This supplement (the “**Supplement**”, which definition shall also include all information incorporated by reference herein) to the base prospectus dated 21 March 2025 (the “**Prospectus**”, which definition includes the base prospectus and all information incorporated by reference therein) constitutes a supplementary prospectus for the purposes of Article 23 of Regulation (EU) 2017/1129 as it forms part of the domestic law of the United Kingdom by virtue of the European Union (Withdrawal) Act 2018, as amended (the “**UK Prospectus Regulation**”) and is prepared in connection with the £5,000,000,000 Euro Note Programme (the “**Programme**”) established by Legal & General Finance PLC (“**L&GF**”) and Legal & General Group Plc (“**L&G**” or “**Legal & General**”) (each of L&GF and L&G in such capacity an “**Issuer**” and together the “**Issuers**”). Terms defined in the Prospectus have the same meaning when used in this Supplement.

This Supplement is supplemental to and must be read in conjunction with and forms part of the Prospectus and any other supplements to the Prospectus issued by the Issuers.

The purpose of this Supplement is:

1. to incorporate by reference the unaudited interim report of L&G, its subsidiaries and its subsidiary undertakings (together referred to as the “**Group**”) for the six months ended 30 June 2025 (the “**Interim Report**”), as announced by L&G on 6 August 2025; and
2. to update the no significant change statement of L&G in the Prospectus.

This Supplement has been approved by the United Kingdom Financial Conduct Authority (the “**FCA**”), which is the competent authority for the purposes of the UK Prospectus Regulation, as a supplementary prospectus to the Prospectus. The Prospectus constitutes a base prospectus prepared in compliance with the UK Prospectus Regulation and relevant implementing measures in the United Kingdom for the purpose of giving information with regard to the issue of Notes under the Programme.

The Issuers accept responsibility for the information contained in this Supplement. To the best of the knowledge of the Issuers (which have taken all reasonable care to ensure that such is the case), the information contained in this Supplement is in accordance with the facts and does not omit anything likely to affect the import of such information.

#### **New Document Incorporated by Reference**

The unaudited interim results of the Group for the six months ended 30 June 2025, as announced by L&G on 6 August 2025, which have been previously published and which have been filed with the FCA, are hereby incorporated in, and form part of, this Supplement.

#### **Alternative Performance Measures**

Certain alternative performance measures (“**APMs**”) are included or referred to in the Interim Report. APMs are non-GAAP measures used by the Group within its financial publications to supplement disclosures prepared in accordance with other regulations such as IFRS and Solvency UK. The Group considers that these measures provide useful information to enhance the understanding of financial

performance. The APMs should be viewed as complementary to, rather than a substitute for, the figures determined according to other regulatory measures. An explanation of each such metric's components and calculation method can be found on pages 89-91 (incorporated by reference herein) of the Interim Report.

## **General Information**

There has been no significant change in the financial or trading position of L&G or the Group since 30 June 2025, the date to which the Group's last published interim financial information (as set out in the Interim Report) was prepared.
