Each member shall (subject to receiving at least 14 days' notice specifying the time or times and place of payment) pay to the Company at the time or times and place so specified the amount called on his shares. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof. A call may be revoked or postponed as the Directors may determine

#### **20 Interest on overdue amounts**

If a sum called in respect of a share is not paid before, or on, the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the sum from the day appointed for payment thereof to the time of actual payment at such rate (not exceeding 15 per cent per annum) as the Directors determine but the Directors shall be at liberty in any case, or cases, to waive payment of such interest wholly or in part.

**21. Other sums due on shares**

Any sum (whether on account of the nominal value of the share or by way of premium) which by the terms of allotment of a share becomes payable upon allotment or at any fixed date shall, for all the purposes of these Articles, be deemed to be a call duly made and payable on the date on which by the terms of allotment the same becomes payable. In case of non-payment all the relevant provisions of these Articles as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified

**22 Power to differentiate between holders**

The Directors may on the allotment of shares differentiate between the holders as to the amount of calls to be paid and the times of payment.

**23 Payment of calls in advance**

The Directors may if they think fit receive from any member willing to advance the same all or any part of the moneys (whether on account of the nominal value of the shares or by way of premium) uncalled and unpaid upon the shares held by him and such payment in advance of calls shall extinguish *pro tanto* the liability upon the shares in respect of which it is made and upon the money so received (until and to the extent that the same would, but for such advance become payable) the Company may pay interest at such rate (not exceeding 17 per cent per annum) as the member paying such sum and the Directors may agree

**FORFEITURE AND LIEN**

**24 Notice on failure to pay a call**

24 1. If a member fails to pay in full any call or instalment of a call on or before the due date for payment thereof, the Directors may at any time thereafter serve a notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued thereon and any expenses incurred by the Company by reason of such non-payment.

24 2 The notice shall name a further day (not being less than seven days from the date of service of the notice) on or before which and the place where the payment required by the notice is to be made, and shall state that in the event of non-payment in accordance therewith the shares on which the call has been made will be liable to be forfeited

**25 Forfeiture for non-compliance**

If the requirements of any such notice as aforesaid are not complied with, any share in respect of which such notice has been given may at any time thereafter, before payment of all calls and interest and expenses due in respect thereof has been made, be forfeited by a resolution of the Directors to that effect which shall state the date of forfeiture. Such forfeiture shall include all dividends declared in respect of the forfeited share and not actually paid before forfeiture. The Directors may accept a surrender of any share liable to be forfeited hereunder.

**26. Disposal of forfeited shares**

A share so forfeited or surrendered shall become the property of the Company and may be sold, re-allotted or otherwise disposed of either to the person who was before such forfeiture or surrender the holder thereof or entitled thereto or to any other person upon such terms and in such manner as the Directors shall think fit and at any time before a sale, re-allotment or disposal the forfeiture or surrender may be cancelled on such terms as the Directors think fit. The Directors may, if necessary, authorise some person to transfer a forfeited or surrendered share to any such other person as aforesaid.

**27. Holder to remain liable despite forfeiture**

A member whose shares have been forfeited or surrendered shall cease to be a member in respect of the shares (and shall surrender to the Company for cancellation the certificate for such shares) but shall notwithstanding the forfeiture or surrender remain liable to pay to the Company all moneys which at the date of forfeiture or surrender were presently payable by him to the Company in respect of the shares with interest thereon at 15 per cent. per annum (or such lower rate as the Directors may determine) from the date of forfeiture or surrender until payment and the Directors may at their absolute discretion enforce payment without any allowance for the value of the shares at the time of forfeiture or surrender or for any consideration received on their disposal or waive payment in whole or in part.

**28. Lien on partly-paid shares**

The Company shall have a first and paramount lien on every share (not being a fully-paid share) for all moneys (whether presently payable or not) called or payable at a fixed time in respect of such share and the Directors may waive any lien which has arisen and may resolve that any share shall for some limited period be exempt wholly or partially from the provisions of this Article.

**29. Sale of shares subject to lien**

The Company may sell in such manner as the Directors think fit any share on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable nor until the expiration of 14 days after a notice in writing demanding payment of the sum presently payable and giving notice of intention to sell the share in default of payment shall have been given to the holder for the time being of the share or the person entitled thereto by reason of his death or bankruptcy or otherwise by operation of law.

**30. Proceeds of sale of shares subject to lien**

The net proceeds of such sale after payment of the costs of such sale shall be applied in or towards payment or satisfaction of the amount in respect whereof the lien exists so far as the same is then payable and any residue shall, upon surrender to the Company for cancellation of the certificate for the shares sold and subject to a like lien for sums not presently payable as existed upon the shares prior to the sale, be paid to the person entitled to the shares at the time of the sale. For the purpose of giving effect to any such sale the Directors may authorise some person to transfer the shares sold to, or in accordance with the directions of, the purchaser

### 31 Evidence of forfeiture

A statutory declaration in writing that the declarant is a Director or the Secretary and that a share has been duly forfeited or surrendered or sold to satisfy a lien of the Company on a date stated in the declaration shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. Such declaration shall (subject to the execution of a transfer if the same be required) constitute a good title to the share and the person to whom the share is sold, re-allotted or disposed of shall not be bound to see to the application of the consideration (if any) nor shall his title to the share be affected by any irregularity or invalidity in the proceedings relating to the forfeiture, surrender, sale, re-allotment or disposal of the share.

## VARIATION OF RIGHTS

### 32. Manner of variation of rights

32 1 Whenever the share capital of the Company is divided into different classes of shares, the special rights attached to any class may, subject to the provisions of the Statutes, be varied or abrogated either with the consent in writing of the holders of three-quarters in nominal value of the issued shares of the class or with the sanction of a Special Resolution passed at a separate meeting of the holders of the shares of the class (but not otherwise) and may be so varied or abrogated either whilst the Company is a going concern or during or in contemplation of a winding-up.

32 2 To every such separate meeting all the provisions of these Articles relating to General Meetings and to the proceedings thereat shall *mutatis mutandis* apply, except that the necessary quorum shall be two persons at least holding or representing by proxy at least one-third in nominal value of the issued shares of the class (but so that at any adjourned meeting any holder of shares of the class present in person or by proxy shall be a quorum) and that any holder of shares of the class present in person or by proxy may demand a poll and that every such holder shall on a poll have one vote for every share of the class held by him

32 3 The foregoing provisions of this Article shall apply to the variation or abrogation of the special rights attached to some only of the shares of any class as if each group of shares of the class differently treated formed a separate class the special rights whereof are to be varied

### 33 Matters not constituting variation of rights

The special rights attached to any class of shares having preferential rights shall not unless otherwise expressly provided by the terms of issue thereof be deemed to be varied by (a) the creation or issue of further shares ranking as regards participation in the profits or assets of the Company in some or all respects *pari passu* therewith but in no respect in priority thereto or (b) the purchase by the Company of any of its own shares.

## **TRANSFER OF SHARES**

### **34 Form of transfer**

All transfers of shares may be effected by transfer in writing in any usual or common form or in any other form acceptable to the Directors. The instrument of transfer shall be authenticated by or on behalf of the transferor and (except in the case of fully-paid shares) by or on behalf of the transferee. The transferor shall remain the holder of the shares concerned until the name of the transferee is entered in the Register in respect thereof.

### **35. Balance certificate**

Where some only of the shares comprised in a share certificate are transferred the old certificate shall be cancelled and a new certificate for the balance of such shares issued in lieu without charge.

### **36. Right to refuse registration**

36 1 The Directors may decline to recognise any instrument of transfer unless it is in respect of only one class of share and is lodged (duly stamped if required) at the Transfer Office accompanied by the relevant share certificate(s) and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer (and, if the instrument of transfer is executed by some other person on his behalf, the authority of that person so to do). In the case of a transfer by a recognised clearing house or a nominee of a recognised clearing house or of a recognised investment exchange the lodgment of share certificates will only be necessary if and to the extent that certificates have been issued in respect of the shares in question.

36 2 The Directors may in their absolute discretion and without assigning any reason therefore refuse to register any transfer of shares (not being fully-paid shares) provided that, where any such shares are admitted to the Official List, such discretion may not be exercised in such a way as to prevent dealings in the shares of that class from taking place on an open and proper basis. The Directors may also refuse to register an allotment or transfer of shares (whether fully-paid or not) in favour of more than four persons jointly. If the Directors refuse to register an allotment or transfer they shall, as soon as practicable and in any event within two months after the date on which the letter of allotment or transfer was lodged with the Company, send to the allottee or transferee notice of the refusal. At the same time as it sends the transferee notice of a refusal to register a transfer, the Board will provide the transferee with its reasons for the refusal.

### **37 Retention of transfers**

All instruments of transfer which are registered may be retained by the Company

**38 No fee on registration**

No fee will be charged by the Company in respect of the registration of any instrument of transfer or other document relating to or affecting the title to any shares or otherwise for making any entry in the Register affecting the title to any shares

**39. Branch Register**

Subject to and to the extent permitted by the Statutes, the Company, or the Directors on behalf of the Company, may cause to be kept in any territory a branch register of members resident in such territory, and the Directors may make and vary such regulations as they may think fit respecting the keeping of any such register

**TRANSMISSION OF SHARES**

**40 Persons entitled on death**

In case of the death of a member, the survivors or survivor where the deceased was a joint holder, and the executors or administrators of the deceased where he was a sole or only surviving holder, shall be the only persons recognised by the Company as having any title to his interest in the shares, but nothing in this Article shall release the estate of a deceased member (whether sole or joint) from any liability in respect of any share held by him.

**41 Election by persons entitled by transmission**

A person becoming entitled to a share in consequence of the death or bankruptcy of a member or otherwise by operation of law may (subject as hereinafter provided) upon supplying to the Company such evidence as the Directors may reasonably require to show his title to the share either be registered himself as holder of the share upon giving to the Company notice in writing to that effect or transfer such share to some other person All the limitations, restrictions and provisions of these Articles relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the notice or transfer were a transfer executed by the member registered as the holder of any such share

**42 Rights of persons entitled by transmission**

Save as otherwise provided by or in accordance with these Articles, a person becoming entitled to a share in consequence of the death or bankruptcy of a member or otherwise by operation of law (upon supplying to the Company such evidence as the Directors may reasonably require to show his title to the share) shall be entitled to the same dividends and other advantages as those to which he would be entitled if he were the registered holder of the share except that he shall not be entitled in respect thereof (except with the authority of the Directors) to exercise any right conferred by membership in relation to shareholders' meetings until he shall have been registered as a member in respect of the share

## CONVERSION OF SHARES INTO STOCK

### 43 Conversion of shares into stock

- 43 1 The Company may from time to time by Ordinary Resolution convert all or any paid-up shares into stock or reconvert any stock into paid-up shares of any denomination
- 43.2. The holders of stock may transfer the same or any part thereof in the same manner and subject to the same regulations as and subject to which the shares from which the stock arose might previously to conversion have been transferred (or as near thereto as circumstances admit). No stock shall be transferable except in such units (not being greater than the nominal amount of the shares from which the stock arose) as the Directors may from time to time determine.
- 43 3 The holders of stock shall according to the amount of stock held by them have the same rights, privileges and advantages as regards dividends, return of capital, voting and other matters as if they held the shares from which the stock arose, but no such privilege or advantage (except as regards participation in the profits or assets of the Company) shall be conferred by an amount of stock which would not, if existing in shares, have conferred such privilege or advantage

## SHARE WARRANTS

### 44. Share warrants

The Company with respect to fully paid-up shares may issue warrants (hereinafter called "share warrants") stating that the bearer is entitled to the shares therein specified, and may provide by coupons or otherwise for the payment of future dividends on the shares included in such warrants.
