving the Prospectus may not distribute or send it to any U.S. Person or in or into the United States or any other jurisdiction where to do so would or might contravene local securities laws or regulations. In particular, investors should note that the Company has not, and will not be, registered under the U.S. Investment Company Act and the offer, issue and sale of the Ordinary Shares have not been, and will not be, registered under the U.S. Securities Act or with any securities regulatory authority of any state or other jurisdiction of the United States. Accordingly, the Ordinary Shares are being offered and sold outside the United States to non-U.S. Persons in reliance on the exemption from the registration requirements of the U.S. Securities Act provided by Regulation S thereunder. The Ordinary Shares may not be offered, sold, pledged or otherwise transferred or delivered, directly or indirectly, within the United States or to, or for the account or benefit of, any U.S. Person.

In addition, until 40 calendar days after the commencement of the First Issue, an offer or sale of the Ordinary Shares within the United States by any dealer (whether or not participating in the First Issue) may violate the registration requirements of the U.S. Securities Act.

The offer and sale of Ordinary Shares has not been and will not be registered under the applicable securities laws of Australia, Canada, the Republic of South Africa or Japan. Subject to certain exemptions, the Ordinary Shares may not be offered to or sold within Australia, Canada, the Republic of South Africa or Japan or to any national, resident or citizen of Australia, Canada, the Republic of South Africa or Japan.

Potential investors in any territory other than the United Kingdom should refer to the notices set out in the section entitled “Important Information” of this Securities Note.

The Company reserves the right to treat as invalid any agreement to subscribe for Ordinary Shares under the First Issue if it appears to the Company or its agents to have been entered into in a manner that may involve a breach of the securities legislation of any jurisdiction.

United States transfer restrictions

Each of Peel Hunt and the Company has acknowledged and warranted in the Share Issuance Agreement that it will not offer or sell or procure the offer or sale of the Ordinary Shares under the First Issue except in compliance with Regulation S. The Ordinary Shares have not been, and will not be, registered under the U.S. Securities Act or with any securities regulatory authority of any state or other jurisdiction of the United States. Accordingly, investors may not reoffer, resell, pledge or otherwise transfer or deliver, directly or indirectly, any Ordinary Shares within the United States, or to, or for the account or benefit of, any U.S. Person.

14. PROFILE OF A TYPICAL INVESTOR IN RELATION TO THE FIRST ISSUE

The Ordinary Shares are designed to be suitable for institutional investors and professionally advised private investors. The Ordinary Shares may also be suitable for investors who are financially sophisticated, non-advised private investors who are capable of evaluating the risks and merits of such an investment and who have sufficient resources to bear any loss which may result from such an investment. Such investors may wish to consult an independent financial adviser who specialises in advising on the acquisition of shares and other securities before investing in the Ordinary Shares in the First Issue.

PART 2

THE SHARE ISSUANCE PROGRAMME

1. DETAILS OF THE SHARE ISSUANCE PROGRAMME

The Directors are authorised to issue up to 750 million Ordinary Shares and/or C Shares pursuant to the Share Issuance Programme (excluding the First Issue) without having to first offer those Ordinary Shares and/or C Shares to existing Shareholders.

Following the First Issue, the Share Issuance Programme will be implemented to enable the Company to raise additional capital in the period from 11 December 2019 to 18 November 2020. The Directors intend to apply the net proceeds of any Subsequent Issue in making investments in accordance with the Company's investment objective and policy.

Following the First Issue, the Share Issuance Programme may be implemented by Subsequent Placings, the terms of which are set out in Part 3 of this Securities Note. It may also be implemented by way of open offers, subsequent offers for subscription and/or subsequent intermediaries offers, the terms of which will be published at the time of such open offers, further offers for subscription or further intermediaries offers pursuant to the Share Issuance Programme.

Under the Share Issuance Programme, following the First Issue the Company can issue both Ordinary Shares and C Shares. The number of Ordinary Shares and/or C Shares available under the Share Issuance Programme is intended to be flexible and should not be taken as an indication of the number of shares to be issued. The Company will make the decision on each individual occasion it wishes to issue shares under the Share Issuance Programme as to whether the Company will issue Ordinary Shares or C Shares. It will make this decision based on a combination of factors, and having taken into account the AIFM's and the Investment Manager's opinions, including, amongst other things, the potential size of any issue relative to the Company's existing market capitalisation and gross assets, the potential level of demand for new shares amongst existing and potential investors, and the speed with which the Investment Manager estimates that it could invest any new proceeds raised. The issue of C Shares is designed to overcome the potential disadvantages for both existing and new investors at the relevant time that could arise out of a conventional fixed price issue of further Ordinary Shares for cash. In particular:

- the C Shares would not convert into Ordinary Shares until at least 85 per cent. of the net proceeds of the C Share issue have been deployed in accordance with the Company's investment objective (or, if earlier, 18 months after the date of their issue);
- the assets representing the net proceeds of a C Share issue would be accounted for and managed as a distinct pool of assets until their conversion date. By accounting for the net proceeds of a C Share issue separately, Shareholders would not participate in a portfolio containing a substantial amount of uninvested cash before the conversion date;
- the basis on which the C Shares would convert into Ordinary Shares is such that the number of Ordinary Shares to which holders of C Shares would become entitled will reflect the relative net asset values per share of the assets attributable to the C Shares and the Ordinary Shares. As a result, the Net Asset Value per Ordinary Share can be expected to be unchanged by the issue and conversion of any C Shares; and
- the Net Asset Value of the Ordinary Shares would not be diluted by the expenses of the C Share issue, which would be borne by the pool of assets attributable to the C Shares.

The Articles contain the C Share rights, full details of which are set out in paragraph 3 of Part 6 of this Securities Note.

Depending on the materiality of any issue under the Share Issuance Programme, the Company will update Shareholders at the appropriate time. Any issues of such shares will be notified by the Company through a Regulatory Information Service and the Company's website, prior to each Admission. The Share Issuance Programme is not being underwritten and, as at the date of this Securities Note the actual number of Ordinary Shares and C Shares to be issued under the Share Issuance Programme is not known.

The Share Issuance Programme may have a number of closing dates in order to provide the Company with the ability to issue Ordinary Shares and/or C Shares over the duration of the Share Issuance Programme. Ordinary Shares and/or C Shares may be issued under the Share Issuance Programme, following the First Issue, from 8.00 a.m. on 11 December 2019 until 8.00 a.m. on 18 November 2020. Applications will be made to the FCA for all of the Ordinary Shares and/or C Shares to be issued pursuant to the Share Issuance Programme to be admitted to the premium segment of the Official List and for such Ordinary Shares and/or C Shares to be admitted to trading on the premium segment of the London Stock Exchange's main market. The issue of Ordinary Shares and/or C Shares pursuant to the Share Issuance Programme is at the discretion of the Directors.

In the event that there are any significant changes affecting any of the matters described in this Securities Note or where any significant new matters have arisen after the publication of this Securities Note and prior to any Subsequent Admission of any Ordinary Shares and/or C Shares issued pursuant to the Share Issuance Programme, the Company will publish a Future Summary and/or a Future Securities Note. Any Future Summary or Future Securities Note published will give details of the significant change(s) or the significant new matter(s).

2. CONDITIONS

Each allotment and issue of Ordinary Shares and/or C Shares under the Share Issuance Programme, following the First Issue, is conditional, *inter alia*, on: (i) (in the case of Ordinary Shares) the Share Issuance Programme Price being determined by the Directors as described below; (ii) Admission of the Ordinary Shares and/or C Shares being issued pursuant to such issue; (iii) the Share Issuance Agreement becoming otherwise unconditional in respect of the relevant Subsequent Issue in all respects and not having been terminated on or before the date of such Admission; and (iii) a valid Future Summary and/or Future Securities Note being published by the Company if such is required by the Prospectus Regulation Rules. In circumstances where these conditions are not fully met, the relevant Subsequent Issue of Ordinary Shares and/or C Shares pursuant to the Share Issuance Programme will not take place.

3. SHARE ISSUANCE PROGRAMME PRICE

The Share Issuance Programme Price will be determined by the Company and, in the case of the Ordinary Shares, will be not less than the prevailing Net Asset Value per Ordinary Share at the time of issue plus a premium to cover the expenses of such issue and, in the case of the C Shares, will be £1.00 per C Share.

The Directors will determine the Share Issuance Programme Price of the Ordinary Shares on the basis described above so as to cover the costs and expenses of each issue of Ordinary Shares under the Share Issuance Programme and to thereby avoid any dilution of the Net Asset Value of the existing Ordinary Shares. In determining the Share Issuance Programme Price of the Ordinary Shares, the Directors will also take into consideration, *inter alia*, the prevailing market conditions at that time. The costs and expenses of any issue of C Shares pursuant to the Share Issuance Programme will be borne by the holders of C Shares only.

The Share Issuance Programme Price will be announced through a Regulatory Information Service as soon as is practicable in conjunction with each Subsequent Issue.

4. DILUTION

If 750 million Ordinary Shares or C Shares are issued pursuant to the Share Issuance Programme, assuming the First Issue has been subscribed as to 250 million Ordinary Shares, there would be a dilution of approximately 75 per cent. in Shareholders' voting control of the Company immediately after the First Issue (and prior to the conversion of any C Shares). The voting rights may be diluted further on conversion of any C Shares depending on the applicable conversion ratio. However, it is not anticipated that there will be any dilution in the NAV per Ordinary Share as a result of any Subsequent Issue under the Share Issuance Programme.

5. REASONS FOR THE SHARE ISSUANCE PROGRAMME AND USE OF PROCEEDS

Following the First Issue, the Company may wish to issue further Ordinary Shares and/or C Shares to raise additional capital.

The Directors intend to use the net proceeds of any Subsequent Issue under the Share Issuance Programme to make investments in accordance with the Company's investment objective and investment policy.

6. SCALING BACK

In the event of oversubscription of a Subsequent Issue, applications under the Subsequent Issue will be scaled back at the Company's discretion (in consultation with Peel Hunt and the Investment Manager).

7. COSTS OF THE SHARE ISSUANCE PROGRAMME

The costs and expenses of each issue of Ordinary Shares or C Shares pursuant to a Subsequent Issue under the Share Issuance Programme will depend on subscriptions received. The costs of any issue of Ordinary Shares will be covered by issuing such Ordinary Shares at a premium to the prevailing Net Asset Value per Ordinary Share at the time of issue. The costs and expenses of any issue of C Shares under the Share Issuance Programme will be paid out of the gross proceeds of such issue and will be borne by holders of C Shares only.

8. WITHDRAWAL

In the event that the Company is required to publish a supplementary prospectus prior to any Subsequent Admission, applicants who have applied for Ordinary Shares and/or C Shares under any Subsequent Placing shall have at least four clear Business Days following the publication of the relevant supplementary prospectus within which to withdraw their offer to acquire Ordinary Shares and/or C Shares in the relevant Subsequent Placing in its entirety. The right to withdraw an application to acquire Ordinary Shares and/or C Shares in the relevant Subsequent Placing in these circumstances will be available to all investors in the relevant Subsequent Placing. If the application is not withdrawn within the stipulated period, any offer to apply for Ordinary Shares and/or C Shares in the relevant Subsequent Placing will remain valid and binding.

9. THE SHARE ISSUANCE AGREEMENT

Peel Hunt is entitled to terminate the Share Issuance Agreement at any time in certain circumstances. If this right is exercised prior to any Subsequent Admission, the Share Issuance Programme and these arrangements will lapse and any monies received in respect of the Share Issuance Programme will be returned to applicants without interest within 14 calendar days at the applicant's risk.

The Share Issuance Agreement provides for Peel Hunt to be paid a commission by the Company in respect of any Ordinary Shares and/or C Shares to be allotted pursuant to any Subsequent Issue.

Any Ordinary Shares and/or C Shares subscribed for by Peel Hunt may be retained or dealt in by it for its own benefit.

Under the Share Issuance Agreement, Peel Hunt is entitled at its discretion and out of its own resources at any time to rebate to some or all investors, or to other parties, part or all of its fees relating to a Subsequent Issue. Peel Hunt is also entitled under the Share Issuance Agreement to retain agents and may pay commission in respect of a Subsequent Issue to any or all of those agents out of its own resources.

Further details of the terms of the Share Issuance Agreement are set out in paragraph 6.1 of Part 4 of the Registration Document.

10. GENERAL

Pursuant to anti-money laundering laws and regulations with which the Company must comply, the Company and its agents may require evidence in connection with any application for Ordinary Shares and/or C Shares, including further identification of the applicant(s), before any Ordinary Shares and/or C Shares are issued.

11. ADMISSION, CLEARING AND SETTLEMENT

Applications will be made for the Ordinary Shares and/or C Shares issued pursuant to the Share Issuance Programme to be admitted to listing on the premium segment of the Official List and to trading on the premium segment of the London Stock Exchange's main market. It is expected that any Subsequent Admission will become effective, and that dealings in the Ordinary Shares and/or C Shares will commence as soon as possible following the allotment of Ordinary Shares and/or C Shares pursuant to a Subsequent Issue.

An investor applying for Ordinary Shares and/or C Shares pursuant to the Share Issuance Programme may receive Ordinary Shares and/or C Shares in certificated or uncertificated form. The Ordinary Shares and the C Shares are in registered form. No temporary documents of title will be issued. Dealings in Ordinary Shares and/or C Shares in advance of the crediting of the relevant stock account shall be at the risk of the person concerned. It is expected that CREST accounts will be credited as soon as possible following the allotment of Ordinary Shares and/or C Shares pursuant to a Subsequent Issue in respect of Ordinary Shares and/or C Shares issued in uncertificated form and definitive share certificates in respect of Ordinary Shares and/or C Shares held in certificated form will be despatched by post after approximately one week following the Admission of any Ordinary Shares and/or C Shares pursuant to a Subsequent Issue at the Shareholder's own risk.

The ISIN of the Ordinary Shares is GB00BJM02935 and the SEDOL is BJM0293. The ISIN of the C Shares is GB00BJM09T23 and the SEDOL is BJM09T2. Any Ordinary Shares issued pursuant to a Subsequent Issue under the Share Issuance Programme will rank *pari passu* with the Ordinary Shares then in issue (save for any dividends or other distributions declared, made or paid on the Ordinary Shares by reference to a record date prior to the allotment of the relevant Ordinary Shares).

The Company does not guarantee that at any particular time market maker(s) will be willing to make a market in the Ordinary Shares and/or C Shares, nor does it guarantee the price at which a market will be made in the Ordinary Shares and/or C Shares. Accordingly, the dealing price of the Ordinary Shares and/or C Shares may not necessarily reflect changes in the Net Asset Value per Ordinary Share and/or the Net Asset Value per C Share.

12. CREST

CREST is a paperless settlement procedure enabling securities to be evidenced otherwise than by a certificate and transferred otherwise than by written instrument. The Articles permit the holding of Ordinary Shares and C Shares under the CREST system. The Company shall apply for the Ordinary Shares and/or C Shares issued under the Share Issuance Programme to be admitted to CREST with effect from Admission. Accordingly, settlement of transactions in the Ordinary Shares and/or C Shares following the relevant Admission may take place within the CREST system if any Shareholder so wishes.

13. OVERSEAS PERSONS

The attention of potential investors who are Overseas Persons is drawn to the paragraphs below.

The offer of Ordinary Shares and/or C Shares pursuant to the Share Issuance Programme to Overseas Persons may be affected by the laws of the relevant jurisdictions. Such persons should consult their professional advisers as to whether they require any government or other consents or need to observe any applicable legal requirements to enable them to obtain Ordinary Shares and/or C Shares pursuant to the Share Issuance Programme. It is the responsibility of all Overseas Persons receiving the Prospectus and/or wishing to subscribe for Ordinary Shares and/or C Shares pursuant to the Share Issuance Programme to satisfy themselves as to full observance of the laws of the relevant territory in connection therewith, including obtaining all necessary governmental or other consents that may be required and observing all other formalities needing to be observed and paying any issue, transfer or other taxes due in such territory.

No person receiving a copy of the Prospectus in any territory other than the UK may treat the same as constituting an offer or invitation to him/her, unless in the relevant territory such an offer can lawfully be made to him/her without compliance with any further registration or other legal requirements.

Persons (including, without limitation, nominees and trustees) receiving the Prospectus may not distribute or send it to any U.S. Person or in or into the United States or any other jurisdiction where to do so would or might contravene local securities laws or regulations. In particular, investors should note that the Company has not, and will not be, registered under the U.S. Investment Company Act and the offer, issue and sale of the Ordinary Shares and C Shares have not been, and will not be, registered under the U.S. Securities Act or with any securities regulatory authority of any state or other jurisdiction of the United States. Accordingly, the Ordinary Shares and C Shares are being offered and sold outside the United States to non-U.S. Persons in reliance on the exemption from the registration requirements of the U.S. Securities Act provided by Regulation S thereunder. The Ordinary Shares and C Shares may not be offered, sold, pledged or otherwise transferred or delivered, directly or indirectly, within the United States or to, or for the account or benefit of, any U.S. Person.

In addition, until 40 calendar days after the commencement of any Subsequent Issue, an offer or sale of the Ordinary Shares and/or C Shares within the United States by any dealer (whether or not participating in the First Issue) may violate the registration requirements of the U.S. Securities Act.

The offer and sale of Ordinary Shares and/or C Shares has not been and will not be registered under the applicable securities laws of Australia, Canada, the Republic of South Africa or Japan. Subject to certain exemptions, the Ordinary Shares and/or C Shares may not be offered to or sold within Australia, Canada, the Republic of South Africa or Japan or to any national, resident or citizen of Australia, Canada, the Republic of South Africa or Japan.

Potential investors in any territory other than the United Kingdom should refer to the notices set out in the section entitled "Important Information" of this Securities Note.

The Company reserves the right to treat as invalid any agreement to subscribe for Ordinary Shares and/or C Shares pursuant to the Share Issuance Programme if it appears to the Company or its agents to have been entered into in a manner that may involve a breach of the securities legislation of any jurisdiction.

United States transfer restrictions

Each of Peel Hunt and the Company has acknowledged and warranted in the Share Issuance Agreement that it will not offer or sell or procure the offer or sale of the Ordinary Shares and/or C Shares pursuant to the Share Issuance Programme except in compliance with Regulation S. The Ordinary Shares and C Shares have not been, and will not be, registered under the U.S. Securities Act or with any securities regulatory authority of any state or other jurisdiction of the United States. Accordingly, investors may not reoffer, resell, pledge or otherwise transfer or deliver, directly or indirectly, any Ordinary Shares or C Shares within the United States, or to, or for the account or benefit of, any U.S. Person.

14. PROFILE OF A TYPICAL INVESTOR IN RELATION TO THE SHARE ISSUANCE PROGRAMME

The Ordinary Shares and C Shares are designed to be suitable for institutional investors and professionally-advised private investors. The Ordinary Shares and C Shares may also be suitable for investors who are financially sophisticated, non-advised private investors who are capable of evaluating the risks and merits of such an investment and who have sufficient resources to bear any loss which may result from such an investment. PART 3

TERMS AND CONDITIONS OF APPLICATION UNDER THE FIRST PLACING AND ANY SUBSEQUENT PLACING UNDER THE SHARE ISSUANCE PROGRAMME

1. INTRODUCTION

- 1.1 Participation in the First Placing and/or any Subsequent Placing is only available to persons who are invited to participate by Peel Hunt. These terms and conditions apply to persons making an offer to subscribe for Ordinary Shares and/or C Shares under the First Placing and/or any Subsequent Placing.
- 1.2 Upon being notified of its allocation of Ordinary Shares and/or C Shares under the First Placing and/or any Subsequent Placing, a Placee shall, subject to the provisions of paragraph 7 of this Part 3, be contractually committed to acquire the number of Ordinary Shares and/or C Shares, as the case may be allocated to them at the Issue Price or the relevant Share Issuance Programme Price and to the fullest extent permitted by law, will be deemed to have agreed not to exercise any rights to rescind or terminate or otherwise withdraw from such commitments. Dealing may not begin before any notification is made.
- 1.3 The Company and/or Peel Hunt may require any Placee to agree to such further terms and/or conditions and/or give such additional warranties and/or representations as it/they (in its/their absolute discretion) see(s) fit and may require any such Placee to execute a separate placing letter ("**Placing Letter**").
- 1.4 The commitment to acquire Ordinary Shares and/or C Shares under the First Placing and/or a Subsequent Placing will be agreed orally with Peel Hunt as agent for the Company and may be further evidenced in a contract note or oral or email placing confirmation as applicable (for the purposes of this Part 3, the "**Contract Note**" or the "**Placing Confirmation**").

2. AGREEMENT TO ACQUIRE ORDINARY SHARES AND/OR C SHARES AND CONDITIONS

- 2.1 A Placee agrees to become a member of the Company and agrees to subscribe for those Ordinary Shares and/or C Shares allocated to it at the Issue Price or the relevant Share Issuance Programme Price, as applicable, conditional on:
 - 2.1.1 the Share Issuance Agreement becoming unconditional in respect of the relevant placing (save for any condition relating to Admission) and not having been terminated on or before the date of Admission of the relevant Ordinary Shares and/or C Shares being issued;
 - 2.1.2 (in respect of the First Placing) First Admission of the Ordinary Shares occurring and becoming effective by 8.00 a.m. on or prior to 10 December 2019 (or such later time and/or date as the Company and Peel Hunt may agree and, in any event, no later than 8.00 a.m. on 31 January 2020) and (in respect of a Subsequent Placing) any Admission of Ordinary Shares and/or C Shares occurring not later than 8.00 a.m. on such other dates as may be agreed between the Company and Peel Hunt prior to the closing of each Subsequent Placing, not being later than 18 November 2020;
 - 2.1.3 in the case of the First Placing, the Minimum Gross Proceeds (or such lesser amount as the Company, Peel Hunt and the Investment Manager may agree) being raised; and
 - 2.1.4 in the case of any Subsequent Placing, the relevant Share Issuance Programme Price being determined by the Directors; and
 - 2.1.5 a valid Future Summary and/or Future Securities Note being published by the Company if such is required by the Prospectus Regulation Rules.
- 2.2 If any of the conditions set out in the Share Issuance Agreement is not fulfilled or, where permitted, waived to the extent permitted by law or regulation in accordance with the Share Issuance Agreement, or the Share Issuance Agreement is terminated in accordance with its terms, the relevant placing will lapse and the Placee's rights and obligations shall cease and terminate at such time and each Placee

agrees that no claim can be made by or on behalf of the Placee (or any person on whose behalf the Placee is acting) in respect thereof.

- 2.3 To the fullest extent permitted by law, each Placee acknowledges and agrees that it will not be entitled to exercise any remedy of rescission at any time. This does not affect any other rights the Placee may have.
- 2.4 If the Minimum Gross Proceeds (or such lesser amount as the Company, Peel Hunt and the Investment Manager may agree) are not raised, the First Placing will lapse and all proceeds will be returned to Placees without interest and at the Placee's risk.

3. PAYMENT FOR ORDINARY SHARES AND/OR C SHARES

- 3.1 Each Placee undertakes to pay the Issue Price or relevant Share Issuance Programme Price for the Ordinary Share and/or C Shares issued to the Placee, as applicable, in the manner and by the time directed by Peel Hunt. If any Placee fails to pay as so directed and/or by the time required, the relevant Placee's application for Ordinary Shares and/or C Shares may, at the discretion of Peel Hunt either be rejected or accepted and, in the latter case, paragraph 3.2 of these terms and conditions shall apply.
- 3.2 Each Placee is deemed to agree that if it does not comply with its obligation to pay the Issue Price or relevant Share Issuance Programme Price for the Ordinary Shares and/or C Shares allocated to it in accordance with paragraph 3.1 of these terms and conditions and Peel Hunt elects to accept that Placee's application, Peel Hunt may sell all or any of the Ordinary Shares and/or C Shares allocated to the Placee on such Placee's behalf and retain from the proceeds, for Peel Hunt's own account and profit, an amount equal to the aggregate amount owed by the Placee plus any interest due. The Placee will, however, remain liable for any shortfall below the aggregate amount owed by such Placee and it may be required to bear any tax or other charges (together with any interest or penalties) which may arise upon the sale of such Ordinary Shares and/or C Shares on such Placee's behalf.

4. REPRESENTATIONS AND WARRANTIES

By agreeing to subscribe for Ordinary Shares and/or C Shares, each Placee which enters into a commitment to subscribe for Ordinary Shares and/or C Shares will (for itself and any person(s) procured by it to subscribe for Ordinary Shares and/or C Shares and any nominee(s) for any such person(s)) be deemed to represent, warrant and acknowledge to each of the Company, the AIFM, the Investment Manager, the Registrar and Peel Hunt that:

- 4.1 in agreeing to subscribe for Ordinary Shares under the First Placing or Ordinary Shares and/or C Shares under a Subsequent Placing, it is relying solely on the Prospectus and any supplementary prospectus issued by the Company and not on any other information given, or representation or statement made at any time, by any person concerning the Company, the First Placing and/or a Subsequent Placing, including, without limitation, the Key Information Document(s). It agrees that none of the Company, the AIFM, the Investment Manager, Peel Hunt or the Registrar, nor any of their respective officers, agents or employees, will have any liability for any other information or representation. - 4.27.1 it acknowledges that the Target Market Assessment undertaken by the Investment Manager and Peel Hunt does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Ordinary Shares and/or C Shares and each distributor is responsible for undertaking its own target market assessment in respect of the Ordinary Shares and/or C Shares and determining appropriate distribution channels;
- 4.27.2 notwithstanding any Target Market Assessment undertaken by the Investment Manager and Peel Hunt, it confirms that it has satisfied itself as to the appropriate knowledge, experience, financial situation, risk tolerance and objectives and needs of the investors to whom it plans to distribute the Ordinary Shares and/or C Shares and that it has considered the compatibility of the risk/reward profile of such Ordinary Shares and/or C Shares with the end target market;
- 4.27.3 it acknowledges that the price of the Ordinary Shares and/or C Shares may decline and investors could lose all or part of their investment; the Ordinary Shares and/or C Shares offer no guaranteed income and no capital protection; and an investment in the Ordinary Shares and/or C Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom; and
- 4.27.4 it agrees that if so required by Peel Hunt or the Investment Manager, it shall provide aggregate summary information on sales of the Ordinary Shares and/or C Shares as contemplated under rule 3.3.30(R) of the PROD Sourcebook and information on the reviews carried out under rules 3.3.26(R) to 3.3.28(R) of the PROD Sourcebook;

- 4.29 it accepts that if the First Placing and/or a Subsequent Placing does not proceed or the conditions to the Share Issuance Agreement are not satisfied or the Ordinary Shares and/or C Shares for which valid applications are received and accepted are not admitted to the Official List and to trading on the premium segment of the London Stock Exchange's main market for any reason whatsoever then neither Peel Hunt nor the Company, nor persons controlling, controlled by or under common control with any of them nor any of their respective employees, agents, officers, members, stockholders, partners or representatives, shall have any liability whatsoever to it or any other person;
- 4.30 in connection with its participation in the First Placing and/or a Subsequent Placing it has observed all relevant legislation and regulations, in particular (but without limitation) those relating to money laundering and terrorist financing and that its application is only made on the basis that it accepts full responsibility for any requirement to verify the identity of its clients and other persons in respect of whom it has applied. In addition, it warrants that it is a person: (i) subject to the Money Laundering Regulations; or (ii) subject to the Money Laundering Directive on the prevention of the use of the financial system for the purpose of money laundering and terrorist financing; or (iii) acting in the course of a business in relation to which an overseas regulatory authority exercises regulatory functions and is based or incorporated in, or formed under the law of, a country in which there are in force provisions at least equivalent to those required by the Money Laundering Directive;

- 4.32 it is aware of, has complied with and will at all times comply with its obligations in connection with money laundering under the Proceeds of Crime Act 2002;
- 4.33 it acknowledges that Peel Hunt and the Company are entitled to exercise any of their rights under the Share Issuance Agreement or any other right in their absolute discretion without any liability whatsoever to it;
- 4.34 the representations, undertakings and warranties contained in the Prospectus are irrevocable. It acknowledges that Peel Hunt and the Company and their respective agents, the AIFM and the Investment Manager and their respective affiliates will rely upon the truth and accuracy of the foregoing representations and warranties and it agrees that if any of the representations or warranties made or deemed to have been made by its subscription of the Ordinary Shares and/or C Shares are no longer accurate, it shall promptly notify Peel Hunt and the Company;
- 4.35 where it or any person acting on behalf of it is dealing with Peel Hunt, any money held in an account with Peel Hunt on behalf of it and/or any person acting on behalf of it will not be treated as client money within the meaning of the relevant rules and regulations of the FCA which therefore will not require Peel Hunt to segregate such money, as that money will be held by Peel Hunt under a banking relationship and not as trustee;
- 4.36 any of its clients, whether or not identified to Peel Hunt, will remain its sole responsibility and will not become clients of Peel Hunt for the purposes of the rules of the FCA or for the purposes of any other statutory or regulatory provision;
- 4.37 it accepts that the allocation of Ordinary Shares and/or C Shares shall be determined by the Company in its absolute discretion (following consultation with Peel Hunt and the Investment Manager) and that the Company may scale down any commitments for this purpose on such basis as it may determine;
- 4.38 time shall be of the essence as regards its obligations to settle payment for the Ordinary Shares and/or C Shares and to comply with its other obligations under the First Placing and/or a Subsequent Placing;
- 4.39 it authorises Peel Hunt to deduct from the total amount subscribed under the First Placing and/or a Subsequent Placing the aggregate commission (if any) payable on the number of Ordinary Shares and/or C Shares allocated under the First Placing and/or a Subsequent Placing;
- 4.40 the commitment to subscribe for Ordinary Shares and/or C Shares on the terms set out in these terms and conditions will continue notwithstanding any amendment that may in the future be made to the terms of the First Placing and/or any Subsequent Placing and that it will have no right to be consulted

or require that its consent be obtained with respect to the Company's conduct of the First Placing and/or any Subsequent Placing;

- 4.41 its commitment to acquire Ordinary Shares and/or C Shares may be agreed orally with Peel Hunt as agent for the Company and may be further evidenced in a Contract Note or Placing Confirmation that will be issued by Peel Hunt thereafter. That oral confirmation will constitute an irrevocable, legally binding commitment upon that person (who at that point will become a Placee) in favour of the Company and Peel Hunt to subscribe for the number of Ordinary Shares and/or C Shares allocated to it at the Issue Price or the Share Issuance Programme Price on the terms and conditions set out in this Part 3. Except with the consent of Peel Hunt such oral commitment will not be capable of variation or revocation after the time at which it is made;
- 4.42 its allocation of Ordinary Shares and/or C Shares under the First Placing and any Subsequent Placing will be evidenced by the Contract Note or Placing Confirmation or the Placing Letter, as applicable, confirming: (i) the number of Ordinary Shares and/or C Shares that such Placee has agreed to subscribe for; (ii) the aggregate amount that such Placee will be required to pay for such Ordinary Shares and/or C Shares; and (iii) settlement instructions to pay Peel Hunt as agent for the Company. The terms of this Part 3 will be deemed to be incorporated into that Contract Note, Placing Confirmation or Placing Letter;
- 4.43 settlement of transactions in the Ordinary Shares and/or C Shares following any Admission will take place in CREST but Peel Hunt reserves the right in its absolute discretion to require settlement in certificated form, if in its opinion, delivery or settlements is not possible or practicable within the CREST system within the timescales previously notified to the Placee (whether orally, in the Contract Note or Placing Confirmation, in the Placing Letter or otherwise) or would not be consistent with the regulatory requirements in any Placee's jurisdiction.

The Company, the AIFM, the Investment Manager, the Registrar, Peel Hunt and their respective directors, officers, agents, employees, members, advisers and others will rely upon the truth and accuracy of the foregoing representations, warranties, acknowledgements and agreements.

If any of the representations, warranties, acknowledgements or agreement made by the Placee are no longer accurate or have not been complied with, the Placee will immediately notify the Company and Peel Hunt.

The Company reserves the right to reject all or part of any offer to purchase Ordinary Shares and/or C Shares for any reason. The Company also reserves the right to sell fewer than all of the Ordinary Shares and/or C Shares offered by the Prospectus or to sell to any purchaser fewer than all of the Ordinary Shares and/or C Shares a purchaser has offered to purchase.

It will not sell or otherwise transfer such Ordinary Shares and/or C Shares or any interest therein to any entity, account or other person whose assets constitute the assets of an employee benefit plan or plan for purposes of Title I of ERISA. It acknowledges that any sale, transfer, assignment, pledge or other disposal made other than in compliance with such laws and the above stated restrictions will be subject to the compulsory transfer provisions as provided in the Articles;
- 7.1.8 it is purchasing the Ordinary Shares and/or C Shares for its own account or for one or more investment accounts for which it is acting as a fiduciary or agent, in each case for investment only, and not with a view to or for sale or other transfer in connection with any distribution of the Ordinary Shares and/or C Shares in any manner that would violate the U.S. Securities Act, the U.S. Investment Company Act or any other applicable securities laws;
- 7.1.9 it acknowledges that the Company reserves the right to make inquiries of any holder of the Ordinary Shares and/or C Shares or interests therein at any time as to such person's status under US federal securities laws and to require any such person that has not satisfied the Company that holding by such person will not violate or require registration under US securities laws to transfer such Ordinary Shares and/or C Shares or interests in accordance with the Articles;
- 7.1.10 it acknowledges and understands that the Company is required to comply with UK law and regulation implementing various intergovernmental agreements relating to the automatic exchange of information for international tax compliance (“Exchange of Information Requirements”). It agrees to furnish any information and documents, which the Company may from time to time request for the purpose of compliance with the Exchange of Information Requirements and it further consents to allowing and authorising the Company to disclose and supply any information, forms or documentation to HMRC (who may, if required, in turn pass it on to the tax authorities of any other relevant jurisdiction) and, to the extent relevant it shall procure that the beneficial owner of the Ordinary Shares and/or C Shares provides such consent and authorisation to the Company in respect of any such information forms or documents relating to it;
- 7.1.11 it is entitled to acquire the Ordinary Shares and/or C Shares under the laws of all relevant jurisdictions which apply to it, it has fully observed all such laws and obtained all governmental and other consents which may be required thereunder and complied with all necessary formalities and it has paid all issue, transfer or other taxes due in connection with its acceptance in any jurisdiction of the Ordinary Shares and/or C Shares and that it has not taken any action, or omitted to take any action, which may result in the Company, the AIFM, the Investment Manager, Peel Hunt, or their respective directors, officers, agents, employees and advisers

being in breach of the laws of any jurisdiction in connection with the First Placing or any Subsequent Placing and/or its acceptance of participation in the First Placing or any Subsequent Placing;

- 7.1.12 it has received, carefully read and understands the Prospectus, and has not, directly or indirectly, distributed, forwarded, transferred or otherwise transmitted the Prospectus or any other presentation or offering materials concerning the Ordinary Shares and/or C Shares to within the United States or to any U.S. Persons, nor will it do any of the foregoing; and
 - 7.1.13 if it is acquiring any Ordinary Shares and/or C Shares as a fiduciary or agent for one or more accounts, the Placee has sole investment discretion with respect to each such account and full power and authority to make such foregoing representations, warranties, acknowledgements and agreements on behalf of each such account.
- 7.2 The Company, the AIFM, the Investment Manager, the Registrar and Peel Hunt and their respective directors, officers, agents, employees, advisers and others will rely upon the truth and accuracy of the foregoing representations, warranties, acknowledgements and agreements.
- 7.3 If any of the representations, warranties, acknowledgments or agreements made by the Placee are no longer accurate or have not been complied with, the Placee will immediately notify the Company and Peel Hunt.

8. SUPPLY AND DISCLOSURE OF INFORMATION

If Peel Hunt, the AIFM, the Investment Manager, the Registrar or the Company or any of their agents request any information about a Placee's agreement to subscribe for Ordinary Shares and/or C Shares under the First Placing and/or a Subsequent Placing, such Placee must promptly disclose it to them.

9. MISCELLANEOUS

- 9.1 The rights and remedies of the Company, the AIFM, the Investment Manager, Peel Hunt and the Registrar under these terms and conditions are in addition to any rights and remedies which would otherwise be available to each of them and the exercise or partial exercise of one will not prevent the exercise of others.
- 9.2 On application, if a Placee is a discretionary fund manager, that Placee may be asked to disclose in writing or orally the jurisdiction in which its funds are managed or owned. All documents provided in connection with the First Placing and/or a Subsequent Placing will be sent at the Placee's risk. They may be returned by post to such Placee at the address notified by such Placee.
- 9.3 Each Placee agrees to be bound by the Articles once the Ordinary Shares and/or C Shares, which the Placee has agreed to subscribe for pursuant to the First Placing and/or a Subsequent Placing, have been acquired by the Placee. The contract to subscribe for Ordinary Shares and/or C Shares under the First Placing and/or a Subsequent Placing and the appointments and authorities mentioned in the Prospectus and all disputes and claims arising out of or in connection with its subject matter or formation (including non-contractual disputes or claims) will be governed by, and construed in accordance with, the laws of England and Wales. For the exclusive benefit of the Company, the AIFM, the Investment Manager, Peel Hunt and the Registrar, each Placee irrevocably submits to the jurisdiction of the courts of England and Wales and waives any objection to proceedings in any such court on the ground of venue or on the ground that proceedings have been brought in an inconvenient forum. This does not prevent an action being taken against the Placee in any other jurisdiction.
- 9.4 In the case of a joint agreement to subscribe for Ordinary Shares and/or C Shares under the First Placing and/or a Subsequent Placing, references to a "Placee" in these terms and conditions are to each of the Placees who are a party to that joint agreement and their liability is joint and several.
- 9.5 Peel Hunt and the Company expressly reserve the right to modify the First Placing and/or a Subsequent Placing (including, without limitation, the timetable and settlement) at any time before allocations are determined.

- 9.6 The First Placing and/or a Subsequent Placing are/is subject to the satisfaction of the conditions contained in the Share Issuance Agreement and the Share Issuance Agreement not having been terminated. Further details of the terms of the Share Issuance Agreement are contained in paragraph 6.1 of Part 4 of the Registration Document.

PART 4

TERMS AND CONDITIONS OF APPLICATION UNDER THE OFFER FOR SUBSCRIPTION

1. INTRODUCTION

- 1.1 Ordinary Shares are available under the Offer for Subscription at the Issue Price. The Ordinary Shares will, when issued and fully paid, include the right to receive all dividends or other distributions made, paid or declared, if any, by reference to a record date after the date of their issue.
- 1.2 Applications to acquire Ordinary Shares must be made on the Application Form attached as Appendix 1 to this Securities Note or otherwise published by the Company.
- 1.3 The Share Issuance Programme referred to in this Securities Note may be implemented by subsequent offers for subscription, the terms of which will be published at the time of any such further offer for subscription pursuant to the Share Issuance Programme.
- 1.4 In addition to completing and returning the Application Form to the Receiving Agent, investors who intend to hold Ordinary Shares in certificated form will also need to complete and return a Tax Residency Self-Certification Form. The "Tax Residency Self-Certification Form (Individuals)" can be found at Appendix 2 at the end of this Securities Note and further copies of this form and the relevant form for joint holdings or corporate entity holdings can be requested from Computershare Investors Services PLC on +44 (0) 370 707 1346. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. The helpline is open between 9.00 a.m. and 5.30 p.m., Monday to Friday excluding public holidays in England and Wales. Different charges may apply to calls from mobile telephones and calls may be recorded and randomly monitored for security and training purposes. The helpline cannot provide advice on the merits of an investment in the Company nor give any financial, legal or tax advice. It is a condition of application that (where applicable) a completed version of that form is provided with the Offer for Subscription Application Form before any application can be accepted.
- 1.5 **It is a condition of any Application under the Offer for Subscription that a completed version of the relevant form is provided with the Application Form before any application under the Offer for Subscription can be accepted. Offer for Subscription Application Forms that are returned without the completed Tax Residency Self-Certification Form will be referred to the Company after the Offer for Subscription closes at 1.00 p.m. on 5 December 2019. It will then be the Company's decision if these Application Forms can be accepted under the Offer for Subscription.**

2. EFFECT OF APPLICATION

Applications under the Offer for Subscription must be for Ordinary Shares with a minimum subscription amount of £1,000 and thereafter in multiples of £1,000 or such lesser amount as the Company may determine (at its discretion). Multiple applications will be accepted.

3. OFFER FOR SUBSCRIPTION TO ACQUIRE SHARES

- 3.1 By completing and delivering an Application Form, you, as the applicant, and, if you sign the Application Form on behalf of another person or a corporation, that person or corporation:
 - 3.1.1 offer to subscribe the amount specified in the box in section 1 on your Application Form, or any smaller amount for which such application is accepted at the Issue Price per Ordinary Share, on the terms, and subject to the conditions, set out in this Securities Note, including these terms and conditions of application and the Articles;
 - 3.1.2 agree that, in consideration for the Company agreeing that it will not offer any Ordinary Shares to any person other than by means of the procedures referred to in this Securities Note, your application may not be revoked, subject to your statutory right of withdrawal in the event of publication of a supplementary prospectus by the Company, and that this paragraph shall constitute a collateral contract between you and the Company which will become binding

upon despatch by post to or, in the case of delivery by hand, on receipt by the Receiving Agent of your Application Form;

- 3.1.3 undertake to pay the subscription amount specified in the box in section 1 (in full on application) and warrant that the remittance accompanying your Application Form will be honoured on first presentation and agree that if such remittance is not so honoured you will not be entitled to receive a share certificate for the Ordinary Shares applied for in certificated form or be entitled to commence dealing in Ordinary Shares applied for in uncertificated form or to enjoy or receive any rights in respect of such Ordinary Shares unless and until you make payment in cleared funds for such Ordinary Shares and such payment is accepted by the Receiving Agent (which acceptance shall be in its absolute discretion and on the basis that you indemnify the Receiving Agent, the Company and Peel Hunt against all costs, damages, losses, expenses and liabilities arising out of, or in connection with, the failure of your remittance to be honoured on first presentation) and the Company may (without prejudice to any other rights it may have) avoid the agreement to allot the Ordinary Shares and may allot them to some other person, in which case you will not be entitled to any refund or payment in respect thereof (other than the refund by a cheque drawn on a branch of a UK clearing bank to the bank account name from which they were first received at your risk of any proceeds of the remittance which accompanied your Application Form, without interest);
- 3.1.4 agree that, where on your Application Form a request is made for Ordinary Shares to be deposited into a CREST account (a) the Receiving Agent may in its absolute discretion amend the form so that such Ordinary Shares may be issued in certificated form registered in the name(s) of the holder(s) specified in your Application Form (and recognise that the Receiving Agent will so amend the form if there is any delay in satisfying the identity of the applicant or the owner of the CREST account or in receiving your remittance in cleared funds); and (b) the Receiving Agent, the Company or Peel Hunt may authorise your financial adviser or whoever he or she may direct to send a document of title for or credit your CREST account in respect of, the number of Ordinary Shares for which your application is accepted, and/or a crossed cheque for any monies returnable, by post at your risk to your address set out on your Application Form;
- 3.1.5 agree, in respect of applications for Ordinary Shares in certificated form (or where the Receiving Agent exercises its discretion pursuant to paragraph 3.1.4 of this paragraph 3.1 to issue Ordinary Shares in certificated form), that any share certificate to which you or, in the case of joint applicants, any of the persons specified by you in your Application Form may become entitled (and any monies returnable to you) may be retained by the Receiving Agent:
- 3.1.5.1 pending clearance of your remittance;
- 3.1.5.2 pending investigation of any suspected breach of the warranties contained in paragraphs 7.1, 7.2, 7.3, 7.8, 7.13, 7.15 or 7.16 below or any other suspected breach of these terms and conditions of application; or
- 3.1.5.3 pending any verification of identity which is, or which the Receiving Agent considers may be, required for the purpose of the Money Laundering Regulations and any other regulations applicable thereto, and any interest accruing on such retained monies shall accrue to and for the benefit of the Company;
- 3.1.6 agree, on the request of the Receiving Agent, to disclose promptly in writing to it such information as the Receiving Agent may request in connection with your application and authorise the Receiving Agent to disclose any information relating to your application which it may consider appropriate;
- 3.1.7 agree that if evidence of identity satisfactory to the Receiving Agent is not provided to the Receiving Agent within a reasonable time (in the opinion of the Receiving Agent) following a request therefor, the Receiving Agent or the Company may terminate the agreement with you to allot Ordinary Shares and, in such case, the Ordinary Shares which would otherwise have been allotted to you may be re-allotted or sold to some other party and the lesser of your application monies or such proceeds of sale (as the case may be, with the proceeds of any gain derived from a sale accruing to the Company) will be returned by a cheque drawn on a branch of a UK clearing bank to the bank account name on which the payment accompanying the application was first drawn without interest and at your risk;

- 3.1.8 acknowledge that the key information document relating to the Ordinary Shares prepared by the Investment Manager pursuant to the PRIIPs Regulation can be provided to you in paper or by means of a website, but that where you are applying under the Offer for Subscription directly and not through an adviser or other intermediary, unless requested in writing otherwise, the lodging of an Application Form represents your consent to being provided the key information document via the Company's website (www.octopusrenewablesinfrastructure.com) or on such other website as has been notified to you. Where your application is made on an advised basis or through another intermediary, the terms of your engagement should address the means by which such key information document will be provided to you;
- 3.1.9 agree that you are not applying on behalf of a person engaged in money laundering;
- 3.1.10 undertake to ensure that, in the case of an Application Form signed by someone else on your behalf, the original of the relevant power of attorney (or a complete copy certified by a solicitor or notary) is enclosed with your Application Form together with full identity documents for the person so signing;
- 3.1.11 undertake to pay interest as described in paragraph 4.3 below if the remittance accompanying your Application Form is not honoured on first presentation;
- 3.1.12 authorise the Receiving Agent to procure that there be sent to you definitive certificates in respect of the number of Ordinary Shares for which your application is accepted or if you have completed section 3 on your Application Form or, subject to paragraph 3.1.4) above, to deliver the number of Ordinary Shares for which your application is accepted into CREST, and/or to return any monies returnable without payment of interest (at the applicant's risk) either as a cheque by first class post to the address completed in section 2 on the Application Form or return funds direct to the account of the bank or building society on which the relevant cheque or banker's draft was drawn;
- 3.1.13 confirm that you have read and complied with paragraph 9 below;
- 3.1.14 agree that all subscription cheques and payments will be processed through a bank account (the **"Acceptance Account"**) in the name of "CIS PLC Re: Octopus Renewables Infrastructure Trust Plc OFS Acceptance a/c" opened by the Receiving Agent;
- 3.1.15 agree that your Application Form is addressed to the Company and the Receiving Agent;
- 3.1.16 agree that your application must be for a whole number of Ordinary Shares and the number of Ordinary Shares issued to you will be rounded down to the nearest whole number; and
- 3.1.17 agree that any application may be rejected in whole or in part at the sole discretion of the Company.

4. ACCEPTANCE OF YOUR OFFER

- 4.1 The Receiving Agent may, on behalf of the Company, accept your offer to subscribe (if your application is received (accompanied by the validly completed Tax Residency Self-Certification Form), valid (or treated as valid), processed and not rejected) by notifying the FCA through a Regulatory Information Service of the basis of allocation (in which case the acceptance will be on that basis).
- 4.2 The basis of allocation will be determined by the Company in consultation with Peel Hunt and the Investment Manager. The right is reserved, notwithstanding the basis as so determined, to reject in whole or in part and/or scale back any application. The right is reserved to treat as valid any application not complying fully with these terms and conditions of application or not in all respects completed or delivered in accordance with the instructions accompanying the Application Form. In particular, but without limitation, the Company may accept:
 - 4.2.1 an application made otherwise than by completion of an Application Form where you have agreed with the Company in some other manner to apply in accordance with these terms and conditions of application; and
 - 4.2.2 an application for less than £1,000, or which is for more than £1,000 but not a multiple of £1,000.

- 4.3 The Receiving Agent will present all cheques and bankers' drafts for payment on receipt and will retain documents of title and surplus monies pending clearance of successful applicants' payment. The right is also reserved to reject in whole or in part, or to scale down or limit, any application. The Receiving Agent may, as agent of the Company, require you to pay interest or its other resulting costs (or both) if the payment accompanying your application is not honoured on first presentation. If you are required to pay interest you will be obliged to pay the amount determined by the Receiving Agent to be the interest on the amount of the payment from the date on which all payments in cleared funds are due to be received until the date of receipt of cleared funds. The rate of interest will be two percentage points above the then published bank base rate of a clearing bank selected by the Receiving Agent.
- 4.4 All payments must be in Sterling and cheques or banker's drafts should be payable to "CIS PLC Re: Octopus Renewables Infrastructure Trust Plc OFS Acceptance a/c". Cheques or banker's drafts must be drawn on an account where the applicant has sole or joint-title to the funds and on an account at a branch of a bank or building society in the United Kingdom, the Channel Islands or the Isle of Man which is either a settlement member of the Cheque and Credit Clearing Company Limited or the CHAPS Clearing Company Limited or which is a member of either of the Committees of Scottish or Belfast clearing houses or which has arranged for its cheques and banker's drafts to be cleared through the facilities provided by any of those companies or committees and must bear the appropriate sort code in the top right hand corner. Third party cheques may not be accepted, with the exception of building society cheques or banker's drafts where the building society or bank has inserted the full name of the building society or bank account holder and have added the building society or bank branch stamp. The name of the building society or bank account holder must be the same as the name of the current shareholder or prospective investor. Please do not send cash. Cheques or banker's drafts will be presented for payment upon receipt. The Company reserves the right to instruct the Receiving Agent to seek special clearance of cheques and banker's drafts to allow the Company to obtain value for remittances at the earliest opportunity. It is a term of the Offer for Subscription that cheques shall be honoured on first presentation, and the Company may elect in its absolute discretion to treat as invalid acceptances in respect of which cheques are not so honoured.
- 4.5 For applicants sending subscription monies by electronic bank transfer (CHAPS), payment must be made for value by no later than 1.00 p.m. on 5 December 2019. Applicants wishing to make a CHAPS payment should contact Computershare Investor Services PLC stating "OCTOPUS OFS 2019" by email at OFSpaymentqueries@computershare.co.uk for full bank details or telephone the shareholder helpline on 0370 707 1346 or on +44 370 707 1346 (if calling from outside the UK) for further information. Applicants will be provided with a unique reference number which must be used when making the payment. Applicants wishing to make a CHAPS payment must provide Computershare Investors Services PLC with proof of source of funds as per the notes on section 5 of the Application Form.

The terms and conditions of application require that applicants provide cleared funds in support of each application. You should instruct the bank to transfer funds so that they will have taken place (and funds settled) to coincide with the delivery of your Application Form to the Receiving Agent and by no later than 1.00 p.m. on 5 December 2019. It is recommended that such transfers are actioned within 24 hours of posting your application.

When arranging the transfer, you must instruct your bank to provide a reference with the transfer which is the same as the unique reference number provided to you by Computershare Investor Services PLC. This reference is used by Computershare Investor Services PLC to match your payment with an application, and failure to provide a matching reference may delay Computershare Investor Services PLC's ability to process your application and result in it not being accepted. If your reference can not be matched by Computershare Investor Services PLC to an application, this will be rejected back to the remitting account before the Offer for Subscription closes.

Any delay in providing monies may affect acceptance of the application. If the Receiving Agent is unable to match your application with a bank payment, there is a risk that your application could be delayed or will not be treated as a valid application and may be rejected by the Company and/or the Receiving Agent.

Please Note – you should check with your bank regarding any limits imposed on the level and timing of transfers allowed from your account (for example, some banks apply a maximum transaction or daily limit, and you may need to make the transfer as more than one payment).

- 4.6 Should you wish to apply for Ordinary Shares by delivery versus payment method (“**DvP**”), you will need to input the DvP instructions into the CREST system in accordance with your Application. The input returned by Computershare Investor Services PLC of a matching or acceptance instruction to our CREST input will then allow the delivery of your Ordinary Shares to your CREST account against payment of the Issue Price through the CREST system upon the relevant settlement date.
- 4.7 By returning your Application Form you agree that you will do all things necessary to ensure that you or your settlement agent/custodian’s CREST account allows for the delivery and acceptance of Ordinary Shares to be made prior to 12.55 p.m. on 5 December 2019 against payment of the Issue Price. Failure by you to do so will result in you being charged interest at the rate of two percentage points above the then published bank base rate of a clearing bank selected by the Company.

5. CONDITIONS

- 5.1 The contracts created by the acceptance of applications (in whole or in part) under the Offer for Subscription will be conditional upon:
- 5.1.1 First Admission occurring by 8.00 a.m. on 10 December 2019 (or such later time or date as the Company and Peel Hunt and may agree (not being later than 8.00 a.m. on 31 January 2020));
- 5.1.2 the Share Issuance Agreement becoming otherwise unconditional in respect of the First Issue (save as to First Admission), and not being terminated in accordance with its terms before First Admission;
- 5.1.3 the Minimum Gross Proceeds being raised (or such less amount as the Company, Peel Hunt and the Investment Manager may agree).
- 5.2 If the Minimum Gross Proceeds (or such lesser amount as the Company, Peel Hunt and the Investment Manager may agree) are not raised, the First Issue will lapse and all proceeds will be returned to investors without interest and at the investor’s risk.
- 5.3 You will not be entitled to exercise any remedy of rescission for innocent misrepresentation (including pre-contractual representations) at any time after acceptance. This does not affect any other right you may have.

6. RETURN OF APPLICATION MONIES

Where application monies have been banked and/or received, if any application is not accepted in whole, or is accepted in part only, or if any contract created by acceptance does not become unconditional, the application monies or, as the case may be, the balance of the amount paid on application will be returned without interest within 14 calendar days at the risk of the person(s) entitled thereto by returning your cheque, or by crossed cheque in your favour, by post, or, in the case of payment(s) made electronically, by a bank transfer by means of a return credit to the remitting bank account (in which case, please note that the processing of refunds between banks can take up to 72 hours to compete). In the meantime, application monies will be retained by the Receiving Agent in a separate account.

7. WARRANTIES

By completing an Application Form, you:

- 7.1 undertake and warrant that, if you sign the Application Form on behalf of somebody else or on behalf of a corporation, you have due authority to do so on behalf of that other person and that such other person will be bound accordingly and will be deemed also to have given the confirmations, warranties and undertakings contained in these terms and conditions of application and undertake to enclose your power of attorney or other authority or a complete copy thereof duly certified by a solicitor or notary;

- 7.15 agree that Peel Hunt and the Receiving Agent are acting for the Company in connection with the Offer for Subscription and for no-one else and that they will not treat you as their customer by virtue of such application being accepted or owe you any duties or responsibilities concerning the price of the Ordinary Shares or concerning the suitability of the Ordinary Shares for you or be responsible to you for the protections afforded to their customers;

- 7.18 acknowledge that the Key Information Document prepared by the Investment Manager pursuant to the PRIIPs Regulation can be provided to you in paper or by means of a website, but that where you are applying under the Offer for Subscription directly and not through an adviser or other intermediary, unless requested in writing otherwise, the lodging of an Application Form represents your consent to being provided the Key Information Document via the website at www.octopusrenewablesinfrastructure.com, or on such other website as has been notified to you. Where your application is made on an advised basis or through another intermediary, the terms of your engagement should address the means by which the Key Information Document will be provided to you;

- 7.20 acknowledge and understand that the Company may be required to comply with international regimes for the automatic exchange of information (including FATCA and the Common Reporting Standard) and that the Company will comply with requirements to provide information to HMRC which may be passed on to other relevant tax authorities. You agree to furnish any information and documents the Company may from time to time request; and
- 7.21 agree that you are capable, or the underlying client(s) in the case of applications on behalf of professionally-advised private investors are capable themselves, of evaluating the merits and risks of an investment in the Company and have sufficient resources to be able to bear any losses which may result from the investment.

8. MONEY LAUNDERING

- 8.1 You agree that, in order to ensure compliance with the Money Laundering Regulations, the Proceeds of Crime Act 2002 and any other applicable regulations, the Receiving Agent may at its absolute discretion require verification of identity of you as the applicant lodging an Application Form and further may request from you and you will assist in providing identification of:
 - 8.1.1 the owner(s) and/or controller(s) (the “payor”) of any bank account not in the name of the holder(s) on which is drawn a payment by way of banker’s draft or cheque; or

Whilst Computershare Investors Services PLC may carry out checks on any application, they are usually only performed when dealing with application values above a certain threshold, commonly referred to as the anti-money laundering threshold which is the

Sterling equivalent of €15,000 (currently approximately £13,000). Computershare Investors Services PLC may make enquiries to credit reference agencies to meet its anti-money laundering obligations and the applicant may be required to provide an original or certified copy of their passport, driving licence and recent bank statements to support such enquiries. Anti-money laundering checks do not mean the investor is suspected of anything illegal and there is nothing to worry about. The checks made at credit reference agencies leave an 'enquiry footprint' – an indelible record so that the investor can see who has checked them out. The enquiry footprint does not have any impact on their credit score or on their ability to get credit. Anti-money laundering checks appear as an enquiry/soft search on the investor's credit report. The report may contain a note saying "Identity Check to comply with Anti-Money Laundering Regulations".

- 8.3 Failure to provide the necessary evidence of identity may result in your application being rejected or delays in the despatch of documents or CREST account being credited.
- 8.4 Without prejudice to the generality of this paragraph 8, verification of the identity of holders and payors will be required if the value of the Ordinary Shares applied for, whether in one or more applications considered to be connected, exceeds €15,000 (currently approximately £13,000). If, in such circumstances, you use a building society cheque or banker's draft you should ensure that the bank or building society issuing the payment enters the name, address and account number of the person whose account is being debited on the reverse of the cheque or banker's draft and adds its stamp. If, in such circumstances, the person whose account is being debited is not a holder you will be required to provide for both the holder and payor an original or copy of that person's passport or driving licence certified by a solicitor and an original or certified copy of two of the following documents, no more than 3 months old, a gas, electricity, water or telephone (not mobile) bill, a recent bank statement or a council tax bill, in their name and showing their current address (which originals will be returned by post at the addressee's risk) together with a signed declaration as to the relationship between the payor and you, the applicant.
- 8.5 For the purpose of the UK's Money Laundering Regulations, a person making an application for Ordinary Shares will not be considered as forming a business relationship with either the Company or with the Receiving Agent but will be considered as effecting a one-off transaction with either the Company or with the Receiving Agent.
- 8.6 The person(s) submitting an application for Ordinary Shares will ordinarily be considered to be acting as principal in the transaction unless the Receiving Agent determines otherwise, whereupon you may be required to provide the necessary evidence of identity of the underlying beneficial owner(s).

9. NON UNITED KINGDOM INVESTORS

- 9.1 If you receive a copy of the Prospectus or an Application Form in any territory other than the UK, you may not treat it as constituting an invitation or offer to you, nor should you, in any event, use an Application Form unless, in the relevant territory, such an invitation or offer could lawfully be made to you or an Application Form could lawfully be used without contravention of any registration or other legal requirements. It is your responsibility, if you are outside the UK and wish to make an application for Ordinary Shares under the Offer for Subscription, to satisfy yourself as to full observance of the laws of any relevant territory or jurisdiction in connection with your application, including obtaining any requisite governmental or other consents, observing any other formalities requiring to be observed in such territory and paying any issue, transfer or other taxes required to be paid in such territory.
- 9.2 None of the Ordinary Shares have been or will be registered under the laws of any member state of the EEA (other than any EEA member state, including the United Kingdom, where the Ordinary Shares are lawfully marketed), Canada, Japan, Australia, the Republic of South Africa or under the U.S. Securities Act or with any securities regulatory authority of any state or other political subdivision of the United States, any member of the EEA (other than any EEA member state, including the United Kingdom, where the Ordinary Shares are lawfully marketed), Canada, Japan, Australia or the Republic of South Africa. Accordingly, unless an exemption under such act or laws is applicable, the Ordinary Shares may not be offered, sold or delivered, directly or indirectly, within any member state of the EEA (other than any EEA member state, including the United Kingdom, where the Ordinary Shares are lawfully marketed), Canada, Japan, Australia, the Republic of South Africa or the United States (as the case may be). If you subscribe for Ordinary Shares you will, unless the Company and the

Registrar agree otherwise in writing, be deemed to represent and warrant to the Company that you are outside the United States, not a U.S. Person or a resident of the United States, any member state of the EEA (other than any EEA member state, including the United Kingdom, where the Ordinary Shares are lawfully marketed), Canada, Japan, Australia, the Republic of South Africa or a corporation, partnership or other entity organised under the laws of the United States or any member state of the EEA (other than any EEA member state, including the United Kingdom, where the Ordinary Shares are lawfully marketed), Canada (or any political subdivision of either), Japan, the Republic of South Africa or Australia and that you are not subscribing for such Ordinary Shares for the account of any person in the United States, any U.S. Person or any resident of the United States, any member state of the EEA (other than any EEA member state, including the United Kingdom, where the Ordinary Shares are lawfully marketed), Canada, Japan, the Republic of South Africa or Australia and will not offer, sell, renounce, transfer or deliver, directly or indirectly, any of the Ordinary Shares in or into the United States, any member state of the EEA (other than any EEA member state, including the United Kingdom, where the Ordinary Shares are lawfully marketed), Canada, Japan, the Republic of South Africa or Australia or to any U.S. Person or resident in any member state of the EEA (other than any EEA member state, including the United Kingdom, where the Ordinary Shares are lawfully marketed), Canada, Japan, the Republic of South Africa or Australia. Unless the Company and the Registrar agree otherwise in writing, no application will be accepted if it shows the applicant or a payor having an address in the United States, any member state of the EEA (other than any EEA member state, including the United Kingdom, where the Ordinary Shares are lawfully marketed), Canada, Japan, the Republic of South Africa or Australia.

10. DATA PROTECTION

- 10.1 Each applicant acknowledges that it has been informed that, pursuant to the General Data Protection Regulation 2016/679 (the “**DP Legislation**”) the Company and/or the Registrar may hold personal data (as defined in the DP Legislation) relating to past and present Shareholders. Personal data may be retained on record for a reasonable period after it is no longer used (subject to any limitations on retention periods set out in applicable law). The Registrar will process such personal data at all times in compliance with DP Legislation and shall only process for the purposes set out in the Company’s privacy notice, which is available for review on the Company’s website www.octopusrenewablesinfrastructure.com (the “**Privacy Notice**”), including for the purposes set out below (collectively, the “**Purposes**”), being to:
 - 10.1.1 process the personal data to the extent and in such manner as is necessary for the performance of its obligations under its service contract, including as required by or in connection with the applicant’s holding of Ordinary Shares, including processing personal data in connection with credit and money laundering checks on it;
 - 10.1.2 communicate with the applicant as necessary in connection with its affairs and generally in connection with its holding of Ordinary Shares;
 - 10.1.3 comply with the legal and regulatory obligations of the Company and/or the Registrar; and
 - 10.1.4 process the personal data for the Registrar’s internal administration.
- 10.2 In order to meet the Purposes, it will be necessary for the Company and the Registrar to provide personal data to:
 - 10.2.1 third parties located either within, or outside of the EEA, if necessary for the Registrar to perform its functions, or when it is necessary for its legitimate interests, and in particular in connection with the holding of Ordinary Shares; or
 - 10.2.2 its affiliates, the Company (in the case of the Registrar), the AIFM or the Investment Manager and their respective associates, some of which may be located outside of the EEA.
- 10.3 Any sharing of personal data by the Company or the Registrar with other parties will be carried out in accordance with the DP Legislation and as set out in the Company’s Privacy Notice.
- 10.4 By becoming registered as a holder of Ordinary Shares a person becomes a data subject (as defined in the DP Legislation). In providing the Registrar with information, each applicant hereby represents and warrants to the Registrar that it has: (i) notified any data subject of the Purposes for which personal data will be used and by which parties it will be used and it has provided a copy of the

Company's Privacy Notice and any other data protection notice which has been provided by the Company and/or the Registrar; and (ii) where consent is legally required under applicable DP Legislation, it has obtained the consent of any data subject to the Registrar and their respective associates holding and using their personal data for the Purposes (including the explicit consent of the data subjects for the processing of any sensitive personal data for the Purposes set out above in this paragraph 10).

- 10.5 Each applicant acknowledges that by submitting personal data to the Registrar (acting as agent and on behalf of the Company) where the applicant is not a natural person it represents and warrants that:
 - 10.5.1 it has brought the Company's Privacy Notice to the attention of any underlying data subjects on whose behalf or account the applicant may act or whose personal data will be disclosed to the Company as a result of the applicant agreeing to subscribe for Ordinary Shares; and
 - 10.5.2 the applicant has complied in all other respects with all applicable data protection legislation in respect of disclosure and provision of personal data to the Company.
- 10.6 Where the applicant acts for or on account of an underlying data subject or otherwise discloses the personal data of an underlying data subject, he/she shall, in respect of the personal data he/she processes in relation to or arising in relation to the First Placing and/or any Subsequent Placing:
 - 10.6.1 comply with all applicable data protection legislation;
 - 10.6.2 take appropriate technical and organisational measures against unauthorised or unlawful processing of the personal data and against accidental loss or destruction of, or damage to the personal data;
 - 10.6.3 if required, agree with the Company and the Registrar, the responsibilities of each such entity as regards relevant data subjects' rights and notice requirements; and
 - 10.6.4 it shall immediately on demand, fully indemnify each of the Company and the Registrar and keep them fully and effectively indemnified against all costs, demands, claims, expenses (including legal costs and disbursements on a full indemnity basis), losses (including indirect losses and loss of profits, business and reputation), actions, proceedings and liabilities of whatsoever nature arising from or incurred by the Company and/or Registrar in connection with any failure by the applicant to comply with the provisions set out above.

11. UNITED STATES PURCHASE AND TRANSFER RESTRICTIONS

- 11.1 By participating in the Offer for Subscription, each applicant acknowledges and agrees that it will be further deemed to represent and warrant to each of the Company, the AIFM, the Investment Manager, the Registrar and Peel Hunt that:

 - 11.1.2 it acknowledges that the Ordinary Shares have not been and will not be registered under the U.S. Securities Act or with any securities regulatory authority of any state or other jurisdiction of the United States and may not be offered or sold in the United States or to, or for the account or benefit of, U.S. Persons absent registration or an exemption from registration under the U.S. Securities Act;
 - 11.1.3 it acknowledges that the Company has not registered under the U.S. Investment Company Act and that the Company has put in place restrictions for transactions not involving any public offering in the United States, and to ensure that the Company is not and will not be required to register under the U.S. Investment Company Act;
 - 11.1.4 unless the Company expressly consents otherwise in writing, no portion of the assets used to purchase, and no portion of the assets used to hold, the Ordinary Shares or any beneficial interest therein constitutes or will constitute the assets of (i) an "employee benefit plan" as defined in Section 3(3) of ERISA that is subject to Title I of ERISA; (ii) a "plan" as defined in Section 4975 of the U.S. Tax Code, including an individual retirement account or other arrangement that is subject to Section 4975 of the U.S. Tax Code; or (iii) an entity which is deemed to hold the "assets of any of the foregoing types of plans, accounts or arrangements

that is subject to Title I of ERISA or Section 4975 of the U.S. Tax Code. In addition, if an applicant is a governmental, church, non-US or other employee benefit plan that is subject to any federal, state, local or non-US law that is substantially similar to the provisions of Title I of ERISA or Section 4975 of the U.S. Tax Code, its purchase, holding, and disposition of the Ordinary Shares must not constitute or result in a non-exempt violation of any such substantially Similar Law;

11.1.5 if in the future it decides to offer, resell, pledge or otherwise transfer any Ordinary Shares, it may do so only in compliance with an exemption from the registration requirements of the U.S. Securities Act and under circumstances which will not require the Company to register under the U.S. Investment Company Act;

11.1.6 if any Ordinary Shares offered and sold pursuant to Regulation S are issued to it in certificated form, then such certificates evidencing ownership will contain a legend substantially to the following effect, unless otherwise determined by the Company in accordance with applicable law:

“OCTOPUS RENEWABLES INFRASTRUCTURE TRUST PLC (THE “**COMPANY**”) HAS NOT BEEN AND WILL NOT BE REGISTERED UNDER THE U.S. INVESTMENT COMPANY ACT OF 1940, AS AMENDED (THE “**INVESTMENT COMPANY ACT**”). FURTHER, NO PURCHASE, SALE OR TRANSFER OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE MAY BE MADE UNLESS SUCH PURCHASE, SALE OR TRANSFER WILL NOT RESULT IN THE ASSETS OF THE COMPANY CONSTITUTING “PLAN ASSETS” WITHIN THE MEANING OF THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974, AS AMENDED (“**ERISA**”) OR THE PLAN ASSETS REGULATION”;

11.1.7 if in the future the applicant decides to offer, sell, transfer, assign or otherwise dispose of its Ordinary Shares, it will do so only in compliance with an exemption from the registration requirements of the U.S. Securities Act. It will not sell or otherwise transfer such Ordinary Shares and/or C Shares or any interest therein to any entity, account or other person whose assets constitute the assets of an employee benefit plan or plan for purposes of Title I of ERISA. It acknowledges that any sale, transfer, assignment, pledge or other disposal made other than in compliance with such laws and the above stated restrictions will be subject to the compulsory transfer provisions as provided in the Articles;

11.1.8 it is purchasing the Ordinary Shares for its own account or for one or more investment accounts for which it is acting as a fiduciary or agent, in each case for investment only, and not with a view to or for sale or other transfer in connection with any distribution of the Ordinary Shares in any manner that would violate the U.S. Securities Act, the U.S. Investment Company Act or any other applicable securities laws;

11.1.9 it acknowledges that the Company reserves the right to make inquiries of any holder of the Ordinary Shares or interests therein at any time as to such person’s status under US federal securities laws and to require any such person that has not satisfied the Company that holding by such person will not violate or require registration under US securities laws to transfer such Ordinary Shares or interests in accordance with the Articles;

11.1.10 it acknowledges and understands that the Company is required to comply with FATCA and agrees to furnish any information and documents the Company may from time to time request, including but not limited to information required under FATCA;

11.1.11 it is entitled to acquire the Ordinary Shares under the laws of all relevant jurisdictions which apply to it, it has fully observed all such laws and obtained all governmental and other

consents which may be required thereunder and complied with all necessary formalities and it has paid all issue, transfer or other taxes due in connection with its acceptance in any jurisdiction of the Ordinary Shares and that it has not taken any action, or omitted to take any action, which may result in the Company, the AIFM, the Investment Manager, Peel Hunt, or their respective directors, officers, agents, employees and advisers being in breach of the laws of any jurisdiction in connection with the First Issue;

- 11.1.12 it has received, carefully read and understands the Prospectus, and has not, directly or indirectly, distributed, forwarded, transferred or otherwise transmitted the Prospectus or any other presentation or offering materials concerning the Ordinary Shares to within the United States or to any U.S. Persons, nor will it do any of the foregoing; and
 - 11.1.13 if it is acquiring any Ordinary Shares as a fiduciary or agent for one or more accounts, the applicant has sole investment discretion with respect to each such account and full power and authority to make such foregoing representations, warranties, acknowledgements and agreements on behalf of each such account.
- 11.2 The Company, the AIFM, the Investment Manager, the Registrar and Peel Hunt and their respective directors, officers, agents, employees, advisers and others will rely upon the truth and accuracy of the foregoing representations, warranties, acknowledgements and agreements.
- 11.3 If any of the representations, warranties, acknowledgments or agreements made by the applicant are no longer accurate or have not been complied with, the applicant will immediately notify the Company and the Receiving Agent.

12. MISCELLANEOUS

- 12.3 The Company reserves the right to extend the closing time and/or date of the Offer for Subscription from 1.00 p.m. on 5 December 2019. In that event, the new closing time and/or date will be notified through a Regulatory Information Service.

PART 5

TAXATION

Prospective investors should consult their professional advisers concerning the possible tax consequences of their subscribing for, purchasing, holding or selling Ordinary Shares and/or C Shares. The following summary of the principal United Kingdom tax consequences applicable to the Company and its Shareholders is based upon interpretations of existing laws in effect on the date of this Securities Note and no assurance can be given that courts or fiscal authorities responsible for the administration of such laws will agree with the interpretations or that changes in such laws will not occur. The tax and other matters described in this Securities Note are not intended as legal or tax advice. Each prospective investor must consult its own advisers with regard to the tax consequences of an investment in Ordinary Shares and/or C Shares. None of the Company, the Directors, Peel Hunt, the AIFM, the Investment Manager or any of their respective affiliates or agents accepts any responsibility for providing tax advice to any prospective investor.

Introduction

The information below, which relates only to United Kingdom taxation, summarises the advice received by the Board in so far as applicable to the Company and to persons who are resident in the United Kingdom for taxation purposes and who hold Ordinary Shares and/or C Shares as an investment. It is based on current United Kingdom tax law and published practice, which law or practice is, in principle, subject to any subsequent changes therein (potentially with retrospective effect). Certain Shareholders, such as dealers in securities, collective investment schemes, insurance companies and persons acquiring their Ordinary Shares and/or C Shares in connection with their employment may be taxed differently and are not considered. The tax consequences for each Shareholder investing in the Company may depend upon the Shareholder's own tax position and upon the relevant laws of any jurisdiction to which the Shareholder is subject.

There may be other tax consequences of an investment in the Company and all Shareholders or potential investors, in particular those who are in any doubt about their tax position, or who are resident or otherwise subject to taxation in a jurisdiction outside the United Kingdom, should consult an appropriate professional adviser without delay. In particular, the tax legislation of the Shareholder's or potential investor's country of domicile or residence and of the Company's country of incorporation may have an impact on income received from the Ordinary Shares and/or C Shares.

The Company

It is the intention of the Directors to conduct the affairs of the Company so that it satisfies and continues to satisfy the conditions necessary for it to be approved by HMRC as an investment trust under sections 1158 to 1159 of the CTA 2010. The Company has received provisional investment trust approval from HMRC. However, neither the Directors, the AIFM nor the Investment Manager can guarantee that this approval will be maintained. One of the conditions for a company to qualify as an investment trust is that it is not a close company. The Directors intend that the Company should not be a close company immediately following First Admission. In respect of each accounting period for which the Company continues to be approved by HMRC as an investment trust the Company will be exempt from UK taxation on its capital gains. The Company will, however, (subject to what follows) be liable to UK corporation tax on its income in the normal way.

An investment trust approved under sections 1158 to 1159 of the CTA 2010, or one that intends to seek such approval, is able to elect to take advantage of modified UK tax treatment in respect of its "qualifying interest income" for an accounting period (referred to here as the "streaming" regime). Under regulations made pursuant to the Finance Act 2009, the Company may, if it so chooses, designate as an "interest distribution" all or part of the amount it distributes to Shareholders as dividends in respect of the accounting period, to the extent that it has "qualifying interest income" for the accounting period. Were the Company to designate any dividend it pays in this manner, it would be able to deduct such interest distributions from its taxable interest income in calculating its taxable profit for the relevant accounting period.

The Company should in practice be exempt from UK corporation tax on any dividend income received, provided that such dividends (whether from UK or non-UK companies) fall within one of the “exempt classes” in Part 9A of the CTA 2009.

Shareholders

Taxation of capital gains

Individual Shareholders who are resident in the UK for tax purposes will generally be subject to capital gains tax in respect of any gain arising on a disposal of their Ordinary Shares and/or C Shares. Each such individual has an annual exemption, such that capital gains tax is chargeable only on gains arising from all sources during the tax year in excess of this figure. The annual exemption is £12,000 for the tax year 2019–2020. Capital gains tax chargeable will be at the current rate of 10 per cent. (for basic rate tax payers) and 20 per cent. (for higher and additional rate tax payers) for the tax year 2019–2020.

Shareholders who are individuals and who are temporarily non-resident in the UK may, under anti-avoidance legislation, still be liable to UK tax on any capital gain realised (subject to any available exemption or relief).

Corporate Shareholders who are resident in the UK for tax purposes will generally be subject to corporation tax on chargeable gains arising on a disposal of their Ordinary Shares and/or C Shares.

Capital losses realised on a disposal of Ordinary Shares and/or C Shares must be set off as far as possible against chargeable gains for the same tax year (or accounting period in the case of a corporate Shareholder), even if this reduces an individual Shareholder's total gain below the annual exemption. Any balance of losses is carried forward without time limit and set off against net chargeable gains (that is, after deducting the annual exemption) in the earliest later tax year. Losses cannot generally be carried back, with the exception of losses accruing to an individual Shareholder in the year of his/her death.

Taxation of dividends

Distributions made by the Company may take either the form of dividend distributions or interest distributions which may be designated as interest distributions for UK tax purposes. Prospective investors should note that the UK tax treatment of the Company's distributions may vary for a Shareholder depending upon the classification of such distributions. Prospective investors who are unsure about the tax treatment which will apply to them in respect of any distributions made by the Company should consult their own tax advisers.

Individual Shareholders

(a) Non interest distributions

In the event that the Directors do not elect for the “streaming” regime to apply to any dividends paid by the Company, the following statements summarise the expected UK tax treatment for individual Shareholders who receive dividends from the Company. The following statements would also apply to any dividends not treated as “interest distributions” were the Directors to elect for the streaming regime to apply.

A £2,000 annual tax free dividend allowance is available to UK individuals for the tax year 2019-20. Dividends received in excess of this threshold will be taxed, for the tax year 2019/20 at 7.5 per cent. (basic rate taxpayers), 32.5 per cent. (higher rate taxpayers) and 38.1 per cent. (additional rate taxpayers).

The Company will not be required to withhold tax at source when paying a dividend.

(b) Interest distributions

Should the Directors elect to apply the “streaming” regime to any dividends paid by the Company, were the Company to designate any dividends paid as an “interest distribution”, a UK resident Shareholder in receipt of such a dividend would be treated as though they had received a payment of interest. Such a Shareholder would be subject to UK income tax at the current rates of 20 per cent., 40 per cent. or 45 per cent., depending on the level of the Shareholder's income. No withholding tax will be applied to such distributions.

Each UK resident individual who is a basic rate taxpayer is entitled to a Personal Saving Allowance which exempts the first £1,000 of savings income (including distributions deemed as 'interest distributions' from an investment trust company). The exempt amount is reduced to £500 for higher rate taxpayers and additional rate taxpayers do not receive an allowance.

Other Shareholders

UK resident corporate Shareholders may be subject to corporation tax on dividends paid by the Company unless they fall within one of the exempt classes in Part 9A of CTA 2009. If, however, the Directors did elect for the "streaming" rules to apply, and such corporate Shareholders were to receive dividends designated by the Company as "interest distributions", they would be subject to corporation tax in the same way as a creditor in a loan relationship.

It is particularly important that prospective investors who are not resident in the UK for tax purposes obtain their own tax advice concerning tax liabilities on dividends received from the Company.

UK Stamp Duty and Stamp Duty Reserve Tax

No UK stamp duty or stamp duty reserve tax ("**SDRT**") will normally arise on the issue of Ordinary Shares and/or C Shares by the Company.

Transfers on sale of Ordinary Shares and/or C Shares will generally be subject to UK stamp duty at the rate of 0.5 per cent. of the consideration given for the transfer (rounded up to the nearest £5). The purchaser normally pays the stamp duty.

An agreement to transfer Ordinary Shares and/or C Shares will normally give rise to a charge to SDRT at the rate of 0.5 per cent. of the amount or value of the consideration payable for the transfer. If a duly stamped transfer in respect of the agreement is produced within six years of the date on which the agreement is made (or, if the agreement is conditional, the date on which the agreement becomes unconditional) any SDRT paid is repayable, generally with interest, and otherwise the SDRT charge is cancelled. SDRT is, in general, payable by the purchaser.

Paperless transfers of Ordinary Shares and/or C Shares within the CREST system will generally be liable to SDRT, rather than stamp duty, at the rate of 0.5 per cent. of the amount or value of the consideration payable. CREST is obliged to collect SDRT on relevant transactions settled within the CREST system. Deposits of Ordinary Shares and/or C Shares into CREST will not generally be subject to SDRT, unless the transfer into CREST is itself for consideration.

The issue of Ordinary Shares and/or C Shares pursuant to the Share Issuance Programme (including the First Issue) will not give rise to UK stamp duty or SDRT.

ISA, SSAS and SIPP

Ordinary Shares and/or C Shares acquired by a UK resident individual Shareholder in the Offer for Subscription or the Intermediaries Offer or on the secondary market (but not the First Placing or any Subsequent Placing) should be eligible to be held in a stocks and shares ISA, subject to applicable annual subscription limits (£20,000 in the tax year 2019-2020). Investments held in ISAs will be free of UK tax on both capital gains and income. The opportunity to invest in shares through an ISA is restricted to certain UK resident individuals aged 18 or over. Junior ISAs are available to children under the age of 18 who are resident in the UK subject to the annual allowance of £4,368 for the 2019-2020 tax year. Sums received by a Shareholder on a disposal of Ordinary Shares and/or C Shares would not count towards the Shareholder's annual limit; but a disposal of Ordinary Shares and/or C Shares held in an ISA will not serve to make available again any part of the annual subscription limit that has already been used by the Shareholder in that tax year.

Individuals wishing to invest in Ordinary Shares and/or C Shares through an ISA should contact their professional advisers regarding their eligibility.

The Directors have been advised that the Ordinary Shares and/or C Shares should be eligible for inclusion in a SIPP or a SSAS, subject to the discretion of the trustees of the SIPP or the SSAS, as the case may be.

Information reporting

The UK has entered into international agreements with a number of jurisdictions which provide for the exchange of information in order to combat tax evasion and improve tax compliance. These include, but are not limited to, an Inter-governmental Agreement with the U.S. in relation to FATCA and International Tax Compliance Agreements with Guernsey, Jersey, the Isle of Man and Gibraltar. The UK has also introduced legislation implementing other international exchange of information arrangements, including the Common Reporting Standard developed by the Organisation for Economic Co-operation and Development and the EU Directive on Administrative Cooperation in Tax Matters. In connection with such agreements and arrangements the Company may, among other things, be required to collect and report to HMRC certain information regarding Shareholders and other account holders of the Company and HMRC may pass this information on to the authorities in other jurisdictions.

 - 1.4.8 the Company was authorised to call a general meeting of the Company other than an annual general meeting on not less than 14 clear days’ notice.
- 1.5 The provisions of section 561(1) of the Companies Act (which, to the extent not disapplied pursuant to sections 570 and 573 of the Companies Act, confer on Shareholders rights of pre-emption in respect of the allotment of equity securities which are, or are to be, paid up in cash) apply to issues by the Company of equity securities save to the extent disapplied as mentioned in paragraphs 1.4.2 and 1.4.4 above.
 - 1.6 In accordance with the authorities referred to in paragraphs 1.4.1 and 1.4.2 above, it is expected that the Ordinary Shares to be issued pursuant to the First Issue will be allotted (conditionally upon First Admission) pursuant to a resolution of the Board to be passed shortly before First Admission in accordance with the Companies Act.
 - 1.7 Save as disclosed in this paragraph 1, no share or loan capital of the Company has since the date of incorporation of the Company been issued or been agreed to be issued, fully or partly paid, either for cash or for a consideration other than cash, and, other than pursuant to the Share Issuance Programme, no such issue is now proposed.

The Directors' appointments can be terminated in accordance with the Articles and on three months' written notice in both cases without compensation. Any Ordinary Shares acquired by the Directors pursuant to these arrangements shall be subject to the terms of the Lock-in Deed.
- 2.4 No amount has been set aside or accrued by the Company to provide pensions, retirement or other similar benefits.

3. THE ARTICLES

The Articles contain provisions, *inter alia*, to the following effect:

3.1 *Objects/Purposes*

The Articles do not provide for any objects of the Company and accordingly the Company's objects are unrestricted.

3.2 *Voting rights*

- 3.2.1 Subject to the provisions of the Companies Act, to any special terms as to voting on which any shares may have been issued or may from time-to-time be held and any suspension or abrogation of voting rights pursuant to the Articles, at a general meeting of the Company every shareholder who is present in person shall, on a show of hands, have one vote, every proxy who has been appointed by a shareholder entitled to vote on the resolution shall, on a show of hands, have one vote and every shareholder present in person or by proxy shall, on a poll, have one vote for each share of which he/she is a holder. A shareholder entitled to more than one vote need not, if he/she votes, use all his/her votes or vest all the votes he/she uses the same way. In the case of joint holders, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders.
- 3.2.2 Unless the Board otherwise determines, no shareholder is entitled to vote at a general meeting or at a separate meeting of shareholders of any class of shares, either in person or by proxy, or to exercise any other right or privilege as a shareholder in respect of any share held by him or her, unless all calls presently payable by him or her in respect of that share, whether alone or jointly with any other person, together with interest and expenses (if any) payable by such shareholder to the Company have been paid.
- 3.2.3 Notwithstanding any other provision of the Articles, where required by the Listing Rules, a vote must be decided by a resolution of the holders of the Company's shares that have been admitted to premium listing. In addition, where the Listing Rules require that a particular resolution must in addition be approved by the independent shareholders (as such term is defined in the Listing Rules), only independent shareholders who hold the Company's shares that have been admitted to premium listing can vote on such separate resolution.

3.3 *Dividends*

- 3.3.1 Subject to the provisions of the Companies Act and of the Articles, the Company may by ordinary resolution declare dividends to be paid to shareholders according to their respective rights and interests in the profits of the Company. However, no dividend shall exceed the amount recommended by the Board.
- 3.3.2 Subject to the provisions of the Companies Act, the Board may declare and pay such interim dividends (including any dividend payable at a fixed rate) as appears to the Board to be justified by the profits of the Company available for distribution. If at any time the share capital of the Company is divided into different classes, the Board may pay such interim dividends on shares which rank after shares conferring preferential rights with regard to dividends as well as on shares conferring preferential rights, unless at the time of payment any preferential dividend is in arrears. Provided that the Board acts in good faith, it shall not incur any liability to the holders of shares conferring preferential rights for any loss that they may suffer by the lawful payment of any interim dividend on any shares ranking after those preferential rights.
- 3.3.3 All dividends, interest or other sums payable and unclaimed for a period of 12 months after having become payable may be invested or otherwise used by the Board for the benefit of the Company until claimed and the Company shall not be constituted a trustee in respect thereof. All dividends unclaimed for a period of 12 years after having become payable shall, if the Board so resolves, be forfeited and shall cease to remain owing by, and shall become the property of, the Company.
- 3.3.4 The Board may, with the authority of an ordinary resolution of the Company, direct that payment of any dividend declared may be satisfied wholly or partly by the distribution of assets, and in particular of paid up shares or debentures of any other company, or in any one or more of such ways.

- 3.3.5 The Board may also, with the prior authority of an ordinary resolution of the Company and subject to such terms and conditions as the Board may determine, offer to holders of shares the right to elect to receive shares, credited as fully paid, instead of the whole (or some part, to be determined by the Board) of any dividend specified by the ordinary resolution.
- 3.3.6 Unless the Board otherwise determines, the payment of any dividend or other money that would otherwise be payable in respect of shares will be withheld if such shares represent at least 0.25 per cent. in nominal value of their class and the holder, or any other person whom the Company reasonably believes to be interested in those shares, has been duly served with a notice pursuant to the Companies Act requiring such person to provide information about his/her interests in the Company's shares and has failed to supply the required information within 14 calendar days. Furthermore such a holder shall not be entitled to elect to receive shares instead of a dividend.

3.4 *Distribution of assets on a winding-up*

- 3.4.1 If the Company is wound up, with the sanction of a special resolution and any other sanction required by law and subject to the Companies Act, the liquidator may divide among the shareholders in specie the whole or any part of the assets of the Company and for that purpose may value any assets and determine how the division shall be carried out as between the Shareholders or different classes of Shareholders. With the like sanction, the liquidator may vest the whole or any part of the assets in trustees upon such trusts for the benefit of the Shareholders as he/she may with the like sanction determine, but no Shareholder shall be compelled to accept any shares or other securities upon which there is a liability.

3.5 *Transfer of shares*

- 3.5.1 Subject to any applicable restrictions in the Articles, each shareholder may transfer all or any of his/her shares which are in certificated form by instrument of transfer in writing in any usual form or in any form approved by the Board. Such instrument must be executed by or on behalf of the transferor and (in the case of a transfer of a share which is not fully paid up) by or on behalf of the transferee. The transferor is deemed to remain the holder of the share until the transferee's name is entered in the register of shareholders.
- 3.5.2 The Board may, in its absolute discretion, refuse to register any transfer of a share in certificated form (or renunciation of a renounceable letter of allotment) unless:
- 3.5.2.1 it is in respect of a share which is fully paid up;
 - 3.5.2.2 it is in respect of only one class of shares;
 - 3.5.2.3 it is in favour of a single transferee or not more than four joint transferees;
 - 3.5.2.4 it is duly stamped (if so required); and
 - 3.5.2.5 it is delivered for registration to the registered office for the time being of the Company or such other place as the Board may from time-to-time determine, accompanied (except in the case of (a) a transfer by a recognised person where a certificate has not been issued (b) a transfer of an uncertificated share or (c) a renunciation) by the certificate for the share to which it relates and such other evidence as the Board may reasonably require to prove the title of the transferor or person renouncing and the due execution of the transfer or renunciation by him or her or, if the transfer or renunciation is executed by some other person on his/her behalf, the authority of that person to do so,

provided that the Board shall not refuse to register a transfer or renunciation of a partly paid share in certificated form on the grounds that it is partly paid in circumstances where such refusal would prevent dealings in such share from taking place on an open and proper basis on the market on which such share is admitted to trading.

The Board may refuse to register a transfer of an uncertificated share in such other circumstances as may be permitted or required by the regulations and the relevant electronic system provided that such refusal does not prevent dealings in shares from taking place on an open and proper basis.

- 3.5.3 Unless the Board otherwise determines, a transfer of shares will not be registered if the transferor or any other person whom the Company reasonably believes to be interested in the transferor's shares has been duly served with a notice pursuant to the Companies Act requiring such person to provide information about his/her interests in the Company's shares, has failed to supply the required information within the prescribed period from the service of the notice and the shares in respect of which such notice has been served represent at least 0.25 per cent. in nominal value of their class, unless the shareholder is not himself/herself in default as regards supplying the information required and proves to the satisfaction of the Board that no person in default as regards supplying such information is interested in any of the shares the subject of the transfer, or unless such transfer is by way of acceptance of a takeover offer, in consequence of a sale on a recognised investment exchange or any other stock exchange outside the United Kingdom on which the Company's shares are normally traded or is in consequence of a *bona fide* sale to an unconnected party.
- 3.5.4 If the Board refuses to register a transfer of a share, it shall send the transferee notice of its refusal, together with its reasons for refusal, as soon as practicable and in any event within two months after the date on which the transfer was lodged with the Company or, in the case of an uncertificated share, the date on which appropriate instructions were received by or on behalf of the Company in accordance with the regulations of the relevant electronic system.
- 3.5.5 No fee shall be charged for the registration of any instrument of transfer or any other document relating to or affecting the title to any shares.
- 3.5.6 If at any time the holding or beneficial ownership of any shares in the Company by any person (whether on its own or taken with other shares), in the opinion of the Directors: (i) would cause the assets of the Company to be treated as "plan assets" of any Benefit Plan Investor under section 3(42) of ERISA or the U.S. Tax Code; or (ii) would or might result in the Company and/or its shares and/or any of its appointed investment managers or investment advisers being required to register or qualify under the U.S. Investment Company Act, and/or U.S. Investment Advisers Act of 1940 and/or the U.S. Securities Act and/or the U.S. Securities Exchange Act 1934, as amended and/or any laws of any state of the U.S. or other jurisdiction that regulate the offering and sale of securities; or (iii) may cause the Company not to be considered a "Foreign Private Issuer" under the U.S. Securities Exchange Act 1934, as amended; or (iv) may cause the Company to be a "controlled foreign corporation" for the purpose of the U.S. Tax Code; or (v) creates a significant legal or regulatory issue for the Company under the U.S. Bank Holding Company Act 1956, as amended or regulations or interpretations thereunder, or (vi) would cause the Company adverse consequences under the foreign account tax compliance provisions of the U.S. Hiring Incentives to Restore Employment Act of 2010 or any similar legislation in any territory or jurisdiction (including the International Tax Compliance Regulation 2015), including the Company becoming subject to any withholding tax or reporting obligation or to be unable to avoid or reduce any such tax or to be unable to comply with any such reporting obligation (including by reason of the failure of the shareholder concerned to provide promptly to the Company such information and documentation as the Company may have requested to enable the Company to avoid or minimise such withholding tax or to comply with such reporting obligations) then any shares which the Directors decide are shares which are so held or beneficially owned ("**Prohibited Shares**") must be dealt with in accordance with paragraph 3.5.7 below. The Directors may at any time give notice in writing to the holder of a share requiring him or her to make a declaration as to whether or not the share is a Prohibited Share.
- 3.5.7 The Directors shall give written notice to the holder of any share which appears to them to be a Prohibited Share requiring him or her within 21 calendar days (or such extended time as the Directors consider reasonable) to transfer (and/or procure the disposal of interests in) such share to another person so that it will cease to be a Prohibited Share. From the date of such notice until registration for such a transfer or a transfer arranged by the Directors as referred to below, the share will not confer any right on the holder to receive notice of or to attend and vote at a general meeting of the Company and of any class of shareholder and those rights will vest in the Chairperson of any such meeting, who may exercise or refrain from exercising them entirely at his/her discretion. If the notice is not complied with within 21 calendar days to the satisfaction of the Directors, the Directors shall arrange for the Company to sell the share

at the best price reasonably obtainable to any other person so that the share will cease to be a Prohibited Share. The net proceeds of sale (after payment of the Company's costs of sale and together with interest at such rate as the Directors consider appropriate) shall be paid over by the Company to the former holder upon surrender by him or her of the relevant share certificate (if applicable).

- 3.5.8 Upon transfer of a share the transferee of such share shall be deemed to have represented and warranted to the Company that such transferee is acquiring shares in an offshore transaction meeting the requirements of Regulation S and is not, nor is acting on behalf of: (i) a Benefit Plan Investor and no portion of the assets used by such transferee to acquire or hold an interest in such share constitutes or will be treated as "plan assets" of any Benefit Plan Investor under section 3(42) of ERISA; and/or (ii) a U.S. Person.

3.6 *Variation of rights*

- 3.6.1 Subject to the provisions of the Companies Act, if at any time the share capital of the Company is divided into shares of different classes, any of the rights for the time being attached to any shares (whether or not the Company may be or is about to be wound up) may from time-to-time be varied or abrogated in such manner (if any) as may be provided in the Articles by such rights or, in the absence of any such provision, either with the consent in writing of the holders of not less than three-quarters in nominal value of the issued shares of the relevant class (excluding any shares of that class held as treasury shares) or with the sanction of a special resolution passed at a separate general meeting of the holders of the class.
- 3.6.2 The quorum at every such meeting shall be not less than two persons present (in person or by proxy) holding at least one-third of the nominal amount paid up on the issued shares of the relevant class (excluding any shares of that class held as treasury shares) and at an adjourned meeting not less than one person holding shares of the relevant class or his/her proxy.

3.7 *Alteration of share capital*

The Company may by ordinary resolution:

- 3.7.1 consolidate and divide all or any of its share capital into shares of larger nominal value than its existing shares;
- 3.7.2 subject to the provisions of the Companies Act, sub-divide its shares, or any of them, into shares of smaller nominal value than its existing shares;
- 3.7.3 determine that, as between the shares resulting from such a sub-division, one or more shares may, as compared with the others, have any such preferred, deferred or other rights or be subject to any such restrictions, as the Company has power to attach to unissued or new shares; and
- 3.7.4 redenominate its share capital by converting shares from having a fixed nominal value in one currency to having a fixed nominal value in another currency.

3.8 *General meetings*

- 3.8.1 The Board may convene a general meeting (which is not an annual general meeting) whenever it thinks fit.
- 3.8.2 A general meeting shall be convened by such notice as may be required by law from time-to-time.
- 3.8.3 The notice of any general meeting shall include such statements as are required by the Companies Act and shall in any event specify:
- 3.8.3.1 whether the meeting is convened as an annual general meeting or any other general meeting;
 - 3.8.3.2 the place, the day, and the time of the meeting;
 - 3.8.3.3 the general nature of the business to be transacted at the meeting;

3.8.3.4 if the meeting is convened to consider a special resolution, the text of the resolution and the intention to propose the resolution as such; and

with reasonable prominence, that a shareholder entitled to attend and vote is entitled to appoint one or (provided each proxy is appointed to exercise the rights attached to a different share held by the shareholder) more proxies to attend and to speak and vote instead of the shareholder and that a proxy need not also be a shareholder.

- 3.8.4 The notice must be given to the shareholders (other than any who, under the provisions of the Articles or of any restrictions imposed on any shares, are not entitled to receive notice from the Company), to the Directors and the auditors and to any other person who may be entitled to receive it. The accidental omission to give or send notice of any general meeting, or, in cases where it is intended that it be given or sent out with the notice, any other document relating to the meeting including an appointment of proxy to, or the non-receipt of notice by, any person entitled to receive the same, shall not invalidate the proceedings at the meeting.
- 3.8.5 The right of a shareholder to participate in the business of any general meeting shall include without limitation the right to speak, vote, be represented by a proxy or proxies and have access to all documents which are required by the Companies Act or the Articles to be made available at the meeting.
- 3.8.6 A Director shall, notwithstanding that he or she is not a shareholder, be entitled to attend and speak at any general meeting and at any separate meeting of the holders of any class of shares of the Company. The Chairperson of any general meeting may also invite any person to attend and speak at that meeting if he or she considers that this will assist in the deliberations of the meeting.
- 3.8.7 No business shall be transacted at any general meeting unless a quorum is present when the meeting proceeds to business. Subject to the Articles, two persons entitled to attend and to vote on the business to be transacted, each being a shareholder so entitled or a proxy for a shareholder so entitled or a duly authorised representative of a corporation which is a shareholder so entitled, shall be a quorum. If, at any time, there is only one person entitled to attend and to vote on the business to be transacted, such person being the sole shareholder so entitled or a proxy for such sole shareholder so entitled or a duly authorised representative of a corporation which is such sole shareholder so entitled, shall be a quorum. The Chairperson of the meeting may, with the consent of the meeting at which a quorum is present, and shall, if so directed by the meeting, adjourn the meeting from time-to-time (or indefinitely) and from place to place as the meeting shall determine. Where a meeting is adjourned indefinitely, the Board shall fix a time and place for the adjourned meeting. Whenever a meeting is adjourned for 30 calendar days or more or indefinitely, seven clear days' notice at the least, specifying the place, the day and time of the adjourned meeting and the general nature of the business to be transacted, must be given in the same manner as in the case of the original meeting.
- 3.8.8 A resolution put to a vote of the meeting shall be decided on a show of hands unless a poll is duly demanded. Subject to the provisions of the Companies Act, a poll may be demanded by:
- 3.8.8.1 the Chairperson;
 - 3.8.8.2 at least five shareholders having the right to vote on the resolution;
 - 3.8.8.3 a shareholder or shareholders representing not less than 10 per cent. of the total voting rights of all the shareholders having the right to vote on the resolution (excluding any voting rights attached to shares held as treasury shares); or
 - 3.8.8.4 shareholder or shareholders holding shares conferring the right to vote on the resolution, being shares on which an aggregate sum has been paid up equal to not less than 10 per cent. of the total sum paid up on all the shares conferring that right (excluding any voting rights attached to shares in the Company conferring a right to vote on the resolution held as treasury shares).

3.9 *Borrowing powers*

The Directors may exercise all the powers of the Company to borrow money and to mortgage or charge all or any part of its undertaking, property and assets (present and future) and, subject to the provisions of the Companies Act, to issue debentures and other securities, whether outright or as collateral security for any debt, liability or obligation of the Company or of any third party.

3.10 *Issue of shares*

Subject to the provisions of the Companies Act and to any rights for the time being attached to any shares, any shares may be allotted or issued with or have attached to them such preferred, deferred or other rights or restrictions, whether in regard to dividend, voting, transfer, return of capital or otherwise, as the Company may from time-to-time by ordinary resolution determine or, if no such resolution has been passed or so far as the resolution does not make specific provision, as the Board may determine, and any share may be issued which is, or at the option of the Company or the holder of such share is liable to be, redeemed in accordance with the Articles or as the Directors may determine.

3.11 *Powers of the Board*

The business of the Company shall be managed by the Directors who, subject to the provisions of the Articles and to any directions given by special resolution to take, or refrain from taking, specified action, may exercise all the powers of the Company, whether relating to the management of the business or not. Any Director may appoint any other Director, or any other person approved by resolution of the Directors and willing to act and permitted by law to do so, to be an alternate Director.

3.12 *Directors' fees*

The Directors (other than alternate Directors) shall be entitled to receive by way of fees for their services as Directors such sum as the Board may from time-to-time determine (not exceeding in aggregate £300,000 per annum or such other sum as the Company in general meeting shall from time-to-time determine). Any such fees payable shall be distinct from any salary, remuneration or other amounts payable to a Director pursuant to any other provision of the Articles or otherwise and shall accrue from day to day.

The Directors are entitled to be repaid all reasonable travelling, hotel and other expenses properly incurred by them in or about the performance of their duties as Directors.

3.13 *Directors' interests*

3.13.1 The Board may authorise any matter proposed to it in accordance with the Articles which would otherwise involve a breach by a Director of his/her duty to avoid conflicts of interest under the Companies Act, including any matter which relates to a situation in which a Director has or can have an interest which conflicts, or possibly may conflict, with the interest of the Company or the exploitation of any property, information or opportunity, whether or not the Company could take advantage of it (excluding any situation which cannot reasonably be regarded as likely to give rise to a conflict of interest). This does not apply to a conflict of interest arising in relation to a transaction or arrangement with the Company. Any authorisation will only be effective if any quorum requirement at any meeting at which the matter was considered is met without counting the Director in question or any other interested Director and the matter was agreed to without their voting or would have been agreed to if their votes had not been counted. The Board may impose limits or conditions on any such authorisation or may vary or terminate it at any time.

3.13.2 Subject to having, where required, obtained authorisation of the conflict from the Board, a Director shall be under no duty to the Company with respect to any information which he or she obtains or has obtained otherwise than as a Director and in respect of which he or she has a duty of confidentiality to another person and will not be in breach of the general duties he or she owes to the Company under the Companies Act because he or she fails to disclose any such information to the Board or to use or apply any such information in performing his/her duties as a Director, or because he or she absents himself/herself from meetings of the Board at which any matter relating to a conflict of interest, or possible conflict, of interest is discussed

and/or makes arrangements not to receive documents or information relating to any matter which gives rise to a conflict of interest or possible conflict of interest and/or makes arrangements for such documents and information to be received and read by a professional adviser.

- 3.13.3 Provided that his/her interest is disclosed at a meeting of the Board, or in the case of a transaction or arrangement with the Company, in the manner set out in the Companies Act, a Director, notwithstanding his/her office:
- 3.13.3.1 may be a party to or otherwise be interested in any transaction arrangement or proposal with the Company or in which the Company is otherwise interested;
 - 3.13.3.2 may hold any other office or place of profit at the Company (except that of auditor of the Company or any of its subsidiaries) and may act by himself/herself or through his/her firm in a professional capacity for the Company, and in any such case on such terms as to remuneration and otherwise as the Board may arrange;
 - 3.13.3.3 may be a director or other officer of, or employed by, or a party to any transaction or arrangement with, or otherwise interested in, any company promoted by the Company or in which the Company is otherwise interested or as regards which the Company has powers of appointment; and
 - 3.13.3.4 shall not be liable to account to the Company for any profit, remuneration or other benefit realised by any office or employment or from any transaction, arrangement or proposal or from any interest in any body corporate. No such transaction, arrangement or proposal shall be liable to be avoided on the grounds of any such interest or benefit nor shall the receipt of any such profit, remuneration or any other benefit constitute a breach of his/her duty not to accept benefits from third parties.
- 3.13.4 A Director need not declare an interest in the case of a transaction or arrangement with the Company if the other Directors are already aware, or ought reasonably to be aware, of the interest or it concerns the terms of his/her service contract that have been or are to be considered at a meeting of the Directors or if the interest consists of him or her being a director, officer or employee of a company in which the Company is interested.
- 3.13.5 The Board may cause the voting rights conferred by the shares in any other company held or owned by the Company or any power of appointment to be exercised in such manner in all respects as it thinks fit and a Director may vote on and be counted in the quorum in relation to any of these matters.

3.14 *Restrictions on Directors voting*

- 3.14.1 A Director shall not vote on, or be counted in the quorum in relation to, any resolution of the Board or of a committee of the Board concerning any transaction or arrangement in which he or she has an interest which is to his/her knowledge a material interest and, if he or she purports to do so, his/her vote will not be counted, but this prohibition shall not apply in respect of any resolution concerning any one or more of the following matters:
- 3.14.1.1 any transaction or arrangement in which he or she is interested by means of an interest in shares, debentures or other securities or otherwise in or through the Company;
 - 3.14.1.2 the giving of any guarantee, security or indemnity in respect of money lent to, or obligations incurred by him or her or any other person at the request of or for the benefit of, the Company or any of its subsidiary undertakings;
 - 3.14.1.3 the giving of any guarantee, security or indemnity in respect of a debt or obligation of the Company or any of its subsidiary undertakings for which he or she himself/herself has assumed responsibility in whole or in part under a guarantee or indemnity or by the giving of security;
 - 3.14.1.4 the giving of any other indemnity where all other Directors are also being offered indemnities on substantially the same terms;

- 3.14.1.5 any proposal concerning an offer of shares or debentures or other securities of or by the Company or any of its subsidiary undertakings in which offer he or she is or may be entitled to participate as a holder of securities or in the underwriting or sub-underwriting of which he or she is to participate;
- 3.14.1.6 any proposal concerning any other body corporate in which he or she does not to his/her knowledge have an interest (as the term is used in Part 22 of the Companies Act) in 1 per cent. or more of the issued equity share capital of any class of such body corporate nor to his/her knowledge holds 1 per cent. or more of the voting rights which he or she holds as shareholder or through his/her direct or indirect holding of financial instruments (within the meaning of the Disclosure Guidance and Transparency Rules) in such body corporate;
- 3.14.1.7 any proposal relating to an arrangement for the benefit of the employees of the Company or any of its subsidiary undertakings which does not award him or her any privilege or benefit not generally awarded to the employees to whom such arrangement relates;
- 3.14.1.8 any proposal concerning insurance which the Company proposes to maintain or purchase for the benefit of Directors or for the benefit of persons who include Directors;
- 3.14.1.9 any proposal concerning the funding of expenditure by one or more Directors on defending proceedings against him/her or them, or doing anything to enable such Director or Directors to avoid incurring such expenditure; or
- 3.14.1.10 any transaction or arrangement in respect of which his/her interest, or the interest of Directors generally has been authorised by ordinary resolution.

3.14.2 A Director shall not vote or be counted in the quorum on any resolution of the Board or committee of the Board concerning his/her own appointment (including fixing or varying the terms of his/her appointment or its termination) as the holder of any office or place of profit with the Company or any company in which the Company is interested.

3.15 *Number of Directors*

Unless and until otherwise determined by an ordinary resolution of the Company, the number of Directors shall be not less than two and the number is not subject to a maximum.

3.16 *Directors' appointment and retirement*

- 3.16.1 Directors may be appointed by the Company by ordinary resolution or by the Board. If appointed by the Board, a Director shall hold office only until the next annual general meeting.
- 3.16.2 At each annual general meeting all of the Directors will retire from office except any Director appointed by the Board after the notice of that annual general meeting has been given and before that annual general meeting has been held.

3.17 *Notice requiring disclosure of interest in shares*

- 3.17.1 The Company may, by notice in writing, require a person whom the Company knows to be, or has reasonable cause to believe is, interested in any shares or at any time during the three years immediately preceding the date on which the notice is issued to have been interested in any shares, to confirm that fact or (as the case may be) to indicate whether or not this is the case and to give such further information as may be required by the Directors. Such information may include, without limitation, particulars of the person's identity, particulars of the person's own past or present interest in any shares and to disclose the identity of any other person who has a present interest in the shares held by him or her, where the interest is a present interest and any other interest, in any shares, which subsisted during that three year period at any time when his/her own interest subsisted to give (so far as is within his/her knowledge) such particulars with respect to that other interest as may be required and where a person's interest is a past interest to give (so far as is within his/her knowledge) like particulars for the person who held that interest immediately upon his/her ceasing to hold it.

3.17.2 If any shareholder is in default in supplying to the Company the information required by the Company within the prescribed period (which is 14 calendar days after service of the notice), or such other reasonable period as the Directors may determine, the Directors in their absolute discretion may serve a direction notice on the shareholder. The direction notice may direct that in respect of the shares in respect of which the default has occurred (the “**default shares**”) the shareholder shall not be entitled to vote in general meetings or class meetings. Where the default shares represent at least 0.25 per cent. in nominal value of the class of shares concerned (excluding treasury shares), the direction notice may additionally direct that dividends on such shares will be retained by the Company (without interest) and that no transfer of the default shares (other than a transfer authorised under the Articles) shall be registered until the default is rectified.

3.18 *Untraced shareholders*

Subject to the Articles, the Company may sell any shares registered in the name of a shareholder remaining untraced for 12 years who fails to communicate with the Company following advertisement of an intention to make such a disposal. Until the Company can account to the shareholder, the net proceeds of sale will be available for use in the business of the Company or for investment, in either case at the discretion of the Board. The proceeds will not carry interest.

3.19 *Indemnity of officers*

Subject to the provisions of the Companies Act, but without prejudice to any indemnity to which he or she might otherwise be entitled, every past or present Director (including an alternate Director) or officer of the Company or a director or officer of an associated company (except the auditors or the auditors of an associated company) may at the discretion of the Board be indemnified out of the assets of the Company against all costs, charges, losses, damages and liabilities incurred by him or her for negligence, default, breach of duty, breach of trust or otherwise in relation to the affairs of the Company or of an associated company, or in connection with the activities of the Company, or of an associated company, or as a trustee of an occupational pension scheme (as defined in section 235(6) Companies Act). In addition, the Board may purchase and maintain insurance at the expense of the Company for the benefit of any such person indemnifying him or her against any liability or expenditure incurred by him or her for acts or omissions as a Director or officer of the Company (or of an associated company).

3.20 *Management Shares*

The Management Shares can be redeemed at any time (subject to the provisions of the Companies Act) by the Company and carry the right to receive a fixed annual dividend equal to 0.01 per cent. of the nominal amount of each of the Management Shares payable on demand. For so long as there are shares of any other class in issue, the holders of the Management Shares will not have any right to receive notice of or vote at any general meeting of the Company. If there are no shares of any other class in issue, the holders of the Management Shares will have the right to receive notice of, and to vote at, general meetings of the Company. In such circumstances, each holder of a Management Share who is present in person (or, being a corporation, by representative) or by proxy at a general meeting will have on a show of hands one vote and on a poll every such holder who is present in person (or being a corporation, by representative) or by proxy will have one vote in respect of each Management Share held by him or her.

- 3.21.4.2 the Deferred Shares and, save as provided in paragraph 3.20 of this Part 6, the Management Shares shall not carry any right to receive notice of nor to attend or vote at any general meeting of the Company.

3.21.5 The following shall apply to the Deferred Shares:

- 3.21.5.2 immediately upon Conversion of any tranche of C Shares, the Company shall redeem all of the Deferred Shares which arise as a result of Conversion of that tranche for an aggregate consideration of one pence (£0.01) for all of the Deferred Shares so redeemed and the notice referred to in paragraph 3.21.8.2 below shall be deemed to constitute notice to each C Shareholder of the relevant tranche (and any person or persons having rights to acquire or acquiring C Shares of the relevant tranche on or after the Calculation Date) that the Deferred Shares shall be so redeemed; and
- 3.21.5.3 the Company shall not be obliged to: (i) issue share certificates to the deferred shareholders in respect of the Deferred Shares; or (ii) account to any deferred shareholder for the redemption moneys in respect of such Deferred Shares.

- 3.21.6.3 no resolution of the Company shall be passed to wind up the Company.

For the avoidance of doubt, but subject to the rights or privileges attached to any other class of shares, the previous sanction of a special resolution of the holders of Existing Shares and C Shares, as described above, shall not be required in respect of:

- 3.21.6.4 the issue of further Ordinary Shares ranking *pari passu* in all respects with the Existing Shares (otherwise than in respect of any dividend or other distribution declared, paid or made on the Existing Shares by the issue of such further Ordinary Shares); or
- 3.21.6.5 the sale of any shares held as treasury shares (as such term is defined in section 724 of the Companies Act) in accordance with sections 727 and 731 of the Companies Act or the purchase or redemption of any shares by the Company (whether or not such shares are to be held in treasury).

- 3.21.7 For so long as any tranche of C Shares are for the time being in issue, until Conversion of such tranche of C Shares and without prejudice to its obligations under applicable laws the Company shall:
- 3.21.7.1 procure that the Company's records, and bank and custody accounts shall be operated so that the assets attributable to the C Shares of that tranche can, at all times, be separately identified and, in particular but without prejudice to the generality of the foregoing, the Company shall, without prejudice to any obligations pursuant to applicable laws, procure that separate cash accounts, broker settlement accounts and investment ledger accounts shall be created and maintained in the books of the Company for the assets attributable to the C Shares of that tranche;
 - 3.21.7.2 allocate to the assets attributable to the C Shares of that tranche such proportion of the income, expenses and liabilities of the Company incurred or accrued between the date on which the Company first receives the net proceeds of an issue of C Shares and the Calculation Date relating to such tranche of C Shares (both dates inclusive) as the Directors fairly consider to be attributable to that tranche of C Shares; and
 - 3.21.7.3 give appropriate instructions to the Investment Manager to manage the Company's assets so that such undertakings can be complied with by the Company.
- 3.21.8 In relation to any tranche of C Shares, the C Shares for the time being in issue of that tranche shall be sub-divided and converted into Ordinary Shares and Deferred Shares on the relevant Conversion Date in accordance with the following provisions of this paragraph 3.21.8:
- 3.21.8.1 the Directors shall procure that within 20 Business Days of the relevant Calculation Date:
 - (a) the Conversion Ratio as at the relevant Calculation Date and the numbers of Ordinary Shares and Deferred Shares to which each C Shareholder of that tranche shall be entitled on Conversion of that tranche shall be calculated; and
 - (b) the Auditors shall confirm that such calculations as have been made by the Company have, in their opinion, been performed in accordance with the Articles and are arithmetically accurate whereupon such calculations shall become final and binding on the Company and all holders of the Company's shares and any other securities issued by the Company which are convertible into the Company's shares, subject to the proviso immediately after the definition of H in paragraph 3.21.1 above.
 - 3.21.8.2 the Directors shall procure that, as soon as practicable following such confirmation and in any event within 30 Business Days of the relevant Calculation Date, a notice is sent to each C Shareholder of the relevant tranche advising such shareholder of the Conversion Date, the Conversion Ratio and the numbers of Ordinary Shares and Deferred Shares to which such C Shareholder of the relevant tranche will be entitled on Conversion;
 - 3.21.8.3 on conversion each C Share of the relevant tranche shall automatically subdivide into 10 conversion shares of £0.01 each and such conversion shares of £0.01 each shall automatically convert into such number of Ordinary Shares and Deferred Shares as shall be necessary to ensure that, upon such Conversion being completed:
 - (a) the aggregate number of Ordinary Shares into which the same number of conversion shares of one pence (£0.01) each are converted equals the number of C Shares of the relevant tranche in issue on the relevant Calculation Date multiplied by the relevant Conversion Ratio (rounded down to the nearest whole new Ordinary Share); and
 - (b) each conversion share of one pence (£0.01) which does not so convert into an Ordinary Share shall convert into one Deferred Share,
 - 3.21.8.4 the Ordinary Shares and Deferred Shares arising upon Conversion shall be divided amongst the former C Shareholders of the relevant tranche pro rata according to

their respective former holdings of C Shares of the relevant tranche (provided always that the Directors may deal in such manner as they think fit with fractional entitlements to Ordinary Shares and Deferred Shares arising upon Conversion including, without prejudice to the generality of the foregoing, selling any Ordinary Shares representing such fractional entitlements and retaining the proceeds for the benefit of the Company);

3.21.8.5 forthwith upon Conversion, the share certificates relating to the C Shares of the relevant tranche shall be cancelled and the Company shall issue to each former C Shareholder of the relevant tranche new certificates in respect of the Ordinary Shares which have arisen upon Conversion to which he or she is entitled. Share certificates in respect of the Deferred Shares will not be issued;

3.21.8.6 the Directors may make such adjustments to the terms and timing of Conversion as they in their discretion consider are fair and reasonable having regard to the interests of all Shareholders.

4. THE TAKEOVER CODE

4.1 Mandatory bid

The Takeover Code applies to the Company. Under Rule 9 of the Takeover Code, if:

- a person acquires an interest in shares which, when taken together with shares already held by him or her or persons acting in concert with him or her, carry 30 per cent. or more of the voting rights in the Company; or
- a person who, together with persons acting in concert with him or her, is interested in not less than 30 per cent. and not more than 50 per cent. of the voting rights in the Company acquires additional interests in shares which increase the percentage of shares carrying voting rights in which that person is interested,

the acquirer and, depending on the circumstances, its concert parties, would be required (except with the consent of the Panel on Takeovers and Mergers) to make a cash offer for the outstanding shares at a price not less than the highest price paid for any interests in the shares by the acquirer or its concert parties during the previous 12 months.

4.2 Compulsory acquisition

Under sections 974 to 991 of the Companies Act, if an offeror acquires or contracts to acquire (pursuant to a takeover offer) not less than 90 per cent. of the shares (in value and by voting rights) to which such offer relates it may then compulsorily acquire the outstanding shares not assented to the offer. It would do so by sending a notice to outstanding holders of shares telling them that it will compulsorily acquire their shares and then, six weeks later, it would execute a transfer of the outstanding shares in its favour and pay the consideration to the company, which would hold the consideration on trust for the outstanding holders of shares. The consideration offered to the holders whose shares are compulsorily acquired under the Companies Act must, in general, be the same as the consideration that was available under the takeover offer.

In addition, pursuant to section 983 of the Companies Act, if an offeror acquires or agrees to acquire not less than 90 per cent. of the shares (in value and by voting rights) to which the offer relates, any holder of shares to which the offer relates who has not accepted the offer may require the offeror to acquire his/her shares on the same terms as the takeover offer.

The offeror would be required to give any holder of shares notice of his/her right to be bought out within one month of that right arising. Sell-out rights cannot be exercised after the end of the period of three months from the last date on which the offer can be accepted or, if later, three months from the date on which the notice is served on the holder of shares notifying them of their sell-out rights. If a holder of shares exercises its rights, the offeror is bound to acquire those shares on the terms of the takeover offer or on such other terms as may be agreed.

5. WORKING CAPITAL

5 Settlement details

(a) *Cheque/Banker's Draft*

If you are subscribing for Ordinary Shares and paying by cheque or banker's draft, attach to this form your cheque or banker's draft for the exact amount shown in the box in section 1. Cheques or banker's drafts made payable to "**CIS PLC re: Octopus Renewables Infrastructure Trust Plc – OFS Acceptance a/c**". Cheques and banker's drafts must be drawn on an account at a branch of a bank or building society in the United Kingdom and must bear the appropriate sort code in the top right hand corner. You should tick the relevant payment method box in section 1.

(b) *Bank transfer*

For applicants sending subscription monies by electronic bank transfer (CHAPs), payment must be made for value by 1.00 p.m. on 5 December 2019. Applicants wishing to make a CHAPs payment should contact Computershare Investor Services PLC stating "**OCTOPUS OFS 2019**" by email at OFSpaymentqueries@computershare.co.uk for full bank details or telephone the shareholder helpline on 0370 707 1346 or on +44 370 707 1346 (if calling from outside the UK) for further information. Applicants will be provided with a unique reference number which must be used when making the payment.

Electronic payments must come from a UK bank account and from a personal account in the name of the individual applicant where they have sole or joint title to the funds. The account name should be the same as that inserted in section 2 of the Application Form and payments must relate solely to your Application. You should tick the relevant payment method box in section 1. It is recommended that such transfers are actioned within 24 hours of posting your application.

Evidence of the source of funds may also be required. Typically this will be a copy of the remitting bank account statement clearly identifying the applicant's name, the value of the debit (equal to the application value) and the crediting account details or application reference. A photocopy of the transaction can be enclosed with your application or a pdf copy can also be scanned & emailed to OFSpaymentqueries@computershare.co.uk. Photographs of the electronic transfer are not acceptable.

Any delay in providing monies may affect acceptance of the application. If the Receiving Agent is unable to match your application with a bank payment, there is a risk that your application could be delayed or will not be treated as a valid application and may be rejected by the Company and/or the Receiving Agent.

Please Note – you should check with your bank regarding any limits imposed on the level and timing of transfers allowed from your account (for example, some banks apply a maximum transaction or daily limit, and you may need to make the transfer as more than one payment).

The Receiving Agent cannot take responsibility for correctly identifying payments without a unique reference or where a payment has been received but without an accompanying application form.

(c) *CREST Settlement*

If you so choose to settle your application within CREST, that is by DvP, you or your settlement agent/custodian's CREST account must allow for the delivery and acceptance of Ordinary Shares to be made against payment of the Issue Price per Ordinary Share using the CREST matching criteria set out below:

Trade date:	6 December 2019
Settlement date:	10 December 2019
Company:	Octopus Renewables Infrastructure Trust Plc
Security description:	Ordinary Shares of £0.01
SEDOL:	BJM0293
ISIN:	GB00BJM02935
CREST message type:	DEL

Should you wish to settle by DvP, you will need to input your CREST DEL instructions to Computershare Investor Services PLC's Participant Account 3RA43 by no later than 1.00 p.m. on 9 December 2019.

You must also ensure that you or your settlement agent/custodian has a sufficient “debit cap” within the CREST system to facilitate settlement in addition to your own daily trading and settlement requirements.

Applicants wishing to settle by DvP will still need to complete and submit a valid Application Form by the 1.00 p.m. deadline. You should tick the relevant payment method box in section 1.

Note: Computershare Investment Services PLC will not take any action until a valid DEL message has been alleged to the Participant Account by the applicant. No acknowledgement of receipt or input will be provided.

In the event of late/non settlement the Company reserves the right to deliver Ordinary Shares outside of CREST in certificated form provided that payment has been made in terms satisfactory to the Company and all other conditions of the Offer for Subscription have been satisfied.

6 Anti-money Laundering

Anti-money laundering checks are required by law to be performed on certain financial transactions. The checks are undertaken to make sure investors are genuinely who they say they are and that any application monies have not been acquired illegally or that Computershare Investor Services PLC itself is not being used as part of criminal activity, most commonly the placement, layering and integration of illegally obtained money.

Whilst Computershare Investor Services PLC may carry out checks on any application, they are usually only performed when dealing with application values above a certain threshold, commonly referred to as the anti-money laundering threshold which is €15,000 (or the Sterling equivalent).

Computershare Investor Services PLC may make enquiries to credit reference agencies to meet its anti-money laundering obligations and the applicant may be required to provide an original or certified copy of their passport, driving licence and recent bank statements to support such enquiries. Anti-money laundering checks do not mean the investor is suspected of anything illegal and there is nothing to worry about.

The checks made at credit reference agencies leave an ‘enquiry footprint’ – an indelible record so that the investor can see who has checked them out. The enquiry footprint does not have any impact on their credit score or on their ability to get credit. Anti-Money Laundering Checks appear as an enquiry/soft search on the investors credit report. The report may contain a note saying “Identity Check to comply with Anti Money Laundering Regulations”

The Receiving Agent cannot take responsibility for correctly identifying payments without a unique reference or where a payment has been received but without an accompanying application form.

(c) *CREST settlement*

The Company will apply for the Ordinary Shares issued pursuant to the Offer for Subscription in uncertificated form to be enabled for CREST transfer and settlement with effect from First Admission (the "**Relevant**

Settlement Date”). Accordingly, settlement of transactions in the Ordinary Shares will normally take place within the CREST system.

The Application Form contains details of the information which the Company's Receiving Agent, Computershare Investors Services PLC, will require from you in order to settle your application within CREST, if you so choose. If you do not provide any CREST details or if you provide insufficient CREST details for Computershare Investors Services PLC to match to your CREST account, Computershare Investors Services PLC will deliver your Ordinary Shares in certificated form provided payment has been made in terms satisfactory to the Company.

The right is reserved to issue your Ordinary Shares in certificated form should the Company, having consulted with Computershare Investors Services PLC, consider this to be necessary or desirable. This right is only likely to be exercised in the event of any interruption, failure or breakdown of CREST or any part of CREST or on the part of the facilities and/or system operated by Computershare Investors Services PLC in connection with CREST.

The person named for registration purposes in your Application Form must be: (a) the person procured by you to subscribe for or acquire the Ordinary Shares; or (b) yourself; or (c) a nominee of any such person or yourself, as the case may be. Neither Computershare Investors Services PLC nor the Company will be responsible for any liability to stamp duty or stamp duty reserve tax resulting from a failure to observe this requirement. You will need to input the delivery versus payment (“**DvP**”) instructions into the CREST system in accordance with your application. The input returned by Computershare Investors Services PLC of a matching or acceptance instruction to our CREST input will then allow the delivery of your Ordinary Shares to your CREST account against payment of the Issue Price through the CREST system upon the Relevant Settlement Date.

By returning your Application Form you agree that you will do all things necessary to ensure that you or your settlement agent/custodian's CREST account allows for the delivery and acceptance of Ordinary Shares to be made prior to 12.55 p.m. on 5 December 2019 against payment of the Issue Price. Failure by you to do so will result in you being charged interest at the rate of two percentage points above the then published bank base rate of a clearing bank selected by the Company.

If you so choose to settle your application within CREST, that is by DvP, you or your settlement agent/custodian's CREST account must allow for the delivery and acceptance of Ordinary Shares to be made against payment of the Issue Price per Ordinary Share using the following CREST matching criteria set out below:

Trade date:	6 December 2019
Settlement date:	10 December 2019
Company:	OCTOPUS RENEWABLES INFRASTRUCTURE TRUST PLC
Security description:	Ordinary Shares of £0.01
SEDOL:	BJM0293
ISIN:	GB00BJM02935
CREST message type:	DEL

Should you wish to settle by DvP, you will need to input your CREST DEL instructions to Computershare Investor Services PLC's Participant Account 3RA43 by no later than 1.00 p.m. on 9 December 2019.

You must also ensure that you or your settlement agent/custodian has a sufficient “debit cap” within the CREST system to facilitate settlement in addition to your own daily trading and settlement requirements.

Applicants wishing to settle by DvP will still need to complete and submit a valid Application Form by the 1.00 p.m. deadline. You should tick the relevant payment method box in section 1.

Note: Computershare Investor Services PLC will not take any action until a valid DEL message has been alleged to the Participant Account by the applicant.

No acknowledgement of receipt or input will be provided.

In the event of late/non settlement the Company reserves the right to deliver Ordinary Shares outside of CREST in certificated form provided that payment has been made in terms satisfactory to the Company and all other conditions of the Offer for Subscription have been satisfied.

“US Citizen”

- All US citizens. An individual is a citizen if that person was born in the United States or if the individual has been naturalized as a US citizen.
- You can also be a US citizen, even if born outside the United States if one or both of your parents are US citizens.

Introduction

The law requires that Financial Institutions collect, retain and report certain information about their account holders, including the account holder's tax residency.

Please complete the form above and provide any additional information requested.

If your declared country/countries of residence for tax purposes is not the same as that of the Financial Institution and is either the US or is on the OECD list of countries which have agreed to exchange information (<http://www.oecd.org/tax/transparency/AEOI-commitments.pdf>), the Financial Institution will be obliged to share this information with its local tax authority who may then share it with other relevant local tax authorities.

Failure to validly complete and return this form will result in you being reported onwards to the relevant local tax authority. Additionally, if this form has been issued in conjunction with an application for a new holding, then your application may be adversely impacted.

Definitions of terms used in this form can be found below.

If your registered address (or name) has changed, then you must advise us separately. Any details you enter in the “Tax Residence Address” will be used for tax purposes only and will not be used to update your registered details.

If any of the information about your tax residency changes, you are required to provide the Registrar on behalf of the Company with a new, updated, self-certification form within 90 days of such change in circumstances.

Joint holders (if relevant)

All joint holders are treated as separate holders for these tax purposes and every joint holder is required to give an Individual Tax Residency Self-Certification. If any one or more is reportable, the value of the whole shareholding will be reported for all joint shareholder(s).

If we do not receive the self-certification from each joint shareholder, then the whole holding will be treated as undocumented and all holders (including those who have completed the self-certification form) will be reported to the relevant tax authorities.

If you have any remaining questions about how to complete this form or about how to determine your tax residency status you should contact your tax adviser.

Definitions

The OECD Common Reporting Standard for Automatic Exchange of Financial Account Information (“**The Common Reporting Standard**”) <http://www.oecd.org/tax/automatic-exchange/common-reporting-standard/> contains definitions for the terms used within it. However, the following definitions are for general guidance only to help you in completing this form.

“Account Holder”

The Account Holder is either the person(s) whose name(s) appears on the share register of a Financial Institution or the person whose name appears on the register of entitlement that Computershare Investors Services PLC maintains.

“Country/Countries of residence for tax purposes”

You are required to list the country or countries in which you are resident for tax purposes, together with the tax reference number which has been allocated to you, often referred to as a tax identification number (TIN). Special circumstances (such as studying abroad, working overseas, or extended travel) may cause you to be resident elsewhere or resident in more than one country at the same time (dual residency). The country/countries in which you might be obliged to submit a tax return are likely to be your country/countries of tax residence. If you are a US citizen or hold a US passport or green card, you will also be considered tax resident in the US even if you live outside the US.

“Tax Identification Number or TIN”

The number used to identify the shareholder in the country of residence for tax purposes.

Different countries (or jurisdictions) have different terminology for this and could include such as a National Insurance number, social security number or resident registration number. Some jurisdictions that do issue TINs have domestic law that does not require the collection of the TIN for domestic reporting purposes so that a TIN is not required to be completed by a shareholder resident in such jurisdictions. Some jurisdictions do not issue a TIN or do not issue a TIN to all residents.

“US Citizen”

- All US citizens. An individual is a citizen if that person was born in the United States or if the individual has been naturalized as a US citizen.
- You can also be a US citizen, even if born outside the United States if one or both of your parents are US citizens.

If you have any questions about these definitions or require further details about how to complete this form then please contact your tax adviser.

NOTHING IN THIS DOCUMENT CAN BE CONSIDERED TO BE TAX ADVICE.

Questions & answers

Why are you writing to me and asking for a “Tax Residency Self-Certification”?

The governments of more than 100 countries around the world have agreed to exchange tax related information. These governments have passed similar sets of laws to enable the Automatic Exchange of Information (“**AEOI**”). The full list of countries involved can be seen at: www.oecd.org/tax/transparency/AEOI-commitments.pdf

Additionally, the United States has over 100 similar agreements with many countries referred to as the 'Foreign Account Tax Compliance Act'.

The legislation can vary slightly from jurisdiction to jurisdiction, but at a high level, it requires Financial Institutions to:

- Identify existing Holders that may be resident (for tax purposes) in other participating jurisdictions. Then contact any such Holders and request that they complete a “Tax Residency Self-Certification Form”.
- Obtain a “Tax Residency Self-Certification Form” for all new Holders.
- Identify holders who move from one jurisdiction to another and request that they complete a “Tax Residency Self-Certification Form”.
- Identify Holders who have payments sent to a different jurisdiction.
- Submit a return to the Financial Institution's “local” tax authority on an annual basis. As an example for a company incorporated in the UK, then the local tax authority would be HM Revenue & Customs (HMRC).

- Follow up on any non responders at least annually for at least 3 years.

The “local” tax authority will pass information onto the tax authority in the relevant jurisdiction. As an example the tax authority in the US is the Inland Revenue Service (“**IRS**”), so HMRC will exchange information with IRS.

Where can I find out more information about the legislation?

The legislation is quite complex and you may wish to speak to your tax adviser.

The web site of your local tax authority will contain more information e.g. HMRC for the UK; the IRS for the US; Jersey Income Tax Department for Jersey, etc.

Additionally, the web site of The Organisation for Economic Co-operation and Development (OECD) gives further information.

What happens if I do not complete the form?

In the annual report that the Financial Institution sends to their local tax authority you will be shown as 'Undocumented'.

The local tax authority will collate the responses from all of its financial institutions and pass that information onto the relevant local tax authority for the jurisdictions identified.

Computershare Investors Services PLC is not able to comment on what action the tax authority for the jurisdiction will take.

What if I am a Tax Resident in 2 or more countries?

The self-certification form allows for up to 4 tax residencies to be recorded.

I do not pay tax or I do not know which country I am tax resident in

Please refer to your local tax authority or tax adviser.

I do not have a tax identification number

Please refer to your local tax authority or tax adviser.

Note that different countries call their tax identification numbers using alternative terminology. As an example in the UK it would be a National Insurance number.

I have already completed a W8 or W9 form. Do I still need to complete a “Tax Residency Self-Certification Form”?

Yes. The US legislation governing W8/W9 forms overlaps with US FATCA legislation.

What is classed as my Tax Residence Address?

Please refer to your local tax authority or tax adviser.

In addition, you may wish to consider: Where you are a citizen with a passport; your residential home address in a country and unrestricted right of entry back into that country once you depart.

Joint Holders

When there are multiple holders on an account, then every joint holder must complete a Tax Residency Self-Certification Form and every joint holder will receive a letter in their own right. The letter will be sent to the registered address recorded for the holding.

Joint holders are treated as separate holders for these tax purposes. If any one of the joint holders is reportable, the value of the whole shareholding will be reported for all of the joint shareholder(s).

If we do not receive a validly completed self-certification for each joint shareholder, the whole shareholding will be treated as “undocumented” and all shareholders (including those who have completed the self-certification form) will be reported to the relevant tax authorities.

Can I use the Self Certification Form to advise of a Change of Name?

No. You must advise Computershare Investors Services PLC separately. For more information, see www.investorcentre.co.uk.

Can I use the Self Certification Form to advise of the death of a holder, or registration of a power of Attorney?
