Dear Shareholder

Notice of Annual General Meeting and explanation of business

INTRODUCTION

I am pleased to invite you to the twenty-seventh annual general meeting of the Company, to be held at Chester House, Kennington Park, 1-3 Brixton Road, London SW9 6DE, at 11.00 a.m. on Thursday 25 July 2013.

A formal notice convening the AGM is set out on pages 7 to 9 of this document and an explanation of each of the resolutions that the Directors will be proposing at the AGM is set out below.

Annual Report and Accounts (Resolution 1)

The business of the AGM will begin with a resolution to receive and adopt the Annual Report and Accounts. Shareholders will have the opportunity to put any questions on the Annual Report and Accounts to the Board before the resolution is proposed at the AGM.

Declaration of final dividend (Resolution 2)

Shareholders will be asked to approve the declaration and payment of a final dividend of 6.45 pence per Ordinary Share in respect of the financial year ended 31 March 2013. If approved at the AGM, this dividend will be paid to Shareholders entered on the register of members at the close of business on 12 July 2013. The payment date will be 2 August 2013.

Election and re-election of Directors (Resolutions 3 to 9)

Mr Girling and Mr Russell, who were appointed to the Board on 7 February 2013 and 29 May 2013 respectively as Non-Executive Directors, will be offering themselves for election, as required by the Articles. Both Mr Girling and Mr Russell do not have service contracts with the Company but their respective appointments are each terminable on 3 months' notice. The Board consider that Mr Girling and Mr Russell meet the independence criteria prescribed in the UK Corporate Governance Code (published by the Financial Reporting Council in September 2012) (formerly the UK Combined Code) (**Code**) as they are independent in character and judgement and there are no relationships or circumstances which are likely to affect, or could appear to affect, their judgement.

The Articles also require one-third of the current Directors to retire by rotation at every annual general meeting. However, the Company is adopting the requirements of the Code in relation to Directors' appointments and in particular the annual re-election of all Directors. Therefore, in accordance with provision B.71 of the UK Corporate Governance Code, all of the other Directors will retire at the AGM and being eligible offer themselves up for re-election. In relation to all of the Directors seeking re-election, I can confirm that, following formal performance evaluation, their performance continues to be effective and they continue to demonstrate commitment to their roles as Directors, including commitment of the necessary time for Board and committee meetings and other duties. The Board is satisfied that each of the Non-Executive Directors offering themselves for re-election remain independent in character and judgement and that there are no relationships or circumstances which are likely to affect or could appear to affect their judgement.

Biographical details of each of the Directors are set out on pages 30 to 31 of the Annual Report and Accounts.

Directors' Remuneration Report (Resolution 10)

Shareholders are asked to receive and approve the Directors' Remuneration Report for the financial year ended 31 March 2013. This contains the remuneration policy for the Board, and is set out on pages 45 to 60 of the Annual Report and Accounts.

Re-appointment and remuneration of auditors (Resolutions 11 and 12)

The Company is required at each general meeting at which accounts are presented to appoint auditors to hold office until the next such meeting. Accordingly, the Shareholders will be asked to re-appoint PricewaterhouseCoopers LLP as the Company's auditors until the conclusion of the next annual general meeting in 2014 and to grant authority to the Directors to determine their remuneration.

Renewal of authority to allot equity securities (Resolution 13)

The authority given to the Directors to allot further shares or to grant rights to subscribe for, or to convert securities into ordinary shares in the capital of the Company requires the prior authorisation of the shareholders in general meeting under section 551 Companies Act 2006.

Upon the passing of the Resolution 13, (pursuant to paragraph (a)(i) of Resolution 13) the Directors will have the necessary authority until the date of the next annual general meeting in 2014 or, if earlier, 30 September 2014 to allot and/or grant equity securities (as defined in section 560(1) of the Act), up to an aggregate nominal amount of £48,332,611 (being approximately one-third of the current issued ordinary share capital of the Company as at 14 June 2013 (being the latest practicable date prior to publication of this document)).

In addition, in line with guidance issued by the ABI on the expectations of institutional investors in relation to the authority of directors to allot shares, upon the passing of Resolution 13 (pursuant to paragraph (a)(ii) of Resolution 13) the Directors will have authority, until the date of the next annual general meeting of the Company in 2014 to allot and/or grant equity securities (as defined in section 560(1) of the Act) in connection with a rights issue in favour of Shareholders up to an aggregate nominal amount equal to £96,665,223 as reduced by the aggregate nominal amount of any shares issued under paragraph (a)(i) of Resolution 13. This amount (before any reduction) represents approximately two-thirds of the current issued ordinary share capital of the Company as at 14 June 2013 (being the latest practicable date prior to publication of this document).

In order to ensure that the maximum aggregate nominal amount of equity securities allotted and/or granted under Resolution 13 is never more than an amount equal to two-thirds of the current issued ordinary share capital, deductions will be made from paragraph (a)(i) or (a)(ii) to ensure that this remains the case, whether or not the Company issues shares under paragraph (a)(i) first or paragraph (a)(ii) first.

The Directors will continue to seek to renew this authority at each annual general meeting in accordance with current best practice.

This limited authority will enable the Directors to issue shares when they believe it is in the interests of the Company to do so. It replaces the equivalent authority taken at the last annual general meeting of the Company in 2012, which will remain in force up until the conclusion of this year's meeting.

While the Company would always consider from time to time the best manner of financing the group, there is no present intention of issuing ordinary shares pursuant to Resolution 13.

Disapplication of pre-emption rights (Resolution 14)

If the Directors wish to exercise the authority under Resolution 13 and offer Shares (or sell any shares which the Company may purchase and elect to hold as treasury shares) for cash, the Companies Act 2006 requires that unless shareholders have given specific authority for the waiver of their statutory pre-emption rights, the new shares must be offered first to existing shareholders in proportion to their existing shareholdings. In certain circumstances, it may be in the best interests of the Company to allot new shares (or to grant rights over shares) for cash or to sell treasury shares for cash without first offering them to existing shareholders in proportion to their holdings.

Resolution 14 empowers the Directors until the date of the next annual general meeting of the Company in 2014 or, if earlier, 30 September 2014, to allot and/or grant equity securities for cash (or transfer shares which are from time to time held by the Company in treasury) (i) (a) by way of a rights issue (subject to certain exclusions), or (b) by way of an open offer or other offer of securities (not being a rights issue) in favour of existing shareholders in proportion to their shareholdings (subject to certain exclusions) or (ii) otherwise than pursuant to (i) up to an aggregate nominal value of £7,249,891 which is equivalent to approximately 5% of the issued ordinary share capital of the Company on 14 June 2013, being the latest practicable date prior to the printing of this Notice. The Directors will seek to renew such authority and power at successive annual general meetings.

This limited authority will enable the Directors to issue shares when they believe it is in the interests of the Company to do so. It replaces the equivalent authority granted at the last annual general meeting of the Company in 2012 over one third of the Company's then issued ordinary share capital, which will remain in force up until the conclusion of the AGM.

As at 14 June 2013 (being the last practicable date prior to publication of this document), the Company held no shares in treasury.

Authority for purchase of own shares (Resolution 15)

Resolution 15 authorises the Company to make market purchases (within the meaning of section 693 of the Act) on the London Stock Exchange of up to a maximum aggregate nominal amount of 14,499,783 Ordinary Shares (equivalent to approximately 10% of the current issued ordinary share capital of the Company as at 14 June 2013 (being the latest practicable date prior to publication of this document)), at a minimum price per Ordinary Share of its nominal value and a maximum price of the higher of (i) 105% of the average of the middle market quotations of the Ordinary Shares as derived from the London Stock Exchange Trading System for the five business days immediately preceding the day on which that Ordinary Share is contracted to be purchased and (ii) the higher of the last independent trade and the highest current independent bid on the London Stock Exchange Daily Official List at the time the purchase is carried out. Resolution 15 should not be taken as an indication that the Company will purchase Ordinary Shares at any particular price or indeed at all. The Directors would only consider making purchases if they believe that such purchases would result in an increase in earnings per share and are in the best interests of the Shareholders. Any Ordinary Shares purchased under the authority would either be cancelled, and the number of Ordinary Shares in issue would be reduced accordingly, or would be held in treasury.

The authority will expire at the conclusion of the annual general meeting of the Company in 2014 or, if earlier, 18 months after the passing of Resolution 15. It is intended to renew such authority and power at successive annual general meetings.

The Directors would consider holding as treasury shares any shares which the Company repurchases pursuant to the authority provided by this Resolution 15. To the extent that any shares repurchased by the Company are held in treasury, earnings per share will only be increased on a temporary basis until such time as the shares are sold or transferred out of treasury. Overall, the Directors believe that the ability of the Company to hold shares in treasury will provide the Company with greater flexibility in the management of its share capital. The Company has options outstanding over 4,011,803 shares, the aggregate nominal amount of which represents approximately 2.8% of the Company's current issued Ordinary Shares as at 14 June 2013 (being the latest practicable date prior to publication of this document). If the Company bought back the maximum number of Ordinary Shares permitted pursuant to this Resolution, then the total number of options to subscribe for Ordinary Shares outstanding at 14 June 2013 would represent 3.1% of the reduced issued share capital of the Company.

Authority to retain a notice period of fourteen clear days for general meetings (Resolution 16)

Resolution 16 is a resolution to allow the Company to hold general meetings (other than annual general meetings) on 14 clear days' notice. Before the coming into force of the Shareholders' Rights Regulations on 3 August 2009, the Company was able to call general meetings (other than an annual general meeting) on 14 clear days' notice without obtaining shareholder approval. Changes made to the Act by the Shareholders' Rights Regulations increased the notice period required for general meetings of the Company to 21 days unless shareholders approve a shorter notice period (which cannot be less than 14 clear days).

Accordingly, in order to preserve the Company's ability to call general meetings (other than an annual general meeting) on 14 clear days' notice, Resolution 16 seeks such approval from Shareholders. The flexibility offered by this Resolution will be used where, taking into account the circumstances, the Directors consider this appropriate in relation to the business to be considered at the general meeting. If granted, the approval will be effective until the Company's next annual general meeting in 2014, when it is intended that a similar resolution will be proposed.

Action to be taken

You will find enclosed a form of proxy for use at the AGM, to be held Chester House, Kennington Park, 1-3 Brixton Road, London SW9 6DE at 11.00 a.m. on Thursday, 25 July 2013.

Whether or not you intend to be present at the AGM you are requested to complete and sign the enclosed form of proxy and return it as soon as possible to the Company's registrars, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY. Members may also register the appointment of a proxy electronically by accessing the website www.eproxyappointment.com, which is operated by Computershare Investor Services PLC. In either case, the proxy appointment must be received by Computershare Investor Services PLC by no later than 48 hours before the time of the AGM.

Alternatively, CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST messages must be received by the issuer's agent not later than 48 hours before the time appointed for holding the AGM. Completion and return of a form of proxy will not preclude Shareholders from attending and voting at the AGM should they choose to do so.

Recommendation

Your Board considers that the resolutions to be proposed at the AGM are in the best interests of the Company and the Shareholders as a whole, and the Board unanimously recommends that you vote in favour of the proposed resolutions, as the Directors intend to do in respect of their own beneficial shareholdings.

Yours sincerely

Daniel Kitchen
Chairman

NOTES

- 1 Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, only those shareholders entered in the register of members of the Company at the close of business on the day which is two days before the day of the AGM (or, in the event of any adjournment, on the day which is two days before the day of the adjourned meeting) shall be entitled to attend and vote at the AGM in respect of the shares registered in their name at that time. Changes to entries on the register of members after that time shall be disregarded in determining the rights of any person to attend or vote at the AGM.
- 2 A member is entitled to appoint one or more proxies to exercise all or any of the member's rights to attend, speak and vote at the AGM. A proxy need not be a member of the Company. If a member appoints more than one proxy to attend the AGM, each proxy must be appointed to exercise the rights attached to a different share or shares held by the member. If a member wishes to appoint more than one proxy and so requires additional forms of proxy, the member should contact the Company's registrars. A form of proxy accompanies this Notice. Completion and return of such proxy will not preclude a member from attending the AGM and voting in person.
- 3 To be valid, a form of proxy for use at the AGM and the power of attorney or authority (if any) under which it is signed, or a copy of such authority notarially certified must be signed and lodged with the Company's registrars, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, no later than 48 hours before the time fixed for the AGM or the adjourned meeting.
- 4 The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with section 146 of the Companies Act 2006 (a **Nominated Person**). A Nominated Person may have a right under an agreement with the registered Shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if a Nominated Person does not have such a right, or does not wish to exercise it, he/she may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.
- 5 CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting and any adjournments thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
- 6 In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a **CREST Proxy Instruction**) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com/CREST). To appoint one or more proxies or to give an instruction to a proxy (whether previously appointed or otherwise) via the CREST system, CREST messages must be received by the Company's agent (ID number 3RA50) not later than 48 hours before the time appointed for holding the meeting. For this purpose, the time receipt will be taken to be the time (as determined by the timestamp generated by the CREST system) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. The Company may treat as invalid a proxy appointment sent by CREST in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
- 7 CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings (www.euroclear.com/CREST).
- 8 Alternatively, members may register the appointment of a proxy for the AGM electronically, by accessing the website www.eproxyappointment.com, using the Control Number, PIN and Shareholder Reference Number set out on their proxy card, where full details of the procedure are given. This website is operated by Computershare Investor Services PLC. The proxy appointment and any power of attorney or other authority under which the proxy appointment is made must be received by Computershare Investor Services PLC not less than 48 hours before the time for holding the AGM or adjourned meeting or (in the case of a poll taken otherwise than at or on the same day as the meeting or adjourned meeting) for the taking of the poll at which it is to be used. The use of the internet service in connection with the AGM is governed by Computershare Investor Services PLC's conditions of use set out on the website, www.eproxyappointment.com and may be read by logging on to that site.

-
- 9 Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that, if it is appointing more than one corporate representative, it does not do so in relation to the same shares. It is therefore no longer necessary to nominate a designated corporate representative.
 - 10 As at 14 June 2013, being the latest practicable date prior to publication of this Notice, the Company had 144,997,835 Ordinary Shares in issue with a total of 144,997,835 voting rights.
 - 11 The Executive Directors' service contracts and Non-Executive directors' letters of appointment are available for inspection at the Company's registered office and will be available for inspection during normal business hours on any week day (Saturdays, Sundays and Bank Holidays excluded) at the place of the AGM from 15 minutes prior to the commencement of the AGM until the conclusion thereof.
 - 12 Under section 527 of the Companies Act 2006, members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to:
 - (a) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM; or
 - (b) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006.
