Recommendation

The Directors believe that each of the proposals to be put to the meeting will be of benefit to and is in the best interests of the Company and the shareholders as a whole and unanimously recommend that shareholders vote in favour of all the resolutions set out above, as they intend to do in respect of their own beneficial shareholdings in the Company.

By order of the Board

Mark Jenkins

Company Secretary
14 June 2019

Registered office:
Misbourne Court, Rectory Way, Amersham, Bucks HP7 0DE
Registered in England and Wales No. 40932

Notes on the Resolutions

Resolutions 1 to 16 will be proposed as ordinary resolutions which require a simple majority of the votes to be cast in favour of each resolution. Resolutions 17 to 20 will be proposed as special resolutions which require a 75% majority of the votes to be cast in favour of each resolution.

Resolution 1 – Annual Report and Accounts

The Directors are required to present the audited accounts of the Company to shareholders at a general meeting, together with reports of the Directors (including the Strategic Report) and the Auditor (in this case for the year ended 31 March 2019).

Resolution 2 – Dividend

This resolution seeks authority for the Company to pay a final dividend of 9.60p per share to shareholders for the financial year ended 31 March 2019, as recommended by the Directors. If approved the dividend will be paid on 14 August 2019 to shareholders on the Register of Members at the close of business on 12 July 2019.

The Company offers a Dividend Reinvestment Plan ('DRIP') to enable shareholders to elect to have their cash dividends reinvested in Halma plc shares. Shareholders who wish to elect for the DRIP for the forthcoming final dividend, but have not already done so, should return a DRIP mandate form to the Company's Registrar no later than 24 July 2019.

Resolution 3 – Remuneration Report

Section 439 of the 2006 Act requires that the Remuneration Report is put to a vote of shareholders at each annual general meeting. The Remuneration Report is set out on pages 96 to 107 of the Annual Report and Accounts 2019. In accordance with the 2006 Act, no remuneration is conditional on this resolution being passed.

Resolutions 4 to 13 – Directors

The Company's Articles of Association require that once every three years Directors retire by rotation and seek re-election to the Board at an annual general meeting. However, in accordance with the UK Corporate Governance Code, the Board has decided that all Directors be subject to re-election at each annual general meeting.

All of the Directors seeking re-election have been subject to a performance evaluation. Based on that evaluation, it is considered that each Director continues to be effective and demonstrates the level of commitment required in connection with their role and the needs of the business. The Board, on the recommendation of the Nomination Committee, supports the re-election of each of the Directors.

Notes on the Resolutions

Continued

Resolution 14 – Re-appointment of Auditor

The Company is required to appoint an auditor at every general meeting at which accounts are presented, to hold office until the conclusion of the next such meeting and the Directors are proposing the reappointment of PricewaterhouseCoopers LLP as the Company's Auditor.

Resolution 15 – Auditor's remuneration

In accordance with standard practice, this resolution gives authority to the Directors to determine the Auditor's remuneration.

Resolution 16 – Authority to allot shares

The Directors may only allot shares if authorised to do so by shareholders. The purpose of this resolution is to renew the Directors' authority.

The effect of this resolution will allow the Directors to allot and issue new shares up to a nominal aggregate value of £9,400,000, being just less than one quarter of the total issued share capital of the Company (excluding treasury shares) as at 13 June 2019 (the latest practicable date prior to the publication of the Notice of Meeting).

In accordance with the Directors' stated intention to seek annual renewal, the authority will expire on the earlier of (i) the conclusion of the annual general meeting of the Company in 2020 and (ii) 31 August 2020. Passing this resolution will give the Directors flexibility to act in the best interests of shareholders, when opportunities arise, by issuing new shares. The Directors have no current plans to make use of this authority.

The Company does not hold any shares in treasury.

Resolutions 17 and 18 – Disapplication of pre-emption rights

The 2006 Act requires that, if the Company issues new shares for cash or sells treasury shares, it must first offer them to existing shareholders in proportion to their current holdings.

The effect of resolution 17, which will be proposed as a special resolution, is to authorise the Directors to allot new shares pursuant to the authority given in resolution 16, or sell treasury shares for cash, up to an aggregate nominal amount of £1,890,000 (up to 18,900,000 ordinary shares) representing approximately 5% of the Company's issued share capital as at 13 June 2019 (being the latest practicable date prior to the publication of the Notice of Meeting) without offering them to shareholders first, and to modify statutory pre-emption rights to deal with legal, regulatory or practical problems that may arise on a rights or other pre-emptive offer or issue.

The effect of resolution 18, which will also be proposed as a special resolution, is to authorise the Directors to disapply statutory pre-emption rights in respect of an additional 5% of the Company's issued share capital as at 13 June 2019. In accordance with the Pre-emption Group's Principles, the Directors confirm that this authority will be used only in connection with an acquisition or specified capital investment that is announced contemporaneously with the issue, or that has taken place in the preceding six-month period and is disclosed in the announcement of the issue.

The authorities in resolution 17 and resolution 18 will expire on the earlier of (i) the conclusion of the annual general meeting of the Company in 2020 and (ii) 31 August 2020.

Excluding any shares issued in connection with an acquisition or specified capital investment as described above, the Directors do not intend to issue more than 7.5% of the issued share capital for cash on a non-pre-emptive basis in any rolling three-year period.

Resolution 19 – Authority to purchase own shares

The Directors were authorised at the 2018 annual general meeting to purchase up to 37,900,000 of the Company's own 10p ordinary shares in the market. This authority expires at the end of the 2019 annual general meeting. In accordance with the Directors' stated intention to seek annual renewal, this resolution (which will be proposed as a special resolution) will renew this authority until the earlier of (i) the conclusion of the annual general meeting of the Company in 2020 and (ii) 31 August 2020 in respect of up to 37,900,000 ordinary shares, which is approximately 10% of the Company's issued share capital (excluding treasury shares) as at 13 June 2019 (the latest practicable date prior to the publication of the Notice of Meeting).

The Directors consider it desirable that the possibility of making such purchases, under appropriate circumstances, is available. The authority, if granted, will only be exercised if market conditions make it advantageous to do so. The Directors will only make purchases under the authority where they believe that to do so would result in an increase in earnings per share for the remaining shareholders, or where the purchased shares are used to satisfy awards made under employee share plans, and such purchases are considered to be in the best interests of shareholders generally.

The Directors' present intention is that any shares purchased under the authority will be sold for cash or cancelled at a future date, although in the light of circumstances at the time it may be decided to cancel them immediately on repurchase. The effect of any cancellation would be to reduce the number of shares in issue. For most purposes, while held in treasury, shares are treated as if they have been cancelled (for example, they carry no voting rights and do not rank for dividends).

As at 13 June 2019 there were no options outstanding to subscribe for ordinary shares.

Resolution 20 – Notice of general meetings

Changes made to the 2006 Act pursuant to the Shareholders' Rights Directive increase the minimum notice period required for general meetings of the Company to 21 days unless shareholders approve a shorter notice period, which cannot be less than 14 clear days. Annual general meetings continue to be held on at least 21 clear days' notice.

Before the Shareholders' Rights Directive came into force, the Company was able to call general meetings (other than annual general meetings) on 14 clear days' notice without obtaining such shareholder approval. In order to preserve this flexibility, resolution 20 seeks to renew the authority obtained at last year's annual general meeting. It is intended that a shorter notice period will not be used as a matter of routine for general meetings, but only if the flexibility would be helpful given the business of the meeting and where the Board thinks it is in the interest of shareholders as a whole. If the resolution is passed, the authority will be effective until the annual general meeting in 2020, when it is intended that a similar resolution will be proposed.

The Company offers the facility for shareholders to vote and appoint proxies by electronic means. This is accessible to all shareholders and would be available if the Company were to call meetings on 14 clear days' notice.

Entitlement to attend and vote

1. Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, entitlement to attend and vote at the AGM and the number of votes which may be cast at the AGM, will be determined by reference to the Register of Members of the Company at close of business on the day which is two working days before the day of the AGM. Changes to entries on the Register of Members after that time shall be disregarded in determining the rights of any person to attend and vote at the AGM.

Voting procedures

2. In line with best practice, all resolutions at the 2019 AGM will be taken on a poll vote. This will result in a more accurate reflection of the view of shareholders by ensuring that every vote is recognised, including the votes of all shareholders who are unable to attend the AGM but who appoint a proxy for the AGM. On a poll, each shareholder has one vote for every share held. Shareholders who attend the AGM will still have the opportunity to ask questions and form a view on any points raised before voting on each resolution. The results will be published on our website at www.halma.com and will be released to the London Stock Exchange as soon as possible following the AGM.

Appointment of proxies

3. A shareholder entitled to attend and vote at the AGM is entitled to appoint a proxy or proxies to exercise all or any of his/her rights to attend and to speak and vote on his/her behalf at the AGM. A proxy need not be a shareholder of the Company. The return of a completed Proxy Form, other such instrument or any CREST Proxy Instruction (as described in paragraph 11) will not prevent a shareholder from attending the AGM and voting in person if he/she wishes to do so.
4. A Proxy Form which may be used to make such appointment and give proxy instructions has been sent to all shareholders (except those who have elected to receive notice via email, who should refer to paragraph 6).
5. In order to be valid, an appointment of proxy or proxies must be completed and returned, together with the power of attorney or other authority (if any) under which it is signed, or a duly certified copy of such authority, by one of the following methods:
 - (a) in hard copy form by post, courier or by hand, to the Company's Registrar, Computershare Investor Services PLC;
 - (b) alternatively, shareholders who have received a Proxy Form may appoint a proxy or proxies electronically via the Registrar's website at www.investorcentre.co.uk/eproxy using the Control Number, Shareholder Reference Number (SRN) and PIN; or
 - (c) in the case of CREST members, by using the CREST electronic proxy appointment service (as set out in paragraph 11);

in each case so that it is received no later than 12.00 pm on 23 July 2019, being not less than 48 hours before the time fixed for the AGM.

6. Shareholders who have elected to receive notice via email may appoint a proxy or proxies electronically via the Registrar's website, www.investorcentre.co.uk/eproxy using the Control Number, the Shareholder Reference Number (SRN) and PIN. Electronic proxy appointments must be received no later than 12.00 pm on 23 July 2019.
7. In the case of a joint holding, a proxy need only be signed by one joint holder. If more than one such joint holder tenders a vote, whether in person or by proxy, the vote of the senior shall be accepted to the exclusion of the votes of the other joint holders. Seniority is determined by the order in which the names appear in the Register of Members.
8. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. If in such case a shareholder wishes to appoint more than one proxy, the shareholder should photocopy the Proxy Form and indicate in the box, next to the proxy's name, the number of shares in relation to which the shareholder authorises him/her to act as the shareholder's proxy.

Nominated persons

9. Any person to whom this Notice of Meeting is sent who is a person nominated under Section 146 of the 2006 Act to enjoy information rights (a 'Nominated Person') may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

The statement of rights of shareholders in relation to the appointment of proxies in paragraphs 3 to 8 does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.

If you have been nominated to receive general shareholder communications directly from the Company, it is important to remember that your main contact in terms of your investment remains as it was (the registered shareholder, or perhaps custodian or broker, who administers the investment on your behalf). Therefore any changes or queries relating to your personal details and holding (including any administration thereof) must continue to be directed to your existing contact at your investment manager or custodian. The Company cannot guarantee dealing with matters that are directed to us in error. The only exception to this is where the Company, in exercising one of its powers under the 2006 Act, writes to you directly for a response.

CREST electronic proxy appointment

10. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST personal members or other CREST sponsored members and those CREST members who have appointed a voting service provider should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.

Information for Shareholders

Continued

11. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent, Computershare Investor Services PLC (ID 3RA50), by the latest time(s) for receipt of proxy appointments set out in paragraph 5. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers, should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his/her CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members (and, where applicable, their CREST sponsors or voting service providers) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Corporate representatives

12. A corporation which is a shareholder can appoint one or more corporate representatives who may exercise, on its behalf, all of its powers as a shareholder provided that no two or more do so in relation to the same shares.

Audit concerns

13. Section 527 of the 2006 Act allows shareholders who meet the threshold requirements of that section to require the Company to publish a statement on its website setting out any matter relating to:
